Special Meeting:
February 28th to March 1st, 1919

Annual Meeting:
May 12th to 17th, 1919

Toronto

IMPORTANT NOTICE

It is the desire of the Board to prepare an accurate list of the Graduates of the R.C.D.S. who enlisted in the C.E.F., B.E.F. or A.E.F.

In the list at the back of this pamphlet all those who are known to have enlisted are so marked. Look it over and if you notice any omissions or errors kindly notify the Secretary.

W. E. WILLMOTT,

Secy. R.C.D.S.,

96 College St., Toronto

MINUTES OF SPECIAL MEETING,

February 28th and March 1st, 1919.

Friday, Feb. 28th—Board met at 9.00 a.m., adjourned at 12.30 p.m.

Board met at 2.00 p.m., adjourned at 5.50 p.m.

Saturday, Mar. 1st—Board met at 9.30 a.m., adjourned at 2.00 p.m.

All the members were present.

During the sessions the following business was transacted:—

VACANCIES.

Moved by Mason and Morrison, "That Dr. R. Gordon McLean, of Toronto, be appointed to fill the vacancy in District No. 3, and Dr. E. E. Bruce, of Kincardine, in District No. 6, for the balance of the term." Carried.

Drs. McLean and Bruce took their seats on the Board.

Moved by Abbott and Clark, "That Dr. Morrison be appointed Vice-President and Dr. Mason, Registrar, the appointment to date from May 14th, 1919." Carried.

SUPPLEMENTAL EXAMINATIONS.

Moved by Mason and Bruce, "That those students who failed in the January Examinations be granted a Supplemental Examination in May." Carried.

SENIOR STUDENT.

The President reported that a Senior Student had been found guilty by the Faculty Council, of dishonest conduct while a junior, in having stolen some plaster models, and having handed them in as his own work, and that the Faculty had recommended that he be not allowed to write on his Examination until May, 1920. The President stated that on account of some doubt of the theft, he had not endorsed the action of the Council, but left it for the Board to decide.

Moved by Bruce and Abbott, "That the Student be required to complete his Orthodontia Models to the satisfaction of the Department, and that he be allowed to write on his final Examinations in May, and that his case will be taken up again at the regular meeting of the Board." Carried.

CHEMISTRY.

Moved by Morrison and Davy, "That the Dean and Superintendent be authorized to make arrangements with the University of Toronto for the teaching of Chemistry and Metallurgy for next Session, provided there are no facilities in this building." Carried.

NEW WING TO BUILDING.

Moved by Morrison and Bruce, "That the Board now consider the tentative plans prepared by the Architect under instruction from the President." Carried.

The whole question was carefully considered and on motion of Morrison and Davy was referred, with power to act, to the following Building Committee: The President, Abbott, Mason, McLean, Webster, Willmott, and Seccombe.

SUMMER SESSION.

The representative from the Faculty Council presented a resolution from that body requesting a summer session and certain changes in the present building.

Moved by Mason and Abbott, "That the request of the Faculty Council be received and the Board go into Committee of the whole to discuss it." Carried.

The Board went into Committee of the whole with Dr. Abbott in the chair. The Committee rose and reported, "That in view of the proposed addition to the building, the request of the Faculty Council be not concurred in."

On motion of Abbott and Bruce the report was adopted.

DEPUTATION TO THE GOVERNMENT.

The Board, accompanied by the Dean, Superintendent and Secretary and Sir Robert Falconer, President of the University of Toronto, had an interview with the Premier, the Minister of Education and the Attorney-General of the Province, and asked for a grant of \$100,000 towards the addition to the building.

THANKS TO SIR ROBERT FALCONER.

Moved by Abbott and Clark, "That the Secretary be instructed to convey to Sir Robert Falconer the appreciation of the Members of the Board for his courtesy in accompanying the deputation to interview the Government and their thanks for his valuable support of their request." Carried.

CANADIAN DENTAL COLLEGES.

Moved by Abbott and McLean, "That the Superintendent be instructed to communicate with the other Canadian Dental Colleges with a view to closer co-operation and in case the President considers a Conference necessary, he shall appoint the delegation." Carried.

DOMINION DENTAL COUNCIL.

Dr. Abbott, representative on the D.D.C., reported that he had made such representations to the Council, that the regulations regarding Class "C" had been amended, to make the initial date December 31st, 1908, and that applications will be received up to June 30th, 1919, instead of to January 1st, 1919.

Moved by Davy and Morrison, "That the Board endorse the action of their representative on the D. D. C." Carried.

Moved by McLean and Clark, "That the Secretary be instructed to notify the Licentiates in Ontario of the changes in the D. D. C. regulations." Carried.

BRITISH BOARD OF EDUCATION.

The Superintendent asked for instructions regarding the following enquiry which had been cabled to Canada by Lord Milner:—

"British Board of Education furnishing financial assistance varying according to needs up to a maximum of £175 per annum to service men with suitable qualifications to enable them to carry out University studies, Undergraduate or Post-graduate. (It is) thought that some of these, for special studies or with a view to possible eventual settlement, may desire to complete their studies in Canadian Universities or Technical or Agricultural Colleges. Board of Education is favourably disposed to extend its financial support in their case as well, provided Canadian Universities and Colleges favour idea, and can make arrangements.

"Can your ministers ascertain as soon as possible from authorities in Universities if proposal is agreeable to them, and if so, what concessions they are prepared to make respecting entrance examination, fees and residence. Will they authorize Imperial Education Committee, War Office, composed of educational representatives of War Office and Dominion Forces, to select candidates and lay down standards of educational fitness corresponding to those now accepted by British Universities in similar cases?"

(Sgd.) MILNER.

London, February 18th, 1919.

The Superintendent was instructed to assure the authorities that the Royal College of Dental Surgeons of Ontario is ready to co-operate with the British Board of Education along the lines suggested.

COMMENCEMENT.

Moved by Abbott and Bruce, "That the request of the Faculty Council for a special Convocation in Dentistry on Friday evening, May 16th be concurred in and that the Dean be added to the Committee." Carried

DR. G. W. GRIEVE.

Moved by Davy and McLean, "That this Board wishes to place on record its appreciation of the valuable services so graciously and unstintingly rendered by Dr. G. W. Grieve in the Department of Orthodontia, while the head of the Department was overseas." Carried.

DR. C. W. WELLS.

Dr. C. W. Wells, of Waterloo, presented the Museum of the College with a number of specimens.

Moved by Abbott and Clark, "That the thanks of the Board be conveyed to Dr. Wells for the valuable additions he has made to the specimens in the Museum." Carried.

WAR MEMORIAL.

Moved by Abbott and Bruce, "That the President appoint a Committee to consider and report on a suitable Memorial for those Graduates and Undergraduates who enlisted for service in the War." Carried.

The President appointed The Dean, Superintendent and Secretary as the Committee.

PORTRAITS OF PAST PRESIDENTS.

Moved by McLean and Bruce, "That Dr. Abbott, a Past President of the Board, be instructed to have his portrait made in oil for the College and that the Dean, Superintendent, Secretary, the representative from the Faculty and the representative from District No. 3 be appointed a standing Committee to see that one oil painting a year of the Past Presidents of the Board be obtained for the College." Carried.

INFIRMARY OPEN.

Moved by Clark and Davy, "That the Infirmary shall be open for a period after the Examination and before the next regular session, and that the Faculty Council name the students who shall attend." Carried.

LECTURE FEES.

A petition was presented from the Students' Parliament, requesting a refund of \$25 on the fees paid by the third and fourth year students, being the increase made in the fees without notice being given.

Moved by Morrison and Davy, "That the Superintendent be instructed to take this matter up with the Students' Parliament, pointing out the increase in costs of instruction and in length of session." Carried.

COURSE FOR DENTAL ASSISTANTS.

Moved by McLean and Bruce, "That the Dean, Superintendent, Mason and the mover be a Committee to report on the advisability and practicability of instituting a course of instruction for Dental Assistants." Carried.

PHYSICS.

Moved by Mason and Davy, "That instruction be given the Senior Class in applied Physics, and an Examination in the subject by the Professor." Carried.

RELATIONS WITH THE UNIVERSITY.

The President reported that the Committee appointed by the Board at its last meeting had a conference with the President of the University on November 11th. At his suggestion the Committee met the Board of Governors on February 27th. The Committee was received very cordially, and after considerable discussion the Governors stated they would appoint a small Committee to meet with our Committee, when we would be expected to present a definite budget scheme.

Moved by McLean and Clark, "That the Committee be instructed to make a draft of the whole scheme to be submitted to the Board at the annual meeting." Carried.

During the sessions the following business was transacted:—

BIENNIAL ELECTION OF A BOARD OF DIRECTORS.

This being the organization meeting, the Secretary took the chair and laid on the table a sealed packet said to contain the ballots cast at the recent election, and one copy of the Scrutineers' report, also a sealed envelope said to contain the ballots in protest.

The Secretary then presented his own report concerning the election held in October-December, 1918, and the Scrutineers' report as to the election in Districts Nos. 3 and 6 and in the Faculty Council as follows:—

Secretary's Report.

To Directors of the R. C. D. S.,

Gentlemen,—In accordance with the provisions of the Dentistry Act and the By-laws of the College, an election of a Board of Directors for the Royal College of Dental Surgeons of Ontario was held in October-December, 1918.

On October 1st, 1918, nominations were called for by Circular letter addressed to each member of the College, resident in Ontario, which resulted in one valid nomination only from each of the Electoral Districts Nos. 1, 2, 4, 5, and 7, viz.:—

- District No. 1—Dr. W. R. Greene.
“ No. 2—Dr. M. A. Morrison.
“ No. 4—Dr. R. H. Cowen.
“ No. 5—Dr. W. M. McGuire.
“ No. 7—Dr. H. R. Abbott.

From District No. 3 valid nominations were received for Dr. C. F. Colter and Dr. R. Gordon McLean, and from District No. 6 for Dr. C. E. Bean and Dr. E. E. Bruce.

On November 21st, 1918, a circular letter giving the nominations in each district was sent to all Licentiates in Ontario, blank ballots being inserted to the qualified electors in Districts No. 3 and 6.

All voting papers received from Districts No. 3 and 6 were counted by the Scrutineers appointed by the Board—James Brebner, B.A., and H. J. Bolitho—at the Board room of the College on Thursday, December 12th.

The report of the Scrutineers, submitted herewith, shows the election of Dr. R. Gordon McLean in District No. 3, and Dr. E. E. Bruce in District No. 6.

The representative from the Faculty was voted on at a regular meeting of the Council called by written notice, in which the election of a representative to the Board of Directors of the Royal College of Dental Surgeons of Ontario as provided by Sub-section 5 of Section 4, of the Dentistry Act of Ontario, was indicated as the business to be transacted. A ballot was taken without nomination, and handed to the same Scrutineers, whose report is herewith submitted showing Dr. A. D. A. Mason elected.

The members elect for the ensuing term are therefore:—

District No. 1—Major W. R. Greene, L.D.S., D.D.S., Ottawa, by acclamation.

“ No. 2—M. A. Morrison, L.D.S., D.D.S., Peterboro', by acclamation.

“ No. 3—R. Gordon McLean, L.D.S., D.D.S., Toronto, by election.

“ No. 4—R. H. Cowen, L.D.S., D.D.S., Hamilton, by acclamation.

“ No. 5—W. M. McGuire, L.D.S., D.D.S., Simcoe, by acclamation.

“ No. 6—E. E. Bruce, L.D.S., D.D.S., Kincardine, by election.

“ No. 7—H. R. Abbott, L.D.S., D.D.S., London, by acclamation.
Representative from the Faculty A. D. A. Mason, L.D.S., D.D.S., by election.

After the counting of the ballots a letter was sent each candidate in accordance with Section 21, By-law 27. On January 4th, 1919, a protest was received from Dr. C. F. Colter in District No. 3, which is herewith submitted and on which it will be necessary for the Board to take action.

Respectfully submitted,

W. E. WILLMOTT,
Secretary.

Scrutineers' Report.

(District Representatives.)

To the Directors of the Royal College of Dental Surgeons,
of Ontario.

Gentlemen:—

According to your request to act as Scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 12th day of December, 1918, at 2 o'clock in the afternoon.

After we had made the required declaration of secrecy, your Secretary handed to us 163 sealed envelopes, addressed to himself marked on the outside "Royal College of Dental Surgeons of Ontario, voting paper, District No. 3" and 42 sealed envelopes "District No. 6." These envelopes contained 246 voting papers in the form prescribed by the Dentistry Act, 202 cast in District No. 3 and 44 in District No. 6. Of the voting papers in District No. 3, 89 were marked for Dr. C. F. Colter, and 93 for Dr. R. Gordon McLean, showing a majority of four for Dr. R. G. McLean. 20 voting papers in District No. 3 were rejected, 1 fees not paid, 8 because the elector voted twice, 1 resided out of the District, 1 improperly signed, and 1 member of the staff. The ballots of ten voters are in dispute and are sealed in a separate envelope. In District No. 6, 27 voting papers were marked for Dr. E. E. Bruce, and 13 for Dr. C. E. Bean, showing a majority of 14 for Dr. E. E. Bruce, 2 voting papers in District No. 6 were rejected, not residing in the District.

From Electoral Districts Nos. 1, 2, 4, 5, and 7, no voting papers were submitted to us.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

JAMES BREBNER,
H. J. BOLITHO,

Scrutineers.

Toronto, December 12th, 1918.

(Faculty Representative.)

This is to certify that on December 16th, 1918, Dr. W. E. Willmott handed us a sealed envelope which contained 30 votes of which 27 were marked for Dr. Mason and 3 for Dr. Webster, being a majority of 24 for Dr. Mason.

JAMES BREBNER,
H. J. BOLITHO,

Scrutineers.

The Secretary called the roll and all were present except Dr. McLean, who took his seat later.

On a ballot being taken for the different offices, the following were declared elected:—

President.—Dr. W. M. McGuire, Simcoe.

Vice-President—Dr. M. A. Morrison, Peterboro'.

Registrar.—Dr. A. D. A. Mason, Toronto.

Secretary-Treasurer.—Dr. W. E. Willmott, Toronto.

Assistant Secretary-Treasurer.—Dr. A. D. A. Mason, Toronto.

The President took the chair.

MINUTES.

Moved by Abbott and Bruce, "That the minutes of the last meeting be taken as read as printed." Carried

The minutes of the special meeting held on February 28th and March 1st, 1919, were read and were adopted on motion of Morrison and Cowen.

DR. C. F. COLTER'S PROTEST.

The Secretary presented a protest from Dr. C. F. Colter, of Toronto, as to the election in District No. 3. After due consideration the following resolutions were unanimously adopted, Dr. McLean being absent or not voting.

(1) Moved by Bruce and Cowen, regarding the voter whom the returning officer considered to be a member of the Staff:—"That whereas the ballot paper was mailed to the voter before he had begun his active duties on the staff, therefore in the opinion of this Board he was qualified to vote in District No. 3."

(2) Moved by Morrison and Cowen, "That only those ballots which were received by the Secretary in accordance with the By-law be recognized as valid."

(3) Moved by Cowen and Green, "That in case of a voter having voted twice in accordance with the By-law, but for different candidates, the ballot shall not be considered valid."

(4) Moved by Mason and Bruce, "That those ballots which have slips attached or on which any notation has been made, shall be considered invalid."

The Secretary was instructed to give the packet containing the disputed ballots to the Scrutineers for a report in accordance with these resolutions. Later in the session the Scrutineers presented the following report:—

This is to certify that the sealed envelope, containing the disputed ballots in the recent election for the representative from District No. 3 on the Board of Directors, was returned to us by W. E. Willmott on May 12th. In accordance with the resolutions of the Board, the ballots were counted and found to be as follows:—0 for Dr. C. F.

Colter and 4 for Dr. R. G. McLean. The following were rejected:—
4 pairs in which each voter had voted for both candidates, 1 in which
a notation was inserted on the ballot.

JAMES BREBNER,
H. J. BOLITHO,

Scrutineers.

Toronto, Ontario, May 12th, 1919.

This with the report of the Scrutineers at the time of the election
gives Dr. R. Gordon McLean a majority of eight.

HOURS OF SESSION.

Moved by Morrison and Bruce, "That the hours of sessions shall
be 9.30 a.m. to 12.30 p.m. and 2.00 p.m to 5.30 p.m." Carried.

Moved by Morrison and Green, "That the Committees as appointed
by the President be accepted." Carried.

REPORT OF PRESIDENT OF BOARD OF DIRECTORS, SESSION 1918-19.

To the Board of Directors,

Royal College of Dental Surgeons,

Gentlemen:—

During the past session a number of important matters were re-
ferred to your President for decision. In every case the urgency of
the matter required a decision previous to the regular meeting of the
Board, and, consequently, it was necessary for me to make the follow-
ing rulings, subject to your approval:

First.—Sanctioned additional course in Chemistry for members of the Junior Class, 1918-19, who did not receive instruction in this subject while attending Sergeants' Class, 1917-18.

Second.—Owing to the large Junior registration, it was necessary to divide the Juniors into three groups for Bacteriology, instead of two groups, as heretofore. Sanctioned extra course in Junior Bacteriology.

Third.—Made the following sessional appointments to the staff:—Drs. Cole, Babcock, White, Chalmers, Fiske, Bierel, Duff, Watson, Leggett, to act as laboratory demonstrators or clinicians. The three latter were returned men.

Fourth.—Mr. Reveler asked that he be permitted to continue the unfinished work of his course, and that the Board reconsider his case at its next meeting. A number of letters were presented regarding Mr. Reveler's conduct, and, after careful consideration, his request was granted. It is now for the Board to review the result of Mr. Reveler's work during the session, and possibly reconsider its decision in this case.

Fifth.—Sanctioned recommendation of Faculty that five members of Freshman Class be asked to discontinue their course, owing to their apparent unsuitability to proceed with dental instruction. Subsequently the request of four of these students, that they again be permitted to proceed with their course, was granted. They were permitted to return, however, upon the distinct understanding that it was upon their own responsibility, and not that of the Board or Faculty.

Sixth.—Extra Courses were sanctioned in the subjects of,—Chemistry,—Five hours for returned men. Medicine,—Twenty clinic hours for Physical Diagnosis.

Seventh.—Sanctioned the recommendation of the Joint Committee and Faculty Council that three students be disciplined as follows:—

- (a) That Mr. Winkler be expelled;
- (b) That Mr. Perlman be suspended for this session.
- (c) That Mr. Calbeck be suspended for ten days.

Certain proposals will be made to the Board regarding the decisions regarding Mr. Winkler and Mr. Perlman, and the facts in these cases will be laid before you, in detail.

W. M. McGUIRE,

President.

MESSRS. WINKLER AND PERLMAN.

Consideration was deferred to allow Messrs. Winkler and Perlman to present their cases to the Board. At a later session Miss Winkler and Dr. Perlman addressed the Board on behalf of their brothers.

Moved by Abbott and Green, "That the President's report be adopted and entered on the Minutes and that in view of a petition from

the Freshmen Class asking some consideration for Perlman, he be permitted to take the Freshman Examinations in September; if successful he be permitted to register in the Sophomore Class but shall complete all technic work of the Freshman Class; if unsuccessful, he may enter the Freshman Class anytime up to the beginning of the second Semester." Carried.

SENIOR STUDENT.

The case of the Senior student which was considered at the special meeting in February was referred back to the Faculty Council for further consideration.

MR. REVELLER.

Moved by Morrison and Mason, "That Reveller's case be reconsidered". Carried.

Moved by McLean and Bruce, "That Reveller be granted his certificate on completion of his examinations." Carried.

SENIOR EXAMINATIONS.

The Superintendent laid on the table the declarations of the members of the Senior Class, all correct except D. J. Ferguson, who would not be of age until September 2nd, 1919, also the papers of Dr. R. P. Evans, of Cleveland, a graduate of Ann Arbor of 1908, who had applied to write on Senior Examinations.

The Superintendent presented the tabulated results of the recent Senior examinations.

The Board went into Committee of the whole with Dr. McLean in the chair.

The Committee rose and reported that they had considered the returns and recommended.

(1) That term standing in Orthodontia be granted to those who passed the paper.

(2) That on account of the conditions under which Physics had been given the examination be not considered, in arriving at the standing of the candidates.

(3) That the following be passed:—

(4) G. S. Murray—That in view of overseas service he be given standing in 2nd year Physiology and passed.

(5) W. M. McKay—That in view of overseas service he be given standing in 2nd year Physiology and 2nd year Chemistry, but be required to take further practical instruction in Infirmary in lieu of Operative Term work, until he satisfies the examiner.

(6) That Reveller be granted term standing in Metallurgy and passed.

(7) Levesque, Moyer, and O'Leary be required to perform further clinical work until they satisfy the examiner.

(8) That those who have only further practical work to complete be permitted to go up for graduation at Commencement, but their diplomas be withheld until the work is completed.

(9) That as Ferguson will not be of age until September 2nd, 1919, his diploma be not issued until that date.

(10) That Fraser's diploma be withheld for three months (See Faculty Report).

Moved by McLean and Morrison, "That the report of the Committee of the whole be adopted." Carried.

EXAMINATIONS OF OTHER YEARS.

Moved by Cowen and Green, "That the results of the examinations in the 1st, 2nd, and 3rd years be referred to the member from No. 3 and the Faculty Council." Carried

FACULTY COUNCIL REPORT.

Board went into Committee of the whole to consider the Faculty Council report. Dr. Morrison in the chair.

Committee rose and reported that they had considered the Faculty Council report and recommend the following:—

(1) As it rests with the Faculty as to the manner of the election of representative to the Board, they be requested to ask the Secretary of the Board to conduct their election in the same manner as in the other Districts.

(2) In regard to the case of the Senior Student referred back to the Faculty, that owing to the mental anxiety he has experienced, his punishment be reduced to having his diploma withheld for three months.

(3) That the following appropriations be made for session 1919-1920 (inserted in report of Fittings and Equipment Committee, see page 35).

(4) That the request for the Board to reconsider its former action in prohibiting members of the Faculty Council from voting in District No. 3 be laid over until next meeting.

(5) That the clinical staff be given permission to arrange clinics by Dentists, subject to the approval of the Head of the Teaching Department concerned and such Dentists to be recognized as Honorary Clinicians.

(6) That any student who cheats or attempts to cheat at any examination written or practical, shall be suspended for one year.

Moved by Morrison and Cowan, "That the report of the Committee of the whole be adopted." Carried.

SECRETARY'S REPORT.

To the Board of Directors, R.C.D.S.,

Gentlemen,—The Minutes of the last meeting, together with a corrected list of Licentiates, were handed to the Superintendent for publication on May 27th.

Examinations.

After the last meeting of the Board special examinations were held for some of the Junior Class who had recently returned from overseas. 16 Candidates wrote 92 papers on 6 subjects.

Supplemental examinations were held on September 18th, 19th and 21st, at which 65 candidates wrote 124 papers on 18 subjects. In January final papers were set in 5 subjects at which 369 candidates wrote 640 papers. In order to relieve the pressure at the annual examinations, caused by the size of the classes and the number writing out of their year, examinations were held in April in final Chemistry for all not Sophomores, in Materia Medica for the Sophomores and in Comparative Dental Anatomy for all not Freshmen, at which 176 candidates wrote 201 papers. On account of the size of the classes and the difficulty of arranging accommodation, it was necessary to commence the annual examinations on May 2nd, instead of May 5th. At these 447 candidates wrote 2,279 papers on 26 subjects, making a total since the last meeting of the Board of 58 examinations set and 3,336 papers written. These arrangements necessitated the setting of extra papers in some subjects, but it was impossible under the conditions to do otherwise.

On account of the uncertainty of transportation by express, the answers have been forwarded by registered mail.

Dr. R. P. Evans.

Dr. R. P. Evans, of Cleveland, a graduate of Ann Arbor of 1908, made application for and wrote on the Senior papers.

Dr. Emmerson McNeil.

Dr. E. McNeil presented a D.D.C. certificate and was registered in Ontario on March 11th on payment of the fee of \$50. The Secretary should be instructed as to how to endorse his diploma.

Examiners Resigned.

Shortly after the Board meeting Dr. Black and Dr. Ramore resigned as examiners. The President with the concurrence of the University appointed Dr. Conboy in place of Dr. Black as examiner in Dental History, and Dr. O. A. Marshall in place of Dr. Ramore in Exodontia, etc.

Examination Books.

As authorized at the last meeting of the Board, tenders were called for 5,500 examination books and the contract given to the S. R. Hart Co., the lowest tenders. 5,800 books were delivered at a cost of \$126.55. These are four pages smaller than the old ones and ruled on both sides, which will mean a considerable saving in paper.

Honor Roll.

The roll of Graduates who enlisted in the C.E.F., is as complete as can be made at present. Some arrangement should be made to put this list before the profession for correction and additions.

Election.

The Biennial Election was held October-December, 1918, as presented in separate report.

Licentiates Who Have Died.

The following Licentiates have died during the year:—

W. M. Bruce, Toronto.
W. N. Brown, Toronto.
C. W. Currie, Thamesville.
R. H. Mills, Thessalon.
L. E. Stanley, Ottawa.
W. T. Hackett, Winnipeg—On active service.
W. R. Nobbs, Hamilton.
H. Harnden, Fort Saskatchewan, Alta.
M. M. McGahey, Toronto.
Andrew McLaren, Toronto.
L. Teskey, Toronto.
F. A. Ballachey, Buffalo—On active service.

W. A. Gillan.

In October a letter was received from one W. A. Gillan, a Dental Mechanic of Detroit, stating he had been left some money and intended opening a "Dental Shop" in Hamilton, modern, up-to-date, advertise thoroughly, prices reasonable, employ Canadian Graduates, etc. In reply extracts from the Dentistry Act were quoted, pointing out the illegality of such procedure. As nothing has been heard of him since, it is presumed he thought better of his investment.

Duplicate Licenses.

During the year two duplicate Diplomas have been issued on affidavit of the loss of the original, and the payment of the fee of \$2.00.

Index.

A detailed index of the proceedings of the Board from 1892, when the Minutes first were published, is under course of preparation. It is completed up to the meeting of 1903, and is herewith tabled. It is intended to complete the index to date, during the coming year.

The duties of your Secretary-Treasurer have been more exacting the past year, especially in connection with examinations and with the collection of fees.

5,500 articles have been mailed from this office and the expenses for postage, supplies, telephone, telegrams, etc., has amounted to \$156.64.

All of which is respectfully submitted,

W. E. WILLMOTT,

Secretary.

Moved by Abbott and Cowan, "That the Secretary's report be received and entered on the Minutes." Carried.

Moved by McLean and Morrison, "That the regular Diploma shall be issued to any applicant presenting a Dominion Dental Council certificate for registration in Ontario." Carried.

TREASURER'S REPORT.

To the Board of Directors of the R.C.D.S.

Gentlemen,—The notices regarding the Annual Fee were mailed on the first of October with the first notice in connection with the election. About 500 paid, necessitating the issuing of a second notice to about 400, which was mailed with the second election notice. Towards the end of December a third notice was sent to about 300 and in February to 200. In March 133 were drawn on through the bank. 11 of these were refused and were handed to the solicitor for collection. 5 of these have paid the fee, together with court costs; execution has been issued against the other six, amounting to \$30.

At the close of 1917-18, 23 members were in arrears, amounting to \$78. This has been paid except \$22, owed by four members, one at \$14, one at \$4, and two at \$2.

At the close of 1918-19, 9 members were in arrears amounting to \$40. Of these, execution has been issued against 6, amounting to \$34. Of the other three, one cannot be located, one has been in the Hospital for some time (this has been paid since the books were closed) and the other claimed he had paid but declines to answer inquiries as to when and how.

It is doubtful if the fees have ever been so nearly paid up at the close of the year.

A statement of receipts and disbursements for the year as certified to by the Auditors, Thorne, Mulholland & Co., is herewith appended. (See page 59).

All of which is respectfully submitted,

W. E. WILLMOTT,

Treasurer.

Moved by McLean and Green, "That the report of the Treasurer be received and entered on the Minutes." Carried.

REPORT ON MILITARY DRILL.

In accordance with instructions of last meeting of the Board, at the opening of the Session, the first and second years were organized for Military Drill. All those who were given leave from the C.E.F. in order to complete their course, numbering about 150, were under orders from the C.A.D.C. and paraded under the Sergeant-Major of the C.A.D.C. once a week. The remainder in the 1st and 2nd years paraded twice a week until after the Armistice on November 11th. As the war was over and the work of the school behind on account of the "Flu," the Faculty Council recommended the discontinuance of the Military work. This the President agreed to and drill ceased about December 4th.

W. E. WILLMOTT,
Officer-in-Command Military Instruction.

Moved by Mason and Cowen, "That the report on Military Drill be received and entered on the Minutes." Carried.

INSTITUTE OF DENTAL TEACHERS.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

The Institute of Dental Teachers met at Atlanta, Georgia, January 28th to 30th. The meeting was a very successful and profitable one, as well as being a most delightful climatic change during our mid-winter.

The following members of your Faculty—Drs. Webster, Willmott, Seccombe, Ante, Krueger, Mason and Thornton, attended this meeting, and I feel that the College will benefit materially therefrom. Your Dean was elected to the Executive Board for three years. Next meeting will be in Detroit, January, 1920.

A. D. A. MASON,
For those Present.

Moved by Mason and McLean, "That the report be received and entered on the Minutes." Carried.

REPORT DENTAL RESEARCH COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons of Ontario.

Gentlemen:—

The Research Committee has made substantial progress during the year in the organization of research work in the Dominion of Canada, and, particularly, in connection with the launching of a

campaign to raise \$100,000.00, as a Memorial Fund in honor and recognition of the service and sacrifice of Canadian Dentists in the war, to take the form of a Permanent Endowment Fund for Dental Research, and to be known as the Canadian Dental Research Foundation. For purposes of security and permanence, the Foundation has applied for incorporation.

The plan of organization is, in effect, that adopted by the Canadian Dental Association at its meeting held in 1918, and provides for Provincial Research Committees to be appointed from time to time by the Official Board of each of the Provinces of Canada.

The Chairman and one other member of each Provincial Committee are to be directors of the Canadian Dental Research Foundation. This Board shall meet at the time and place of the Canadian Dental Association and shall hold office until their successors are appointed. The Board will direct the expenditure of funds, or apportion the same among one or more of the provincial Committees, to be devoted to the purposes for which the fund was established.

The monies subscribed will be paid in to the National Trust Company, Trustee, who will invest them on behalf of and in accordance with the instructions of The Canadian Dental Research Foundation, in securities in which Trustees are, for the time being, authorized to invest trust monies, and will pay the net annual income to the Research Foundation.

Progress has already been made in the collection of funds by the students of the Royal College of Dental Surgeons.

Financial statements of both Trust and Current Accounts are as follows:—

Trust Account—(National Trust Company).

Deposited to the credit of the Canadian Dental Research Foundation	\$1,510.00
--	------------

Current Account—(Canadian Bank of Commerce).

Receipts—Received from the Board of Directors of	
the R.C.D.S., two grants of \$100.00 each	\$200.00
Interest on Bond (1st May, 1919)	41.25
	\$241.25
Disbursements—Letter heads, stationery, etc.

Might Directories, postage	87.50
Balance on Deposit in the Canadian Bank of Commerce	45.00
	99.25
	\$241.25

Much work has yet to be done in the organization of this Foundation and as all monies subscribed are received in Trust, and must be

deposited with the National Trust Company, your Committee begs to recommend that the grant of the Board of Directors this year be \$200.00.

All of which is respectfully submitted,

REPORT OF C.A.D.C. COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

During the past year your Committee has undertaken important work in connection with Military Dental Service, in so far as it was possible for a committee of Civilians to be of assistance. Your Committee included the Soldiers' Civil Re-establishment within its field of activity.

Post Graduate Course in War Surgery.

Anesthesia and Prosthesis.

During the progress of the war and subsequent to the return of Lt.-Col. Hume and the development of War Prosthesis by Major Cummer, your Committee decided to conduct a Post Graduate Course and invite a limited number of officers of the C.A.D.C., as guests. It was further decided that civilians should be charged a fee of \$50.00 and the entire profit divided between the teachers.

Your Committee received a suggestion from the President of the Preparedness League of American Dentists, that the League would be glad to co-operate in such a course. It was thereupon decided to make the Course international in character, and the League was invited to nominate two American teachers, who, along with Col. Hume and Major Cummer, would form the Faculty. The teachers, chosen by the Preparedness League, were Drs. Arthur E. Smith, Chicago, and Leroy S. Miner, Boston.

The course was held in the College building from Monday, 16th December, to Saturday, 21st December, 1918, and was an unqualified success. Delegates were present to the number of 95 and included dental practitioners from every part of United States and Canada.

A very interesting little brochure was prepared containing the names of the Faculty, the Committee, group photograph of the Class and a list of the Registrants with their home addresses. A copy was sent to each member of the class.

The Committee added Dr. H. R. Abbott to its number, for the purpose of this Course, to assist the Committee as chairman of one of the study groups.

The financial statement of the War Course is as follows:—

Receipts.

Registrants' complete course (76)	\$3,800.00	
Registrants' half course (12)	300.00	
Registrants' quarter course (7)	87.50

Soldiers' Civil Re-Establishment.

The S. C. R. recently appointed a Director of Medical Services and placed this officer in complete charge of all Dental Treatment affecting the work of the Department. Your Committee determined to make a vigorous protest against such an arrangement and urged the organization and administration of a Dental Service in the S. C. R. as a distinct unit. It was clearly recognized by your Committee that a satisfactory adjustment of this question was vital to the present relationship of the Canadian Army Dental Corps to certain other Militia units.

Drs. McGuire and Seccombe were appointed to arrange an interview with Senator Lougheed, Minister in charge S. C. R., and lay the views of the Dental Profession before him. The members named met Sir James in The Senate, Ottawa, on 6th March, 1919, and subsequently discussed the whole matter, with Lt.-Col. F. McKelvey Bell, Director of Medical Services, S.C.R. Efforts of other members of the profession, along with those of your Committee, have resulted in the appointment of Lt.-Col. Corrigan, D.S.O., as Director of Dental Services, S.C.R. Your Committee would suggest that the Board, by resolution, express its approval of this action and forward the same to Senator Lougheed, along with the thanks of this Board for his interest and prompt action.

The Board will doubtless be glad to learn that the Department of Education, Province of Ontario, has also recognized the principle of an independent dental service, in its organization of a Provincial School Health Service, by having the Dental Officer report (as does the Medical Officer) direct to the Chief Inspector of Schools. This action upon the part of the Provincial authorities will encourage the establishment and administration of local dental clinics upon a basis satisfactory to the Dentists of the Province, and will eliminate the weakness and difficulties that would arise, were Dental officers required to report to Medical officers.

Post Graduate Course for Returned Dentists.

Your Committee has given a great deal of consideration to the pressing need of a Post Graduate Course for Canadian Dental Practitioners, following their discharge from Military Duties. These men, whether having served in a combatant, or other unit, would certainly appreciate the opportunity of taking a short Post Graduate Course.

We have corresponded with those in charge of the Canadian Army Dental Corps, both in Canada and Overseas, as well as with individual officers, and have received many suggestions regarding the most suitable time and the subjects to be included in such a course. The whole matter, however, has been held, pending the decision of this Board as to whether such a course should be conducted. For the purpose of bringing the question before the Board in concrete form, your Committee beg to recommend as follows:—

First.—That the C.A.D.C. Committee proceed with the arrangements for a Post Graduate Course for returned Canadian Dentists.

Second.—That the Course be held during September, 1919, previous to the opening of the College Session, to continue for one week or more.

Third.—That registrants be permitted to remain after the opening of the session, should they so desire, and attend the clinical sessions of the College Infirmary.

Fourth.—That the Committee learn the desires of the officers themselves, as to what subjects the Course should embrace.

Fifth.—That the Course be confined to returned men and that no fee be charged.

Sixth.—That the Board place at the disposal of the Committee an appropriation of \$500.00 to defray the expenses of the Course.

All of which is respectfully submitted,

HAROLD CLARK, Chairman.

W. M. McGUIRE.

F. J. CONBOY,

WALLACE SECCOMBE,

Secretary.

Moved by Morrison and Bruce, "That the report be adopted and entered on the Minutes and if any other Dentists are accepted for the Course they be charged a fee to be fixed by the Committee." Carried.

POST GRADUATE COURSE.

Moved by Bruce and Cowan, "That the Faculty be asked to report on the details of a Post Graduate Course, to be held at a regular time." Carried.

REPORT—COURSE OF TRAINING FOR DENTAL NURSES.

To the Board of Directors, R.C.D.S.

Gentlemen,—The Committee having given consideration to the question of establishing a course of training for dental nurses and having had the advantage of suggestions from the Faculty Council, begs to recommend that such a course of training be established commencing Session 1919-20.

Your Committee would suggest the following as a suitable basis for the organization of such a course:—

Course to be given in the Royal College of Dental Surgeons and to be known as The Training School for Dental Nurses.

The purpose of the Course shall be:—

First.—To train young women for service to both Dentist and patient in the practice of Dentistry.

Second.—To prepare them for public service, to act in the capacity of assistants to Dentists engaged in school and hospital dental service.

Requirements of Admission.

Applicants to be approved by the Registration Committee of the Royal College of Dental Surgeons of Ontario.

Course.

(a) Length of Course.—The Course shall embrace seven months' instruction and shall be divided into two semesters;

(b) Subjects of Course.—

The tooth brush and its use.
Office routine and management.
Records, banking and correspondence.
Assisting at Dental Chair.
Knowledge and care of instruments, materials and equipment.
Assisting with anesthetics.
Preparation of drugs for dental use.
Sterilization and sanitation.
Elementary pathological laboratory technique.
Elementary prosthetic laboratory technique.
Radiography.
Ethics and conduct.
School and Hospital dental service.

The Registration Committee at their discretion may admit experienced dental assistants to the second semester.

Fees.

Registration Fee	\$10.00
Tuition Fee	\$20.00 each semester.

The Committee would suggest that the Board limit the first-class to 15 members, for which number the Building Committee is making provision.

That the Course include not more than 75 lecture hours; the Faculty Council to determine the number of hours and the staff in each subject. Remuneration to be provided for lecture hours only, and to be at regular schedule rate.

Each candidate who successfully completes the Course shall be awarded a certificate, and shall be known as a "Dental Nurse."

Respectfully submitted,

R. GORDON McLEAN,
A. E. WEBSTER,
A. D. A. MASON,
WALLACE SECCOMBE.

Committee.

Moved by McLean and Morrison, "That the report be adopted and entered on the Minutes." Carried.

REPORT OF BUILDING COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

The Building Committee met in the Board Room on Thursday, April 3rd, 1919.

After mature consideration, the Committee decided to proceed with the work of the extension and remodelling of present building,

and that Mr. Secord, Architect, be instructed to prepare new Blue Prints, embodying the suggestions of the Committee—namely—Use of present Assembly Hall and Chemical Laboratory for Prosthetic and Physics Departments; conversion of present Freshman Laboratory, into new Chemical Laboratory, and a new addition to include Basement, Ground Floor and Mezzanaine.

It was further agreed that Details of Plans and specifications be worked out by the Faculty Council and that tenders be then called for.

The Faculty Council was invited to suggest what Fittings and Equipment are necessary for next session and send on its recommendations to the Fittings' Committee.

Respectfully submitted,

W. M. McGUIRE,
H. R. ABBOTT,
A. D. A. MASON,
R. GORDON McLEAN,
A. E. WEBSTER,
W. E. WILLMOTT,
WALLACE SECCOMBE.

Moved by Green and Cowen, "That the report be received and entered on the Minutes and the Committee instructed to complete the building and alterations." Carried.

REPORT OF PETITIONS COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

The Superintendent reported upon the decisions made by the Registration Committee and approved by the Faculty Council, and covering the matriculation and undergraduate standing of certain students. Your Committee begs to recommend the adoption of the following:

Students Admitted to the Second Year, Without Complete R.C.D.S. Matriculation.

The following students were admitted to the Second Year without complete R.C.D.S. matriculation, in view of the unusual War conditions and upon the undertaking of these students to complete matriculation standing during the ensuing year:—

Berst, Marlie R.
Corbett, Fred M.
Derbyshire, Aubrey C.
Garvey, Leo. Richard
Hilliker, Arthur E.
Hogan, Marrin J.
Howson, George W.

Lumb, Crother
McLister, James C.
McQueen, R. Allan
Pratt, Mack L.
Sockett, Richard James
Zimmerman, James
Asselstine, Curtis W.

Students Admitted to the Junior Year Without Complete Matriculation

The following students were admitted to the Junior Year without complete R.C.D.S. matriculation, in view of the unusual war conditions and upon the undertaking of these students to complete matriculation standing during the coming year:—

Charles, B. J.
Joynt, George
Moss, Samuel

Perdue, G. G.
Spence, W. A.
Warren, E. M.

Re W. M. MacKay.—W. M. MacKay was granted standing in Operative Dentistry of the Second Year, in view of Overseas' service and having successfully completed Operative Dentistry of the Third Year.

Re Frank Sproul.—In view of the misunderstanding of this candidate, regarding credentials, that he be permitted to enter the First Year and complete matriculation during the Summer of 1919.

Re C. A. Elliott.—On standing of Dalhousie, admitted to Second Year; excused from Elementary Bacteriology and Dissection. Required to take Second Year Histology, and write upon the Anatomy paper, as well as the other papers of the year.

Re H. McCrostie.—Upon Northwestern credentials, and fifteen months' service in the C.A.D.C., permitted to enter the Third Year, and complete First and Second Year subjects not taken at Northwestern College.

Re R. L. DesRosiers.—Granted pass in Osteology on standing in Dissection.

Re G. S. Murray.—Granted permission to take the Third and Fourth Years in one.

Re G. A. O'Connor.—Granted permission to enter the Third Year, but must complete First Year Chemistry, and Second Year Operative (technic and paper) during session 1918-19.

Re Dodds, McDonald, Bishop.—Standing was granted as follows, upon approval of Professor concerned:—

L. R. Dodds, B.A.—Granted First Year Chemistry and First Year Physics.

P. E. McDonald, B.Sc.—Granted First Year Chemistry, and First Year Physics.

Russel Bishop.—Granted term pass in Metallurgy.

Re Arthur Wood.—Upon credentials from Dalhousie, admitted to Fourth Year. Required to take all subjects of the Senior Year, including Applied Physics, and, in addition, Third Year Bacteriology and Metallurgy. Excused from First Year Physics.

Re Joseph T. Irwin.—In view of having completed Dissection, and also in view of Overseas' service, this candidate was granted First Year standing, and permitted to take the Second and Third Years in one.

Re James Howard Helps.—Granted standing in First Year on record of term work, and in view of enlistment.

Re H. B. Legate and G. S. Murray.—That these candidates be required to take Second Year Physiology during the present Session.

Registration of Enlisted Men.

The Registration Committee, after a full discussion of all phases of the question of late registration of members of the Canadian Expeditionary Forces, decided that students be permitted to enroll in the Freshman Year who were discharged from Active Service on or before the 15th of January, 1919.

It was further decided that these men should be permitted to take any part, or all, of the First Year work, and be given credit for whatever part was successfully completed; regular fees to be charged.

Under these terms the following men registered upon the dates shown:—

Dec. 16, 1918, Gray, W. A.	Jan. 15, 1919, Kerr, W. J.

Granted standing in Prosthetic Term work of the 2nd Year. Granted pass standing in 2nd Year Anatomy.

Joseph T. Irwin.—Granted standing in 2nd Year Prosthetic Term work.

Anatomy Paper of Second Year Students who Failed in Dissection.—That the Anatomy paper, Sophomore students, who failed in their Dissection, be read by the Examiner, but standing not to be reported until after Dissection is completed.

C. W. Hamilton.—That Mr. Hamilton, Freshman, in view of his serious illness, be granted Term standing, Session 1918-19, and that he be permitted to write on the examinations of the First Year in the autumn of 1919.

Guy B. Halladay.—In view of Overseas' service, and of having passed Second Year Anatomy, that he be granted pass standing in Osteology. Required to complete Histology paper, and that Term standing in Histology be referred to Professor Graham for decision.

G. Millen.—In view of family bereavement, that he be permitted to absent himself from classes for the balance of session 1918-19, and that he may write upon examinations in the usual way, either in May or September, and that he be required to write on the subject of Anatomy.

Sergeants, C.A.D.C.—That, in view of request of Lt.-Col. Thompson, Sgts. Gunton, McLachlan, Shaunessy, Walker, and Winn, be permitted to absent themselves from College work from this date until examinations, for purpose of service in the Canadian Army Dental Corps, and that after writing their examinations, they be required to return to Infirmary and complete clinical standing.

R. L. DesRosiers.—That, Mr. Des Rosiers be granted term standing in 3rd Year Metallurgy, and that he be required to write upon the paper.

Alun W. Jones.—That, Mr. Jones be permitted to take an oral examination in First Year Physiology.

Term Standing, Comparative Dental Anatomy.—That Sophomore students who missed the term examination be given permission to take an oral examination, and that those who have not a satisfactory excuse, be required to pay a supplemental fee of \$3.00.

This ruling affects the following students:—Soules, Best, Stewart.

Re Harry Moulson.—In view of C.A.D.C. service, granted standing in the practical Prosthetic and Crown and Bridge Work of the First and Second Years.

Re Ryan, McClure, Laidley, Bell.—That, in view of C.A.D.C. Service, these candidates be granted standing in practical Prosthetics of the Second Year, which they have not been able to complete.

C. V. Bussey.—Owing to late registration, candidate did not complete Prosthetic work. Granted permission to write upon the examination in Prosthetics.

Leo. R. Garvey.—Permitted to write Sophomore Chemistry, but required to complete Chemical Laboratory work next Session.

George E. Balfour.—In view of Faculty of Education standing, granted First Year Chemistry, upon recommendation of the Department.

J. T. Irwin.—In view of C.A.D.C. Service, granted standing in Second Year Prosthetic Dentistry, upon recommendation of Professor.

W. A. Pommer.—That upon the recommendation of the Professors in Operative and Prosthetic Dentistry, standing be granted in these subjects, Third Year, upon Mr. Pommer's Northwestern University record.

Re Sgts. J. O. Shaunessy, N. D. Winn, J. R. McLachlan, G. T. Walker, L. E. McLachlan.

That these candidates be required to complete Bacteriological Laboratory Course, Third Year, next session; that they be permitted to write on all of the Third Year papers this session; and that their request for special consideration, in view of their having been called up for service in the C.A.D.C., (15th of April, 1919) be considered when the results of the examinations are before the Committee.

S. G. Goodman.—Request of S. G. Goodman (who attended as special student, Sessions 1917-18 and 1918-19) that he be granted R.C.D.S. certificate upon completion of Saskatchewan examination; not granted.

REPORT OF COMMITTEE ON RELATIONS WITH UNIVERSITY AND GOVERNMENT.

To the Board of Directors of the R.C.D.S.

Gentlemen,—At a special meeting of the Board of Directors, held on the 28th of February, 1919, the President reported that the Committee appointed by the Board at its previous meeting had a conference with the President of the University on November 11th, 1918. At his suggestion, the Committee met the Board of Governors on February 27th, 1919. After considerable discussion, the University Governors stated that they would appoint a small Committee to meet with the R.C.D.S. Committee, when a definite budget scheme might be considered.

Your Committee was instructed by this Board to make a draft of the whole scheme, and to submit same at the Annual Meeting.

In connection with the application by the R.C.D.S. for a grant from the Ontario Government, the whole question of the relationship of this College to the Government and to the University of Toronto was raised, and the Provincial Government now has under consideration the whole question of educational activities within the Province.

The following letter has been received from the Prime Minister:—

Dr. Wallace Seccombe,

Supt. Royal College of Dental Surgeons,

240 College Street, Toronto, Ontario.

My Dear Dr. Seccombe:—

In further reference to our correspondence, during the Session, on the subject of the Dental College, I beg to say that I have had a long consultation with the Minister of Education on the subject.

I quite recognize the growing importance of the Dental profession and the necessity of maintaining it at a high standard in this Province and affording the best possible opportunity for education and training to those entering its ranks. In the rush of the work of the Session I was not able to give the subject the full thought and atten-

tion its importance deserves. I have, however, since the Session, been giving further thought to the subject. I am leaving the city to-day and will not be back for a fortnight. On my return I would be glad to give the matter further attention and to listen to any representations you may desire to make. I have no doubt that in the meantime it will not be necessary to take any action that will interfere with carrying into effect any policy that we might agree upon.

With kindest personal regards and best wishes for yourself and the important profession with which you are connected. I am,

Yours sincerely,
(Sgd.) W. H. HEARST.

In view of this correspondence, your Committee would suggest that no further action be taken, pending the decision of the Government as to its policy in these matters.

Respectfully submitted,

SUPERINTENDENT'S REPORT.

The Board went into Committee of the whole on the Superintendent's report, Dr. Morrison in the chair. The Committee rose and reported that the Superintendent's report had been adopted as amended, as follows:—

To the Board of Directors,

Royal College of Dental Surgeons:

Gentlemen:—

The fact that the Great War came to a victorious conclusion during the past College year, makes the Session of 1918-19 a very memorable one. As a College, we may take considerable pride in the important and worthy part our students and the profession generally have taken in the war. Of 484 students registered during the past Session, 224 were enlisted men or men who have returned to College following discharge from Military duties.

During the progress of the war, and in common with all other institutions of learning, this College was called upon to meet many unusual and difficult problems. However, it is a matter of congratulation that we have been able to meet all our Patriotic and other obligations and pass through the war years with very gratifying results.

Just as the war brought the College face to face with many unusual conditions, so the termination of the struggle has occasioned other problems, of a somewhat different character, but none the less difficult to solve. Our students have returned in great numbers, and with our limited facilities we have found it quite impossible to adequately accommodate the larger classes. Both staff and students, therefore, have been working under serious inconveniences during the past Session. Conditions next term will, however, be even more acute, and increased accommodation is an absolute necessity, as the following estimate of attendance clearly indicates:—

Freshmen, Sophomore and Junior Students in attendance, Session 1918-19, 396, less 10 per cent. normal decrease	357
R.C.D.S. students enlisted and not yet returned	35
Khaki University students, Overseas, and civilian Matriculants, to compose Freshman Class (estimated)	108
	500

Registration of Students—Session 1918-19.

Your Superintendent registered during the Session the following students:—

	Women	Men	Total.
Freshmen	6	137	143
Sophomore	3	117	120
Junior	..	133	133
Senior	..	88	88
	9	475	484
Graduates in Arts			4
Graduate in Applied Science			1
Students from Province of Ontario			426
Students from Eastern Provinces			9
Students from Western Provinces			48
Student from India			1

Cummer Extension Lectures—Western Canada.

At the last Meeting of the Board of Directors, plans were approved regarding the proposed Extension Lectures to be given in Western Canada by Major Cummer. The College facilities were freely used in the interests of the courses, and the Board of Directors gave a guarantee regarding the financial return. The Courses were such a decided success, however, that the College was not called upon to make any outlay whatever in connection with these lectures.

Statement of receipts and disbursements follows:—

Receipts—

Manitoba Centre	\$ 697.43	
Saskatchewan Centre	536.85	
Alberta Centre	906.20	
British Columbia Centre	761.34	
		\$2,901.82

Disbursements—

Printing	\$ 21.25	
Postage	17.38	
Exchange	1.54	
Transportation	251.90	
Balance to Dr. Cummer and Assistant	2,609.75	
		\$2,901.82

Included in the Financial Statement of the School of Dentistry for the year ending May 11th, 1918, was an item of \$390.53, covering disbursements made to that date. The balance of the disbursements (\$2,511.29) were made during the present year.

Publicity Work, 1918.

During the past Summer a special College Announcement was issued, and a copy sent to matriculants in Ontario, engaged in farm labor, and to students who had successfully completed matriculation examinations during the year.

The principal of each Collegiate Institute and High School was sent a copy of the regular College Announcement, particular attention being drawn to the provisions regarding entrance qualifications.

A circular letter was sent to the dentists of the Western Provinces, enclosing return postcards, with the request that the dentist enter the name of worthy young men of his acquaintance, who were contemplating the study of dentistry.

The regular College Announcement was also sent to R.C.D.S. students and to the dentists of the Western Provinces; a copy with reports, Financial Statements and Minutes of the Board Meetings was mailed to each licentiate in the Province of Ontario.

Dental Educational Association.

Last autumn an important dental body was organized, known as the Dental Educational Association, and composed of all practitioners of Toronto, Hamilton, and adjacent sections, who cared to join. Meetings were held each Thursday evening, and were devoted to clinics, discussions, and an intensive study of practical dental problems.

Permission was granted the Association, for use of the College building during the winter months, without charge. Extra expense

in connection with heating and lighting was entailed. However, in accord with the Board's policy of encouraging the licentiates of the Province to use our College facilities for educational purposes, building and equipment were freely placed at the disposal of the D.E.A., and doubtless the Association will again request the use of the College building, for similar purposes next year.

In connection with the work of the D.E.A., an application was made to the Lieutenant-Governor-in-Council, for permission to carry on dissection classes within the Dental College building. The request was granted by the Government, and your Superintendent recommends that the Dental Educational Association be permitted to arrange for dissection classes at the R.C.D.S., should the members of the Association so desire. (Adopted.)

Close of College During Influenza Epidemic.

During the Influenza epidemic the College sessions were entirely suspended from the afternoon of the 16th of October, until the morning of the 5th November, 1918. To this extent the work of the first semester was seriously interfered with.

The effect of the epidemic was very evident in the College Infirmary. Health Officers advised the general public to refrain from attending all public gatherings, and the result was a serious lack of Infirmary patients during the early part of the Session. However, this condition soon corrected itself, and the records show that, taking the session as a whole, more patients were treated in our infirmary this session than in any previous year.

Salary Schedule.

A number of additional appointments will require to be made to the College Staff for service next session. It would seem, therefore, to be an opportune time for the Board to consider the advisability of continuing our present system of fixed salary schedules, with indiscriminate annual increases. Doubtless there is much to commend the present plan, though dissatisfaction has been expressed by some of the Faculty, who claim that the character of the service rendered should be taken into account.

Your Superintendent believes that the best interests of the College will be served by the adoption of some definite policy at the present meeting of the Board. The following plan is offered as a suggestion:

(1) Adopt a minimum salary schedule for all new appointments, fixed upon an hourly basis, and covering the actual time spent in Laboratory or Infirmary, the minimum being:—

Demonstrators	\$1.50 per hour
Clinicians	2.00 per hour
Lecture Hours (when Laboratory Course is not given)	8.00 per hour

Where service includes both Lecture and Laboratory hours, the Professor to be paid for teaching the subject, based upon total number of hours employed and character of service rendered.

(2) That there be a Standing Committee on Appointments, to be composed of the President, the Dean and the Superintendent. The Appointment Committee shall report to the Board annually and make recommendations regarding staff and salary for the following session. (Adopted.)

Engineer's Stipend.

Recommended.—That Mr. T. B. Jones' salary be increased to \$75.00 per month, dating from 1st January, 1919. (Adopted.)

University of Toronto, Student's Fee.

Commencing session 1919-20, all students registered at the University of Toronto will be required to pay a compulsory fee of \$10.00, which will include all of the athletic, social, literary and administrative advantages of the student body. The present compulsory University fee is \$2.00, and does not include gymnasium privileges. This fee is now included in the R.C.D.S. Class Fee, and is paid over to the University of Toronto Students' Administrative Council. The new plan provides for the payment of an additional University fee of \$8.00, entitling the students to all of the privileges of Hart House, including gymnasium, swimming tanks, bowling alleys, etc. This fee along with \$4.00 paid to the R.C.D.S. Students' Executive, would make the total Class Fee \$14.00.

Whether the University fee will be made compulsory upon Dental Students or not depends upon the action of this Board. Those who oppose such action argue that our students, because of the distance from Hart House, are not in a position to avail themselves of these privileges. Upon the other hand, such action is the best way in which to encourage a mingling of Dental students with those of the other Faculties. If necessary a provision could be made in our Timetable to permit our students to attend Hart House at regular intervals.

Your Superintendent recommends, That in view of the fact that the Hart House Fee does not include residence privileges, the University of Toronto Dental Student fee be \$2 annually as heretofore, and the additional Hart House Fee be made optional for students of the R.C.D.S. for session 1919-20. (Adopted.)

In Memoriam.

We regret to report the death during the session of J. Blatz and Robert Robinson, both members of the Sophomore Class.

It is with sincere regret that we record the demise of Dr. Luke Teskey, who passed away on the morning of Thursday, May 1st, 1919,

in his 71st year, at his late residence, 612 Spadina Avenue, Toronto. Your Superintendent arranged for a suitable floral tribute in the name of the College, as a very inadequate expression of the deep affection and esteem in which Dr. Teskey was held by the graduates of the R.C.D.S.

Regulations Covering Matriculation, Registration and Indentureship.

Recommendations:—

(a) **Matriculation.**—That commencing Session 1920-21, a candidate for admission to the Course in Dentistry will be entitled to the status of an undergraduate who possesses either of the following qualifications:

- (1) A certificate issued by the Ontario University Matriculation Board, of standing as for Junior Matriculation in the subjects of English, History, Mathematics, Latin, Experimental Science (Physics and Chemistry).
- (2) A certificate of Junior Matriculation or Normal Entrance with Latin, of the Province of Ontario.
- (3) A certificate of Matriculation in the Faculty of Arts of a British or Canadian University.
- (4) A certificate accepted by the General Medical Council of Great Britain for registration as a student of Medicine or Dentistry.
- (5) A degree in Arts (not being a honorary degree) from some recognized University.

Those students who are accepted, and whose preliminary certificates do not include the Science subjects of Chemistry and Physics, will be required to take a special preliminary course in these subjects, for which a tuition fee of \$5.00 will be charged in each subject.

(b) **Registration.**—That at time of registration, and to be incorporated in the regular Application Form, Session 1919-20, all Freshmen students be required to sign the following:—

“I hereby agree to be registered on probation, and will withdraw upon request should the Faculty Council determine such a course advisable.

“It is also clearly understood by me that, in the acceptance of students, preference will be given to those whose preliminary certificates included the subjects of Chemistry and Physics, and that those who have not taken these subjects will be registered tentatively, and permitted to proceed, providing there be sufficient accommodation. All such hereby agree to take a special preliminary course in these subjects—fee of \$5.00 for each subject.”

(c) **Extension of Infirmary Course and Indentureship.**

- (1) That students who at the close of any regular session are found by the Clinical Staff to be deficient in Infirmary practice, will be required to attend a supplemental Clinical Course.

For this purpose the Infirmary will remain open for two complete weeks following the close of the annual examinations, and re-open two complete weeks previous to the commencement of the supplemental examinations in the Fall. At the discretion of the Faculty Council, a student who has been conditioned in clinical work may be required to attend either or both of these sessions.

- (2) That Junior students who are conditioned in clinical work may, in lieu of such Infirmary Course, sign indentures with a licentiate of Dental Surgery, and upon return to College present a written statement from the preceptor certifying to at least 10 weeks (exclusive of holidays) of satisfactory service in the practitioner's office. (Adopted.)

American Institute of Dental Teachers.

Under our present regulations, the College pays transportation expenses of all members of the Faculty or Board who attend the Annual Meeting of this Institute. During the past two years, it was decided, after consultation with the President, to limit this appropriation to the sum of \$500.00.

Recommended.—That until other provision be made, the maximum amount to be paid by the College toward the transportation expenses of delegates from the Faculty Council be \$500.00, and of delegates from the Board of Directors \$500.00. (Adopted.)

Recognition Dental Department Western Universities.

Your Superintendent has been in communication with the Registrar of the University of Alberta, regarding admittance into the Royal College of Dental Surgeons of students who have successfully completed two years of the Dental Course at the University of Alberta. The correspondence is submitted herewith, for your information.

Your Superintendent recommends that the request of the University of Alberta be acceded to, and that we admit Alberta students (or similar students from other Provinces) to our Third Year, providing such candidates complete all R.C.D.S. first and second year work not already covered. (Adopted.)

Reciprocity Between Ontario and General Medical Council.

Your Superintendent has been in communication with the General Medical Council, but apparently, during the war, letters were lost in transit, and your Superintendent has not yet received the decision of the General Medical Council regarding this matter.

However, it would appear that the General Medical Council is not willing to agree to an acceptance of certificates en bloc, but reserves to itself the right to take up each application upon its own

merit. This is being done in a number of cases, and your Superintendent has forwarded certificates covering the standing of these men in the Royal College of Dental Surgeons of Ontario. When a decision has been rendered in these cases, the matter will be referred to the Board for decision as to what further action, if any, should be taken.

Special Freshman Class (5th February, 1917).

In view of the fact that the members of this Class did not write upon the examinations at the conclusion of their first year, and, further, that they registered on the understanding that no Freshman examination fee would be charged, your Superintendent begs to recommend that all members of the Special Sergeants' Class (commencing 5th February, 1917), be required to pay, before graduation, three examination fees, in place of four. (Adopted).

Admittance of Graduates of Other Colleges to the R.C.D.S.

Under present regulations, a graduate of another College (and not an Ontario citizen) is required to attend the final session at the Royal College of Dental Surgeons, before being admitted to the Ontario L.D.S. Examinations.

At a recent meeting of the Dominion Dental Council, it was decided to admit to the D.D.C. Examinations all graduates of a recognized Dental College who attended four sessions during their College course, even though such College was not a Canadian institution.

Your Superintendent would suggest the advisability of the Board discussing what effect this regulation will have upon the admittance of graduates to the Royal College of Dental Surgeons, and whether the present situation calls for any amendment to our regulations.

The following was adopted, That By-law No. 40 be amended by substituting the following for Sections 1 and 2 thereof.

Graduate Dentists.

Section 1.—Graduate Dentists of ethical conduct and good moral character holding a graduation diploma from a recognized Dental College, upon meeting the matriculation requirements of the Royal College of Dental Surgeons of Ontario, may be admitted to the examinations of the Royal College of Dental Surgeons and be required to write upon the final examinations in all of the subjects, contained in the R.C.D.S. four-year curriculum. Examination fee \$250.00.

Graduate Dentists, Citizens of Ontario.

Section 2.—Citizens of Ontario who have regularly graduated from a recognized dental college and who have established themselves in regular, ethical dental practice, for more than four calendar years,

may be admitted to the examinations of the Senior Year, without meeting matriculation requirements. Examination fee \$190.00. Such candidate may attend any portion of the final session of the School of Dentistry of the R.C.D.S. without tuition fee by paying examination fee at time of admission.

Financial Statement—School of Dentistry—1918-19.

Submitted herewith is financial statement of the School of Dentistry, covering the twelve months' period to the 9th of May, 1919, and duly audited by Thorne, Mulholland, Howson & McPherson, Toronto. (See page 56.)

The balance shown is particularly gratifying, in view of our special needs in connection with alterations and equipment.

Respectfully submitted,

WALLACE SECCOMBE,
Superintendent.

DR. LUKE TESKEY.

Moved by Abbott and Morrison, "That the President appoint a Committee to prepare a resolution regarding the passing of Dr. Luke Teskey." Carried.

The President appointed Abbott, Green and Webster.

DEAN'S REPORT.

Board went into Committee of the whole on the Dean's report. Dr. Abbott in the chair. The Committee rose and reported that the report had been adopted as amended, as follows:—

For the First time since your present Dean took office he is able to report, without the war Spectre hovering about. The after war adjustments are still to be made, however. If one listens to all the war orators say, things will never be as they were before, nor will there be true peace for many a day. Dentistry will have to adjust itself to the conditions as it finds them, using what forethought it has to meet the events as they arise. In fact, it will do well if it can foresee the tendencies of the times and adjust itself to the new conditions before misfortunes overtake it.

The training of Dental nurses which was referred by you to a special committee was brought before the Faculty Council as a matter of information and received very favorable comment and an assurance of hearty co-operation.

Another matter which will come before you for consideration had not the same unanimity of opinion among the Faculty. The teaching and certificating of dental mechanics as advocated by some dentists and some dental mechanics is a problem requiring serious consideration from all points of view.

For a moment let us consider the tendencies in preliminary education. For a number of years, Junior Matriculation, or admission to many of the Universities of Great Britain could be obtained without a knowledge of Latin. The qualifying bodies for the General Medical Council do not all require Latin as a preparatory subject. This tendency is spreading to Canada. The University of Manitoba does not require a knowledge of Latin for admission. Some of the Universities of Ontario are moving in the same direction. Shortly, candidates who have not taken Latin, but instead have taken French, Spanish, and Science, will be applying for admission to Dentistry. You have already suggested that Science is desirable and Latin compulsory. Will you accept French, Spanish and Science, instead of Latin, French and Spanish, or some other combination? This is reported for your consideration only.

Now, what are the tendencies in Dental Education itself? Three things stand out prominently:—first, a demand for a broader and more scientific training; second, a better knowledge of clinical practice, and third, more training in Laboratory technique for those who intend to do much Prosthetic Dentistry. Your Faculty Council, in preparing the curriculum and staff for your consideration, had these points in view and trusts that they may meet with your approval.

During the autumn term, the school was closed for three weeks because of the "Flu." Such an interruption was very unfortunate because it came at a time when the students were getting well under way. Even after the Infirmary re-opened, many patients would not take the chances of infection by congregating in such a place. Even with so long a break, there were so many patients after Christmas that most of the students did a fair amount of work.

With the proposed increased Infirmary accommodation to one hundred chairs, there will be no small difficulty in securing the hundreds of patients necessary to keep the students busy in the early part of the session. Sooner or later, the clinic will have to be kept open ten or twelve months in the year, if our students are to get an adequate training in the practice of dentistry. No dentist should be allowed to practice, except under supervision, who has not made, at least, a hundred and fifty operations. Because of the combination of the lack of accommodation, the loss of time with "Flu" and the excessively large Junior class, and the need of patients in the fall, the Junior students are now completing their clinical work so as to start in the autumn with a clear sheet for their Senior Year.

The College term opened in the last weeks of September with a fair attendance in all the years. It was not long until war conditions and army regulations brought to our doors a number of Canadians who had been in attendance at American Dental Colleges, as well as a large number of our own students returning from the front. The time for admission of returned soldiers was extended to January the 15th, and, later permission was given to attend and get whatever credits possible. Many of the Departments of the University and the

Professional schools have been exceedingly lenient to the returned soldier. There is a tendency now to grant all soldiers a year of time in their course, even though they have not yet matriculated. Personally, your Dean does not think that a year in time should be given in a profession like Dentistry to a soldier who has not yet registered, unless he has spent more than a year in the Dental Corps. Because of so many additions in the classes during the term, the attendance has been by far the largest in the history of the School.

With the increased attendance, many adjustments of staff, timetable and laboratories had to be made. Histology, Bacteriology, Chemistry, Operative Dentistry and Prosthetic Dentistry offered the greatest difficulty. Some of the classes were taken very early in the morning and others at 7.30 in the evening. The Histological Laboratory was used as an Operative laboratory in the mornings and in the early afternoons as a Prosthetic Laboratory. The Lecture rooms and Laboratories were not large enough to hold the classes, more seats were placed in every available space. In one Laboratory the instructor's table had to be removed. Laboratories which were originally intended to accommodate from seventy-five to eighty students were made to hold twenty or thirty extra. With over a hundred and twenty-five students extra in the school, and the increased staff, and the irregularity of the courses, the Dean feels pleased and gratified with the forbearance of the students and the ever courteousness of everybody connected with the institution.

Clinical instruction in Physical Diagnosis was conducted in small groups in the Senior year by Professor Clarkson, and should be continued in the future.

The Faculty were glad to welcome Lt.-Col. Hume to his former position and also Capt. Duff. There have yet to return from overseas, Drs. Risdon, Grant, Gardiner, Dolson, Corrigan, and McLaurin.

Because of the large classes many Junior demonstrators were added to the staff during the year. I would suggest that all Junior demonstrators be appointed by the President and be considered sessional appointments and receive annual notice of their re-appointment until they are officially appointed by the Board and then become members of the regular staff. I would also suggest that every member of the staff be officially notified of his re-appointment each year and apprised of any changes in time, subject, or stipend.

Dr. Krueger, one of the most efficient members of the staff was unfortunately in an automobile accident and had his leg broken, thus depriving the school of his services. Dr. Pye of the Junior Operative Department took his place in the Infirmary. Though Dr. Krueger's recovery has been slow, he is now doing well.

There are two general methods of presenting subjects for instruction in secondary schools, viz.: Lecture and Recitation. By either of these methods, little time is spent with the teacher and much time is spent both by the teacher and by the pupil in preparation.

In such subjects, as appear on a scientific curriculum, the laboratory and Socratic methods of teaching have taken precedence over all the others. The present tendency is to teach all the scientific and so-called practical subjects of a Dental course by a combination of lecture, recitation and laboratory method.

This combination method demands more of the teacher's time in actual teaching and more of the student's time in the class room than the lecture or recitation alone. A careful survey of the data sent out by the scientific schools of the continent, indicates that most University sessions are thirty-six weeks and few less than thirty-two. The University of Toronto with which this school is so closely connected, makes its time-table on a basis of thirty weeks. On this basis, lectures and laboratory courses are calculated on one a week or some multiple of thirty. Thus courses are 15, 30, 45, 60, 90, 120, etc. The laboratory sessions are usually three hour sessions.

Many of the American Universities require their students to attend in lecture, laboratory or recitation over 1,200 hours, in each year, while this school from its time-table requires quite less than 800 hours. Our students attend from four to six weeks less in the year, and attend from one to two hours less in the day. Some time-tables provide for forty-eight hours per week, while ours provides for thirty-five hours. Forty-eight hours in school per week is far too long, while anything less than thirty-five is too short. School children attend thirty hours.

If the present course were made thirty weeks and the attendance at College made thirty-six hours a week, it would run about 1,000 hours a year, which is quite reasonable. Less than 1,000 hours' work a year, is surely waste of a young man's time. Upon this basis the curriculum herewith presented is drafted after consultation with the heads of the various departments.

It is necessary to remind this body of the marked changes which have taken place in the practice of dentistry in the past few years. To meet these demands, you will note the suggestion to increase the College term to thirty weeks, which corresponds to the most of the faculties in the University, and is yet two weeks less than the standards set by the Dental Colleges of the United States. There are several increases in laboratory courses and new subjects added, and but one increase in lectures. As you know, there is an increased demand for a better foundational training for dentists and also an insistant demand for greater and broader clinical training.

A careful observation of our present time-table and the traditions of the past forty years reveals many wastages. There is entirely too much time given up for examinations. All work is practically closed from one to three weeks, before the finals. There are but two laboratory courses in each day, while many classes have less than one lecture a day which means not more than five hours for College work. In the suggested arrangement, there will be three laboratory courses for all classes not in the Infirmary. One in the

forenoon, with a lecture, and two in the afternoon of two hours each.

With our present time-table which has been drafted very largely for the convenience of the staff, there is but one lecture room used more than once a day and the laboratories would seem to be idle a good deal of the time, and overcrowded at most other times. The large Assembly Room in the basement, will be converted into laboratories. Another, and commendable feature of the arrangement, is smaller laboratories, divided classes, and a demonstrator for every twenty-five to thirty students.

The clinical teaching of Physical Diagnosis, Anesthesia and Exodontia and minor Dental Surgery will be greatly improved in its new quarters where another Exodontia room will be provided and a small amphitheatre, as well as the necessary examinations and retiring rooms.

The new subjects added to the curriculum and the laboratory courses and other increases are Biology, 60 hours, making a total of 180 hours, lecture and 120 laboratory for Biology, Embryology and Histology, which is less than that given in some schools for Biology alone.

There is a laboratory course of 90 hours provided in Chemistry in the first year with forty-five hours' lecture; in the second year, 60 laboratory and 45 lectures, making a total of 240 hours, which is less than most standard Dental schools. There are 60 hours provided in Metallurgy, also a small increase. The addition of practical Physiology 30 hours has been talked of for years and now arrangements can be made to take advantage of the wonderful facilities for teaching this subject in the University.

The Department of Physics has finally gotten under way with the expectations of having a good laboratory, thirty hours is suggested for the laboratory.

Ten hours have been added to the course in Pharmacology for laboratory instruction which will be taken in the chemical laboratory.

Recommendations.

(1) That all Junior Demonstrators be appointed by the President and be considered sessional appointments until appointed by resolution of the Board.

(2) That every member of the regular staff be notified immediately after the annual meeting of the Board of his re-appointment and be apprised of any change in time, subject or stipend.

(3) That the College term be thirty teaching weeks.

(4) That the subjects of Biology, Embryology, Laboratory Physics, Laboratory Chemistry in First Year, Laboratory Pharmacology and Laboratory Physiology be added to the course.

(5) That Professor Paul be engaged to give 20 lectures and 20 demonstrations in Exodontia.

(6) That a capable Demonstrator be engaged to give three half days a week to demonstrate Anaesthesia and Exodontia.

(7) That Professor A. A. Stewart be engaged to give 20 lectures in Crown and Bridge work and in the Infirmary 30 clinics to the Seniors.

(8) That the lectures in Ethics be increased from 2 to 7, the Faculty to arrange the time.

(9) That Professor Graham be engaged to teach on half time service.

(10) That a woman graduate be engaged for full time service in the Department of Biology, Histology, Embryology, Bacteriology and Pathology (provided that no Laboratory boy is engaged) and that a Fellow be engaged in the same Department.

(11) That a Professor be engaged in the afternoon in the Junior Operative Laboratory.

(12) That the principle that each Laboratory should be in charge of a Professor or Associate Professor, be affirmed.

(13) That a clinician be engaged in the Clinical Prosthetic Department for half time.

(14) That a Prosthetic Technician be engaged in the Senior Prosthetic Laboratory for full time service.

(15) That one half time Demonstrator be engaged for Sophomore Prosthetic Laboratory for forenoons.

(16) That two half-time Clinicians be appointed in the Infirmary.

(17) That the above changes be adopted only if the Budget will permit.

(18) That the Committee on Arts and Dentistry be instructed to enter into negotiations with the University with the purpose in view of establishing a combined course in Science and Dentistry leading to the degrees of B.Sc., and D.D.S., in six years.

Moved by Abbott and Green, "That the report of the Committee of the whole on the Dean's report be adopted and entered on the Minutes." Carried.

DISCIPLINE COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Owing to the heavy duties of the chairman, during the past session and to the fact that very few complaints were received, the Committee has nothing to report, as no action was taken against any particular offender since the last meeting of the Board, One or two minor complaints were received from members of the R.C.D.S. dur-

ing this interval which may have to be acted upon later. Your Committee would recommend that some member other than the Faculty Representative should be appointed Chairman of the Committee.

All of which is respectfully submitted,

A. D. A. MASON,
W. M. McGUIRE,
M. A. MORRISON,
W. C. DAVY,
D. CLARK, Committee.

Moved by Mason and Bruce, "That the report be adopted." Carried.

Moved by Morrison and Cowen, "That Dr. McLean be appointed chairman of the Discipline Committee." Carried.

LIBRARIAN'S REPORT.

To the Board of Directors,

Royal College of Dental Surgeons,

Gentlemen:—

Your Librarian has the honor to report that the Library is an increasing department of the School of Dentistry and that more of the students have taken advantage of it than in former years. This is one of the departments which should be more liberally assisted so as to give the students more encouragement to become readers in later years.

A number of books, in all subjects have been added during the year by purchase.

A very generous contribution to the Library was presented by Dr. W. E. Willmott, when he gave over 75 books and a large number of old magazines. Included among these are two bound volumes of the Journal of Dental Science, published by the late Dr. Beers, in 1868-71, being the first Dental Journal published in Canada.

During the year the Royal College of Dental Surgeons subscribed to the Dental Index Bureau. This index should be forwarded some time soon and will be very complete.

The Museum has also had some very interesting specimens added during the year from different members of the profession. Notable among these was a large collection from the museum of Dr. C. W. Wells, of Waterloo, Ont. Dr. Wells in presenting these specimens asked that they be given a good home and also that they be on view to the profession.

As the housing of the anomalies require some better quarters your Curator would recommend that two dust proof cases be pur-

chased and added to the reading room. Also that a yearly grant of \$100.00 be given to the Museum for the tabulating, mounting and purchase of suitable specimens.

I would recommend that the usual grant of \$100.00 be given to the Library.

Respectfully submitted,

C. A. KENNEDY,
Librarian.

Moved by Green and Bruce, "That the Librarian's report be adopted and entered on the Minutes." Carried.

CALENDAR.

Moved by Green and Cowen, "That the Calendar for session 1919-20 be adopted as follows. (See inside cover)." Carried.

ONTARIO PROSTHETIC DENTAL ASSOCIATION.

A deputation from this Association was received, who presented to the Board the subject of the proper training of Laboratory assistants and suggested that the Board should undertake such training.

Moved by Mason and McLean, "That the President appoint a Committee to confer with representatives from the Ontario Prosthetic Dental Association regarding training of Laboratory assistants and report to the next meeting of the Board." Carried.

The President appointed Webster, Mason and McLean as the Committee.

EXAMINERS.

The Committee on Examiners presented a tentative report which was accepted and the Committee was instructed to present the report to the Examinations Committee of the University of Toronto.

At a later session the Committee presented the following report as agreed upon by the Joint Committee.

Joint Board of Examiners, 1919-20.

Presiding Examiner.—W. E. Willmott, L.D.S., D.D.S., 96 College Street, Toronto.

Moved by McLean and Bruce, "That the Committee on Presidents' portraits be authorized to spend up to \$175 on a portrait." Carried.

BY-LAW 57.

Moved by Green and Bruce, "That leave be granted to introduce By-law No. 57 to amend By-laws No. 40 and 49." Carried.

By-law read first time.

Moved by McLean and Cowen, "That the Board go into Committee of whole on By-law." Carried.

Dr. Abbott in the chair.

The Committee rose and reported that the By-law had been approved by the Committee of the whole.

Moved by Abbott and Green, "That the By-law be now read a third time and passed, that it be engrossed, signed by the President and Secretary and published in two consecutive issues of the Ontario Gazette as required by Statute." Carried.

BY-LAW NO. 57.

To amend By-laws 40-49.

By-law 40.—Strike out Sections 1 and 2 and substitute the following:—

Graduate Dentists.

Section 1.—Graduate Dentists of ethical conduct and good moral character holding a graduation diploma from a recognized Dental College, upon meeting the matriculation requirements of the Royal College of Dental Surgeons of Ontario, may be admitted to the examinations of the Royal College of Dental Surgeons and be required to write upon the final examinations in all of the subjects, contained in the R.C.D.S., four year curriculum. Examination fee \$250.00.

Graduate Dentists, Citizens of Ontario.

Section 2.—Citizens of Ontario who have regularly graduated from a recognized dental college, and who have established themselves in regular ethical dental practice, for more than four calendar years, may be admitted to the examinations of the Senior year, without meeting matriculation requirements. Examination fee \$190.00. Such candidate may attend any portion of the final session of the school of Dentistry of the R.C.D.S., without tuition fee by paying examination fee at time of admission.

By-law 49.—Section 1 in second line after “Board” add the words “or Committees thereof”; where \$15.00 appears change to \$20.00.

ORAL AND DENTAL PATHOLOGY.

Moved by Abbott and Mason, “That there be a chair established in the subject of Oral and Dental Pathology, and that Dr. Box be Professor in the subject.”

APPOINTMENT OF STAFF—SESSION 1919-20.

The Board appointed the Staff for the ensuing year and fixed individual salaries, taking into consideration the character of the service rendered, but using the following schedule as a guide:—

Demonstrators and Clinicians.

All new appointments to be made upon an hourly basis at the following minimum:—

Demonstrators (following graduation)	\$1.50 per hour
Clinicians	2.00 per hour

Fellow.

Half time for Summer months and whole time during Session, for one year \$1,000.00

Lecture Hours.

Lecture Hours \$ 8.00

Laboratory Hours.

Professors (not holding Dental Qualification) and Associate Professors.

For period of Session—half time \$1,400.00
For period of Session—full time 3,000.00

Professors.

For period of Session—half time \$1,600.00
For period of Session—full time 3,500.00

Where half time service is given, lecture remuneration to be as per schedule. Where full time service is given, no extra stipend for lectures.

Where service includes both lecture and laboratory hours, the professor to be paid for teaching the subject, based upon the above schedule and the character of service rendered.

SECRETARY-TREASURER'S SALARY.

Moved by Cowen and Mason, "That the Secretary-Treasurer's salary for 1919-20 shall be \$900." Carried.

COMMITTEES FOR 1919-20.

**MINUTES OF A SPECIAL MEETING OF THE BOARD OF
DIRECTORS, HELD ON FRIDAY AND SATURDAY,
OCTOBER 10th, AND 11th, 1919.**

Board met on October 10th, at 2 p.m., adjourned at 5.40 p.m.

Board met on October 10th, at 8 p.m., adjourned at 10.15 p.m.

Board met on October 11th, at 9 a.m., adjourned at 12.30 p.m.

Board met on October 11th, at 2 p.m., adjourned at 5.00 p.m.

During the sessions, the following business was transacted:

MORTGAGE.

Moved by Greene and Cowen: "That the amount of the mortgage held by the Scottish Mutual Insurance Company, with interest due to-day be paid off." Carried.

HOSPITAL EXTRACTING CLINICS.

Moved by Mason and McLean: "That the question of Extracting Clinics at the Toronto General Hospital be left with a committee consisting of the President, Dean, Superintendent and Secretary." Carried.

POST-GRADUATE COURSES.

Moved by Greene and Bruce: "That the President appoint a committee with power to act, to arrange a Post-Graduate Course. The fee at which shall be \$25.00 to graduates of the R.C.D.S., and \$50.00 to others." Carried.

The President appointed Webster, Secombe and Cummer as the committee.

L.D.S. DIPLOMAS.

Moved by Abbott and McLean: "That the Secretary be instructed to procure two hundred (200) L.D.S. Diplomas." Carried.

PRESIDENT'S REPORT.

The President presented the following report which was adopted on motion of Green and Bruce:

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—It has been necessary for your President, since the last meeting of the Board, to make rulings covering urgent questions that required immediate decision. Rulings have been made covering the following matters:

During the summer of 1919, the University of Toronto decided to admit to the Faculties of Arts, Medicine and Science, enlisted men who had rendered satisfactory military service and who held a partial matriculation certificate, Province of Ontario, or its equivalent. The regulations of this college, adopted in 1917, provided as a minimum,

acceptance from enlisted men of a second-class teachers' certificate. The difference between these two standards is that in the one case any eight papers are sufficient, while in the other a particular eight papers are required.

In view of the action of the University, it was decided that this College accept, from enlisted men, partial matriculation certificate, covering any eight papers, thus making the Dental regulations conform to those of the University Faculties of Arts, Medicine and Science.

Your President has given permission for certain of our students to register after the regular days, but in all cases students were required to pay the tuition fee of \$155.00, excepting where delay was occasioned because of army service. The petition of John A. Gillies to write supplemental examinations was refused and the candidate required to repeat his year, in accord with the decision of the Board at its last meeting.

The building operations have proceeded satisfactorily, and a complete report will be made covering the work that has been undertaken during the summer months. Your President considered it wise to call a meeting of the entire Board, rather than the Building Committee, as there were a number of important matters to be dealt with, in addition to the questions relating to the College premises.

Respectfully submitted,

W. M. McGUIRE.

DR. CONBOY.

Dr. F. J. Conboy, representing the Hygiene Committee of the Ontario Dental Society, presented several matters which the Committee deemed the Board should consider.

INSPECTION OF DENTAL OFFICES.

Moved by Greene and Bruce: "That, inasmuch as it is essential in the interest of public health that all dental offices should be conducted with every consideration to sanitation, this Board is of the opinion that some system of inspection of dental offices by a competent person approved by this Board, should be instituted, and that a small committee be appointed to suggest the best method of securing such inspection and that the same committee be instructed to make an effort to have the profession of dentistry properly represented in the proposed Provincial Department of Health." Carried.

F. H. BARRY.

Mr. Barry presented petition to be allowed two laboratory subjects.

Moved by Abbott and Greene: "That the petition be not granted, that Mr. Barry be required to satisfy the professors in the subjects and that the professors be requested to expedite the course as much as possible." Carried.

SUPERINTENDENT'S REPORT.

The Superintendent presented his report, which was considered in committee of the whole with Dr. Mason in the chair. The committee rose and reported that the Superintendent's report had been adopted as amended as follows, and on motion of Mason and Green the report of the committee was adopted.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—The colleges and universities throughout the Dominion of Canada uniformly report an abnormal registration of students for session 1919-20. The young manhood of Canada has, during the past five years, been engaged in national and war service. Peace has turned the attention of these young men toward the institutions of higher and technical education. In addition the normal number of civilians have applied for registration.

Our own college has been seriously affected by this unprecedented influx of students, particularly the Freshman year. We would have been entirely unprepared to cope with the present situation had not this Board undertaken, with courage and foresight, the building operations of the past year.

Upon the regular registration days and during the two weeks following, your Superintendent received applications from 375 men for enrolment in the Freshman class. This number compares with 432 in Medicine and 380 in Applied Science, University of Toronto.

A conference composed of the President, the available members of the Board, and members of the Faculty, was hurriedly called to determine what limit should be placed upon our Freshmen registration, it being impossible to accommodate all the registrants. It was decided that all the enlisted men, numbering 260 should be admitted, and that in addition approximately 40 civilians be accepted making a class of 300. It was further determined (a) that the class be divided into two groups, (b) that courses be duplicated.

The adoption of this policy necessitated that the remainder of the applicants be requested to withdraw for this year. Those students whose matriculation credentials did not include the science subjects of Chemistry and Physics were the first group eliminated. For further reduction applicants who had not reached their twentieth birthday were named. It now remains for you to determine whether the present Freshman enrolment, which stands at 317, is justifiable under the circumstances. (Accepted.)

Enrolment in all years for session 1919-20 at this date is as follows:

	Men.	Women.
Freshman class	813	4
Sophomore class	179	6
Junior class	125	3
Senior class	125	..
	742	13
Total		755

This number compares with 484 last session, an increase of 271. Four students, graduates in Arts, have been admitted to a three year course.

Sixteen students, who have given twelve months or more of satisfactory service in the Canadian Army Dental Corps, have been permitted, under our special regulation, to take two years in one. These men have been included in the Sophomore class list.

The Ontario Cabinet considered the question of our asking certain students to withdraw. The Minister of Education wrote the Superintendent suggesting that we make every effort to accommodate the men and to give first consideration to returned soldiers.

We have endeavoured to meet the request of the Department of Education and have notified the Government that, in view of our public obligations, it is our purpose to duplicate the course for the first year, to enroll all of the enlisted men, and in addition fifty civilians. We have notified the Minister of Education that this plan would necessitate heavy expenses for additional equipment, both for this year and following sessions, but that no other action seemed possible under the circumstances.

Admittance Next Session of Students Refused This Year.

Numerous protests have been made by parents and others, following our inability to register all students who have applied, and requests have been made that these applicants be guaranteed admittance next year.

Our reply to these requests has been that men refused this year, other things being equal, will be given the preference next year. We have not given a definite undertaking that every man refused this year will be admitted next session.

Pre-Dental Year.

Owing to the large number of applicants who were refused admittance to first year dentistry, the suggestion of a pre-dental year has been made and twenty students have applied for registration. This action, in effect, is voluntary enrolment in a five year dental course, and the University of Toronto will recognize the pre-dental year as the equivalent of one year in Arts, leading to the Degree of

Bachelor of Science. The subjects, arrangements and examinations will, of course, have to be determined by this College and the University acting jointly.

The adoption of a five year dental course may temporarily reduce the number of applicants, though the experience of all colleges has been that the raising of standards does not permanently affect the number of registrants, but does materially improve the character of the applicants.

Recommended.

First.—That applications be accepted for Pre-Dental year this session and arrangements be completed for the course.

Second.—That students who successfully complete the Pre-Dental year be given assurance of enrolment when application is made for registration as Freshmen at a subsequent session

Third.—That Pre-Dental candidates be required to meet Dental entrance requirements. In exceptional cases the candidate may proceed as a special student, standing being withheld until the completion of entrance requirements.

Fourth.—That tuition fee for Pre-Dental year be the regular Dental fee and that where possible instruction be given in the Dental Building.

Fifth.—That public notice be given that the Pre-Dental year will be obligatory for all students entering session 1921-22.

Sixth.—That, commencing session, 1921-22, graduates in Arts, Science and Medicine (or other candidates with special qualifications) may be admitted to a four year course, but all such cases to be considered upon their individual merit.

College Announcement and Minutes of Board.

The College Announcement was published this year in somewhat different form than usual, with numerous illustrations. The Minutes of the Board were bound separately, and not included in the Announcement as heretofore.

If this form of Announcement meets the views of the Board, additional illustrations might be added next year.

Practical Anatomy Session, 1920-21.

Intimation has been given this College that the University will not be able to accommodate our students for Practical Anatomy next session. It is proposed that dental students be required to study prepared specimens, as the limited facilities will not permit them to carry on actual dissection.

Under such circumstances we must consider the advisability of teaching practical anatomy in our own building. It would be a great advantage if students in the Junior and Senior years could carry on additional dissection of those parts which are of special interest to dental practitioners.

Further Building Extension.

Next session (1920-21) the Junior class will number over 180 and provision should be made during the next year for an extension of the Infirmary floor on the north side, toward the east, over the present large Lecture Room.

A dissection room might be provided on the top floor of this extension. With the present University fee of \$20.00 for Practical Anatomy the sum of \$3,600.00 would be available for this department. (Referred to Accounts Loan and Government Committee.)

Concession to Enlisted Men.

Recommended: That all our regulations giving concessions to enlisted men be operative for Session 1920-21, but not thereafter.

Non-Matriculated Students.

Presented herewith are petitions from students who were admitted to classes last year, without complete matriculation, and have not at this date met the required standing.

The position of these cases was discussed with our President, and the University Registrar, and it was decided not to permit Partial Matriculants to proceed further with their course until the Board approved of such action.

The credentials of the following students are those to be considered by the Board:

Sophomore.—Frank Sproul.

Junior.—Barber, Ida Mariam; Corbett, Fred; Derbyshire, Aubrey O.; Hilliker, Arthur E.; Howson, George W.; Kinsman, Margaret A.; McLister, J. C.; McQueen, R. Allan; Martin, L. M.; Murta, Frank O. H.; Sockett, Richard J.; Zimmerman, Jas.

(After consideration it was decided by the Board that Sophomores be not permitted to proceed with course, that Juniors be permitted to proceed and write upon examinations, but that all credits for standing be withheld until after completion of Matriculation.)

Ontario Government and the R. C. D. S.

In connection with the application of this College for a grant from the Ontario Government the question arose as to the status of this College in relation to the Government and to other educational institutions in this Province. Your President and Superintendent had numerous informal discussions with the Honourable the Minister of Education, and it was decided that we should submit to this Board for its consideration the following suggestions, which will be included in an enactment at the next session of the Ontario Legislature, should the Board approve: That the Dentistry Act be amended as follows:—

¶ 3.—(2). Such real estate shall not be sold, mortgaged, leased or disposed of, except with the consent of the Board of Directors, given at a meeting duly called for that purpose and with the consent of the Minister of Education.

Board of Directors.

¶ 4.—(2). The Board shall consist of eight members, all of whom shall be members of the College, and they shall hold office for two years, and any four of them shall form a quorum, and in addition the Minister of Education for the time being shall be ex-officio a member of the Board.

Recognition of R.C.D.S. by General Medical Council of Great Britain.

A few days ago your Superintendent was informed by one of our graduates that the General Medical Council have refused to recognize graduates of the R. C. D. S., and in a communication to the applicant used the following words:

"I have to acknowledge the receipt of your letter of the 18th instant, and accompanying certificate from the Royal College of Dental Surgeons of Ontario relating to your brother. The difficulty about the recognition of the course at Toronto is that the whole of the course is taken out in the College of Dental Surgery, whereas in this country we requires Chemistry, Anatomy, Physiology, Surgery and Medicine to be taken in a Medical School; consequently, the curriculum in Toronto does not fulfil the requirements of the Royal College of Surgeons of England."

This raises a very serious problem, which should receive the immediate attention of this Board.

(The Board decided that the Superintendent make representations to the General Medical Council, and that statements be forwarded covering University of Toronto and Ontario Government relations to R. C. D. S.)

New Building and Alterations.

Submitted herewith is a detailed statement of the building operations carried on during the past year.

The loan upon the building of thirty thousand dollars was paid off this day, and we are now in a position to borrow, on favourable terms, sufficient money to provide for our financial needs to the close of the present College year.

The amount of money we will require will depend largely upon the generosity of the Ontario Government in dealing with our application for financial assistance, and this matter cannot be finally determined until the next sitting of the Ontario Legislature early in the new year.

Recommended: That a special committee be appointed to deal with the question of the Government grant, the necessary loan and the closing up and final adjustment of all building contracts. This committee might also report, to the next meeting of the Board, upon the subject of a Provincial Dental Office Inspector, as such inspection should only be undertaken with the approval of, and in co-operation with, the Provincial Government.

Ventilation.

Recommended: That a special report be secured before action is taken on the matter of ventilation, and be referred to the Committee of the Board for action.

Respectfully submitted,

WALLACE SECCOMBE.

DENTAL TECHNICIAN.

Moved by McLean and Morrison: "That Mr. E. T. Campbell be engaged as Dental Technician for whole time service (7 hours a day) for ten months at a salary of \$2,400.00." Carried.

DR. W. E. CUMMER.

Moved by McLean and Morrison: "That Dr. W. E. Cummer be appointed at a salary of \$5,000.00 for ten months, full time service of which he will be allowed time (of not more than three weeks) for convention and post-graduate work; this to take effect on his demobilization." Carried.

ADMITTANCE OF STUDENTS.

Moved by Mason and Cowen: "That men who have served on an Active Front may be admitted up to and including October 21st, 1919." Carried.

PRACTICAL ANATOMY.

Moved by Morrison and Cowen: "That the course in Practical Anatomy be the head and neck, as a minimum, and that the question of dissection for 1920-21 be referred to the Special Committee on Government relations." Carried.

APPOINTMENTS.

Moved by Bruce and McLean: "That the following appointments be made for the Session 1919-20." (See Faculty List.) Carried.

C. A. D. C.

Moved by Greene and Bruce: "Whereas the Board finds that the accommodation in the College Building is insufficient to cope with the demands, owing to the greatly increased number of students now

in attendance, it is felt that the time has arrived when we must request the C. A. D. C. to vacate the rooms now occupied by them in the College Building, at the earliest possible date. In doing so, we deeply regret that this course is found necessary, and wish to express appreciation of the orderly and efficient manner in which the clinic has been conducted." Carried.

REPRESENTATION ON UNIVERSITY SENATE.

Moved by Morrison and Cowen: "That a committee, consisting of the President, McLean and Mason, be appointed to look into the matter of representation on the Senate of the University of Toronto and report at next meeting." Carried.

SPECIAL COMMITTEE.

The President appointed Abbott, McGuire and Seccombe as a Special Committee to deal with the question of the Government grant the necessary loan and the closing up and final adjustments of all building contracts and other matters referred to it by the Board, including Dental Office Inspector and Practical Anatomy Session 1920-21.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO, HELD MAY 5th TO 10th, 1920.

May 5th—Board met at 2.00 p.m.; adjourned 5.30 p.m.
May 6th—Board met at 2.00 p.m.; adjourned 3.00 p.m.
(for the Re-opening of the College.)
May 7th—Board met at 9.30 a.m.; adjourned 12.50 p.m.
May 7th—Board met at 2.00 p.m.; adjourned 5.30 p.m.
May 8th—Board met at 9.30 a.m.; adjourned 12.50 p.m.
May 10th—Board met at 9.30 a.m.; adjourned 12.30 p.m.

During the Sessions, the following business was transacted:—
The Secretary read the call of the Meeting as follows:—

74 Crescent Road, Toronto,
April 22nd, 1920.

Dear Dr.:—

I am instructed by the President to call a special meeting of the Board of Directors of the Royal College of Dental Surgeons of Ontario, to be held in the Board Room of the College, on Wednesday, May 5th, 1920, at two o'clock in the afternoon, to consider matters in connection with the recent addition to the building and any other business which may be deemed necessary.

Yours very truly,

W. E. WILLMOTT,
Secretary, R.C.D.S.

FACULTY PETITIONS' COMMITTEE.

The Superintendent presented the report of the Committee on Petitions of the Faculty, which on motion of Greene and Bruce, was referred to the Board Committee on Petitions.

BUILDING AND GOVERNMENT COMMITTEE.

The Superintendent presented report of Committee on Building and Government Relations. (See page 20)

Moved by Morrison and McLean: "That the President and Dean be a Committee to interview the President of the University and Professor McMurrich and ascertain the attitude of the University towards the Royal College of Dental Surgeons, regarding the teaching of Practical Anatomy." Carried.

Moved by Abbott and Cowen: "That this Board concur in the suggested amendments to the Dentistry Act recommended by the Minister of Education and concurred in by our Solicitor, that the following words be added to Sections (3) and (4):—Section 3 (2) add the words, 'and with the consent of the Minister of Education'; Section 4 (2), add the words, 'and in addition the Minister of Education for the time being shall be ex-officio member of the Board.'"

The Report was referred to the regular Meeting.

NURSES' EXAMINATION.

The Superintendent presented the results of the Nurses' Examination and the following were passed:—

Arnott, Elizabeth	Maitland, Freda
Bartindale, Blanche Pearl	Meadows, Marjorie Harriet

4. That, in view of the Medical Certificates presented by Richardson and Perdue, they be granted aegrotat standing in the subjects in which they failed.

5. That those who are not of age be allowed to graduate, but their diplomas be withheld until they become of age.

6. That those, deficient in Clinical work and who can, in the opinion of the Clinical staff complete it in two weeks, be allowed to go up for graduation, but their diplomas be withheld until the work is completed. (Those who completed this course are included in list under Section 2.)

7. That, after this year, no student shall be permitted to go up for graduation who has not fully complied with all the requirements.

8. That the following be required to write supplementals:—

Ben Ezra—Applied Physics, Preventive Dentistry.

Charles—Second Year Chemistry.

Dean—Medicine and Surgery, Pathology, Jurisprudence and Ethics, Physics and 1st Year Chemistry.

Mahoney—Pathology.

Moss—Pathology, Orthodontia, Physics.

McLaughlin, J. D.—2nd Chemistry, 2nd Anatomy, Pharmacology.

McVicar—Pathology.

Oldham—Pathology.

Snider—Pathology.

Winn, N. D.—Orthodontia.

Winn, R. E.—Orthodontia.

9. That Supplemental Examinations for those Seniors who have not more than two subjects to write, be arranged by the Secretary for the last week in May.

(This was held on June 1st and the following passed:—Charles, Ben Ezra, Mahoney, McVicar, Oldham, Snider, Winn, N. D., Winn, R.E.)

10. That the Secretary be instructed to arrange with a graduate of the R.C.D.S. in Calgary to allow Mr. Charles to write the Supplemental in his office and that he be paid Five Dollars.

11. That, where two subjects are written at the same time, they be printed separately and it be stated on the papers that each is of a value of One Hundred.

On motion of Morrison and Mason the report was adopted.

SECRETARY'S REPORT.

The Secretary presented his reports as follows which, on motion of Greene and Bruce, was received and ordered to be placed on the Minutes.

Minutes.

The Minutes of the last meeting of the Board were published, as early as possible, and bound separately from the Announcement.

Examinations.

Supplemental Examinations were held in September, 1919, at which 81 candidates wrote 125 papers on 17 subjects.

At the mid-term examinations in January, 533 candidates wrote 861 papers on 4 subjects.

As there was a large number of students who had conditions to write off, and, as there were indications of difficulties in preparing the time-table for the May Examinations, it was decided, on consultation with the University and with the approval of the President, to make an effort to clean these up, so a special Examination was held in March at which 153 candidates wrote 195 papers in 15 subjects.

On account of the large number of students writing on Examinations in the other Faculties of the University and the large number of our students, great difficulty was experienced in securing accommodation for the spring Examinations. The only time at which we could get a Hall was between the Engineering and Arts' Examinations. Hence, with the approval of the President, our Juniors wrote on three papers on April 8th and 9th, and the regular examinations began on the 19th, and were completed on the 29th, necessitating 25 sessions at which 767 students wrote 4,539 papers on 27 subjects. This makes a total, during the year, of 63 papers set on which 1,534 candidates wrote 5,720 papers.

When the Chair of Oral and Dental Pathology was established, no provision was made for an Examination, but, after consultation with the President, it was added to the Senior Class this Session.

In the Nurses' Class, 17 candidates wrote 102 papers on 6 subjects.

In the Pre-Dental Class, 17 candidates wrote 85 papers on 5 subjects.

The Treasurer should be instructed as to the remuneration for the Examiners in the Nurses and Pre-Dental Examinations.

On account of the size of the classes, it might be well to consider the advisability of appointing a different Examiner for each class in each subject, instead of having one Examiner examine two classes.

Lectures in Ethics were added to the Freshman Class for the last session, but there was no provision made for examination in the subject. The Professor considers the subject would be of more value if an examination was required.

Asking a student five questions on a year's work does not appear to be a fair method of ascertaining his knowledge on the subject. I would suggest that the Examiner be required to set a paper of, say, eight or ten questions, any five or six of which would be a full paper.

Another matter which should be considered on account of the large Senior Class, is the length of time given the Examiner to read the papers. With a class of 140, which it is expected next session the Senior Class will reach, it will be practically impossible for anyone to do justice to the students and have the returns in the office to give sufficient time for tabulation and reference to the Faculty, if the present procedure is continued.

After the Freshman Examination in Osteology, the Presiding Examiner called my attention to the similarity between two papers. As there was no possible doubt of copying, I spoke to the candidate and, after some hesitation, he confessed. It will be necessary for the Board to decide what action should be taken.

Examination Books.

As the supply of Examination Books was almost exhausted, tenders were asked for 10,000 similar to those in use.

The highest tender was \$169.10; the lowest \$110.50 per 5,000.

The contract was let to the Sovereign Press and 5,000 were delivered for the recent examination, and the remainder will be ready within a short time. Last year the cost was \$109.00.

Dominion Dental Council.

Dr. F. Barbour, Fredericton, presented a D. D. C. certificate and a L.D.S. certificate was issued to him.

New Diplomas.

The Rolph, Clark Co. was requested to prepare two hundred new diplomas. They delivered 141, being all the parchments they could obtain at the time, at \$3.75 each. Another order must be given at once for next year's Class.

In consideration of the increased cost of certificates, the fee for a duplicate should be raised to, at least, \$5.00, and so published in the Announcement.

Elections.

As the biennial election of Directors must be held in the fall of 1920, it will be necessary for the Board to give your Secretary such instructions as may be necessary.

Honor Roll.

After consultation with Dr. Abbott, the other member of the committee, and with the President, a questionnaire (a copy of which is appended) was sent to each graduate who had enlisted, as far as their address could be obtained.

A number were returned as not known at the address.

There is quite a number still out, but it should be possible to have the information fairly complete by next meeting of the Board.

List of Graduates.

As the list of graduates, as published, is rapidly growing, and as there are several instances of the same name and initials, it might be of advantage if the year of graduation were published with the names.

Index.

A Card Index of the practitioners in Ontario, as to location, has been prepared, and has been found very useful by other organizations.

Licentiates Who Have Died.

The following Licentiates have been reported dead during the year:

K. E. Halnan, Toronto.	J. A. Smith, Windsor.
D. F. McIntosh, Vankleek Hill.	A. H. Weagant, Winnipeg.
H. A. Parker, Gananoque.	R. H. Winn, Toronto.
C. A. Martin, Ottawa.	A. Rea, Calgary.

5,085 articles were mailed from this office during the year.

All of which is submitted,

W. E. WILLMOTT,
Secretary.

TREASURER'S REPORT.

The Treasurer presented his report as follows, which, on motion of McLean and Mason, was received and ordered to be placed on the Minutes.

On of the first of October, notices of Annual Fee were sent to all Licentiates. About 530 having paid—a second notice was sent in December.

In February, 248 were drawn on through the bank, of which 53 were returned. A personal letter was sent to each of these, calling attention to the instruction of the Board to collect through the Courts, if necessary, and stating that, if they did not reply within a few days, it would be taken for granted such was their desire and suit would be entered accordingly.

As a result, the Solicitor has been instructed to proceed against 15 Licentiates.

One Licentiate paid \$1.00 on account.

Owing to the demobilization of the C.A.D.C. and so many again taking up active practice, it has been extremely difficult to keep anything like an accurate residence list. A large number on the book are still considered to be on Active Service and have not been billed for the current fee, but all will be liable next fall.

The arrangements for financing the expenditure on the new addition will be reported by the Building Committee.

A statement of the receipts and disbursements for the year, as certified to by the Auditors, is herewith appended.

All of which is submitted.

W. E. WILLMOTT,
Treasurer.

RESOLUTIONS.

Arising from the reports, the following resolutions were adopted:

Motion of McLean and Greene: "That the Professors and Examiners in the Nurses' and Pre-Dental Courses be paid at the usual rates."

Motion of Morrison and Cowen—"That a separate Examiner be appointed for each Class in each subject."

Motion of Greene and Morrison: "That a regular Examination be held in the subject of 'Ethics' in the First Year."

Motion of McLean and Cowen—"That the Examiners be instructed to ask two more questions than a full paper, thus giving the student an option of questions."

Motion of Morrison and Greene: "That the time of the Examinations in the Spring of 1921 be left with the President and Secretary to so arrange that they may be spread out over a considerable time and be completed, at least, one week before the Board Meeting."

Motion of McLean and Cowen—"That the Freshman, guilty of copying at the recent Examinations, be required to write the whole Freshman Examination in September."

Motion of Cowen and Bruce—"That the Secretary be instructed to procure as many L.D.S. diplomas as possible up to 500."

Motion of Abbott and Greene: "That the fee for a Duplicate L.D.S. diploma be \$5.00."

Motion of Abbott and McLean—"That Dr. Brebner and Mr. Bolitho be requested to act as scrutineers at the election in the fall of 1920."

Motion of Greene and Morrison: "That the instructions regarding the elections, as made for 1918, be repeated for 1920."

Motion of Morrison and Bruce—"That, if practicable, the year of Graduation be placed before the names in the list of Graduates, as published with the Minutes."

REPORT FROM FACULTY.

To the Board of Directors of the
Royal College of Dental Surgeons.
Gentlemen:—

The Faculty wish to make the following recommendations:—

1. That the wall between Lecture Rooms, Nos. 1 and 2, be removed, making one large room, and that it be properly seated and fitted for a Lecture Room.

2. That sufficient double cabinets be placed in the Infirmary so that each chair shall be equipped with one.

3. That three single cabinet equipments be supplied for the Demonstrators.

4. That one S.S.W. Engine for the S.S.W. Unit be supplied for Demonstrating purposes.

5. That the Surgery Rest Room be properly equipped and that a marble partition be placed in the Surgery.

All of which is respectfully submitted.

A. D. A. MASON,
Representative from the Faculty.

Motion of Abbott and McLean—"That the report be adopted and entered on the Minutes." Carried.

LIBRARIAN'S REPORT.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—Your Librarian has the honor to report that the students and Faculty of the School of Dentistry are taking an increasing interest in our Library.

The Department of Operative Dentistry this last term started a course of reading on certain subjects, and, later, each student was required to write a thesis on the subject assigned. As the reading matter was not available in sufficient numbers, some of the students did not have a fair chance to get their proper reading.

It is the intention of your Librarian to bind a half dozen copies of each of the magazines of current years so that the students will have a better chance to follow the Departments in these courses. If the Library is to be of any service to the student body, more copies

of magazines and books of reference will have to be made available for them. This subject should receive the hearty co-operation of the Board.

Three new dust proof cases have been ordered for the Museum, and it was hoped they would have been in position for this meeting. Several specimens of interest have been donated to our collection and others have been purchased.

I would recommend an appropriation of \$300.00 annually for Library and Museum.

All of which is respectfully submitted.

(Signed), C. ANGUS KENNEDY,

Librarian.

Moved by Morrison and Greene: "That the Librarian's' report be received and entered on the Minutes, and the appropriation be referred to the Faculty." Carried.

PORTRAIT COMMITTEE.

To the Board of Directors of the
Royal College of Dental Surgeons.

Gentlemen:—Your Committee on Presidents' portraits wish to submit the following report:

At the last session an appropriation of \$175.00 was voted to procure a suitable portrait of Dr. Abbott. On taking up this matter with several of our well known artists, the Committee found it could have procured a colored photograph for this amount. As this was not what was desired, your President was asked to authorize an increase in the appropriation for this purpose. This request was granted. The Committee made arrangements with Mr. Curtis Williamson and the work has been completed.

Recommend: That an appropriation of \$200.00 be granted to procure oil painting of Dr. Luke Teskey.

All of which is respectfully submitted,

A. D. A. MASON,
W. SECCOMBE,
W. E. WILLMOTT,

A. E. WEBSTER,
R. G. McLEAN,
Committee.

Moved by Mason and Greene: "That the report be adopted and entered on the minutes." Carried.

Moved by Bruce and Morrison: "That the motion passed at the last meeting of the Board, authorizing oil paintings of Past Presidents, be rescinded." Carried.

ARTS AND DENTISTRY

The Committee on Arts and Dentistry reported that in their opinion no action should be taken at present.

Moved by Greene and Cowen: "That the report be adopted." Carried.

CANADIAN COLLEGES.

The Superintendent presented the report of the Conference of Representatives of the Canadian Colleges which was discussed at some length and referred to the regular meeting. (See page 36.)

TORONTO DENTAL SOCIETY.

A communication was received from the Toronto Dental Society regarding three matters:

1. Assuring the Board of the support of the Society in arranging for Dental Office Inspection; the duties of the officer to include the encouragement of higher standards of practice and post graduate work. (See page 47.)

2. Asking a change in the by-laws whereby a dentist might be employed by a corporation, hospital or municipality. (No action taken.)

3. To so amplify the Nurses' Course as to make it possible for women to train as a laboratory assistant. (See pages 42 and 43.)

Moved by Greene and Cowen: "That all the business, not completed, be referred to the regular meeting of the Board." Carried.

MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO, HELD MAY 10TH TO 14TH, 1920.

May 10th—Board met at 2.00 p.m., adjourned at 5.20 p.m.

May 10th—Board met at 8.00 p.m., adjourned at 10.30 p.m.

May 12th—Board met at 2.00 p.m., adjourned at 4.50 p.m.

May 13th—Board met at 9.30 p.m., adjourned at 12.35 p.m.

May 13th—Board met at 2.00 p.m., adjourned at 5.00 p.m.

May 13th—Board met at 7.30 p.m., adjourned at 11.00 p.m.

May 14th—Board met at 9.30 p.m., adjourned at 1.10 p.m.

May 14th—Board met at 2.00 p.m., adjourned at 6.00 p.m.

During the sessions the following business was transacted:

MINUTES.

Moved by Abbott and Mason: "That the Minutes of the meeting of the Board in May, 1919, be taken as printed." Carried.

The Secretary read the Minutes of a special meeting held in October, 1919.

Moved by Bruce and Cowen: "That the Minutes of the special meeting, October 10th and 11th, 1919, be approved." Carried.

The Secretary read the Minutes of a special meeting held May 5th to 10th, 1920.

Moved by Morrison and McLean: "That the Minutes of the special meeting, May 5th to 10th, be approved." Carried.

REPORT OF BUILDING AND GOVERNMENT COMMITTEE.

The Board went into committee of the whole on the report of the Building and Government Committee, Dr. Morrison in the chair.

The committee rose and reported that the report had been adopted as follows:

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—At the annual meeting of the Board of Directors, May, 1919, the Committee on Relations with the University and Government (appointed May, 1918), reported that the application of this College for a grant from the Ontario Government had raised the question of the relationship of the R. C. D. S. to the Government and the University, and that the Provincial Government had under consideration the whole problem of educational activities within the Province. The committee also submitted copy of letter received from the Premier, Sir William Hearst, suggesting that no action be taken until a definite policy be agreed upon. The University Committee recommended that, in view of the above correspondence, no further action be taken, pending the decision of the Government.

At the meeting of the Board of Directors in October, 1919, your committee now reporting was appointed to deal with the question of Government grant or necessary loan, closing and final adjustment of all building contracts, and other matters referred to your committee by the Board, including the question of a Dental Office Inspector and provision for Practical Anatomy, Session 1920-21. In view of promise of Government assistance, the Board at its last meeting adopted suggestions regarding amendments to the Dentistry Act to be made at the next session of the Ontario Legislature (providing a substantial grant were made), naming the Minister of Education, ex-officio, a member of the Board, and providing that the property of the College be not disposed of without the consent of the Lieutenant-Governor-in-Council.

Your committee has, since its appointment, endeavored to keep these facts clearly in mind, that nothing should be done contrary to the expressed wish of the Board.

Last December plans were considered for financing the needs of the College during the current year, and for a permanent loan should the Ontario Legislature fail to make the necessary grant. It was decided that it would be an advantage to arrange for a loan in the form of a credit from the bank, rather than by placing a mortgage, for a definite term of years, upon the College premises.

The Superintendent reported that he had taken up with the Royal Bank the question of credit, and intimation was given that the bank was willing to extend credit to the College for its requirements up to \$125,000—the amount to be secured by debenture and trust mortgage for this sum, mortgage to be held by a trust company as security for liquidation of the debt. Under this plan the rate of interest would be 6% upon the actual moneys required from time to time, and the loan could be liquidated without notice.

The committee were informed that it would be impossible to secure a mortgage loan at a lower rate than 6½%.

Mr. Maynard, of the Royal Bank, was asked to take up with the Bank's solicitors and with the Trust Company the question of their fees, should the Board accept the Bank's proposals. Mr. Maynard reported that the Bank's solicitors' total charge for searching and preparation of all papers would be \$400.00, and that of the Trust Company an initial charge of \$62.50 for "signing" and an annual charge of \$40.00 for trusteeship.

After full discussion of the whole question, the committee decided that the plan outlined would be to the advantage of the College, and determined upon the recommendation of the same to the Board.

It was decided to call a meeting of the Board for the special purpose of passing upon this question and executing the necessary papers; said meeting to be held during the first week of February, 1920; and that a formal opening of the new College extension be held at that time.

In view of the pressing financial needs and the uncertainty regarding a Government grant, it was decided to proceed in the meantime with the foregoing arrangement. The Board's solicitor, W. H. Price, K.C., was instructed to act for the College in connection with the loan, and the Bank was asked to instruct its solicitors to proceed with the search of the title.

In the meantime your committee had met Premier Drury and reported to the Premier the negotiations which had been in progress between the College and the Hearst Government regarding a public grant.

Subsequently the whole matter was laid before the Honorable the Minister of Education, and a further conference was held with the Premier and the Honorable Mr. Grant, when an assurance was given that a grant for one hundred thousand dollars would be included in the estimates to be laid before the Legislature.

Upon receiving this assurance, the committee notified the Bank and arranged with the General Manager that the plan for a permanent loan be not further proceeded with, pending Government grant. The Royal Bank in the meantime undertook to extend credit to the College, sufficient to meet our immediate needs.

The Bank's solicitors reported that they had completed the searching of the title and preparation of the papers, and that if the matter did not proceed further their fee would be \$300.00. The committee ordered this account be paid.

It was decided to place an additional seventy thousand dollars fire insurance upon the College premises, at a premium of two hundred and forty-five dollars for three years.

The Superintendent was authorized to open current and savings accounts in the College and Spadina branch of the Royal Bank of Canada, upon the same conditions as the School of Dentistry accounts are at present held in the Canadian Bank of Commerce, and the Secretary of the Board was requested to forward to the Royal Bank the conditions under which all funds were to be deposited, transferred and withdrawn.

The Treasurer of the Board was authorized to open an account in the College and Spadina branch of the Royal Bank of Canada to the joint order of the President and Treasurer, and these officers were authorized to borrow from the Royal Bank an amount not exceeding one hundred thousand dollars.

The committee decided, in view of the formal opening, to paint the walls of the new building similar to those of the old.

Upon three different occasions, Mr. H. F. Secord, Architect, met the committee, going over in detail statements covering the contracts in connection with the new building, and alterations to the old building. Accounts were approved for payment from time to time as they were certified by the Architect.

The committee approved of ventilation plans submitted by Mr. William Butler and the architect. It was estimated that the cost of installing a complete system (both exhaust and supply) would approximated six thousand dollars, and the committee authorized this work to proceed.

The committee also awarded contracts covering the changes to the main toilet, and this work has been completed under the supervision of the architect.

Your committee begs to submit herewith a detailed statement of contracts and extras in connection with the building alterations and extension. These accounts have all been certified by the architect and passed by the committee for payment.

Report of Architect.

Descriptive Memorandum.

The works covered by the following figures in this report consist in a general way of:

1. North-east Extension embodying:—

Dental Office Inspector.

No action was taken by your Committee regarding the question of Dental Office Inspection, and this matter will therefore require the further consideration of the Board. (See page 47.)

Boundaries and Representation, District No. 2.

Your Committee desires to also refer to the Board a communication received from Dr. M. A. Morrison, representative of District No. 2, regarding the boundaries and representation of that District. (No action was taken as it would require a change in the Act.)

Practical Anatomy.

The Honourable the Minister of Education drew the attention of your Committee to the fact that he had been informed by the President of the University of Toronto that the University would be unable, because of the crowded condition of the Dissection Classes, to accommodate Dental students in Practical Anatomy for the coming Session.

Your Committee therefore instructed Mr. H. F. Secord, Architect, to prepare and submit to the Board plans and estimates covering necessary building extension to accommodate Practical Anatomy within our own buildings. (See page 57.)

An Order-in-Council has been passed by the Ontario Cabinet, providing for the notification of Anatomy Inspectors regarding the needs of this College, to secure sufficient anatomical material.

Formal Opening of Building.

Your Committee made arrangements for the Formal Opening of the new College Building on Thursday, 6th May, 1920, afternoon and evening. Invitations to the Opening, and complimentary buffet supper were sent to each Licentiate in the Province. Dr. C. N. Johnson, of Chicago, was invited to be present at the Opening ceremonies on Thursday, and deliver the address to the Graduates at Convocation Hall on Friday. The Honourable Mr. Drury, the Honourable Mr. Grant, Sir Robert Falconer, and the Honourable Dr. Cody, were also invited to be present at the Opening.

Relations With the Government.

In a statement to the Press, in connection with the grant of \$100,000 to this college, the Honourable, the Minister of Education, stated:—

“The new building and equipment cost \$150,000, of which the College itself has paid \$50,000. The work was not begun until after the whole problem had been laid before Hon. Dr. Cody, and the building extension was undertaken with the full knowledge of the late Government. Had not the plans been proceeded with, the College would have been unable to receive one new student this year, the entire accommodation of the old building being barely sufficient for the students who had enlisted during their courses, and who were returning to complete their course. The seriousness of the situation may be appreciated when it is remembered that this institution is the only dental college in Ontario.

“This is the first request for funds ever made by this College, and it was for the Department of Education to determine whether assistance to dental education should be given direct to the college or through the Universities. The Government has decided that it would be unwise to have a duplication of Dental Faculties in the Province, and that dental education will be best served by maintaining the present position of the Royal College of Dental Surgeons, which is now recognized as one of the foremost dental institutions in the world.

“Amendment to the Dentistry Act will be proposed at the present session, which will provide that the property of the College cannot be disposed of without the consent of the Lieutenant-Governor-in-Council, and that the Minister of Education for the time being will be ex-officio a member of the Board of Directors.”

Relations With the University.

Your Committee was informed that an officer of the College reported to the President of the University that there was a movement on foot by members of this Board, to break away entirely from the University.

In view of these facts, your Committee recommends that the following resolution be adopted and forwarded to the President of the University, that there may be no shadow of doubt regarding the sincere and friendly attitude of this College toward the University of Toronto, with which we are proud to be affiliated:

Resolved, That the members of the Board of Directors of the Royal College of Dental Surgeons of Ontario desire to assure the University of Toronto that, notwithstanding the closer relationship now existing between this College and the Provincial Government, the Royal College desires to maintain in every way the past friendly relations with the University, and to continue as heretofore in the closest possible co-operation with the University and all of the affiliated Colleges and Departments comprising the University of Toronto.

Respectfully submitted,

W. M. McGUIRE,
H. R. ABBOTT,
WALLACE SECCOMBE.

On motion of Morrison and Cowen, the report of the Committee of the Whole was adopted.

SUPERINTENDENT'S REPORT.

The Board went into Committee of the Whole, on the Superintendent's Report:—Dr. Greene in the Chair. The Committee rose and reported that the Superintendent's Report had been adopted as amended, as follows:—

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

The extension and alterations to the College Building were not entirely completed at the beginning of the Session, and some of the equipment was installed after the Christmas vacation. The presence of workmen in the building, more or less throughout the entire Session, has seriously handicapped the staff and occasioned much inconvenience to the students. There has, however, been a very happy and commendable spirit of co-operation prevailing throughout the School, and this has enabled us to complete a successful year's work under very trying circumstances. The crowded condition of the laboratories has also added to our difficulties, it having been found necessary to duplicate a number of the courses.

Registration of Students, 1919-20.

Your Superintendent enrolled during the Session the following Students:—

Dental Nurses (First Semester)	15
Dental Nurses (Second Semester)	2

Total	17
-------------	----

Pre-Dentals	18
Freshmen—Class A	162 (4 women)
—Class B	163
Sophomores	188 (7 women)
Juniors	143 (3 women)
Seniors	130
Total	804

Of the total registration, there are over 500 enlisted men, and of this number 260 are members of the Freshmen Class.

127 Students applied to the Department of Soldiers' Civil Re-Establishment and were granted a seven months' course at this College.

8 First Year men enrolled in the three-year course open to graduates in Arts, Science or Medicine.

Students are registered from every Province in Canada, as well as from India, South Africa, Japan and the United States.

Results of Examinations.

Presented herewith are the results of the Dental Nurses' examinations, along with the records of Pre-Dental, Freshmen, Sophomore, Junior and Senior students. All of the examination credits have been duly audited by the College Auditor.

Graduating Class Declarations.

Submitted herewith are the declarations of all the members of the Senior Class, excepting Messrs. Warren and Farrell. Eight Seniors will not be 21 years of age for periods of time as follows:—

Fay W. Beach	6th July, 1920.
Ford Butler	24th March, 1921.
G. A. C. Gunton	27th May, 1920.
John C. Green	1st August, 1920.
Robert J. Hiscox	8th July, 1920.
Charles A. McLean	17th June, 1920.
Lloyd J. Miller	18th July, 1920.
Louis M. Wintrobe	8th May, 1920.

Registration of Students—Session 1920-21.

Your Superintendent has had prepared a special application form for use of prospective students, with a view to their enrolment previous to the regular registration days. This was done with a view to avoiding the expense and keen disappointment occasioned last fall by students, who in many cases travelled long distances expecting to attend this College, having been denied admittance because of lack of room.

Submitted herewith are between 50 and 60 of these applications for Freshmen registration for the coming Session. It will be necessary for the Board to determine what disposition is to be made of these.

There is little doubt but that it will be impossible for us to enroll all of the First Year students who will apply, and the Board should therefore outline a general policy to be followed in the selection of candidates. Pre-Dental work being required of all students, commencing Session 1921-22, many of the applicants who are denied entrance to the regular Freshmen Class will doubtless appreciate the desirability and advantage of enrolling for Pre-Dental work for the coming session.

Your Superintendent would recommend, for Session 1920-21:

First.—That 150 Freshmen be enrolled for four-year Course. This would leave about 132, exclusive of the Pre-Dental Class. (Adopted.)

Second.—That not more than 60 applications be accepted from candidates whose credentials are completed previous to June, 1920. This would leave a group of 72 to be enrolled following the Matriculation Examinations in June of this year. (Adopted.)

Third.—That, should more than the number named apply in either of these groups, preference be given to candidates upon consideration of the following factors, named in order of their importance:

- (a) Enlisted men.
- (b) Candidates refused admission last year, who have standing in Physics and Chemistry.
- (c) Candidates, twenty years of age or over, whose Matriculation credentials include Physics and Chemistry.
- (d) Candidates whose Matriculation credentials include Physics and Chemistry.
- (e) Candidates with advanced standing.
- (f) Other candidates. (Adopted.)

Medicine and Surgery Examination Credits.

Owing to the Board having established separate chairs in Medicine and Surgery, some confusion has arisen in connection with credits in these subjects, there being provision for but one examination.

Recommended.—That separate examination papers be set in the subjects of Medicine and Surgery. (Adopted.)

Lecture, Laboratory and Infirmary Attendance.

Recommended.—That complete record be kept of the attendance of students at Lecture, Laboratory and Infirmary sessions, and that no student be permitted to write upon the examination in any subject where his attendance falls below 75 per cent. Certificate of illness to be accepted in lieu of attendance. (Adopted.)

Written Examinations.

Recommended.—That the annual examinations be extended over a period of one month, and that, if possible, students be not asked to write upon more than three papers in any one week. (Adopted.)

Registration of Graduate Dentists, Province of Ontario.

During the past year numerous questions have arisen in correspondence with graduates of other Dental Colleges, desiring to secure a license to practise Dentistry in the Province of Ontario.

Our present regulations are inadequate to meet the many questions that have arisen, and your Superintendent would recommend that the Board amend our regulations, that there may be less ambiguity regarding the conditions and fees to be imposed upon those who desire to sit for the Ontario Licentiates' Examination. (Adopted, see By-law 58, page 59.)

Deferred Payment of College Fees—Enlisted Men.

Twenty-nine Dental students applied for and received loans of money from the University of Toronto Alumni Association, aggregating \$8,059. It was agreed that loans would be repaid within two years after graduation. In all cases where loans were granted University students, the University deferred payment of fees. Under our regulations, we have no provision for such loans, nor deferred payment of fees. In view of the number of requests that have been made to this office, your Superintendent would recommend that the Board determine upon a definite policy to be followed in dealing with these applications. (See page 36.)

Compulsory Hart House Fee.

Your Superintendent desires to renew his recommendation of a year ago, that the University of Toronto, Hart House Fee, be made compulsory for all Dental students, and that Pre-Dental, Freshmen, and Sophomore students be required to take physical training upon the same conditions as apply to other University students.

As some question has arisen regarding the matter of student discipline, and the issuance of athletic certificates for students of this college, it would be well for the Board to make its position clear in regard to these questions, that there may be no misunderstanding in the future regarding these matters. (Adopted. "The Board is in favor of making Hart House fee compulsory for all Dental students, providing such action will not interfere with the disciplinary and athletic prerogatives of the Students' Parliament and of the R.C.D.S., and that Mason, Willmott and Seccombe be a Committee to take action in this matter for session 1920-21.")

Dominion Dental Council and Pre-Dental Year.

Following the action of this Board in making the Pre-Dental Year obligatory, commencing Session 1921-22,—and the subsequent approval of the Pre-Dental standard by the Dental Faculties Association of Canada,—it is important that this College urge similar adoption by the Dominion Dental Council at the meeting of the D.D.C. to be held in Ottawa in August next. Your Superintendent would suggest that our representative be instructed accordingly. (Adopted.)

College Residence.

It is becoming very difficult for our students to obtain boarding places within reasonable distance from the College Building. Where these places are available, increased rates make the financial phase of the question a serious problem for the average student to face. In any case, however, the environment and surroundings of the usual boarding-house leave a very great deal to be desired. The University residences are overcrowded, and are not available to our students.

Recommended:—

First—That the Board approve the principle of the establishment of a residence for dental undergraduates. (Adopted.)

Second—That the Board open a special account for the deposit of moneys to the credit of a fund to be known as the College Residence Fund. (Adopted.)

Honorary Clinicians.

Dr. C. E. Pearson, Dr. Harold Clark and Dr. A. S. Thomson acted during the past session in the capacity of Honorary Clinicians. Other members of the profession were invited to give clinics to the Senior Class, and, while unable to do so this session, agreed to act in the capacity of clinicians during the coming term.

It has been suggested that these clinics be not confined to the College Infirmary, but that the members of the Senior Class be divided into groups and be permitted to attend clinics from time to

time in the offices of the Honorary Clinicians. Should this suggestion meet with the approval of the Board, each clinician might be permitted to determine whether the clinic should be given in the College Infirmary or in his private office. (Adopted.)

Indentureship.

Under our present regulations a student is permitted to graduate in dentistry without having spent time in a private dental office. Your Superintendent believes that the time has come when the Board should seriously consider the advisability of urging all students to spend at least two months in the office of an approved Licentiate, such indentureship to occur between the Third and Fourth Years, and that the Faculty devise some method of giving credits to those who thus indenture and who present a certificate from preceptor of attendance and of work done. (Adopted.)

Convocation, 1921.

The Hon. Justice Middleton has intimated to your Superintendent that he would be willing to address the Graduating Class at some future Convocation.

Recommended: That the Hon. Justice Middleton be invited to deliver the Convocation Address, 1921. (Adopted.)

Financial Report.

Submitted herewith is the financial statement of the School of Dentistry for the year ending May, 1920, along with detailed statement of receipts and expenditures, and vouchers covering the same. The accounts have been audited and certified by the College auditor.

All of which is respectfully submitted,

WALLACE SECCOMBE,

Superintendent.

Moved by Green and Bruce: "That the report of the Committee of the Whole on Superintendent's report be adopted." Carried.

DISCIPLINE COMMITTEE REPORT.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Your Discipline Committee beg to report:

1. That a dentist of Hamilton was employing an American graduate without a license in Ontario, but, having dismissed said employee we recommend that no further action be taken.

2. That a complaint from Bancroft, Ontario, regarding a man practising illegally is being proceeded with.

3. That, according to the College Auditors, Mr. W. N. Hayes, a former treasurer of the "Hya-Yaka," is in arrears in his account with the "Hya-Yaka," and has been written to repeatedly without reply. It is recommended that the Secretary of the Board be instructed to place this matter in the hands of a solicitor.

4. That, regarding a complaint made in an unsigned letter, we felt we could take no action.

5. That there are one or two cases pending in which we are awaiting more information.

All of which is respectfully submitted,

R. GORDON McLEAN,
E. E. BRUCE,
R. H. COWEN,

W. R. GREENE,
A. D. A. MASON,
Committee.

Moved by McLean and Bruce: "That the report be adopted and entered on the Minutes." Carried.

REPORT OF REPRESENTATIVE ON SENATE OF UNIVERSITY OF TORONTO.

The Board of Directors of the

Royal College of Dental Surgeons of Ontario:

Gentlemen:—Your representative on the Senate of the University of Toronto begs leave to report that, after a careful study of the composition, duties and functions of the Senate, and an observation of its workings for the past few years, he is in a position now to lay some definite information and recommendations before you. Although the Ontario Statutes lay down certain specific regulations, under which the Senate acts, the conduct of its business follows precedence and internal regulations developed during the past seventy-five years or more. Under such conditions, it is difficult for a new member to take any considerable part in its affairs until he knows the origin and history of the various problems that arise.

Your representative has been, from time to time, a member of many standing and special committees. He has sat on the Committee on Petitions and Memorials longer than on any other.

This committee determines the merits of all student petitions concerning educational and financial relations between the student and the University, which do not come under the regular rules. These petitions concern all Faculties and such other students as have academic relations with the University. Since they nearly always come through the Faculty interested and since the students of the Dental School are now registered in the Department of Dentistry of the University on entering the College, your representative would recommend that your authorities send on its student petitions in matriculation with suggestions in the same manner as in other faculties and as is now done in connection with the examination returns.

The Senate of the University deals with academic questions, and is really the clearing house for the Faculties, or the Executive Committee of the teaching bodies. It, in a sense, bears the same relation to the Board of Governors and the University as the Dental Faculty bears to this Board and the Royal College of Dental Surgeons. Its business is nearly all done by committees. New matters are usually referred to some standing or special committee for study and report.

Your representative has studied the problem of the composition of the Senate and believes the profession of dentistry should have direct representation. A couple of years ago, this question was discussed and a recommendation was being prepared for you, but, when the matter of the Dental School becoming a Faculty of the University came up, under which this Board would be the representatives of the dental profession on the Senate, there was no need of further discussion until that point was settled.

If the Dental School is not likely to become a Faculty of the University in the near future, the question might be discussed at this time. Your representative would recommend that a committee be appointed to study the problem and make representations to the proper authorities for direct representation of the graduates in dentistry of the University of Toronto on the Senate.

The Senate is made up of certain *ex-officio* members, representative of the Faculties, federated and affiliated colleges, the Law Society and graduates in Arts, Medicine, Law, Applied Science, Agriculture and the teachers in Collegiate Institutes. There are more graduates in dentistry than in many of the Faculties, and double the number of any of the affiliated colleges represented by their graduates. Dental students and graduates in dentistry have always taken a deep interest in university and educational affairs and should be represented. On the basis of number of graduates, dentistry is entitled to six representatives.

The Senate, under the revised statutes of Ontario, Chapter 279, Section 48, Sub-section "R," has power to change the composition of the Senate. It reads as follows: "Make such changes in the composition of the Senate as may be deemed expedient."

In the same statutes and Chapter 279, Section 44, the office of a member of the Senate is four years. It reads as follows: "The term of office of the elected and appointed members of the Senate shall be four years and until their successors are elected or appointed."

Your representative attended all the regular and special meetings of the Senate during the past year except one in the autumn because of insufficient notice, another in mid-winter because of illness, and a recent special meeting because of the opening exercises of this college.

He missed three committee meetings in the autumn because notices did not reach him until after the meetings were held.

A. E. WEBSTER,

Representative on Senate.

Moved by Abbott and Morrison: "Report be received and entered on the Minutes." Carried.

REPRESENTATION ON SENATE.

Moved by Green and Abbott: "That McGuire, McLean and Mason be a Committee to make application to the Senate of the University of Toronto to secure representation by the Profession of Dentistry thereon." Carried.

REPORT OF INSTITUTE OF DENTAL TEACHERS.

The Annual Meeting of the Institute of Dental Teachers was held in Detroit, January 27th, 28th and 29th, 1920.

Part of the programme this year was a decided departure from former years. A member of your Faculty, Dr. Thornton, was requested to present his method of teaching Dental Anatomy. This was criticized by three leading Educationalists of the State, not Dentists.

Also very important papers on teaching were presented in the sections of Operative and Prosthetic Dentistry. Dr. Willmott of your Faculty presented an outline of the procedure of the Senior Laboratory as in operation this past session. The idea was received with interest and many questions asked.

The question of a Pre-Dental Year was very thoroughly discussed and the necessity of such a course was clearly demonstrated. Several other interesting and profitable papers were presented.

Your Faculty was represented by Drs. Webster, Willmott, Mason, Thornton, McDonagh, Price, Bothwell, Priestman, Gardiner, Crouch, Cole, Drew-Brook. Each of these was assigned a certain portion of the programme to review and, at a subsequent Faculty Meeting, these reports were presented.

Your Dean is a member of the Executive Board for the next two years.

The next meeting will be held in Chicago during the Christmas holidays, 1920.

W. E. WILLMOTT,

For those present.

Moved by Morrison and Abbott: "That the report be received and entered on the Minutes." Carried.

LETTER FROM DR. PRICE.

A communication was received from Dr. F. D. Price regarding outlay for lantern slides and remuneration for lectures.

Moved by Morrison and Greene: "That the cost of lantern slides for Dr. Price's Department, fortyfive dollars (\$45.00), be paid, and that the remuneration for lectures be according to schedule." Carried.

SOLDIER STUDENTS' LOANS.

A communication was received from the soldier students in attendance at the College, who are receiving assistance in the way of loans from the Alumni Association of the University of Toronto, asking that the payment of fees may be deferred.

Moved by Greene and Mason: "That the Secretary be instructed to reply to the request, that much as the Board wishes to assist returned soldiers, still the finances of the Board will not permit the granting of the request." Carried.

CANADIAN DENTAL COLLEGES.

The following report was submitted to the Faculty Council of the Royal College of Dental Surgeons, and was recommended to the Board of Directors for adoption.

MEMORANDUM COVERING PROCEEDINGS OF CONFERENCE OF REPRESENTATIVES OF THE CANADIAN DENTAL COLLEGES, HELD AT THE ROYAL COLLEGE OF DENTAL SURGEONS, TORONTO, FRIDAY, THE 30th OF JANUARY, 1920.

The following representatives were present:

Dalhousie—Dr. Frank Woodbury.

Laval—Drs. Dubeau, Nolin and Gendreau.

McGill—Dr. A. W. Thornton.

R. C. D. S.—Drs. A. E. Webster and Wallace Secombe.

The foregoing representatives held an informal conference, with a view to the adoption of uniform regulations among the Canadian Colleges for the purpose of greater efficiency and closer co-operation.

It was agreed that the representatives should not commit themselves in any way to the decisions of the conference, but that all of the discussions should be entirely informal and, as suggestions, should be passed on to the Colleges for consideration and action.

The conference, after very thorough discussion, unanimously agreed upon the following recommendations:

Matriculation.

(a) That full matriculation requirements be met before entrance to the Four Year Course.

(b) That Provincial Dental Board matriculation standards be not accepted for entrance purposes, but that the colleges adopt a minimum entrance standard.

(c) That the minimum requirements be: Evidence of having successfully completed Arts Matriculation in a recognized University or Department of Education, in the following subjects:

English Literature.
English Composition.
Ancient History.
British and Canadian History.
Algebra.

Chemistry.
Physics.
Latin Composition.
Latin Authors.
Geometry.

(d) That, in lieu of the above specified papers, complete Arts Matriculation may be accepted.

Expelled Students.

That a student who has been expelled from one college shall not be admitted to another.

Conditioned Students.

That no student be permitted to enter a higher year without having first completed all of the subjects of the lower year. Students who fail to meet this requirement must take the year over.

Fees.

(a) That fees be readjusted upon a flat rate of two hundred dollars each Session, commencing Session 1920-21, and that no extra fees be charged except that of a caution fee. (This was amended by the Board by the addition of the words "and Hart House or similar fee.")

(b) That students who fail, and are required to repeat a year, shall pay the full regular fee.

(c) That payment of fees be made in two instalments, as follows: One-half at time of registration, and the balance previous to the mid-term examinations.

Pre-Dental or Preparatory Course.

(a) That, commencing Session 1921-22, all students be required to successfully complete, previous to the regular four year course, one year of study, equivalent to first year Arts, embracing the following subjects:

English,

Biology,

Physics,

Chemistry,

French, and sufficient other subjects to make a College Year.

In addition to the above subjects those of Modelling, Art and Drawing are recommended.

(b) That the foregoing course of study may be taken at any recognized High School, Technical School, College, Dental Department or University. (This was amended by the Board by adding the word: "and that a certificate, such as would be accepted by a recognized University as equivalent to a First Year in Arts, be required, covering such a course.")

Permanent Organization.

That there be a permanent organization formed to be known as the Dental Faculties' Association of Canada, membership to consist of all dental teachers in the Dominion of Canada. The following officers were appointed:

President, Dr. Frank Woodbury, Dalhousie.

Vice-President, Dr. Eudore Dubeau, Laval.

Secretary, Dr. Wallace Seccombe, R. C. D. S.

It was suggested that the next conference be held at the time of the Canadian Dental Association meeting in the city of Ottawa, August, 1920.

Moved by Abbott and Bruce: "That the report be adopted, as amended, if the other Canadian Colleges agree." Carried.

UNIVERSITY FEES.

Moved by McLean and Greene: "That Mason, Seccombe and Willmott be a committee to discuss with the University a readjustment of the students' fees." Carried.

REPORT OF C.A.D.C. COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Your committee met during the past year as occasion required, and arranged a Post Graduate Course for returned soldiers from the 15th to the 20th of September, 1919, inclusive. The course was greatly appreciated by dentists recently discharged from the army, and who were once more taking up their duties as civilian practitioners.

The committee was guided largely by the suggestions of the registrants themselves, regarding the subjects included in the course, and arranged for instruction by the following teachers:

Dr. A. E. Smith, Chicago, Conduction and Local Anesthesia.

Dr. R. E. Hall, Chicago, Full Upper Dentures.

Dr. Webster, Toronto, Operative Dentistry.

Dr. Cummer, Toronto, Removable Work.

Dr. Seccombe, Toronto, Preventive Dentistry and Dental Economics.

Dr. Ante, Toronto, Crown and Bridge.

Dr. Coram, Toronto, Porcelain Work.

Dr. Price, Toronto, X-Ray Work.

Dr. Paul, Toronto, Exodontia.

Dr. Amy, Toronto, Exodontia.

The following graduates registered for the Course:

Capt. John T. Adams.

Capt. Douglas Brown.

Capt. R. H. Aljoe.

Capt. J. C. W. Broom.

Sgt. F. H. Barry.

Capt. N. C. Carmichael.

Capt. K. Berry.

Lt.-Col. C. A. Corrigan.

Major J. F. Blair.

Capt. J. H. Duff.

Capt. G. C. Donnycastle.

Capt. R. W. Emerson.

Lt.-Col. O. K. Gibson.

Lt.-Col. G. Gow.

Capt. G. E. Gilfillan.

Capt. W. H. Gilroy.

Capt. R. Godfrey.

Capt. E. A. Grant.

Major W. R. Greene.

Capt. D. H. Hammell.

Capt. H. G. Hodgins.

Capt. Geo. Hollingshead.

Capt. C. J. F. Jackson.

Capt. A. E. Jamieson.

Capt. F. R. Knight.

Capt. E. Lehman.

Capt. A. E. Little.

Capt. C. H. Moore.

Capt. S. Moore.

Capt. D. McKay.

Capt. W. H. McNally.

Sgt. G. S. Murray.

Capt. J. F. O'Brien.

Capt. R. M. Peacock.

Capt. J. H. Reid.

Capt. H. Schweitzer.

Lt.-Col. A. A. Smith.

Capt. R. C. H. Staples.

Capt. D. P. Sutton.

Capt. J. J. Teetzel.

Capt. J. E. Thompson.

Capt. F. Thomson.

Capt. W. G. Trelford.

Capt. E. L. Young.

At the conclusion of the course the members expressed their thanks for the opportunities which had been freely placed at their disposal by the College.

The appropriation of the Board, made for the purpose of this course, amounted to five hundred dollars. The local men decided they would give their services gratis, and this action enabled the committee to secure Drs. Smith and Hall for five half days each. The appropriation was divided equally between these two instructors.

Respectfully submitted,

W. M. McGUIRE,

WALLACE SECCOMBE,

F. J. CONBOY,

HAROLD CLARK,

Committee.

Moved by Abbott and Greene: "That the report be received and entered on the Minutes." Carried.

Moved by Abbott and Greene: "That the Board desires to express its thanks to the members of the staff who gave their services during the course, without remuneration."

CANADIAN ARMY DENTAL CORPS.

A communication was read from the chairman of the Executive Committee of the Ontario Dental Society, stating that, at a meeting of the Society held on May 7th, 1920, a resolution was passed requesting the Board to send representatives to Ottawa, in order to persuade the authorities to establish the C. A. D. C. as a permanent militia unit, also to give due publicity to the fact that the dentists of Canada are determined that such a permanent establishment shall be provided.

Moved by Bruce and Mason: "That the Board concur in the request and that Greene and Seccombe be the representatives from the Board to interview the authorities at Ottawa." Carried.

DR. VILLAIN'S PUBLICATION.

The Dean presented a letter from Dr. E. H. Smith, Dean of Harvard, asking the co-operation of the College in sustaining a publication by Dr. Villain, of Paris.

Moved by Greene and Morrison: "That no action be taken."
Carried.

EXAMINERS.

The Committee on Examiners presented a tentative report, which was accepted, and the committee was instructed to present the report to the Examinations Committee of the University of Toronto.

At a later session, the committee presented the following report, as agreed upon by the Joint Committee.

Joint Board of Examiners—1920-21.

Presiding Examiner, W. E. Willmott, L.D.S., D.D.S., 74 Crescent Road, Toronto.

Moved by Abbott and McLean: "That the Board of Examiners, as agreed upon by the Joint Committee from the University and from this Board, be adopted." Carried.

FACULTY TO REPORT ON EXAMINATION PAPERS.

Moved by McLean and Greene: "That the Faculty make a confidential report to the Board, annually, as to the suitability of the papers set, in order to safeguard the standard of the examinations." Carried.

MISS BOND.

A letter was read from Mr. Bond, whose daughter was in the Nurses' Class, asking, if it would be possible to reconsider her case.

Moved by Abbott and Bruce: "That, having reconsidered Miss Bond's term credits, the Board regrets that no further action can be taken." Carried.

ONTARIO PROSTHETIC DENTAL ASSOCIATION.

The committee, appointed at the last Annual Meeting to confer with this Association, presented the following interim report:

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Your committee has had two lengthy conferences with the representatives of the Ontario Prosthetic Dental Association. No definite conclusions were arrived at, but the following is a summary of the ideas brought out during the discussion:

A Governing Board

shall be formed to consist of six members, three of whom shall be appointed by the Board of the Royal College of Dental Surgeons and three by the Ontario Prosthetic Dental Association.

Duties of the Board.

- (a) Admission under Indentures.
- (b) Admission of those now in business.
- (c) Preparation of Course, admission to the Course, appointment of Examiners, granting certificates and all other necessary matters.

Suggestions.

(a) Those wishing to qualify shall serve a probation of three months and the additional time, if any, to the beginning of the next College Course. Preceptors shall report as to applicant's qualification at the end of the three months' probation.

Indenture papers must be signed before entering College, and be dated from the time of entering Preceptor's employment.

(b) All those in business who apply for a certificate before a certain date shall provide a statement, showing four years' experience in the business, certified to by two persons satisfactory to Governing Board.

(c) The Course shall be three years, exclusive of time spent at College.

College Course shall consist of months.

Examination shall be held at end of three years' College Course.

Marking shall be counted as 50% for Preceptor's report and 50% for examination.

No candidate shall receive a certificate who is not of good moral character.

No candidate shall receive a certificate under nineteen years of age.

A certificate shall be awarded to successful candidates and shall be as follows:

This is to certify that has fulfilled all the requirements and has passed all the necessary examinations and is qualified to conduct a Public Dental Laboratory.

Your committee asks permission to continue negotiations.

A. D. A. MASON,

A. E. WEBSTER,

R. G. McLEAN,

Committee.

Moved by Mason and Bruce: "That the report be received and entered on the Minutes and the committee be instructed to continue the conference and report at the next meeting of the Board." Carried.

INSTRUCTING DENTAL MECHANICS.

Moved by McLean and Mason: "That the Board places itself on record, that the College should ultimately establish a Course in Mechanical Dentistry to prepare men and women for Dental Laboratory Assistants, and that the Faculty be asked to report at the next meeting on the feasibility of such a Course." Carried.

NURSES' COURSE.

A Committee of the Faculty, on the Course for Dental Nurses, presented a report which was amended as follows:

1. Your committee recommends that:

(a) A Supervisor of Nurses be appointed.

(b) The fee for the Nurses' Course be raised to cover cost of graduating pins.

2. While we are in agreement with the view of the Toronto Dental Society (see page 19) that there exists a present need for more mechanical assistants in dental offices, yet we are convinced that it would be unwise to give to anyone, trained as a mechanical assistant, a Nurse's certificate. The present Course is not sufficiently long to permit of specialization. It must be understood that dental nursing and dental mechanics are different callings."

Moved by McLean and Cowen: "That the report, as amended, be adopted and entered on the Minutes." Carried.

Moved by Mason and Bruce: "That the Board pay for the Nurses' Graduating Pins this year." Carried.

NURSES' DIPLOMA.

Moved by McLean and Mason: "That the Diploma, as presented by the committee, be accepted, and that a photoplate be procured and a sufficient number for this year's class procured and issued to the successful candidates." Carried.

COMMENCEMENT.

The Committee reported that Commencement had been fixed for Friday, May 7th, and that Dr. C. N. Johnson, of Chicago, had consented to deliver the address to the graduates, and that invitations had been printed and distributed to the students.

Moved by Mason and Greene: "That the report be received and entered on the Minutes." Carried.

FITTINGS' COMMITTEE.

The Fittings Committee reported that the work of the committee had been executed by the Building and Government Committee and the items included in the report of that committee. The committee recommended that \$15,000 be appropriated for equipment in the old building, to be allotted by the Executive of the Faculty.

Moved by Mason and McLean: "That the report be received and entered on the Minutes and the recommendation adopted." Carried.

DEAN'S REPORT.

Your Dean begs leave to report another year of progress in dental education in the Royal College of Dental Surgeons of Ontario. In his last report were suggested many innovations both in principle and detail which you have been pleased to implement.

The Faculty in September was faced with three unusual conditions not wholly anticipated. There was an increase in student attendance in the First Year of over 125%. The improvements and enlargements of the building were not nearly completed. Provision had been made by your body for the establishment of five new Courses and, in addition to this, the establishment of another year in dentistry. To cope with these conditions and the details associated with them, your Dean is proud to report that every member of the staff co-operated with a willingness and unselfishness commendable to the last degree.

It must be realized from now on that the School of Dentistry is a large institution, having expanded in five years from an attendance of less than three hundred to fully eight hundred, with prospects of a still further increase, not only in numbers but in scope. A dental college must provide an education in every respect of the calling from Mechanical Dentistry to Research and Post Graduate Instruction, else other institutions will develop, as has occurred in Medicine, which may not have the highest ideals foremost.

It is quite impossible with all the ramifications and details of so large an institution, and the growing importance of the profession for one organization or one individual to keep in touch with all features of dental requirements much less direct it in detail. While there must be a general supervision of principles, the various departments should have home rule, being co-related through their heads and this Board.

It is highly important to have a splendid building in which to house an educational institution—a community house if you please—but in the final analysis, however desirable good buildings may be, it is the educational equipment within which develops the man. The internal equipment consists in suitable surroundings, furnishings, organization and most important of all, in teachers. Buildings, furnishings and equipment can be gotten in short order, but organization and teachers are a matter of development of years, yes, even centuries. Within one year your staff of teachers has been almost doubled, not ten per cent. of them have had any training in Psychology, Pedagogy or Principles of Teaching before reaching the staff of this College. When almost half of the staff is made up of this raw material, you can, in a measure, realize the burden placed on those of experience. Heads of Departments who have from five to twenty Assistants often wonder if it is not easier to teach the student classes than instruct the Assistants how to do it. As a matter of fact, the experienced teacher's time is so taken up with teaching students he has little time for organization and helping Assistants.

It has become a necessity to employ more all time teachers of experience, first in Educational work and second in the calling of Dentistry. The teaching of stunts is past and the day of developing men educated in Dentistry is here. If the Educational authorities of every

Province in Canada demands that only persons trained in the principles of teaching may be permitted to practise, then surely teachers of Dentistry, upon whom the future of Dentistry depends, should have time and opportunity to develop themselves, not only in the technical procedures of their calling, but also in the principles of education.

There should be at least twelve all-time teachers on the staff of this College, who would give all their thought and energy to dental organization and teaching. The future of Dentistry in Canada depends upon the work of the staff of this College. It is worth the effort.

The Department of Chemistry, Metallurgy and Physics should have an all-time Professor and an Assistant. The Department of Anatomy, Histology, Biology, a Professor and an Assistant. The Department of Bacteriology and Pathology, a Professor. The Department of Operative Dentistry, a Professor and two Assistants. The Department of Prosthetic Dentistry, a Professor and two Assistants.

This, with the administration staff would make a nucleus or centre around which the work of the part-time teachers could be co-related and organized for effective effort, not only in teaching undergraduates but graduates. Such an organization would be a start towards the ideal.

Having set forth some ideals to be aimed at, let us consider, in detail, what has been accomplished towards this end during the past year and what recommendation may seem desirable. Generally speaking, it would seem wise to develop and carry out the undertakings which you set for the Faculty last year before more is added. The uncompleted building, the large classes and inexperienced teachers made it impossible to carry out the courses prescribed in Chemistry, Physics and Physiology, while in some other Departments the courses were incomplete.

Dental Nurses.

No new departure undertaken by this institution will reflect greater credit than the establishment of the course in Dental Nursing. Seventeen girls took the course under the conditions prescribed by this Board. The result of the training as shown by examination and assisting in the College completely justifies the method of instruction. In fact, the method is different from that followed by dental students, but the results indicate that it might well be followed even with them. During the first month, the course was so unorganized that we were forced to allow all the nurses to go to the Infirmary to pick up what they could, with the result that, when the Lectures began, they had a fair acquaintance with what they were expected to know.

The Course consisted of practice in the various departments of the laboratories, clinics and offices of the College, attendance at the General Hospitals, Public School Clinics, Private Offices, Business College, together with Lectures every afternoon at four o'clock in such subjects as were prescribed.

The Lectures were given by the regular staff, the greatest burden falling upon a few. You will be asked at a later time to provide salaries for such instructors and provide a suitable certificate to be presented to the successful candidates. The results of the year's work, the value to the School, and the eagerness with which the Nurses' services are sought, fully justify the undertaking. A Supervisor of Dental Nurses, selected, preferably, from our own graduates, is necessary, to look after the details of their training as well as give some much needed lectures that only a woman can give.

Pre-Dental Course.

The course provided for those who had Junior Matriculation but lack the Sciences and made application to be admitted to the Course in Dentistry, 1919-20, was arranged to suit their special needs. About twenty took this course and are assured of a place in the regular course of 1920-21. The subjects were English, French, Physics, Chemistry, Biology, History of Science, Drawing and Modelling.

The Biology and History of Science were taken at the University and the balance in the Lecture Rooms and Laboratories of the College.

At a special meeting of the Board held in January, 1920, it was agreed that students in dentistry would not be admitted without a Pre-Dental Year on and after 1921, which means that candidates who have the requirements for entrance in 1920 will then all enter, if there is room, leaving none to qualify for entrance in 1921.

If the Drawing and Modelling are to be taught in the College, space and equipment will have to be provided. It would appear that a suitable course is provided in the Technical Schools, the Art Schools and some of the Colleges and Collegiates.

Chemistry.

The Chemical Laboratory was not completed in time to give the course to the First Year as provided last year. The time-table will provide an opportunity next year. This will require additional staff.

Physiology.

Because of lack of space in the physiological laboratories of the University, it was found impossible to arrange for physiological laboratory work this year, nor will it be possible to do so next year for the same reason. Since the very foundation of dental practice is in Physiology, it is even more essential to have laboratory teaching in this subject for dental students than laboratory work in human anatomy outside of the head and neck.

If the course is undertaken by the College it will take considerable space and \$2,000.00 worth of equipment.

Pharmacology.

The course in practical Pharmacology, prescribed by you last year, was undertaken by the Professor, Dr. Willmott, with great benefit and satisfaction to the students and staff. The Junior Operative Laboratory was used as a teaching room.

Prosthetic Dentistry.

The Prosthetic laboratory work for the Infirmary has been done by Mr. Campbell, and, from many aspects, the technical instruction has been excellent. The organization of the work is not satisfactory in all respects, as might be expected for the first year. The recommendation, last year, was that a graduate should be in charge of dental teaching in this laboratory, and after a year's experience, the recommendation is made again. There is too much responsibility for one person to successfully handle.

A. E. WEBSTER,
Dean.

Moved by Greene and Cowen: "That the report be received and entered on the Minutes." Carried.

OFFICE INSPECTION.

Moved by McLean and Bruce: "That the President appoint a committee to discuss with the Ontario Board of Health the question of inspecting all offices where the public health may be endangered by unsanitary practice." Carried. (See Toronto Dental Society, page 19.)

The President appointed McLean, Webster and Mason as the Committee.

APPLICATION FOR ADMISSION TO COLLEGE.

Moved by Greene and Mason: "That, in the form which applicants for admission to the School are required to fill out, the following be added to paragraph 13: 'Certificates of character from two reputable citizens must accompany the application.'" Carried.

CLASS GRANTS.

Moved by Bruce and Greene: "That the Class Grants be the same as last year." Carried.

RESULTS OF 1ST, 2ND, 3RD AND PRE-DENTAL EXAMINATIONS

Moved by Mason and Abbott: "That the results of the Examinations in the First, Second, Third and Pre-Dental Years be referred to the Executive of the Faculty and the Toronto member." Carried.

APPROPRIATION FOR SHRUBS AND CEMENT.

Moved by McLean and Mason: "That an appropriation, not exceeding \$200.00, be made for shrubs to be planted in front of the building and also a sufficient sum to cement the space between the sidewalk and curb on College Street, and on Huron Street, between the sidewalk and the College building from the tree to the lane, to provide a space for the staff to park their cars." Carried.

PETITIONS' COMMITTEE.

The report of the Petitions' Committee was presented as follows:

Re Comparative Dental Anatomy.—That all of the returned men who enlisted during their Freshman Year, before the completion of this subject, be granted standing in Comparative Dental Anatomy.

J. G. Montgomery.—That in view of Mr. Montgomery's final mark in Operative Dentistry, and his satisfactory term record for the same, that he be granted term standing on Operative.

S. W. Kemp—Petition of this candidate regarding Metallurgy, be referred to Dr. Cowling for action.

T. H. Norval—Granted standing in first year Chemistry and Physics.

Frank J. Reynolds—To be admitted to the Freshman Class, Session 1919-20.

G. W. Lyons—Granted standing in first year Chemistry and Physics.

J. A. McConaghy—On satisfactory evidence from Dr. G. H. McDonald, Neepawa, Manitoba, regarding the work of this candidate, he be permitted to take four years in three in view of four years and a half of C. E. F. service.

W. L. McLaren—Petition regarding Chemistry and Physics not granted.

E. B. Baker—Granted standing in first year Chemistry and Physics.

Manuel Mihaychuk—Granted standing in First Year Chemistry and Physics.

C. A. D. C. Students Taking Four Years in Three:—

The following students were permitted to take four years in three in view of twelve months or more satisfactory service in the C.A.D.C. (See list of students in attendance published in the Announcement):

Jos. T. Irwin—In view of satisfactory completion of Practical Anatomy, granted pass standing in Sophomore Anatomy.

N. D. Winn—Granted standing in Prosthetic Technic of the Junior year.

Hugh McCrostie—Final examination in Comparative Dental Anatomy to be taken for a pass in both term and paper.

A. A. Boyd—Granted standing in first year Chemistry.

J. S. Ritchie—Granted standing in first year Chemistry, Physics.

N. M. Allen—Granted standing in first year Chemistry, Physics and Prosthetic Dentistry.

R. R. Whitaker—Admitted to third year and granted standing in Metallurgy.

S. J. Graham—Granted standing in Chemistry, Physics and Biology of the first year.

Wm. L. Whitelock—Exempt from Prosthetic cases of first year as Professor determines, but must take examination.

T. D. Lewis—Permitted to enter Third Year and granted standing in Second Year Operative, upon completion of Third Year Operative. Granted standing in Anatomy (paper) in view of satisfactory mark in Practical Anatomy. Granted standing in Second Year Prosthetic.

Harold N. Knight—Required to take First Year Dental Histology, Physiology, and Prosthetic, along with Second Year.

A. B. Porter and A. W. MacKay—That Operative and Prosthetic Departments arrange work and time table best suited to the interests of these students.

G. G. Perdue—May complete standing in Metallurgy by term paper, but the committee would strongly advise candidate to take Laboratory Course.

E. A. MacMillan—Upon payment of fees will be admitted to Second Year, following the Christmas vacation.

A. S. Mackenzie—To be registered as a regular second year student.

Frank L. Mills—Granted standing in First Year Chemistry and Physics.

H. M. Cooke—Granted standing in First Year Chemistry

T. D. Lewis—Granted Materia Medica upon completing his Third Year Pharmacology.

B. Sidenberg—A request to permit this candidate to transfer from the Pre-Dental Class to First Year Class, was presented, but was not granted.

Ellar McKellar—Re Physics, request not granted. Granted standing in First Year Osteology and First Year Chemistry.

F. J. Netherton—Re Physics, request not granted. Granted standing in First Year Osteology and First Year Chemistry.

W. C. McLean—Granted standing in First Year Chemistry.

J. C. Blakey—Granted standing in First Year Chemistry.

Vincent A. Martin—Granted standing in First Year Chemistry.

E. J. Weiler—Granted standing in First Year Physics and First Year Chemistry.

Sergeants' Class:—

That they be required to complete a Course in Practical Dental Anatomy, to be outlined by the Professor in that subject, and shall take the examinations.

Harold G. Learoyd—Granted standing in First Year Chemistry and Physics.

Lee R. Dodds—Granted standing in First Year Chemistry.

Manuel Mihaychuk and J. S. Ritchie—In view of Biology being included with Histology for purposes of Examination, request be not granted.

Duncan McIntosh—To register in Second Year and complete the work of the Year. Not permitted to enter Third Year, carrying First Year Supplemental.

H. R. Sykes—Granted standing in Second Year Prosthetics.

W. C. McNichol—That the application of Mr. McNichol for registration in First Year be accepted, and that he take the following subjects: Dental Anatomy, General Anatomy, Histology, Biology and Physiology.

A number of petitions were received from students asking advanced standing in the subjects of Physics and Chemistry in view of their having taken these subjects in Senior Matriculation or First Year Arts work. The committee decided that where the candidate had been successful in his year's work that his standing would be recognized, but in those cases where the student failed in the examinations of which this subject is part, that standing be not granted except under special circumstances.

Standing has been granted in the following cases:

W. Aubrey Crick—Physics and Chemistry.

W. W. Baxter—Chemistry.

Walter S. Flora—Physics and Chemistry.

J. Bevan King—Physics and Chemistry.

R. H. McDougall—Physics and Chemistry.

William C. McLean—Physics.

E. D. Rivers—Physics and Chemistry.

Arthur W. Waring—Physics and Chemistry.

H. M. Cline—Physics.

W. E. Meldrum—Physics and Chemistry.

Special Sergeants' Class:—

That the Sergeants' Class be required to write examinations in the same subjects as were required of the Sergeants' Class last session. In view of this ruling, petitions of the Sergeants' Class regarding Physiology and Osteology were not granted, but the class will be permitted to write upon a special paper in Prosthetic Dentistry covering the first and second years' work.

Hugh McCrostie—That Prof. Thornton be asked to make a ruling regarding this candidate's standing in Comparative Dental Anatomy. Dr. Thornton's ruling is as follows: That the candidate be asked to write a final examination later in the term along with any other candidates who may be required to complete this subject. This is exclusive of the present Freshmen class. One examination shall be considered sufficient test upon which to base the candidate's pass mark.

Gilbert O. Stewart—That in view of the exceptional war service of this candidate and the impossibility of his writing supplemental examinations, that his term standing in Osteology and Anatomy be accepted as a final mark.

Sergeants' Class:—

(Taking First and Second Years in one.) That standing be granted in Osteology upon successful completion in Second Year Anatomy.

F. H. Barry (Senior)—That report of term credit in Metallurgy 69, Bacteriology 50, be passed.

D. L. Curtis—That standing be granted in First Year Chemistry on Khaki University certificate

A. R. Cooke—That no credits be given for Freshman subjects on account of attendance at Queen's First Year Medicine, as examinations were not passed.

F. H. Janes—That petition be not granted in view of Dalhousie condition in this subject (Chemistry).

H. M. March—Granted standing in First Year Chemistry in view of Senior Matriculation standing.

G. R. McRitchie—That standing be granted in First Year Chemistry in view of Senior Matriculation standing.

P. H. McNichols and H. R. Day—That petition be not granted.

C. Usher—That standing be granted in First Year Physics in view of University of British Columbia Arts standing.

Ray H. Wilson—That standing be granted in First Year Physics in view of McGill University Certificate.

Miler Magrath—That in view of not having passed Senior Matriculation examinations, petition be not granted.

S. H. Corben—That standing be granted in First Year Chemistry in view of Khaki University Certificate.

D. W. Duncan—In view of Senior Matriculation, standing be granted in First Year Physics.

Percy E. McDonald—That in view of Applied Science graduation he be granted First Year Chemistry and Physics, but be required to take the following Second Year Chemistry: Lectures in Physiological Chemistry, Organic Laboratory Course, and Final Sophomore paper.

G. A. Kerster—That in view of overseas service, standing be granted in First Year subjects with the exception of Chemistry and Physics.

Bertha Maloney—Petition not granted in view of preliminary qualifications not being equivalent to Senior Matriculation.

E. H. Niebel—That in view of Applied Science graduation, standing be granted in First Year Chemistry and Physics, but that he be required to take the following Second Year Chemistry: Lectures in Physiological Chemistry, Organic Laboratory Course, and Final Sophomore paper.

Joseph R. Graham—That in view of McMaster standing, granted exemption in First Year Chemistry and Physics.

D. L. Mackenzie—Standing granted in First Year Chemistry in view of Senior Matriculation standing.

Gerald M. Philp—That standing be granted in First Year Physics and Chemistry in view of Senior Matriculation standing.

John Allan Cock—That standing be granted in First Year Chemistry in view of Senior Matriculation standing.

G. J. Millen—That he be permitted to write the final Anatomy Paper to be held at the supplemental examinations in March.

General Regulations governing concessions to enlisted men who have been granted advanced standing:

That all students granted advanced standing because of military service granted "time" only, and not "subjects."

That when one year of time has been granted, student be permitted to so divide the work of the course that he may complete 4 sessions work in 3 sessions, 3 sessions work in 2 session, or 2 sessions work in 1 session, as the case may be. (It is not necessary, for instance, for a student to complete the first and second year in one year, but he may be permitted to carry subjects to a higher year.)

That standing be granted in subjects as follows:

(a) Osteology upon completion of second year Anatomy.

(b) Special examination paper in Prosthetics covering work of the first and second years.

(c) First Year Physiology upon successfully completing second year Physiology.

That students who enlisted after the 15th day of February in any session, and whose college record was satisfactory to that date, be permitted to take special oral examinations covering credits in the subjects of that session.

That schedule of work for First and Second Years, under above provisions, be as follows:

Chemistry—First and Second Years.

Dental Anatomy.

Prosthetic—Special paper covering work of two years.

Histology—

Physiology—Second Year only.

Materia Medica.

Operative Dentistry—Second Year.

Anatomy.

Students Transferred from Other Dental Colleges.

That students transferred from other dental colleges to the R.C.D.S. be required to complete all R.C.D.S. subjects, all years, not already completed at college from which the student transferred.

J. S. Ritchie and J. R. Parrott—That in view of overseas service, these candidates (Arts graduates, 3 year course) be granted standing in Osteology upon successful completion of second year Anatomy.

J. D. Bell—That in view of overseas service, standing be granted in Osteology upon successfully completing second year Anatomy.

J. D. C. Barber and G. D. H. Seale—That permission be granted to write upon Sophomore Physiology at examinations held March 19th, 1920.

H. G. Brownlee—That term standing in Applied Physics be not granted, upon time spent with Canadian Westinghouse Company.

B. Pearl Bartindale—That permission be not granted to engage in office practice as dental nurse during College hours.

Miler Magrath—That in view of Senior Matriculation, standing be granted in First Year Physics and Chemistry.

Eugene Underhill—Be required to complete standing in First Year Physics.

Arthur O. Parry—That in view of Arts graduation, standing be granted in First Year Physics and Chemistry.

L. A. Kilburn—That in view of First Year, University of New Brunswick, Applied Science course, standing be granted in First Year Chemistry.

John A. Graham—That in view of Senior Matriculation, standing be granted in First Year Physics.

Roy J. Reid—Be required to write examinations of year next September.

I. M. Ben-Ezra—Be excused from term examinations on account of illness, and be permitted to write final examinations; must complete clinical course.

F. J. McGarry—Be excused from session on 27th April, but must complete Dental Anatomy, Prosthetics and Histology next term.

J. J. Ryan—Be required to write examinations of year next September.

Wm. J. Carson—Be granted First Year Chemistry in view of preliminary standing.

Geo. H. McKee—That standing be granted in first year Physics in view of Upper School standing.

Douglas A. Watson—That no action be taken pending result of Junior examinations.

J. Wilkinson—That standing be granted in First Year Chemistry in view of preliminary standing.

C. W. Hamilton—That action on petition be deferred until Sophomore examinations are complete.

Special Group Freshmen, 1916-17; Sophomore, 1919-20:—

That standing be granted in Histology and metal work of First Year.

Alan L. Clark—That he be given credit for all work completed during the past session, and that he be permitted to write examinations in the fall.

A. W. MacKay—That he be required to write examination in First Year Physics.

R. N. G. Brown and Ernest H. Ewing—That these candidates be required to write examinations in the fall in those subjects in which

they were prevented writing through illness, and that they be required to complete the practical work of the year.

W. J. Robb—That owing to illness, and upon the recommendation of the Department, this candidate be excused from the last two Prosthetic cases.

H. McCrostie and W. A. Pommer—That these candidates be granted the subjects of Physics and Applied Physics upon the standing which they obtained in Northwestern University.

W. M. Box—That this candidate be granted First Year Physics upon record of one year Faculty of Medicine, Queen's University.

S. C. Akins, Junior—Granted permission to register for session 1920-21 after the regular date, must complete all clinical and laboratory work not taken in the regular way.

Moved by Abbott and Bruce: "That the report of the Petition Committee be adopted and entered on the Minutes." Carried.

DR. COWEN'S ILLNESS.

Dr. Cowen was taken ill on Thursday morning (May 6th) and taken to the Western Hospital.

Moved by Abbott and Bruce: "That the Secretary be instructed to convey to Dr. Cowen the sincere regrets of the members of the Board on account of his illness, and their earnest hopes for his speedy recovery—also, that he be instructed to keep flowers provided for Dr. Cowen's room at the Hospital." Carried.

BANK ACCOUNTS.

Moved by Abbott and Greene: "That all the bank accounts of the Board and of the School be transferred to the Spadina branch of the Royal Bank of Canada." Carried.

MANITOBA DENTAL ASSOCIATION.

A communication was received from Manitoba Dental Association addressed to the Ontario Dental Association regarding reciprocity between the Provinces for men who have served in the C. A. D. C., and also regarding a proposal to form a co-operative Dental Supply Co.

Moved by Abbott and Greene: "That the Secretary be instructed to reply that this Board does not consider it wise to take any action regarding either proposition." Carried.

TERM EXAMINATIONS.

Moved by Green and McLean: "That the Professors be paid at the regular rates for official Term Examinations, conducted under the direction of the Presiding Examiner, and that not more than one shall be held in any subject during a session." Carried.

VENEREAL DISEASE.

Moved by Greene and Bruce: "That no student be permitted to attend the School of Dentistry of the Royal College of Dental Surgeons who has any venereal disease." Carried.

CALENDAR.

On Motion of Mason and Bruce, the Calendar for Session 1920-21 was adopted as follows:

1920—

September 17th, 18th, 20th:

Supplemental Examinations.

Registration of all students, 10 a.m. to 1.00 p.m.

September 21st:

Regular work of the session in all classes will commence at 8.30 a.m.

Thanksgiving Day—Building closed.

Christmas Term Examinations (dates to be fixed by the Faculty).

Christmas Vacation—Same as University of Toronto.

1921—

January:

Mid-term Examinations (date to be fixed by the Faculty).

Easter Vacation—Building closed Good Friday, Saturday and Easter Monday.

April—Examinations begin during first week.

April 30th—Session closes.

May 9th—Meeting of Board of Directors at 2.00 p.m.

IMPROPER CONDUCT OF A SENIOR STUDENT.

Moved by Abbott and Bruce: "That the rumor of improper conduct on the part of a Senior Student be referred to the Examination Committee of the Faculty with power to take action." Carried.

RESEARCH FOUNDATION.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Since the last meeting of the Board, considerable progress has been made in the organization of the Canadian Dental Research Foundation. The incorporation has been completed and subscriptions totalling \$5,942.53 received. Of this amount the Dental Hockey Club of 1917 contributed \$1,877.53, and the Students' Parliament, R. C. D. S., session 1919-20, \$50.00, showing that the students are keenly alive to the value and need for Dental Research. It is also interesting to note that an entirely unsolicited contribution was received from a business man. This should prove a stimulus to the dental profession, who can appreciate the great benefits to be derived from Dental Research to a far great extent than the laity.

In March of this year the Foundation brought Dr. Weston A. Price, of Cleveland, to Toronto. He delivered an address in the College Building on some Scientific phases of modern practice, which was a revelation to those who heard it as to what may be and has already been accomplished by Dental Research work in the U.S.A.

Financial statements of both trust and current accounts are as follows:

Trust Account.

Balance brought forward from last published report	\$1,510.00
Further subscriptions	4,432.53
Total	\$5,942.53

Current Account.

Receipts.

Balance brought forward	\$99.25
Grant from Board of Directors, R.C.D.S.....	200.00
Interest on Victory Loan Bond, Nov., 1919....	41.25
Interest on Victory Loan Bond, May, 1920....	41.25
	\$381.75

Disbursements.

Sovereign Press, Postcards to Ontario Dentists	\$4.75
Might Directories, postage	8.25
Postage, Postcards and correspondence	10.00
Postage, Toronto letters re Price meeting.....	3.75
Postage, Toronto folders	6.06
Dr. W. A. Price, Cleveland	150.00

Sovereign Press, Subscription Forms	3.75
	\$200.75
Balance on deposit in Can. Bank Commerce..	181.00
	\$381.75

According to the terms of incorporation every contributor becomes a member of the Foundation and will be entitled to receive copies of all bulletins and reports issued. All subscriptions must be deposited with the National Trust Company and the interest is available only for research work. There is still considerable work ahead before the objective is reached, and your committee would respectfully request that the Board make a grant towards current expenses.

All of which is respectfully submitted.

R. GORDON McLEAN, Chairman.	GEORGE R. ANDERSON,
WALLACE SECCOMBE, Secretary.	H. M. LANCASTER.
W. E. CUMMER, Treasurer.	S. M. RICHARDSON.
HAROLD CLARK.	GEORGE GOW.
F. J. CONBOY.	GUY G. HUME.
A. E. WEBSTER. -	WM. M. McGUIRE.
A. D. A. MASON.	W. G. THOMPSON.
E. A. GRANT (Associate Sec.-Treas.)	HAROLD BOX.

Moved by McLean and Bruce: "That the report of the Research Foundation be adopted and entered on the Minutes and the usual grant of Two Hundred Dollars (\$200.00) be made." Carried.

Moved by Greene and Bruce: "That McLean and Seccombe be the representatives of this Board to the meeting of the Research Foundation at Ottawa in August." Carried.

DENTISTRY ACT AND BY-LAWS.

Moved by Greene and Abbott: "That the Secretary be authorized to have printed 2,500 copies of the Dentistry Act and By-laws, as amended, and a copy sent to each Licentiate." Carried.

HEATING BOARD ROOM.

Moved by Abbott and Bruce: "That the Superintendent be authorized to arrange for an improvement in the heating of the Board Room and offices." Carried.

PRACTICAL ANATOMY.

Moved by Mason and Abbott: "That, in view of the unsettled condition regarding the teaching of Practical Anatomy in the University, this Board proceed to supply accommodation for the teaching of Practical Anatomy in our own building during Session 1920-21." Carried.

NEW ADDITION TO BUILDING.

Moved by McLean and Bruce: "That the proposed addition to the building be proceeded with and that McGuire, Abbott and Seccombe be a committee, with full power to make all the necessary arrangements after consulting with the Executive of the Faculty, as to the division of the floor space." Carried.

The committee was instructed to confer with the Minister of Education regarding the proposed plan and estimates—this they did and reported that the Minister had approved of the same.

Moved by McLean and Bruce: "That the Frid Construction Company be given the building contract on the percentage basis, as outlined by the architect." Carried.

BONUS TO JANITOR.

Moved by McLean and Bruce: "That an honorarium of Two Hundred Dollars (\$200.00) be granted Mr. Jones for his extra services during the past year." Carried.

RESIGNATION OF DR. RYERSON.

On the resignation of Dr. Ryerson being received, it was moved by Abbott and McLean: "That the resignation be accepted and that the Board desires to place on record its appreciation of the valuable services rendered by Dr. Ryerson as Professor of Surgery for so many years." Carried.

APPOINTMENTS.

Moved by McLean and Bruce: "That the following appointments be made:

Dr. A. D. A. Mason, as Professor of Operative Dentistry.

Dr. G. H. Coram, as Associate Professor of Clinical Operative Dentistry.

Dr. W. C. Smith, as Associate Professor of Clinical Operative Dentistry.

Dr. J. A. Bothwell, as Associate Professor of Clinical Prosthetic Dentistry.

Mr. G. R. Anderson, as Professor of Physics.

Dr. T. A. Robinson, as Professor of Anatomy.

Dr. N. T. MacLaurin, as Associate Professor of Bacteriology.

Carried.

DR. F. E. RISDON.

Moved by Greene and Bruce: "That F. E. Risdon be appointed Professor of Surgery for Session 1920-21." Carried.

DR. BOX.

Moved by Bruce and Greene: "That Dr. H. K. Box be engaged for one period daily and (30) lecture hours as Professor of Dental Pathology and Periodontia." Carried.

HONORARIUM TO THE SUPERINTENDENT.

Moved by Greene and Abbott: "That in consideration of the large amount of extra work during the past session, due to the alterations and building operations, the Superintendent be granted an honorarium of Five Hundred Dollars (\$500.00), and that he be engaged for twelve months' service at Five Hundred Dollars (\$500.00) per month full time service." Carried.

DR. WILLMOTT.

Moved by Mason and Abbott: "That Dr. W. E. Willmott be engaged for eight months at Five Hundred Dollars \$500.00 per month full time service." Carried.

STAFF STENOGRAPHER.

Moved by Abbott and Greene: "That Miss McLean be engaged as Staff Stenographer." Carried.

SENIOR LABORATORY.

Moved by Greene and Bruce: "That, as the policy of employing one who is not a graduate to teach dental students has not proven as

satisfactory as expected, the Board is of the opinion that a graduate should be in charge of the Senior Laboratory. The Board desires to express its appreciation of Mr. Campbell's services during the past session." Carried.

STAFF AND SALARIES.

The Superintendent presented the report of the Committee on Staff Salaries.

The Board went into Committee of the Whole with Dr. Greene in the chair.

The Committee rose and reported:

1. The list of staff and salaries had been adopted, as amended—(for staff, see Faculty list).

2. That in view of a misunderstanding last session, Dr. P. J. Watson be granted an extra one hundred dollars.

3. That, in the salary schedule, the words "half time" be changed to "two hour daily period."

4. That, in the case of a member of the staff having an appointment for two daily periods, when one period immediately follows another, the second period, except in the case of a Professor, shall be paid for on the basis of 80% of the first period."

5. That all things being equal a member of the staff shall be appointed for only one daily period."

Moved by Greene and Bruce: "That the report of the committee be adopted." Carried.

VOTES OF FACULTY.

The request from the Faculty that the Board rescind its action in so changing the by-laws as to prevent the members of the Faculty from voting in District Number 3, was considered. The President was requested to interview the Law Department of the Government and get a ruling on the point. The President reported that he had placed the question before Mr. Dymont, the Law Clerk of the Legislature, and he had given the opinion that all members of the Faculty may vote for representative of the Faculty on the Board, and that members of the Faculty, who are members of the R. C. D. S., may also vote for the representative in the District in which he resides.

Moved by Abbott and Greene: "That, in view of the opinion expressed by the Law Department of the Legislature, that the dental members of the Faculty have the right to vote for District Representative, as well as for Faculty Representative, therefore, resolved, that By-law (27), Section (4) should be so amended." Carried.

BY-LAW NO. 58.

Moved by Bruce and Abbott: "That leave be granted to introduce By-law No. 58, to amend By-laws Nos. 9, 27 and 40." Carried.

By-law read first time.

Moved by Abbott and Bruce: "That the Board go into Committee of the Whole on By-law No. 58." Carried.

Dr. McLean in the Chair.

The committee rose and reported that By-law No. 58, had been approved by the Committee of the Whole.

Moved by McLean and Mason: "That By-law No. 58 be now read a third time and passed that it be engrossed and signed by the President and Secretary and published in two consecutive issues of the Ontario Gazette, as required by Statute." Carried.

BY-LAW NO. 58 TO AMEND BY-LAWS 9-27-40.

By-law No. 9—Add Section (6) "At the discretion of and with the unanimous consent of the Board of Directors, the title of M. D. S. may be conferred as an honorary title on a member of the Royal College of Dental Surgeons of Ontario, in consideration of his service to the dental profession or to the public, or to both."

By-law No. 27—Section (4), strike out "No member of the Faculty shall have a vote in any Electoral District."

Section (10)—change the words "or, if sent by mail, must be by registered mail" to "or sent by mail."

By-law No. 40—Section (1)—change \$250.00 to \$200.00 and add "Such candidate may attend any portion of the final Session of the School of Dentistry of the R. C. D. S. without tuition fee by paying the Examination fee at time of admission."

Section (2)—Change \$190.00 to \$200.00.

Section (6)—Change words "of Sub-section (b) of Section (2)" to "of Sections (1) and (2)."

DOMINION DENTAL COUNCIL.

Moved by McLean and Bruce: "That Dr. H. R. Abbott be appointed the representative from Ontario on the Dominion Dental Council, and that Dr. W. M. McGuire be the alternate." Carried.

Thursday, Dec. 16—Board met at 9.00 a.m., adjourned at 12.30 p.m.

Board met at 2.00 p.m., adjourned at 4.00 p.m.

All the members were present.

During the sessions the following business was transacted:—

The Secretary read the call for the meeting as follows:

74 Crescent Road, Toronto,
December 4th, 1920.

Dear Sir:—I am instructed by the President to call a special meeting of the Board of Directors of the Royal College of Dental Surgeons of Ontario, to be held in the Board Room of the College building, 240 College St., Toronto, on Tuesday, December 14th, 1920, at 2.00 o'clock in the afternoon, for the purpose of discussing matters in connection with the new addition and any other business which may be deemed necessary.

Yours very truly,

W. E. WILLMOTT,

Secretary R.C.D.S.

PRESIDENT'S REPORT

14th December, 1920.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—During the past year it has been necessary for your President to deal with important matters requiring prompt decisions and the following report is submitted for the information and concurrence of the Board.

Compulsory Hart House Fee

At the last meeting of the Board a resolution was adopted favoring compulsory Hart House fee for all Dental students providing such action would not interfere with the disciplinary and athletic prerogatives of the Students' Parliament of the R.C.D.'s and a committee composed of Drs. Mason Willmott and Secombe was appointed to take action for the session 1920-21.

The committee held numerous conferences with the University authorities when the decision was reached by the University that it would be impracticable to permit Dental students to engage in Uni-

versity athletics and at the same time take part, as a Faculty in athletic contests outside.

At a meeting of the Cabinet of the Students' Parliament of the R.C.D.S. it was decided to recommend that membership in Hart House be compulsory and that athletic prerogatives be waived providing:—

First—That Dental Students should enjoy the same privileges of University Residence as are enjoyed by members of other Faculties.

Second—That in the event of a Faculty or an affiliated College of over five hundred students having no representation on the Athletic Directorate, following the annual elections of that body, that such Faculty or College be permitted to appoint a representative to act as a member of the Directorate.

As it was impossible to have these two questions settled without considerable delay, it was decided by the Students' Parliament:—

“That in view of the advantages which accrue to the students by virtue of Hart House membership, be it resolved that the President of the Board of Directors of the Royal College of Dental Surgeons be requested to make the Hart House fee compulsory upon all R.C.D.S. students for the present session, pending satisfactory solution of the residence question and adequate faculty representation upon the Athletic Directorate.”

The foregoing suggestion was agreed to by your President and it will be necessary for the Board to determine what action will be taken regarding Hart House for the session 1921-22.

Returned Soldier Matriculation Standing

Under our regulations, all concessions to enlisted men were operative session 1920-21, but not thereafter.

It was found that a large group of returned soldiers (many of whom had taken special courses and written upon the matriculation examinations in 1920) failed to obtain the matriculation standard required. The University of Toronto decided to extend the time for returned soldier concessions to include session 1921-22.

As it was necessary for the Superintendent to secure an immediate ruling, that candidates concerned might be notified, it was decided to follow the decision of the University in this matter, providing that such concessions apply in Dentistry, only to enlisted men who saw service outside the Dominion of Canada.

Pre-Dental Credentials

The Superintendent received inquiries as to whether any other language would be accepted in place of Pre-Dental French, in considering credentials of candidates desiring to enter a four year course, Session 1921-22.

It was decided that when students had taken Honor Matriculation

in a language not obligatory for R.C.D.S. matriculation, it be accepted in lieu of Honor Matriculation French.

X-Ray Department

Your President sanctioned the tentative appointment of Mr. C. F. Butt as X-Ray Technician, pending the present meeting of the Board. The Superintendent will present, for ratification, the terms of Mr. Butt's employment by the College.

Respectfully submitted,

W. M. McGUIRE,

President.

Moved by McLean and Cowen, "That the report be adopted and the actions of the President ratified." Carried.

REPORT OF BUILDING AND FITTINGS COMMITTEE

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—At the last meeting of the Board it was estimated that our building operations during the past year would total, approximately \$50,000.00, but, as the work progressed, it was found that many improvements were necessary that were not contemplated in the original estimate.

The Committee is glad to report that the new wing is now well on toward completion and that the Dissecting room was equipped and ready to receive classes about the middle of October.

Submitted herewith is the detailed statement of the Architect, showing the total certificates issued to date and the amount required to complete the building. (This will be included in the statement presented at the annual meeting in May).

The total amount involved in our building operations is, approximately, \$85,000.00 and it will be necessary for the Board to provide this amount in addition to items of equipment not included in the Architect's statement. (Amounting to approximately \$17,000.00).

W. M. McGUIRE,

H. R. ABBOTT,

W. SECCOMBE, Committee.

Moved by Greene and Cowen, "That the report be adopted." Carried.

SUPERINTENDENT'S REPORT

The Superintendent presented his report which was considered in committee of the whole with Dr. Bruce in the chair.

The Committee rose and reported that the Superintendent's report had been adopted as follows:—(with certain resolutions growing out of the report):—

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—During the past five years the School of Dentistry of the R.C.D.S. has grown so rapidly that it has required strenuous effort upon the part of both Faculty and Board to meet the many serious problems that have presented themselves for solution. It has been equally difficult to sufficiently develop our organization and staff, to keep pace with the numerical growth of our classes.

The registration of 887 undergraduates in Dentistry this session may be considered slightly in excess of a normal year. Our laboratories and lecture rooms have been planned to accommodate classes of 160, taught in groups of not more than 80. Upon this basis, five classes (including Pre-Dental) would mean a total enrolment of 800 and an annual graduating class of 160.

Enrolment of Residents of Ontario and Non-Resident Students

Your Superintendent would recommend that in each First Year class of 160 students, places be reserved for 100 residents of Ontario and the balance of the class be made up of Candidates from other Provinces or other Countries.

Should this plan meet with the approval of the Board it would be advisable to have it take effect session 1921-22. The determination of this question, at this time, would enable us to give a more definite assurance to candidates coming from a great distance, that places in the School would be reserved for them. Some such action is quite necessary, as the Royal College of Dental Surgeons is receiving an increasingly large number of applications from points beyond the Province. (Adopted).

Pre-Dental Work

A number of candidates who were denied entrance to our Freshman class returned to their homes for the purpose of completing Pre-Dental studies in a High School or Collegiate Institute. Other candidates endeavored to secure a course at one of the Universities which would be equivalent of the Pre-Dental year. In many cases, however, serious difficulties were encountered and it seemed to be almost impossible to secure elsewhere than at this College, a course of instruction which would include all the subjects covered in our Pre-Dental work.

It would appear to be a marked advantage for candidates to take their Pre-Dental work at this College as it is only under such circumstances that students will be able to enter a four year course without carrying conditions. The linking up of the Pre-Dental work with that of the other years of the Course, makes the R.C.D.S. Pre-Dental course much more practical than if the work were taken elsewhere, and your Superintendent would suggest that this Board express its

view regarding the relative advantage of taking Pre-Dental work at the R.C.D.S. rather than elsewhere. (See resolution following this report).

R.C.D.S. Regulations to High School Principals

Many inquiries have been received from High School Principals and students regarding Pre-Dental standards and requirements for entering the Four year course. We have forwarded to each High School in Ontario and Western Canada, a copy of the College announcement, along with a circular letter describing in detail the Pre-Dental requirements and the relationship of this work to the rest of the Dental course. It is expected that the present Pre-Dental class will be materially augmented next year by candidates who are completing, in other places, Pre-Dental work for the purpose of being admitted to our four year course next session.

In Memoriam

Your Superintendent regrets to report that two members of the Freshman class of last session died during the year. These were Heber C. Powell and George E. Julius. In each case a suitable letter was forwarded to the parents, expressing the sympathy of the College and student body.

Returned Soldier Regulations

Upon authority of the President, returned soldier Matriculation regulations have been announced as in operation for session 1921-22, but not thereafter, for soldiers who saw service outside Canada.

Your Superintendent desires direction as to whether this ruling includes entrance to a four or five year course. (See resolution following this report).

Anatomy Act

Numerous conferences have been held with the Honorable, the Minister of Education and Prof. McMurrich regarding the administration of the Anatomy Act, and suggested amendments have been prepared for presentation to the next session of the Ontario Legislature.

In the meantime, the administration of the Act has been transferred from the Attorney General's Department to the Department of Education, and it is hoped regulations to be adopted by the Department will have the effect of materially increasing the amount of material available to all the Anatomical Departments throughout the Province.

Reciprocity in Credentials—Medicine and Dentistry

Your Superintendent took up with the Faculty of Medicine, University of Toronto, the question of credits to be granted graduates of this College who desire to register in the Medical Course. The following ruling was made by the Faculty of Medicine on December 6th:—

“That graduates of the Royal College of Dental Surgeons of the Five Years’ Course who have complied with the Matriculation requirements of the Faculty of Medicine be admitted to the Second Year of the Six Years’ Course but be required to take Physics as one of their optional subjects in the Second Year.”

Upon the basis of a reciprocal arrangement, graduates in Medicine of the University of Toronto should be permitted to enter the Second Year of our five-year course conditioned in Physics and any other Pre-Dental subject which has not been previously covered.

New Regulations

Your Superintendent would suggest that the following points be considered and covered by specific regulations:—

1st.—That students who commence their Dental studies after September, 1921, and who subsequently apply for advanced standing in the R.C.D.S. be required to submit evidence of having proceeded upon the basis of a five-year Dental Course or its equivalent. (Adopted).

2nd.—That graduates or undergraduates of other Dental Colleges applying for examination or seeking advanced standing, present evidence of having completed the R.C.D.S. matriculation standard previous to commencement of Dental studies. (Adopted).

Subject of Thesis M.D.S. 1921

Recommended that the subject of the Thesis for Examination for Master of Dental Surgery, 1921, be “The Prevention of Dental Diseases.” (Adopted).

Payment of Fees of War Veterans Deferred

At the last meeting of the Board it was decided that although the Board wished to assist returned soldiers in every way possible, the finances of the College would not permit the granting of loans to students.

The University of Toronto Alumni Association notified the Superintendent, under date of November 9th, 1920, that the Alumni Schol-

arship Board had decided that applications for loans be considered, only from such ex-service students as were registered in Faculties and Colleges of the University, in which arrangement had been made for payment of tuition fees to be deferred until after graduation. Under this ruling all Dental students would be excluded from participation in financial assistance from the Alumni Scholarship Board.

Your Superintendent presented the whole matter to the Hon. R. H. Grant, Minister of Education. It was pointed out that, owing to our building program this year, we would show a substantial deficit and were we to defer the payment of fees of veterans, our deficit would be increased by \$10,000 or possibly more.

The Minister of Education decided to present the whole matter to the Cabinet and subsequently the College was notified that it was the Government's view that the payment of fees of worthy veterans should be deferred until after graduation. The University Alumni Association was notified accordingly.

The President of the Dental Student Veterans Association called a meeting of the students interested, when the appointment of a Veterans' Committee was requested to investigate applications and present a list of those men who were considered worthy to receive financial assistance.

Subsequently we received a favorable report on 53 men and the Alumni Association is to grant loans to these men upon the understanding that payment of their fees at this College will be deferred.

Students whose applications for loans were not favorably considered by the Veterans' Committee, were notified that they might petition direct to this Board, and presented herewith are 14 petitions from such students.

The Hart House, Students' Administration Council, Class and Deposit fees are required to be paid by students obtaining loans.

The tuition fee of \$200.00 includes both Dental and University fees, and it will be for this Board to determine whether our students will be required to arrange with the University regarding payment of University fees or whether the College will advance the amount to the University and accept from the students, promissory notes covering both Dental and University fees. (See resolution following report).

Technician X-Ray Department

Mr. C. F. Butt, Roentgenologist, who served at Christie Street Hospital during the war, was appointed by the President to take charge of X-Ray work in the Infirmary.

No special charge is made for X-Ray service for regular Infirmary patients, but for those patients referred for this service only, the usual charge will be made.

The arrangement with Mr. Butt is that for all such referred cases the College will supply materials required and the fees will be divided

between Mr. Butt and the College in the ratio of 45 to 55. Should Mr. Butt's percentage of the receipts (45%) average less than \$25 per week, the College undertakes to pay him that stipend.

The service rendered by Mr. Butt during the past month demonstrated to the entire staff the absolute necessity of employing such a Technician. The efficiency of the X-Ray Department has been greatly improved.

College Residence

At the last meeting of the Board of Directors permission was granted for the establishment of a fund for the purpose of providing a College residence for Dental students.

A survey of the conditions under which many of our students are compelled to live this session proves beyond doubt the absolute need of a Residence.

Residence would not only develop an esprit de corps but would cultivate life long friendships among undergraduates that would mean much to the Dental Profession of the future. Another important advantage is the cultural and moral atmosphere which is so vital to the best development of our students and which is so utterly lacking in the average boarding house.

Mr. Larry Martin, President of the Students' Parliament, has given assurance that our students are prepared to make sacrifices for such a Residence and are ready to co-operate in any plan of action determined by the Board.

The following plan of organization is recommended:—

First—That the Residence fund be collected and administered by three Trustees to be appointed annually, one by the Students' Cabinet, one by the Faculty Council, one by the Ontario Dental Society, together with President of the Board of Directors, who shall act as Chairman.

Second—That all Residence funds shall be held by the Royal College of Dental Surgeons in Trust.

Willmott Scholarship

In view of the change in our Tuition fee (including as it does both University and Dental College fees) it will be necessary for the Board to determine what is involved in the Willmott Scholarship. (See resolution following this report).

Imperial Regulations, Ex-Service Students

Your Superintendent took up with the Department of Education the regulations of the Imperial authorities by which students who had commenced their Dental studies at this College were compelled to pro-

ceed to the United States, or other country for the purpose of taking advantage of the Imperial Government grant for ex-service men. There is no doubt these regulations should be greatly modified.

This is an important question that should be dealt with at this meeting of the Board. (See resolution following this report).

Conditioned Students

Under the regulations adopted by the Board at the last meeting, students were not permitted to proceed into a higher year without having first completed the credits of the lower year.

A number of students claimed that they had not had sufficient opportunity, after receiving notice of such regulations, to prepare for the supplemental examinations this fall, and under these circumstances, the Petitions Committee recommended to the President of the Board that these regulations be not made operative until the fall of 1921. (See resolution following this report).

Late Registration

Under present regulations, a student who registers after the regular registration days is required to pay an additional fee of \$5.00. Many students who are engaged in other employment deliberately take advantage of this regulation and register at as late a date as the regulations will permit. The suggestion is made that the penalty for late registration be \$5.00 for the first two days late and that there be levied an additional penalty of \$1.00 for every subsequent day up to the tenth day. (Adpoted).

Respectfully submitted,

WALLACE SECCOMBE,

Superintendent.

Resolutions growing out of the above Report:

PRE-DENTAL YEAR—

"That this Board puts itself on record as being of the opinion that it would be very much in the interest of the student if the Pre-Dental year were taken in the Dental College."

RETURNED SOLDIER MATRICULATION—

"That those students who enter the session 1921-22 on a returned soldier matriculation and who have seen service on an active front shall be admitted to a four year course."

LOANS TO STUDENTS —

"That after very careful consideration this Board has decided that the financial condition of the College will permit the sum of \$12,000.00, only to be set aside for the deferred payment of

this year's fees until after graduation, for ex-service students. It is distinctly understood that this in no way obligates the Board to any further assistance. Also, that a committee composed of the Dean, Superintendent and Secretary (with power to add) be appointed to communicate with the parents or guardians of the applicants and to determine the allotment of the above amount."

"That in cases of deferred payment of fees, the Superintendent be authorized to advance the amount of the University fees to the Bursar of that institution and to include it in the promissory note taken from the student."

WILLMOTT SCHOLARSHIP—

"That the Candidate will be credited with \$150.00 on the fees of the final year; also that the Candidate must have taken the entire first, second and third year work in this College."

IMPERIAL REGULATIONS—

"That the question of the Imperial Regulations regarding ex-service students be left with the President and Superintendent to take such action as they deem best."

CONDITIONED STUDENTS—

"That as the notice regarding conditioned students proceeding with their course was not sufficient, the regulation be waived for this session, but that due notice be given that these regulations will be carried out, without exception, for the session 1921-22."

Moved by Bruce and Abbott, "That the report of the committee of the whole on the Superintendent's report be adopted." Carried.

FACULTY COUNCIL REPORT

The report from the Faculty Council was considered in committee of the whole with Dr. Mason in the chair.

The committee rose and reported that the Faculty Council report had been adopted as follows:—

- 1—That there be no term examinations before nor immediately following the Christmas holidays.
- 2—That in order to receive credit for the session a student must be in attendance by the tenth day of the session, but under exceptional circumstances he may be received by the consent of the President up to the twentieth day but in no case later than the twentieth day.

3—Re Gambling—Eight students were detected throwing dice for money in the building and were called before the Students' Advisory Committee of the Faculty. The matter was thoroughly investigated and all the offenders admitted their guilt. The Executive of the Faculty considered the report of the Advisory Committee and referred it to the Joint Committee (on which the student body is represented) to arrive at the penalty to be imposed.

This committee recommends:—

(1)—That in view of the undertaking of the classes and of the Veterans to completely stamp out gambling in the College, expulsion or suspension be waived and that the offenders be required:—

(a) To attend 90% of all the work from now to the end of the session, failing this they shall not be allowed write on the spring examinations;

(b) To make an average of 65% on the examinations of their year for a pass.

(2)—That Mr. Mann be required to attend 90% of the work but that the average in the examinations be not raised in his case.

(3)—That all cases of sickness and accidents shall be adjudicated upon by the Examinations and Petitions Committee of the Faculty.

4—One of the students guilty of gambling handed in for examination a piece of technic work which had been made by another student. The Dean investigated this and reported to the Executive of the Faculty who recommended that he be expelled and that the student who gave him the piece be suspended as long as the Dean thought proper.

The President was communicated with and suggested that as the Board would meet in a short time the penalty for the present be suspension and that the Board be asked to deal with the matter.

Respectfully submitted,

A. D. A. MASON,

Faculty Representative.

The committee of the whole also recommends that having interviewed the student referred to in section 4 of the report, he be suspended until the opening of the session of 1921-22, and that he be required to pay only the remainder of the fees not paid this session.

Moved by Mason and Bruce, "That the report of the committee be adopted." Carried.

REPORT OF ACCOUNTS COMMITTEE

To the Board of Directors,
R.C.D.S.

Gentlemen:—Your Accounts Committee have examined the accounts of the Board and of the School of Dentistry for session 1919-20, and find that all the expenditures were authorized and necessary, but the Committee would recommend that some method be adopted by the Faculty whereby any money voted to a Department shall be more equally distributed in the Department.

Respectfully submitted,

R. H. COWEN,

H. R. ABBOTT, Committee.

Moved by Abbott and McLean, "That the report be adopted."
Carried.

TERM EXAMINATION EXPENSES

Moved by Morrison and Abbott, "That the resolution passed at the meeting last May regarding remuneration for Term examinations be rescinded and there be paid for Term examinations, \$3.00 for setting the paper and 25c each for reading." Carried.

UNIVERSITY FEES

Moved by McLean and Morrison, "That in view of the greatly increased expenses of the Term Examinations and in view of the fact that the University regulations do not permit of sharing this expense, Mason, Willmott and Seccombe be a Committee to discuss the whole question with the University and endeavor to arrange for the elimination of the University examination fees, the R.C.D.S. to pay all examination expenses except hall accommodation." Carried.

Under this plan the amount to be paid to the University this year would be approximately:—

Matriculation fees	\$1,120.00
Degree fees	1,410.00

COMMUNICATION FROM DR. PRICE

A letter was presented from Dr. F. D. Price regarding a course of instruction for Mechanical men employed in Dental offices.

Moved by Abbott and Bruce, "That no action be taken."

Moved in amendment by Greene and Morrison, "That the letter be referred to the Committee which was appointed to confer with the Ontario Dental Prosthetic Association, that the Committee have power to add to their number and report on this at the next meeting."

Amendment was carried.

REPRESENTATIVE ON SENATE, UNIVERSITY OF TORONTO

Moved by Abbott and Cowen, "That as this Board notes that the activities of its representative on the Senate of the University of Toronto are largely confined to administrative duties, it feels that the proper representative should be the Superintendent. At the same time the Board feels that the Dean should also be a representative and wishes to put itself on record as striving to accomplish this object as soon as it may be possible; Therefore, resolved that Dr. W. Seccombe be the representative from the R.C.D.S. on the Senate of the University of Toronto for the ensuing term." Carried.

BALLOTS OF FORMER ELECTIONS

The Secretary asked direction regarding the destruction of ballots cast in former elections.

Moved by Abbott and Greene, "That McLean and Bruce be a Committee to burn the ballots of former elections." Carried.

This was later done in presence of the Secretary.

MR. E. T. CAMPBELL

Mr. E. T. Campbell appeared before the Board regarding his appointment for session 1919-20 and his subsequent non-appointment for following session.

Moved by Greene and Cowen, "That this Board having duly considered Mr. Campbell's remarks is of the opinion that no action should be taken in the matter." Carried.

GRADUATE NURSES

The Superintendent presented an application from a Graduate nurse for permission to enter the Dental Nurse Course after the Christmas holidays.

Moved by Mason and McLean, "That a Graduate Nurse may be admitted to the Dental Nurse course after the Christmas holidays." Carried.

LICENTIATE FEE

A communication was presented from the Brant Dental Society recommending that the Board raise the Annual Licentiate fee to \$5.00 and that the additional funds be used to send clinicians and lecturers to local centres. It was also reported to the Board that the London and Waterloo Dental Societies were of the same opinion.

Moved by Abbott and Cowen, "That the fee be now raised to \$3.00 to defray the expenses of anticipated extension work next year and that the local Societies in the Province be requested to consider the

placing of the fee at \$5.00, the additional funds to be used in publishing bulletins from time to time calling the attention of the Profession to results in research or to recent improvements in practice or in equipment. Also to remunerate clinicians or lecturers who may visit local centres." Carried.

COMMUNICATION FROM DR. W. E. CUMMER

A letter was presented from Dr. Cummer stating that he would be available for all time service after April 1st, 1921, also regarding the appointment of an assistant.

Moved by Abbott and Morrison, "That the resolution of last meeting regarding Dr. Cummer's appointment be re-affirmed and that the question of an assistant be referred to the Superintendent and Dean to report on at the regular meeting." Carried.

HONORARY DEGREES OF M.D.S.

Moved by Morrison and Bruce, "That under the provisions of By-Law No. 9, Sect. 6, the honorary degree of Master of Dental Surgery be conferred on Dr. C. N. Johnson, Dr. H. R. Abbott and Dr. A. E. Webster, at the annual commencement in May 1921." Carried.

HONORARY CLINICIANS

Moved by McLean and Abbott, "That Dr. W. L. Chalmers and Dr. W. B. Amy be added to the list of Honorary Clinicians." Carried.

INSTITUTE OF DENTAL TEACHERS

Moved by McLean and Bruce, "That the Secretary be instructed to invite the Institute of Dental Teachers to hold its next meeting in Toronto." Carried.

POST GRADUATE WORK

Dr. A. E. Webster presented the report of the Committee on Post graduate work as follows:

December 16, 1920.

The Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—At the last meeting of the Board of Directors, a Committee was appointed to report upon the whole subject of Post Graduate work.

Your Committee believes that the time has come when Post Graduate and Extension work should be properly organized in connection with this College and recommends that the work be developed along two distinct lines.

Post Graduate Courses

Your Committee would recommend that the Royal College of Dental Surgeons conduct annually in September a Post Graduate Course in the College Building, covering one or more dental subjects chosen from time to time and that for the year 1921 a Course of two weeks be given by Major Cummer covering dental Prosthesis. The fee for the full Course to be \$50.00, but, in the case of graduates of the R.C.D.S., it be \$25.00 and, if only one week is taken, the fee be half the above amounts.

The Course is to be open only to Dental practitioners in good standing in the profession.

Extension Courses

Your Committee herewith submits a draft outline (not printed in the Minutes) of the method by which the Extension Courses may be conducted and recommends that the Society or group of persons who arrange for a lecture or clinic be expected to provide the traveling and living expenses of the lecturer and the Board of Directors pay an honorarium, not to exceed \$25.00, for any one visit.

W. E. CUMMER,
A. E. WEBSTER,
W. SECCOMBE,

Committee.

Moved by Bruce and Cowen, "That the report be adopted and the Committee instructed to carry out the suggestions." Carried.

GOVERNMENT GRANT

Moved by Morrison and Cowen, "That in view of the cost of the recent addition to the building and of the loans to ex-service students, the Building Committee be authorized to approach the Government for a grant of \$75,000.00." Carried.

BY-LAW NO. 59, RE LICENTIATE ANNUAL FEE

Moved by Greene and Bruce, "That leave be granted to introduce By-Law No. 59 to amend By-Law No. 26." Carried.

By-Law read a first time.

Moved by Greene and Bruce, "That the Board go into committee of the whole on By-Law 59." Carried.

Dr. McLean in the chair.

Committee rose and reported that By-Law No. 59 had been approved by the Committee.

Moved by McLean and Greene, "That By-Law No. 59 be now read a third time and passed, that it be engrossed, signed by the President

and Secretary and published in two consecutive issues of the Ontario Gazette as required by Statute." Carried.

BY-LAW 59

To amend By-Law No. 26. In the last line of Sect. 1, change the word "two" to "three."

APPRECIATION OF DR. W. R. GREENE

Moved by Bruce and Mason, "That this Board has much pleasure in placing on record its appreciation of Dr. Greene's valuable services during the past two years and its regrets that change of residence necessitated Dr. Greene's withdrawal from the membership of the Board." Carried.

OVERDRAFT

Moved by Morrison and Cowen, "That the Building Committee be authorized to arrange at the Bank for an overdraft if necessary." Carried.

THANKS TO THE ROYAL BANK

Moved by Morrison and Cowen, "That the Board desires to express its sincere thanks to the Manager of the Royal Bank for his many courtesies and for the assistance rendered in the fee office." Carried.

During the sessions all the members were present and the following business was transacted:—

This being the organization meeting the Secretary took the chair

and laid on the table a sealed packet, said to contain the ballots cast at the recent election and one copy of the Scrutineers' report; the secretary then presented his own report concerning the election held October-December 1920 and the Scrutineer's report as to the election in the Faculty Council as follows:—

SECRETARY'S REPORT RE ELECTION

To the Board of Directors Royal College of Dental Surgeons:

Gentlemen:—In accordance with the provisions of the Dentistry Act and of the By-Laws of the College an election of a Board of Directors for the Royal College of Dental Surgeons of Ontario was held in October-December 1920.

On the first of October, nominations were called for by circular letter addressed to each member of the College resident in Ontario, which resulted in only one valid nomination from each of the seven Districts, as follows:—

- District No. 1—Dr. S. S. Davidson.
- District No. 2—Dr. M. A. Morrison.
- District No. 3—Dr. R. G. McLean.
- District No. 4—Dr. R. H. Cowen.
- District No. 5—Dr. W. M. McGuire.
- District No. 6—Dr. E. E. Bruce.
- District No. 7—Dr. H. R. Abbott.

The Faculty Council by resolution requested that, in the election of the representative from the Faculty, the same procedure be followed as in the other Districts.

Two valid nominations were received for Dr. W. H. Coon and for Dr. A. D. A. Mason.

On the 22nd of November a notice, together with a ballot, was sent to each member of the Faculty, explaining the manner of election. All the voting papers received from the members of Faculty were counted by the scrutineers, James Brebner, LL.D., and H. J. Bolitho, in the Board Room of the College on Thursday, December 9th, 1920. The report of the Scrutineers submitted herewith shows the election of Dr. A. D. A. Mason.

The members elected for the ensuing term are, therefore:—

District No. 1—S. S. Davidson, L.D.S., D.D.S., Ottawa, by acclamation.

District No. 2—M. A. Morrison, M.D.S., D.D.S., Peterboro, by acclamation.

District No. 3—R. G. McLean, L.D.S., D.D.S., Toronto, by acclamation.

District No. 4—R. H. Cowen, L.D.S., D.D.S., Hamilton, by acclamation.

District No. 5—W. M. McGuire, L.D.S., D.D.S., Simcoe, by acclamation.

District No. 6—E. E. Bruce, L.D.S., D.D.S., Kincardine, by acclamation.

District No. 7—H. R. Abbott, L.D.S., D.D.S., London, by acclamation.

Representatives from the Faculty, A. D. A. Mason, L.D.S., D.D.S.,
by election.

Respectfully submitted,

W. E. WILLMOTT,

Secretary.

SCRUTINEER'S REPORT

To the Directors of the

Royal College of Dental Surgeons of Ontario.

Gentlemen:—According to your request to act as Scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 9th day of December, 1920, at 2 o'clock in the afternoon.

After we had made the required declaration of secrecy, your Secretary handed to us 66 sealed envelopes, addressed to himself marked on the outside "Royal College of Dental Surgeons of Ontario, voting paper, Faculty."

These envelopes contained 72 voting papers in the form prescribed by the Dentistry Act. Of these voting papers, 60 were marked for Dr. A. D. A. Mason and 10 for Dr. W. H. Coon, showing a majority of 50 for Dr. A. D. A. Mason.

Two ballots were rejected, not members of the staff.

From Electoral Districts Nos. 1, 2, 3, 4, 5, 6 and 7, no voting papers were submitted to us.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

(Signed),

JAMES BREBNER,
H. J. BOLITHO.

December 9, 1920.

ELECTION OF OFFICERS

The Secretary called the roll and, all the members being present, a ballot was taken for the different officers, the following being declared elected:—

President—Dr. M. A. Morrison, Peterboro.

Vice-President—Dr. A. D. A. Mason, Toronto.

Registrar—Dr. E. E. Bruce, Kincardine.

The President took the Chair.

Moved by Abbott and McGuire, "That W. E. Willmott be re-appointed Secretary-Treasurer." Carried.

Moved by Bruce and Davidson, "That Dr. Mason be re-appointed Assistant Secretary." Carried.

MINUTES

Moved by Abbott and Mason, "That the Minutes of the meeting of

the Board in May, 1920, be taken as printed." Carried.

The Secretary read the Minutes of a special meeting held in December, 1920.

Moved by Bruce and Cowen, "That the Minutes of the special meeting, December 14, 15, 16, 1920, be approved." Carried.

HOURS OF SESSION

Moved by Abbott and Mason, "That the hours of Session shall be from 9.30 a.m. to 12.30 p.m. and from 2.00 p.m. to 5.00 p.m. and Monday evening at 8.00 p.m." Carried.

The President appointed the following Standing Committees (a list of these with all other Committees appointed during the meeting will be found on page 57.

DR. W. R. GREENE.

Moved by Abbott and McLean, "That the members of this Board desire to place on record their appreciation of the valuable services rendered by the late Dr. W. R. Greene to his profession and wish to convey to his family the heartfelt sympathy in their bereavement, and that a copy of this resolution be forwarded to the family." Carried.

Moved by Bruce and Mason, "That the following be elected as the Executive Committee:—Morrison, Abbott, McGuire, McLean and Cowen." Carried.

Moved by McLean and Davidson, "That the report be adopted and entered in the Minutes." Carried.

REQUEST FOR SPECIAL EXAMINATIONS

The members of the Senior Class who were required to write Supplemental Examinations petitioned that the Examinations might be held about the first of June. Moved by Bruce and Cowen, "That no action be taken." Carried.

INFORMATION RE EXAMINATIONS

Moved by McLean and Abbott, "That each member of the Board and Staff and each Examiner be notified that absolutely no information must be given to any student as to his marks or standing in any subject; all such information to be given out only through the office." Carried.

SECRETARY'S REPORT

The Secretary presented his report for the year which on motion of Davidson and Abbott was adopted and entered on the Minutes.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

As soon as possible after the last meeting the Minutes were published, after tenders had been obtained for the work, and a copy mailed to each Licentiate in Ontario, with the annual announcement.

Examinations

Supplemental examinations were held in September at which 193 candidates wrote 225 papers on 21 subjects.

The mid-term examinations were held early in February at which were 394 candidates, 540 papers on three subjects.

As there was a large number of students who still carried conditions, it was thought advisable to let them have an opportunity of clearing them off. After consultation with the University authorities a supplemental examination was arranged for in March at which 65 candidates wrote 87 papers on 14 subjects.

Greater difficulty than ever was experienced this year in obtaining accommodation for the annual examinations. On account of the larger classes in all the faculties and of the number of examinations to be held, it was not until April 7th that anything definite could be arranged and then the only time available was from 11th to 23rd. As only one class could be accommodated at once it necessitated three sessions a day on each of seven days. However, it was possible to so arrange the time table that there was at least a full day between the papers for all the classes. There were 29 sessions at which 875 candidates wrote 5350 papers on 34 subjects. Term examinations were held in eight subjects at which 1055 candidates wrote 1340 papers. In all during the year there were 7542 papers on 80 subjects.

In the Nurses' class, 30 candidates wrote 180 papers on six subjects.

The plan of having optical questions was greatly appreciated by the students, though some of the examiners objected.

The advisability of publishing the subjects of examinations and the names of the examiners for the Nurses' class might be considered.

Also in appointing examiners for 1922 the Pre-Dental class should be included.

Examination Books

The supply of examination books which was considered sufficient for the year just closed, became exhausted during the examinations. Your Presiding Examiner ordered 25,000 sheets of Matriculation foolscap and a sufficient number of paper fasteners, to complete the examinations. It will be necessary to place an order for another supply of books.

L.D.S. Diplomas

In accordance with instructions given at the last meeting, 500 L.D.S. diplomas were ordered from Rolph, Clark, Stone Co. 499 were delivered in February at \$3.75 each.

Dr. N. W. Hayes

At the last meeting the Secretary was instructed to place in the Solicitor's hands the matter of Dr. N. W. Hayes who had not satisfied the Auditor in connection with his accounts for "At Home." Before so doing Dr. Hayes was notified of the action of the Board and as no reply was received, the Solicitor was instructed to proceed. This brought a reply that he would be pleased to appear before the Board and explain everything. He was informed that if he would satisfy the Board regarding his accounts and pay the Solicitor's account, the matter would be considered as closed. Nothing further was heard until May 5th when he left a few receipts in the office without any

statement or explanation. He has been notified to meet the Auditor and satisfactorily settle the matter. (This was subsequently done and the whole matter satisfactorily closed.)

Dr. J. F. Rollitt

Dr. Rollitt, of Barrie, whose application for registration in Ontario was refused at the last meeting, made application for a Private Bill, instructing the Board to issue him a License. Your Secretary and Superintendent presented the view of the College to the Minister of Education and were advised to take no further action until he was heard from. Some time after Dr. Seccombe was in the House and met Dr. Rollitt and the member who had the bill in charge. The Premier and Minister of Education joined them. After considerable discussion it was agreed that the bill should be withdrawn and that Dr. Rollitt should attend the Infirmary of the School until the end of the session and sit for a modified examination. After consultation with the President it was decided to have him write on the same subjects as the D.D.C. for class "C." This he did and the result is before you for action.

Dentistry Act and By-Laws.

At the last meeting the Secretary was instructed to have the Act and By-Laws printed and distributed. Shortly after some mention was made of a change in a By-Law and the President thought it wise to postpone the printing until after this meeting. In the meantime tenders were obtained for the work, the type was set, the proofs read and a galley proof sent to each member so that any desirable changes might be noticed. After this meeting the pamphlet will be printed and distributed.

D.D.C.

Dr. S. B. Graham presented a D.D.C. certificate and an L.D.S. diploma was issued.

Licentiates Who Have Died

The following Licentiates have been reported dead during the year:—

- 1910—D. C. Cassleman, Morrisburg.
- 1899—C. H. R. Clark, Newmarket.

TREASURER'S REPORT

To the Board of Directors of the
Royal College of Dental Surgeons.

Gentlemen:—On the first of October 1920, a statement of the annual fee due, together with a notice regarding the election of the representatives to the Board of Directors, was mailed to each Licentiate in Ontario. Quite a number were returned as unknown, most of whom have since been located. About seven hundred having paid, a second notice was sent on December 1st. Again on the first of February, a third notice was sent to about 230, while 62 were drawn on through the Bank. Early in March 143 more drafts were issued; of the drafts about 60 were returned for various reasons. Some of these have since been paid. At the end of the year there were twenty-two in arrears of whom four cannot be located.

It has been extremely difficult to obtain a correct residence list, as so many have removed from their original address since being discharged from the Army. A letter, with a reply card or stamped envelope, was sent to one Dentist in every city, town or village where one or more was known to be, with a list of those supposed to be practising in that community, asking for corrections (235 were sent). Although a number did not reply, still it is safe to presume that the list, at present, is more accurate than at any time for some years. Approximately two hundred changes have been made in the list as published last June and which now contains about 1,260 names.

As instructed by the Board at the special meeting, a letter was sent to each of the known local Dental Societies regarding the increased annual fee. Replies have been received from Hamilton, Brant, London, Waterloo and Toronto unanimously endorsing the proposal.

A statement of the receipts and disbursements for the year as certified to by the Auditor is appended hereto. (See page 60.)

All of which is submitted,

W. E. WILLMOTT,

Secretary.

JOINT REPORT OF THE PRESIDENT OF THE BOARD AND THE BUILDING COMMITTEE

Toronto, 9th May, 1921.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—From time to time as the Building and Fittings' Committee met to deal with matters relating to the building and equipment, other important questions arose which would ordinarily have been dealt with by the President, but which the President laid before the Committee with the request that joint action be taken concerning them.

The Committee met in January, 1921, when the building alterations were fairly well completed, for the purpose of consulting with members of the Ontario Cabinet and receiving them upon their visit of inspection to the building. The Honorable R. H. Grant and the Honorable Peter Smith were present and expressed themselves as being well pleased with the progress that had been made.

The Committee met again on 7th March, 1921, for the purpose of laying before the Cabinet the financial needs of the College for the present year. The Committee found by careful analysis of the whole situation that, should the payment of veterans' fees be deferred to the extent of \$13,029, the College deficit to 31st May, 1921, would amount approximately to \$65,000.

An appointment was made to meet the Premier, the Minister of Education and the Provincial Treasurer on Thursday morning, the 10th March, 1921.

The Committee presented the following letter to the Premier:

Toronto, March 9, 1921.

The Hon. E. C. Drury,

Premier, Province of Ontario,

Parliament Buildings, Toronto, Ont.

Dear Mr. Drury:—The Board of Directors of the Royal College of Dental Surgeons desires to thank the Government for its generous action toward the College last session in voting money, promised by the previous Government, to provide accommodation for returned soldiers desiring to proceed with a Dental course.

The Board also desires to record its hearty appreciation of the action of the Government in making the Honorable, the Minister of Education, a member, ex-officio, of the Dental Board, and also its concurrence in the decision to prevent the disposal of the assets of the College without the consent of the Government. These enactments have established the Dental College in official relationship with the Government and will ensure the closest possible co-operation.

At the time of the last grant we did not anticipate a further extension of the College Building, but, owing to the inability of the University to provide accommodation for our students in Practical Anatomy, we were forced to add an anatomical wing.

While this has occasioned a heavy expenditure, it must be borne in mind that we have relieved the University of this much of their burden. In other words, if we had not made this provision, the University would have done so, and, in the final analysis, your Government would have been called upon to provide the necessary funds.

In addition to this expenditure, our receipts have been reduced by \$13,029, representing deferred payment of fees of war veterans who, because of the high cost of living, would not have been able to proceed with their course without financial assistance.

Our auditors have prepared a statement showing our deficit this year to be \$65,000.

As we cannot place a mortgage upon the College Building without the consent of the Government, we would respectfully ask that the Cabinet consider what may best be done to meet the present situation.

All of which is respectfully submitted,

W. M. McGUIRE,

H. R. ABBOTT,

WALLACE SECCOMBE,

Committee.

The Premier received your Committee with the greatest cordiality and promised that the Cabinet would give the whole question its most sincere consideration.

Subsequently we were unofficially informed that the financial burdens of the Government this year were so heavy that it would be impossible for the Government to make a large grant to the Dental College this year.

The Cabinet finally decided that the grant this year should be \$13,029, the amount of soldier students' deferred fees, and this sum was included in the Government estimates and passed by the Legislature.

The Committee recommends that the President and Secretary be authorized to jointly sign Bank notes to cover College over-draft.

Re Rollitt

The Board at its last meeting dealt with the application of J. F. Rollitt for a license to practise Dentistry in the Province of Ontario without attendance at College or examination.

Following the refusal of the Board to accede to the above request Dr. Rollitt took up the matter with the Minister of Education. After conference with members of the Cabinet, it was decided to take into consideration the fact that Dr. Rollitt had been living in the Province of Ontario during the past three years, serving in the Canadian Army Dental Corps, and had moved his family to the town of Barrie, and permit him to attend sessions in the Infirmary and write a special examination upon the subjects prescribed for Class C, Dominion Dental Council, and pay a fee of \$50.

War Veterans and Four Year Course

Under the regulations of the Board, war veterans who saw active service in France are excused from the Pre-Dental standard for Session 1921-22. The Committee decided that such students be recommended to complete Art and Modelling of the Pre-Dental Year, though they will not be compelled to do so.

War veterans will be required to take preparatory course in Physics and Chemistry, providing their Matriculation credentials do not include these subjects.

Under this regulation, enlisted men who gave twelve months or more of satisfactory service in the C.A.D.C. will be excused from Pre-Dental Year, but this will not necessarily entitle candidate to Dominion Dental Council registration.

Special Course in Art and Modelling

Recommended:—

That students admitted to a four year course, who have not completed Pre-Dental standard in Art and Modelling, be required to attend special laboratory courses in these subjects, for which they will be charged a fee of \$5.00 in each subject.

Infirmary Summer Session

Recommended:—

That the Infirmary, including Examination Room and Senior Laboratory, be kept open during the months of May, June and September.

Examination Results of Senior Students

Senior students who wrote at the Supplemental Examinations in March and failed, were given permission to write again at Supplemental Examinations in April.

Pre-Dental Standard—Session 1921-22

In view of the Board of Directors making the Pre-Dental standard obligatory upon all R.C.D.S. students, commencing Session 1921-22, and further, that it was announced at the meeting of the American Institute of Dental Teachers that sixteen of the Colleges had adopted that standard for the coming Session, your Committee recommends that all students entering upon the study of Dentistry on and after the first day of September, 1921, be required to meet the Pre-Dental standard (whether they attend the R.C.D.S. or obtain their Dental education elsewhere) before being admitted to practise in the Province of Ontario, and that the representative for Ontario upon the Dominion Dental Council be requested to give notice that at the next meeting

of the Council a motion will be made requiring the Pre-Dental standard from all undergraduates who apply for D.D.C. examination, and who have commenced their Dental College course on and after August, 1921.

Lost Articulators

It was decided that the sum of \$90.40, representing the loss sustained by members of the Second Year Class through the disappearance of articulators, be divided equally between the College and the student body.

Personal Dental Service for Dental Graduates

Your Committee would suggest the advisability of organizing a Department at the College to be available to Licentiates, where they may have their personal Dental needs served at a nominal fee.

Building Additions and Equipment

Accounts, amounting to \$111,477.77 were approved and will appear in the Treasurer's accounts.

Respectfully submitted,

W. M. McGUIRE,

H. R. ABBOTT,

WALLACE SECCOMBE,

Committee.

Moved by McGuire and Abbott, "That the report be adopted and entered in the Minutes." Carried.

SUPERINTENDENT'S REPORT

The Superintendent presented his report which was considered in Committee of the Whole, with Dr. Cowen in the Chair.

The Committee arose and reported that the Superintendent's report had been adopted which follows. On motion of Cowen and Mason the report of the Committee was adopted.

Toronto, 10th May, 1921.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—During the past session marked advances have occurred in Dental Education in Ontario. The new Infirmary Wing, Pre-Dental Laboratory, and Practical Anatomy Departments have proven their value and are now recognized as essential to the efficiency of the College. The Dental Nurses' Course, under the capable supervision of Miss Shields, R.N., has also been successfully carried on. The nurses in training have been of great assistance to both staff and students.

The Board of Directors, Faculty Council and Dental Profession in Ontario are to be congratulated upon the successful operation of the School of Dentistry. The dentists of the Province have now come to realize the importance of the Faculty of Dentistry, and are justly proud of their College.

The relationship of the profession to the College is unique in the history of Dentistry, and has linked up, in a spirit of good-will and harmony, those important functions generally exercised by teaching, licensing and degree conferring bodies.

Development During Past Five Years

Many difficulties have had to be overcome during the past five years. The entire staff, however, has shown an appreciation of conditions and has loyally co-operated in an united endeavor to maintain the R.C.D.S. in a position of pre-eminence as a teaching body.

The following comparisons serve to show the marked development of the School of Dentistry during the five year period from session 1916-17 to session 1920-21 inclusive:

	No. of Students.	No. of Faculty.	Salaries: Faculty and Staff.	Expenditures: Capital Account.
Session 1916-17	345	47	\$ 34,504.17	\$ 5,760.00
Session 1917-18	344	41	42,049.10	2,129.87
Session 1918-19	484	44	47,171.65	6,921.25
Session 1919-20	804	71	81,397.22	164,359.21
Session 1920-21	921	82	113,118.17	111,477.71

Registration—Session 1920-21

Registration of students for the session 1920-21 has reached a total of 921. This is the heaviest registration in the history of the College and places the R.C.D.S. among the largest Dental Colleges in the World.

Registration in the several years is as follows:—

Pre-Dental	76	
Freshmen	165	(1 woman)
Sophomore "A"	162	(5 women)
Sophomore "B"	161	(2 women)
Junior	183	(6 women)
Senior	141	(3 women)
	888	(17 women)
Dental Nurses	33	
Total	921	

Of this number, about ten students have dropped out during the session, either because of illness or other reason.

475. of our students are ex-service men.

We regret to report that Mr. John Marsh Lee of the Junior Year was taken seriously ill during the Christmas Vacation and died on January 10th, 1921.

Geographical Classification of Students

At the last meeting of the Board, it was decided to limit each Freshmen Class to 160, and of this number to reserve 60 places for candidates from other Provinces or Countries, the balance remaining to be made up of Ontario candidates. It is only under such a plan that students coming from a distance can be assured of a place in the Class.

The following tabulation has been prepared for the purpose of showing the proportion of students from Ontario and elsewhere who have been in attendance during the past session:

	Ontario	Elsewhere
Pre-Dental	60	15
Freshman	123	43
Sophomore	226	94
Junior	152	29
Senior	120	21

Taking the Five Classes as a whole, the figures are as follows:—

Ontario	677	and one each from
Manitoba	69	France
Saskatchewan	52	Mexico
Alberta	12	British West Indies
British Columbia	23	South Africa
Quebec	2	India
Nova Scotia	8	England.
New Brunswick	13	
P. E. I.	8	

It is to be noted that if the policy of securing for registration in a class of 160, 60 students from outside Ontario, is to be carried out, it will be necessary to make a special effort along these lines.

This Board owes it to Canadian Dentistry to encourage Canadians to attend a Canadian College rather than proceed elsewhere for the purpose of obtaining a dental education.

Your Superintendent believes that a special effort should be made this year, in view of the coming session being the first when the Pre-Dental standard is obligatory. Owing to the great distance to the Pacific Coast, it might be possible to arrange with the University of

British Columbia to receive matriculants in the Arts Department and give a year's course, equivalent to our Pre-Dental year, enabling students to register at the R.C.D.S., in the Second Year of a five-year course. Similar arrangement might be made with the Department of Education, that students taking honor matriculation in a High School may receive a course covering the Pre-Dental subjects.

Such a plan, developed in connection with the R.C.D.S., and possibly extended to the other Western Provinces, would bring the higher standard of Dental Education to the very door of Western candidates.

Doubtless the adoption of the Pre-Dental Standard will temporarily at least have an effect upon our total registration.

Declarations of Senior Class.

Your Superintendent begs to present herewith declarations of all of the members of the Senior Class, except that of Mr. Green, who has been absent through illness. All are 21 years of age or over, with the exception of the following:—

Bell, J. W., of age July 8, 1921.

Bradley, A. O., of age July 6, 1921.

Corbett, F. M., of age October, 1921.

Davidson, Ben., of age June, 1921.

McCutcheon, R. C., of age September, 1921.

Students' Instrument Outfits.

Submitted herewith are the conditions upon which tenders were invited upon the cost of complete Students' Instrument Outfits for Session 1921-22. (See page 33.)

Tenders have been received from the Claudius Ash Sons & Co., S. S. White Dental Mfg. Co., and Cleveland Dental Mfg. Co. for action by the Board.

Dental Nurses' Course.

Recommended:—

1. That Dental Nurses' Class be limited to twenty-five for Session 1921-22.
2. That preliminary educational requirement be two years' High School training, as a minimum.
3. That the Course commence on the first Tuesday of September and continue to the end of the session.
4. That all nurses be registered upon the understanding that they enter upon probation for the first thirty days and that they will then be permitted to proceed with the course, only upon the recommendation of the Supervisor of Nurses.
5. That the fee for the complete course be \$60.00 and that those who are permitted to enter following the Christmas vacation pay a fee of \$40.00.

6. That arrangements be made whereby the course in Book-keeping, Typewriting, etc., be given in the College Building.

Infirmary Summer Session and Indentureship.

Following the decision of the President that there should be a Summer Session in the Infirmary this year during the months of May, June and September, arrangements were made accordingly.

Certain Junior students did not complete one month in the Infirmary or Senior Laboratory during the session, as required, and the Faculty Council permitted these men to, either attend College one month during the Summer Session, or, in lieu of that, spend two months under indentureship with an approved Licentiate.

Recommended:—

1. That, commencing session 1921-22, all Junior students be required to successfully complete, during the summer, either one month in the College Infirmary or two months in the office of an approved Licentiate, before being admitted to the Senior Year.
2. That Junior students who have not complete the Clinical requirements of the Junior Year be permitted to complete their deficiency during the Summer Session, but such attendance shall be in addition to that required in preceding paragraph.
3. That no fee be charged for clinical summer session.

Auditor's Statement.

Submitted herewith is the auditor's report and statement covering the financial operations of the School of Dentistry for the past year.

All of which is respectfully submitted,

WALLACE SECCOMBE,

Superintendent.

Moved by Abbott and McGuire: "That the Financial Statement of the School be accepted, entered on the Minutes and referred to the Accounts' Committee for report." Carried. (See page 58.)

STUDENTS' INSTRUMENT OUTFITS.

The Superintendent reported that the Faculty had selected an official list of approved instruments for each class.

That tenders had been invited from Claudius Ash Sons & Co., S. S. White Dental Mfg. Co., and Cleveland Dental Mfg. Co., upon the following:—

1. Freshman Kit.
2. Sophomore Kit.

3. Junior Kit.
4. Senior Kit.
5. Special Sophomore Kit.
6. Engines.
7. Sterilizers.
- 8.) Curettes.
- 9.)

That certain conditions had been agreed upon between the College and the tenderers.

That the College holds itself responsible to see that students purchase the official kits complete.

That the Students' Parliament had been consulted in all the arrangements.

The four tenders were laid on the table. Closed.

The Board went into Committee of the Whole with Dr. Mason in the Chair. The President of the Students' Parliament, Mr. R. A. Dunlop, was present during the opening of the tenders and the subsequent discussion.

The Committee rose and reported:—

"1. That the principle of compelling students to purchase certain specified outfits of instruments and books be adopted.

"2. That the tender of the Cleveland Dental Mfg. Co., for items 1, 2, 3, 4, 5, 8 and 9 be accepted.

"3. That the tender of Claudius Ash Sons & Co., for item, No. 6, be accepted.

"4. That the question of sterilizers be referred to the Committee, with power to act."

Moved by Mason and McLean: "That the report of the Committee of the Whole be adopted." Carried.

DEAN'S REPORT.

The Dean's report was considered in Committee of the Whole with Dr. Abbott in the Chair. The Committee rose and reported that the Dean's report had been adopted as amended as follows: and on motion of Abbott and Cowen, the report of the Committee was adopted. To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Dean begs leave to report on the year's work of your Faculty and Staff, and point out, where he may, the possibilities of the future. At the outset, he wishes to say that only general principles can be dealt with in such a report. A detailed report on all the ramifications of a present day dental education is impossible at this time.

During the past year, if one can judge events from so short a period, it would seem as if there were a settling down of the question of focal infection to a more sane practice. The best teaching to-day is not to remove teeth until some known pathological lesion

is present, and what is still more interesting, is the demonstration of the fact that the regular medical means of treating infected roots which has been used for these twenty years are effective in bringing about normal conditions. This illustrates a great principle in education, "Any method of practise or mode of life that has survived the test of years has some truth in it."

Through the influence of the modern discovery of vitamins and the inadequacy of Miller's theory to explain the cause of dental caries much has been done to point to diet as the cause. In no place has there been so much work done to popularize this subject as in your School of Dentistry.

The Department of Physics is now getting under way and will soon stand out as another bright star in our educational firmament. Instruction in photography will be added to this Department.

Since 1897 X-Ray work has been done in the school. A general course has been given along with electro-therapeutics. For years the Infirmary teaching staff has done the clinical work, giving the students ample opportunity to practise the art of making X-Ray pictures. Making good X-Ray pictures is such a highly technical art that the results in the Infirmary practise was not always satisfactory. Your Board at its last meeting sanctioned the equipment of a suitable room and the employment of a technical radiographer. So for the results have been very satisfactory for the Clinic, but your staff must recognize the object of all such undertakings is to teach the student.

A Clinical Laboratory has been established on the Infirmary floor which is to the Infirmary what a clinical laboratory is to a general hospital. Here will be found the appliances for testing the normal and pathological secretions and tissues of the body. Students are here taught how to make a thorough physical examination of the body. Take histories and make charts and reports of physical findings.

For years practical Physiology has been on the curriculum. It was only this year that it was possible, owing to the large classes and inadequate space and appliances of the past to change Physiology from a dry book subject to a living necessity in understanding life functions.

A beginning has been made to develop a real oral surgical clinic which in time will be the peer of such clinics as Garretson's, Cryer's, Gilmer's, Brophy's or Moorhead's. The head of this department stands out as one of the leaders in his specialty.

The Senior Prosthetic Laboratory teaching under Dr. Switzer has been a decided success this year. Its founders are gratified with the results.

Notwithstanding what has been said about the progress in these various departments you are warned that no matter how favorably these subjects may be presented they do not constitute a course in

Dentistry. Too often Directors of Dental Schools are carried away by a clever lecture or clinic as if one lecture or one clinic, no matter how well it is done, qualified its deliverer for a professional chair. Dentistry was taught and well taught before many of the subjects mentioned had special departments. If the technical knowledge of a subject was all that was required to know how to teach it, our Model Schools, Normal Schools and Faculties of Education should be closed. A Faculty made up of specialists along Dental lines must of necessity be a failure. There must be specialists in education as well as in technique. In the long run, it is men and women who are to be made out of boys and girls. As a general thing it is a fallacy to appoint a great number of teachers who give but few hours to educational work. They usually have but little interest in education in general and find it impossible to do more than a few stunts. The real backbone of a teaching staff are those who give their principal attention to teaching as a profession and are on the job where required. Others fail to appreciate the whole problem and often give expression to views at variance with the principles laid down by the Faculty. It is the duty of a Dental Faculty to teach the fundamental principles which *are known*, leaving the doubtful, and the fads and fancies of the day, for mention only.

The Staff regrets (and the Board no doubt joins with them in this) that Dr. Box, owing to prolonged illness, was unable to take his work during the past year. Dr. Graham gave the general lectures in this subject while the clinical part was inadequate. Owing to the very large class, Dr. McDonagh was unable to give as much time in individual instruction as formerly.

The exceedingly large classes has compelled changes in methods of teaching in many particulars. Classes have been divided into sections for lectures and demonstrators. Recitations have been discontinued in some Departments. Increased equipment and staff is necessary in every Department as the larger classes come along. During the past year the Infirmary has been open from 8.30 to 5.30, thus increasing opportunities for clinical work. Next year there will be one hundred and eighty Seniors and three hundred and twenty Juniors to be passed through the clinical laboratories. To meet *this* situation patients, space, equipment, time and trained teachers *must* be provided. The space has certain limits and this limits the equipment. There are patients in plenty, if we can get them; the time may be increased. Next year every inch of space for clinical instruction must be utilized, every hour of the day occupied, and the Infirmary kept open a longer time. This will involve increased expenditure in equipment and teaching staff. The Infirmary should be open at least ten months in the year.

The subject of general anatomy was taught under very satisfactory conditions this year except for a lack of material. When the first class of one hundred and sixty students had completed dissect-

ing there was little material left for the next class. However, enough was secured to give a demonstration course. Since the whole anatomical staff was engaged in dissecting, they were unable to teach the Freshman Osteology. Next year the Osteology will be taken before Christmas with both First and Second Years, and dissecting after Christmas with the Second Year Class.

In so large an institution as this, there are occasional digressions from good forms of conduct. Much as any of us may regret it, it is a fact nevertheless. During the Autumn Term games of chance were frequent, but by consultation with the leaders of the student body this form of diversion was not practised any longer. On the whole, no body of students could conduct themselves more seemly and with more recognition of the value of their public conduct to other people. Everybody is to be congratulated that the student body of the Dental School stands for high ideals, honest purpose, clean living, gentlemanly conduct, and good standards of professional education.

In Sports, no class of young men could have done more nobly. All kinds of sports have been entered and contested valiantly. The entrance to Hart House has had much to do with creating a more catholic spirit in the whole student body. The present classes have shown a greater interest in their own education than any since before the War.

Whither is Dentistry tending? Dental practice and dental education are looking towards developing a highly specialized form of dental medical doctors, a dental consultant or diagnostician, if you please. The tendency is towards a high matriculation, the equivalent of one or two years of University, and in some cases, the B.A. degree, and a dental course of four years of nine months each. Such graduates will gather about them dental nurses, hygienists, prosthodontic technicians, operative technicians, exodontists and X-ray technicians who will carry out the treatment for the dentist.

Let us not deceive ourselves, the dental nurse is here, the laboratory technician has been here for years, and so the exodontist; all that is needed to complete the group in Ontario is the hygienist and operative technician. The hygienist has entered the field in the United States and the operative technician in many of the provinces of Canada. Such dental practices are rapidly developing on this continent following the lead in other countries.

The course in dental nursing has been conducted more satisfactorily this year than last because there has been a splendid supervisor in charge. Although the limit of attendance of twenty-five was suggested for this year, there were quite over thirty, some of whom were very young.

There will appear in the Pre-Dental Course an increase in the budget for teaching and equipment in the department of Physics.

Prof. Anderson has agreed to teach sufficient mathematics to permit the students to understand physical and chemical problems of later years.

There will also appear an increase in the number of hours for Modelling, some of which time might be spent in mechanical drawing. Shopwork has also been suggested along with the Physics.

At the beginning of this session Mr. Jefferies, who taught drawing in this year, found it impossible to continue, and Mr. Beatty was appointed to take the subject. This is a real live department applying its teaching to Dental Art in a very acceptable manner.

1. There will be slight changes and modifications of the curriculum, timetable and personnel, but nothing of great significance.

2. The Department of Prosthetic Dentistry recommends that Dr. E. A. Grant be made Associate Professor in that Department.

3. Herewith is the resignation of Dr. A. A. Stewart from the Chair of Crown and Bridge Work, and of Dr. W. H. Coon as Demonstrator.

4. That Dr. A. A. Stewart be appointed Honorary Clinician and Professor Emeritus of Crown and Bridge Work.

5. That the subject of Crown and Bridge Work, as now taught, be placed under the supervision of the Departments of Operative and Prosthetic Dentistry by arrangement between the Departments concerned.

6. That the title of Professor of Physics be abolished and that Prof. Anderson be made Professor of Applied Physics, and that Professor Cummer be appointed Associate Professor of Applied Physics.

7. That two dental nurses be appointed to assist in teaching dental nurses and generally assisting in the Department of Operative Dentistry and the Department of Prosthetic Dentistry.

The Staff has been faithful in the performance of its duties, showing a personal interest in the School and in the students in School and out of it. The College is to be congratulated upon the efficiency of its teachers in their several departments and the standing of their personal and professional attainments, not only in their own country but abroad. A score or more of them have been complimented during the year throughout the continent in being invited to deliver lectures, read papers, prepare text-books and give clinics and demonstrations.

All of which is respectfully submitted,

A. E. WEBSTER,
Dean.

FACULTY COUNCIL REPORT.

Dr. Mason presented the report of the Faculty Council which was considered in Committee of the Whole, Dr. Abbott in the Chair. The Committee rose and reported that the Faculty report was adopted as

amended as follows and on motion of Abbott and McLean the report of the Committee was adopted.

1. That a course in shopwork be arranged for the Pre-Dental Class.
2. That, Osteology, and Dissecting should be taken together in the Second Year of the Course and Surgical Anatomy in the Third Year and reviewed in the Fifth.
3. That the final examinations shall not begin until after the close of the lectures and laboratory work of the session.
4. That, if the University cannot provide accommodations for examinations at the time specified, the presiding examiner shall have authority to make the necessary arrangements for accommodation elsewhere.
5. That, if it is found necessary, on account of the limited accommodation for examinations, the two sections of the Junior Class be given separate papers.

NURSES' GRADUATING EXERCISES.

Moved by Cowen and Davidson: "That the Superintendent, Dr. Mason and Dr. McLean be a Committee to make all necessary arrangements for the Graduating Exercises of the Nurses' Class on Thursday evening, May 12th, 1921." Carried.

NURSES' UNIFORMS.

Moved by McLean and Mason: "That the Superintendent, Secretary and Supervisor of Nurses be instructed to have a suitable portion of the Nurses' Uniform copyrighted, in order to protect our graduates and that the words 'Dental Nurse' be registered and that the graduates be authorized to use the initials 'D. N.' after their name." Carried.

MASTER OF DENTAL SURGERY.

Moved by Bruce and Davidson: "That Dr. McGuire be requested to present the candidates for the honorary title of M.D.S. at Convocation and that Dr. C. N. Johnson be requested to make the reply." Carried.

Moved by Cowen and Bruce: "That the Secretary be instructed to procure twenty M.D.S., Diplomas." Carried.

DOMINION DENTAL COUNCIL.

Moved by Cowen and Davidson: "That this Board will not accept any certificate for registration in Ontario from any graduate who began the study of Dentistry subsequent to September 1st, 1921, who did not take the Pre-Dental Year." Carried.

UNIVERSITY FEES.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Committee held a conference with the President, Registrar and Bursar of the University and discussed the matter of dental fees:

The view was expressed by the President that, if any changes were made in the present schedule of fees, there would be an increase rather than decrease.

The present schedule of fees is as follows:—

Registration of matriculation credentials.....	\$ 5.00
Pre-Dental Examination	5.00
Freshman Examination	5.00
Sophomore Examination	5.00
Junior Examination	5.00
Senior Examination	5.00
Degree Fee	10 00
Total	\$40.00

These fees this year with an additional \$1,095.00 for supplemental examinations, amount to \$6,840.00, making in all, \$7,935.00.

The University share of the examination expenses for the past year is \$2,530.25.

Respectfully submitted,

A. D. A. MASON,
W. E. WILLMOTT,
WALLACE SECCOMBE,
Committee.

Moved by McGuire and Cowen: "That the report be adopted and entered on the minutes." Carried.

WAR MEMORIAL COMMITTEE.

Toronto, May 9, 1921.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your committee on War Memorial begs leave to recommend that a suitable tablet be erected on the walls of the College building upon which will be inscribed the names of the undergraduates and graduates of the College who made the supreme sacrifice in defence of their country.

All of which is respectfully submitted,

A. E. WEBSTER,
W. E. WILLMOTT,
WALLACE SECCOMBE.

Moved by Bruce and Cowen: "That the report be adopted and entered on the Minutes."

POST-GRADUATE WORK.

Arrangement for the Service.

May 12, 1921.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Committee on Post-Graduate and Extension Courses begs leave to report as follows:—

During the months of January and February your Committee met several times in consultation and formulated the following announcement which was published in the magazines and should be given further publicity during the latter part of the summer months, either in the magazines or in pamphlet form.

Announcement of Extension Service and Post-Graduate Work.

With a desire to be of the greatest possible service to the people of Ontario, the Royal College of Dental Surgeons announces a scheme by which lectures, clinics and demonstrations related to Dentistry and Public Health may be given to any society or group of persons who may desire such service. The College desires to extend its teachings beyond the class room to every part of the Province.

All correspondence concerning the Course should be addressed to the Royal College of Dental Surgeons, 240 College Street, Toronto.

What it Will Cost.

The organization or person who arranges for a lecture, clinic or demonstration will be expected to pay the lecturer's travelling expenses for the trip.

The College will pay the lecturer a fee of \$25.00 for each visit to partly re-imburse him for the time lost from his regular duties. Consideration will be given for unusual expenditure of time in long trips or extra days.

List of Suggested Subjects.

A list of suggested subjects which may be of assistance in planning a course of lectures or for a single lecture, clinic or demonstration will be forwarded upon request.

Lectures Not Listed.

Any Dental Study Club, or group of persons who wish a lecturer or a course of lectures on a subject not listed should write the College, stating what is wanted and special arrangements will be made, when possible, to meet the desires.

In the above arrangements Dr. W. B. Amy visited Brantford and was granted an honorarium of \$25.00; Dr. Edgar Paul visited Galt and London and was granted an honorarium of \$50.00; Dr. W. E. Cummer visited Kitchener and was granted an honorarium of \$25.00; Dr. A. E. Webster and Miss Shields visited London.

Arrangements have been made to conduct a Post-Graduate Course during September of each year, just previous to the opening of the regular session of the College. This year Dr. Cummer will present the subject of Full and Partial Dentures. Along with this Course is suggested lectures on other subjects of interest to the Dental Profession. Provision should be made for payment of the extra lecturers.

Respectfully submitted,

W. E. CUMMER,
A. E. WEBSTER,
WALLACE SECCOMBE,
Committee.

Moved by Mason and Bruce: "That the report be adopted and entered on the Minutes." Carried.

Moved by Bruce and McLean: "That the resolution regarding the fee for Post-Graduate Course be rescinded." Carried.

Moved by Bruce and Cowen: (1) "That the fee for Post-Graduate Course to graduates of the Royal College of Dental Surgeons, who have paid their Annual Licentiate fee, be \$10.00; to all others \$25.00."

(2) "That when clinicians visit outside points, all their expenses be paid, except their railway fare."

(3) "That no clinicians be sent to any group of less than fifteen men."

(4) "That a clinician be not sent to the same locality more than twice during one year." Carried.

Moved by Abbott and McLean: "That the Board of Examiners, as agreed upon by the Joint Committee from the University and from this Board, be adopted."

CHANGES IN BY-LAWS.

After considering a number of suggested changes in the By-laws it was moved by McLean and Davidson: "That the Secretary, Superintendent and Dean be a Committee to prepare any desirable changes in the By-laws and report at the next meeting of the Board." Carried.

ONTARIO PROSTHETIC DENTAL ASSOCIATION.

The Committee reported that in their opinion no further action was necessary.

Moved by Mason and Davidson: "That the report be adopted and the Committee discharged."

FINANCIAL ARRANGEMENT.

A communication was presented from the auditors, Messrs. Thorne, Mulholland, Howson & McPherson, recommending that in future all capital expenditure payments be made by the School from the funds received by them, same to be charged through their Cash Book in a column to be designated "Capital."

Also that all the Examination expenses be paid by the School and the amount involved deducted from the amount due the University for Examination fees, etc.

Moved by McGuire and Abbott: "That the suggestions of the Auditors be adopted." Carried.

Moved by McLean and McGuire: "That the School of Dentistry pay all the expenses of the Board meetings and pay to the Treasurer of the Board such rental on the property and equipment as will cover the regular expenditures of the Board, and that the details of this arrangement be referred to the Superintendent, Treasurer and Auditors to arrange." Carried.

NOTE FOR OVER-DRAFT.

Moved by McGuire and Cowen: "That the President and Secretary be authorized to sign a note for \$65,000 to the Royal Bank of Canada to cover the bank over-draft of the Royal College of Dental Surgeons." Carried.

Moved by Davidson and Cowen: "That the Secretary notify the Royal Bank that the President-elect is Dr. M. A. Morrison, and that his signature shall be accepted in place of that of Dr. W. M. McGuire." Carried.

HART HOUSE COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons:

Gentlemen:—

As reported at the December meeting of the Board, membership in Hart House was made compulsory for the past session only, pend-

ing a satisfactory solution of the residence question, and of adequate Faculty representation upon the Athletic Directorate.

During the session the students of the R. C. D. S. have been very happy in their relations to Hart House under these conditions, and have certainly made themselves felt in all branches of University Athletics.

The Athletic Directorate has had its constitution amended to provide that, in the event of a Faculty or affiliated College of over five hundred students, having no representation on the Directorate following the annual election of that body, such Faculty or College be permitted to appoint a representative to act as a member of the Directorate.

In view of this action of the Directorate, your committee recommend that membership in Hart House be made compulsory on all R. C. D. S. male students for the season 1921-22.

Respectfully submitted,

W. SECCOMBE,
A. D. A. MASON,
W. E. WILLMOTT,

Committee.

Moved by Abbott and Davidson: "That the report of the Committee be adopted and that the thanks of the Board be extended to the Committee for their efforts in securing such a satisfactory arrangement." Carried.

PORTRAIT COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

The Board, at the last meeting, authorized this committee to procure an oil painting of the late Dr. Luke Teskey. Satisfactory arrangements were made with Miss Long to complete this portrait at a fee of \$175.00. Work has been somewhat delayed on account of Miss Long's illness.

Your Committee would recommend that an oil painting of the late Dr. W. T. Stuart be procured during the coming year at an expense not to exceed \$200.00; also that photographs of the past presidents, which have not been secured, be arranged for.

Respectfully submitted,

A. D. A. MASON,
R. G. McLEAN,
A. E. WEBSTER,
W. SECCOMBE,
W. E. WILLMOTT,

Committee.

Moved by Mason and Cowen: "That the report be adopted and entered on the Minutes."

COMMENCEMENT.

The Commencement Committee reported that they had arranged with Hon. Mr. Justice Riddell, LL.D., to deliver the address to the Graduating Class, and with Rev. G. H. Williams, D.D., to close the proceedings with prayer; also that the invitations, similar to those of last year, had been printed and distributed to members of the Class and Staff.

Moved by Mason and Davidson: "That the report of the Committee be adopted and entered on the Minutes, and that the Committee be instructed to also make the necessary arrangements for the Nurses' Graduating Exercises." Carried.

LOANS TO STUDENTS.

Moved by Davidson and McGuire: "That the following paragraph be inserted in the Annual Announcement." Carried.

"During the past session the Ontario Government granted financial assistance to this College to the extent of loans made to War Veterans in attendance at College, amounting to \$13,029.

"Students should note, however, that there is no assurance that the Government will extend further assistance for this purpose during the coming session, and students should therefore keep this fact clearly in mind."

DISCIPLINE COMMITTEE.

Toronto, May 9, 1921.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

Your Discipline Committee beg to report on cases which have been drawn to its attention during the past year:

1. A Toronto Practitioner was interviewed at your suggestion and was informed positively that, if any future complaint was made, it would be investigated fully, and, if substantiated, the full penalty for such infringement would be enacted.

2. Complaint from Hamilton Licentiates that a student was illegally practising in a dental office in that city. Also that said office was being managed by a Trustee. These matters were placed in the hands of the solicitor and a satisfactory solution obtained.

3. A complaint against a practitioner of Toronto for alleged malpractice was settled by the return of fee collected from patient and a promise to carry on legitimate practice in future.

4. The case of a practitioner who has allowed his lady assistant to do prophylaxis and other work for his patients is before this Committee.

5. Cases in Ottawa and Toronto are under advisement at the present time.

All of which is respectfully submitted,

R. GORDON McLEAN,
E. E. BRUCE,
R. H. COWEN,
A. D. A. MASON.

Moved by McLean and Mason: "That the report be adopted and entered on the Minutes." Carried.

UNIVERSITY SENATE.

May 11, 1921.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Committee beg to report that it was necessary to have a change made in the University Act to enable our College to have two representatives on the Senate, instead of one.

The President of the University has this matter in hand and assures us that at the next session of the Legislature such a change might be made.

Respectfully submitted,

R. GORDON McLEAN,
W. M. McGUIRE,
A. D. A. MASON.

Moved by McLean and Mason: "That the report be adopted and entered on the Minutes." Carried.

RESEARCH COMMITTEE.

Toronto, Ont., May 12, 1921.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your representatives on the Dental Research Committee attended the meeting of the Canadian Dental Association in Ottawa, August, 1920. There, they met the representatives from the other Provinces and the Canadian Dental Research Foundation became the official Research Organization of the Dental Profession in Canada. The Ontario Committee were appointed to act as the Executive of the Foundation for the ensuing two years.

Some work has been done along the line of organizing financial campaigns in the other provinces, but, owing to financial stringency, action was postponed awaiting some improvement in the situation.

Subscriptions are being received from time to time until the amount subscribed to date is \$7,177.53.

A few of the recent subscriptions are:—

Ontario Dental Association	\$ 150.00
Dr. Sydney T. Smith, San Francisco	65.00
Thunder Bay Dental Association	100.00
Dr. Geo. W. Clapp, New York City	100.00

The Canadian Dental Association voted that the Canadian Miller Memorial Fund be turned over to the Foundation. This will augment the Trust Funds by about \$1,500.00.

The first work of this year's Committee was to publish a portion of Dr. Box's Research Work. About three thousand copies of the Bulletin entitled "Evolution of the Periodontal Pus Pocket" have been printed and will be distributed to every dentist in Canada.

As we have laid out a large programme, a liberal grant is respectfully asked for the ensuing year.

R. GORDON McLEAN,
WALLACE SECCOMBE,
A. D. A. MASON,
A. E. WEBSTER,
H. CLARK,
F. J. CONBOY,
W. E. CUMMER,
H. K. BOX,
H. M. LANCASTER
G. R. ANDERSON
W. M. McGUIRE,
E. A. GRANT,

Research Committee.

Moved by McLean and Davidson: "That the report be adopted and entered on the Minutes." Carried.

Moved by McGuire and Abbott: "That a grant of \$400.00 be made to the Ontario Research Committee." Carried.

INSTITUTE OF DENTAL TEACHERS.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

The Annual Meeting of the Institute of Dental Teachers was held in Indianapolis, January, 1921.

All Dental Colleges of good standing belong to this organization, so it often becomes the peacemaker in some discordant groups or organizations. At this meeting the Dental College Faculties' Association and the University Faculties' Association were brought together to form a more useful national organization.

Most of the discussion seemed to centre around higher standards of dental education. The Royal College of Dental Surgeons was represented by Drs. Seccombe, Risdon, Bean, Bothwell and Webster.

Your invitation to the Institute to hold its next meeting in Toronto was duly presented and supported, but when it became evident that St. Louis was more likely to get the meeting, Montréal got the favor, so the next meeting will be held in Montreal, which should get all the assistance possible.

The general subject of discussion will be how to teach the prevention of dental diseases.

WALLACE SECCOMBE,

For those present.

Moved by Abbott and Davidson: "That the report be received and entered on the Minutes." Carried.

LIBRARIAN'S REPORT.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Librarian has the honor to report that the Library is becoming more popular with the students and faculty, and more are taking advantage of books and periodicals. The books and periodicals taken out were two hundred over the previous year.

The three dust-proof cases for the Museum are in position and by degrees the specimens are being catalogued and mounted. The time entailed in this work is considerable, but it is hoped that in a short time a Museum of credit will be in place. I would make a plea for the profession to make donations to the Museum of any specimen which they think will be of interest such as an example of poor dentistry, anomalies of tooth form, old or peculiar instruments, record or business cards, odontomes, large pieces of calculus or any object of dental interest.

Accompanying the report is a list of the books purchased this year (not published), and a list of the donors of volumes or periodicals to the Library or specimens to the Museum. Each gift has been acknowledged.

In regard to storage room for use for old volumes for which a larger room is needed, I would like to have, if I may, the long room off the Professor's Room for such purposes and also to be used for preparation of Museum specimens.

This room is of good shape, and size for our requirements and, if allotted now, a good impetus would be given for the collection of a large secondary Library.

There are many dentists who omit to mention their desires regarding the disposal of their dental libraries in their will. Dental books command but a trifling sum on the market and their bequest to the Library of the Royal College of Dental Surgeons would be greatly appreciated.

Suggested Form of Will.

If you have already made a will, add the following:—

..... 19.....
This is a codicil to my last will.

I give and bequeath to the Library of the Royal College of Dental Surgeons, Toronto, my dental library.

Signature

Two witnesses

sign here

If no will has previously been made the following form will serve:

.....19.....

I give, devise, and bequeath to the Royal College of Dental Surgeons, Toronto, my Dental Library.

Signature

Two witnesses

sign here

All of which is respectfully submitted,

C. A. KENNEDY, Librarian.

The following made contributions to the Library or the Museum:—

Dr. F. A. Clarkson	1	Volume
Dr. F. R. Mallory	60	Periodicals
Dr. H. E. Eaton	43	"
Dr. P. J. MacLachlan	53	"
Dr. C. A. Corrigan.....	20	"
Dr. A. D. A. Mason.....	32	"
Dr. J. A. Roberts.....	389	"
Dr. W. Seccombe	6	"
Dr. W. E. Cummer	15	"
Dr. J. A. Simpson,	30	specimens to the Museum

Moved by Davidson and Mason: "That the report be received and entered on the Minutes and the question of Storage room be referred to the Fittings' Committee." Carried.

PETITIONS.

The Board went into Committee of the Whole to consider Petitions, with Dr. Davidson in the chair.

The Committee rose and reported:

1. That the report of the Examinations and Petitions Committee of the Faculty was accepted and approved as follows:

That the President be asked to postpone for Session 1920-21 the operation of the resolution passed by the Board, that no students be allowed to carry supplementals into a higher year, on account of short notice, and that so many of the students claim they did not receive Announcement. Regulations will apply for Session 1921-22.

That all the graduates in Arts be exempted from Physics and Chemistry of the First Year if these subjects were satisfactorily completed in their Arts course, and certificate submitted as evidence of same.

That a student who is granted standing on a subject taken in another College shall be granted only a pass mark (50).

J. E. Graham—Re Bacteriology—granted.

Norman S. Douglas—Standing in Dental Anatomy granted.

John M. Shultis—That permission be given to write Second Physiology at later date.

Miss A. S. Mackenzie—That in view of satisfactory completion of Metallurgy at North Pacific College, standing be granted in this subject.

J. F. Lippert and Saul Simon—That full laboratory course in Chemistry be taken during this session.

W. J. Wilkey—That standing in First Year Physiology be granted, but must take First Year Physics.

Ronald R. Hudgins—That permission be granted to complete Chemistry credits in Third Year.

W. H. McPhee—That First Year subjects must be completed during the Second Year.

R. R. Whitaker—That standing be granted in First Year Physics.

J. E. Graham—That request that Junior Operative work, session 1919-20, be accepted for this year, be granted.

A. B. Mair—That permission be given to register in Third Year, but must make sure of First Year subjects, and take Third Year work as far as possible.

W. J. Turner, D. A. McLeod and E. G. Kemp—That in view of credits obtained at University of Alberta, standing be granted in Second Year Operative Dentistry, First and Second Year Prosthetic Dentistry and Technic; granted exemption from practical work in Bacteriology, but must take examination.

W. L. McMachin and H. O. Caniff—That standing be granted in First Year Chemistry; that exemption be granted in Inorganic Chemistry (qualitative analysis) of Second Year, and attendance in Organic Lectures. Must take Bio-Chemistry lecture, Laboratory Work

in Organic and Bio-Chemistry, final examination of Sophomore year. That standing be granted in internal Dental Anatomy.

G. W. Lyons—That in view of certificates presented from Faculty of Medicine, University of Toronto, standing be granted in First Year Chemistry and Physics.

C. R. Jarvis, B.A.—That in view of certificate presented from Queen's University, standing be granted in First Year Physics and Chemistry.

C. B. Hallett, B.A.—That in view of certificate presented from University of Saskatchewan, standing be granted in Chemistry of First Year; and Physics of First Year be granted in view of Senior Matriculation in this subject.

John Ferguson, B.A.—That in view of certificate presented from University of Toronto, standing be granted in First Year Chemistry.

Frank Wood—That in view of First Year Arts standing, University of Toronto, standing be granted in Physics of First Year.

Rollie L. Miles, Arts Group—That standing be granted in First Year Physics and Chemistry, certificate having been submitted of successful completion of these subjects in Grade XII., Manitoba.

A. B. Porter—That candidate be excused from laboratory work in First Year Chemistry, but must write examination.

Daniel MacLellan, I. P. Asselstine, R. L. Miles, C. R. Jarvis, E. B. Stuart, J. Ferguson and C. B. Hallett—That Arts graduates taking four years in three be excused from physical training on recommendation of physical instructor.

G. W. Lyons—That in view of certificates submitted of First and Second Years in Medicine, University of Toronto, standing be granted in all Second Year Chemistry and Second Year Anatomy.

H. B. Moir, Geo. S. Paul, Pre-Dental—That in view of standing in First Year Medicine, candidates be permitted to enter Pre-Dental Year following Christmas vacation with the following standing: Credit for Physics, Chemistry and Biology. Required to complete standing in Drawing, English and French. Permitted to take Modeling during Second Year.

J. O. Green, Senior—That in view of Queen's Faculty certificate, standing be granted in First Year Physics. That Prosthetic Technic be returned to student, and that this must be completed in Senior Laboratory under supervision of Dr. Switzer.

D. G. Seaton, Junior—That in view of Honour Matriculation certificate, standing be granted in First Year Physics.

Wm. J. Olmstead, Pre-Dental—That in view of standing in Biology, University of Saskatchewan, standing be granted in Pre-Dental Biology.

T. D. Lewis, Senior—That standing in First Year Physiology be granted on successful completion of Second Year Physiology.

I. P. Asselstine, B.A.—That in view of certificate submitted from Queen's University, standing be granted in First Year Physics and Chemistry.

Charles G. Adams, Freshman—That in view of standing obtained at University of Manitoba, standing be granted in First Year Physics and Chemistry.

Ed B. Steeves, Sophomore—That candidate be required to take final quiz on Dissection and also write final paper.

T. H. Norval, Sophomore—That candidate be exempted from Inorganic Chemistry of Second Year, but required to take Organic Laboratory and write final paper.

Wm. Mitchell, Senior—That candidate be excused from Senior Laboratory.

Gordon J. Millen, Senior—That standing be granted in Second Year Prosthetic Technic on account of service in C. A. D. C.

T. Harold Young, Sophomore—That candidate be permitted to write Anatomy and Materia Medica at spring examinations without extra fee.

Gordon Allingham, Sophomore—That candidate be permitted to write Materia Medica at spring examinations without extra fee.

Written Examinations and Term Credits—That in all laboratory courses, including Chemistry, Metallurgy, Practical Anatomy, Histology, the Laboratory credit will be considered independent of the written paper in each subject, and the student required to obtain a pass mark in the laboratory course.

Those students who fail to obtain an average of 50 on term credit and final written paper, will be required to write a supplemental examination in September.

Results of written examinations held at the end of January will not be announced until the completion of all the examinations in April.

All students should bear in mind the fact that there will be in operation next session the regulation of the Board that no student will be permitted to proceed to a higher year carrying a condition from a lower year, and that it is necessary that at least 75% of laboratory and lecture sessions be attended.

These regulations will also apply to members of the Senior Class who will not be permitted to go up for Convocation until their clinical and other credits are satisfactorily completed.

Pre-Dental Year—That the regular session of the Pre-Dental Year will close on or after the 1st of April this session and examinations will be held as soon as possible after that date.

Allen Cup Contestants—That students who were absent from the city during examinations be permitted to take supplementals without fee and make their own arrangements with the professors.

Grant Johnston, Senior—That term credit in Histology be granted.

John R. Parrott, B.Sc.—That standing be granted in First Year Chemistry and Physics.

Robt. A. Dean, Senior, 1919-20—That mark obtained in Physics be considered a pass, in accordance with ruling of Board on Senior results in May, 1920.

Johannes Olson, Senior—Allen Cup Contestant—That candidate be permitted to arrange for term and final credits as follows: Orthodontia Dr. Hume; Surgery, Dr. Risdon; Jurisprudence and Ethics, Dr. McLaughlin; History of Dentistry (Final), Dr. Conboy.

W. F. McLean, Senior—That candidate be permitted to arrange with Dr. Risdon regarding term credit in Surgery.

Clement Akins, Senior—That candidate be permitted to write on examinations, although not having met attendance requirements on account of illness, and that he be permitted to complete clinical work after written examinations.

R. R. McIntyre, J. E. Graham, Juniors—That standing be granted in Dental Anatomy.

Charles J. Rogers, Junior and J. R. Allison, Freshman—That if candidate is able to write examinations in fall without endangering his health (as per certificate of medical adviser), he be permitted to do so without fee, but if not, that a recommendation be forwarded to the Board that they take into account his term credits to determine his year's standing without regard to written papers.

J. C. Mabee, Freshman—That in view of First Year Arts standing, McMaster University, standing be granted in Physics and Chemistry of First Year.

Gaston Brulé, Pre-Dental—That in view of First Year Arts standing, University of Ottawa, standing be granted in Pre-Dental French and English.

Fred F. Hughes, Pre-Dental—That in view of Honour Matriculation in French, standing be granted in Pre-Dental French.

J. F. Lippert, Junior—That standing be granted in Second Year Prosthetics.

Howard G. Lloyd, Sophomore—That in view of having transferred from McGill, where Osteology was not a subject of the First Year, standing in this subject be granted on completion of Anatomy of Second Year.

SUPERINTENDENT'S REPORT.

Board went into Committee of the Whole on the report with Dr. Abbott in the chair.

Committee rose and reported that the report had been adopted, as amended as follows; with certain resolutions growing out of the report. The report of the Committee of the Whole was adopted on motion of Abbott and Bruce.

Toronto, September 12, 1921.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—In this report the following matters are dealt with:—

- (A) Conferences with Western Universities.
- (B) Pre-Dental standard and Dominion Dental Council.
- (C) Chair of Dental Economics.
- (D) Chair of Clinical Dentistry.
- (E) Pre-Dental Equivalents.

Conferences with Western Universities.

During the past summer your Superintendent visited the Provincial Universities of British Columbia, Alberta, Saskatchewan and Manitoba. The typical spirit of the West, embodying initiative, optimism and resource, is amply shown through the varied activities of our Western Universities. New buildings already occupied, or to be erected in the near future, are of gray stone and generously proportioned. Even a passing observation of the rapid development of these Universities proved very interesting, and leads one to conclude that Canada is well equipped to meet the requirements of higher education in the Western Provinces.

Conferences were held with University officers in each of the above provinces. In every case sympathetic attention was given to all suggestions looking toward closer co-operation between this College and the Western Universities.

The Pre-Dental standard formed the main basis of discussion. Your Superintendent is glad to report that this standard has been adopted in principle, without exception, and provision was made to receive Pre-Dental students in all Western Universities commencing session 1921-22.

From the viewpoint of Canadian Dentistry the importance of this development cannot be overestimated. Some of the advantages are:—

- (a) Definitely link up Dentistry with the Western Universities, and thus maintain dental standards.
- (b) Dentistry being linked up with the Provincial Universities, the Provincial Legislatures will learn to appreciate that dental enactments are primarily in the interests of the public and are necessary for the protection of those who enroll for dental studies in their own local University. A realization of these facts will remove from the Dental Profession the false stigma that dental legislation is sought by the profession for selfish ends.
- (c) The development in each province of dental teaching facilities will result in the recruiting to the ranks of the profession locally, and thus maintain a rugged national Canadian spirit in the Dental Profession of Western Canada.

Your Superintendent took advantage of every opportunity which presented for the discussion of these questions with members of the Dental Profession, both individually and collectively, and without exception found Western Dentists heartily in favor of the Pre-Dental standard and of the plan to have Pre-Dental work taught in their own Provincial University.

Thus we have, as a College, opened up channels, through which a candidate may pass for the purpose of obtaining Pre-Dental credits.

Permitting students to complete Pre-Dental standard at any High School has very serious weaknesses when viewed from the purely academic standpoint, notably the following:—

- (1) Each of the courses are materially different. Students do not reach a common standard, nor do they cover similar work in the individual subjects.
- (2) It is absolutely impossible for the students to obtain instruction in Modelling and Art in many of the High Schools and where such courses are given, they fail in their application to Dentistry.
- (3) If a considerable number of students take the Pre-Dental year elsewhere than in the R.C.D.S., it will be impossible to move back into the Pre-Dental Year any purely dental instruction.

Under ideal conditions, the five-year dental course would be so arranged that the fifth year would be devoted almost exclusively to clinical work, and such an objective cannot be attained, unless dental teachers control the Pre-Dental studies and develop a well-balanced five-year course.

Furthermore, students may proceed with Honor Matriculation work though they have not completed Junior Matriculation and thus proceed as partial matriculants in High School, while we prevent them from proceeding in Pre-Dental year at R.C.D.S. It is also impossible for a candidate to write off Honor Matriculation subjects, without attending School.

Pre-Dental Standard and Dominion Dental Council.

All of the Western Universities having accepted the Pre-Dental standard, your Superintendent, at the request of the President of the Dominion Dental Council, conferred with two of the Western members of the D. D. C. (Drs. Cowan and Bush), regarding the advisability of the D. D. C. holding a special meeting before the opening of College for the purpose of definitely dealing with the notice of motion made by Dr. Abbott that the Pre-Dental standard be adopted by the D. D. C., and apply to students entering session 1921-22. All of the Western members of the D. D. C. were in favor of such a meeting, but owing to the D. D. C. constitution requiring unanimous action at special meetings, and the unwillingness of Nova Scotia to support Dr. Abbott's motion, it was decided by the D. D. C. that a special meeting be not held and Dr. Abbott's motion stand to be dealt with at the next regular meeting.

Dr. Abbott will officially report upon these matters, but the question is briefly presented in this report, that the Board may know that your Superintendent was asked frequently during his Western trip, concerning the standing of students who may enter a four-year course at either Alberta or Dalhousie this session, and particularly their eligibility for the D. D. C. and Ontario license. To all such enquiries the decision of this Board was authoritatively quoted, that a D. D. C. certificate, granted under such circumstances, could not be honored for purposes of registration in the Province of Ontario.

Your Superintendent would recommend that telegrams be authorized to be sent both to Alberta and Dalhousie, making Ontario's position clear, and requesting that all students who enter Session 1921-22 upon a four-year course be notified that they will under no circumstances be permitted to practise Dentistry in Ontario without first meeting the Pre-Dental standard. (Adopted.)

In dealing with this matter we must not only be fair to those candidates who choose the five-year course this year, but also keep in mind our own students who enrolled in five-year courses both last session and the session previous.

Chair of Dental Economics.

The pressing need for special development in connection with the subject of Preventive Dentistry, and the growing responsibilities of that chair, combine to prompt your Superintendent to respectfully request that the Board appoint an associate professor in the chair of Dental Economics.

Chair of Clinical Dentistry.

Some years ago the Chair of Clinical Dentistry was divided into Clinical Prosthetic and Clinical Operative, but your Superintendent believes the time has now come when a chair of Clinical Dentistry should be established and placed upon a more substantial basis as one of the most important teaching departments in the School.

It is impossible to separate the chair of Clinical Dentistry from the many administrative and economic problems of the College Infirmary. The efficient training of our students and the control of administrative problems make it necessary that action be taken without delay. In this connection the suggestion is also made that the Board forward to the Faculty Council the view of this Board regarding the approximate period of time, in a five-year course, at which students should commence their course in Clinical Dentistry.

Pre-Dental Equivalents.

This year generous interpretation is being given the regulations, and though an Arts or College student may not technically have covered every one of the Pre-Dental subjects, one complete year's work in the Arts, Science or Medical department of a recognized University is being considered as equivalent to the Pre-Dental Year, providing the subjects taken are equivalent. The same attitude is assumed towards graduates in these departments, but no concession beyond the Pre-Dental Year, is being granted to holders of an M.D., B.A., or B.Sc. degree.

A ruling is required as to whether a student who enters a four-year dental course this year at another School may, upon graduation, enter the Senior Class of the R.C.D.S. In other words, is our Senior Year, following graduation elsewhere, to be accepted in lieu of the Pre-Dental Year?

Respectfully submitted,

WALLACE SECCOMBE,

Superintendent.

RESOLUTIONS GROWING OUT OF THE REPORT.

Pre-Dental Year.

- (1) That, commencing September, 1923, all candidates must take the Pre-Dental Year at the Royal College of Dental Surgeons, or an equivalent year's work in a recognized Dental Department or Provincial University.

- (2) That no exception be made re Pre-Dental standard in the case of a graduate from another College who entered upon the study of Dentistry after September the first, 1921.

Associate Professor Dental Economics.

- (3) That Dr. Conboy be appointed Associate Professor of Dental Economics.

Professor of Clinical Dentistry.

- (4) That the principle of appointing a Professor of Clinical Dentistry on full time service be adopted.
(5) That the usual procedure regarding appointment of a Professor of Clinical Dentistry be followed.

PROFESSOR OF CLINICAL DENTISTRY.

Upon the recommendation of the Dean and Superintendent, the President appointed Dr. Mason as Professor of Clinical Dentistry, The designation of the present Infirmary staff to remain, except the words "Operative and Prosthetic" be struck out.

On motion of McLean and Bruce, the appointment was confirmed.

J. F. ROLLITT.

The Committee appointed at the last meeting to act on the "Rollitt" case reported that the Superintendent interviewed the Minister of Education, who recommended that the Board should issue a permit to Dr. Rollitt to practice in the town of Barrie and that, in accordance with this recommendation, the following permit has been issued after being submitted to the Minister:—

"Upon the recommendation of the Honourable Minister of Education of the Province of Ontario, the Board of Directors of the Royal College of Dental Surgeons of Ontario hereby permits John F. Rollitt to practice Dentistry in the town of Barrie only."

Witness our hand and the seal of the College this first day of June, 1921.

M. A. MORRISON, President.

W. E. WILLMOTT, Secretary.

On motion of Abbott and Cowen, the report of the Committee was adopted.

T. N. CLARK CO.

A communication from the T. N. Clark Company regarding the purchase of chairs for the Infirmary was laid before the Board.

Moved by Abbott and Bruce: "That the communication be received and placed on fyle." Carried.

IRREGULARITY IN EXAMINATIONS.

The Superintendent reported an alleged irregularity in the examinations of a Senior student last session.

Moved by McGuire and McLean, That the Superintendent be authorized to take action on the matter.—Carried.

PRE-DENTAL STANDING.

Moved by McGuire and Bruce: "That, as some of the High School Principals have given students to understand that pass standing in Honor Matriculation would be sufficient for Pre-Dental standing, this Board would request the University to accept such for entrance to the Freshman Year this session." Carried.

WILLMOTT SCHOLARSHIP.

Moved by McLean and Bruce: "That the resolution re the Willmott Scholarship, adopted at the special meeting of the Board in December, 1920, be hereby rescinded and that the Faculty Council be instructed to award the Scholarship for session 1920-21 in accordance with a resolution adopted at the meeting of the Board in May, 1917." Carried.

Moved by Mason and McLean: "That the Willmott Memorial Scholarship be abolished and that the President, Secretary and the mover be a Committee to report on a more suitable Memorial."—Carried.

BUILDING AND GOVERNMENT COMMITTEE.

The report of the Building and Government Committee was presented as follows, which, on motion of Bruce and Cowen, was adopted and placed on the Minutes.

September 12, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Your committee met at the College Building on May 30th, 1921, and again on the 6th of September, 1921.

At the meeting in May, the committee considered in detail numerous expenditures in several departments of the College, and after careful consideration, decided that, owing to the high prices prevailing, it would be advisable to defer action until the fall in all matters excepting those requiring immediate attention. Following out this plan, the following tenders were accepted at the May meeting:

S. S. White Co., 20 Diamond Chairs at \$270 each	\$5.481 00
Temple-Pattison, 20 Cabinets at \$168 each	3,360 00
Self Bros., Arch opening from Infirmary to Prosthetic	
Department	68 90
Turnbull Elevator Co., changes to elevator	306 75
Ingram & Bell, 13 Microscopes	835 00

\$10,051 65

The balance of building alterations and equipment were dealt with at the September meeting, and the committee is glad to report that the prevailing prices in September were much lower than those in effect last May.

The following appropriations have been authorized:

Changes to conform to regulations of Electrical Inspection	
Department	\$ 720 00
Machinery, Physics Department	500 00
Ingersoll, Rand & Co., Air Compressor	1,300 00
Weller & Co., alterations to Infirmary Cabinets	600 00
Galvanized Iron Waste Drawers for two Prosthetic Laboratories	364 00
Necessary lettering throughout building, lockers, Infirmary chairs and cabinets	90 00
National Refining, two Vulcanizers	120 00
Chemical Department, changes in Laboratory and new equipment	1,850 00
Practical Physiology equipment and to complete 20 kits....	700 00
Surgery equipment (appropriation)	700 00
Building alterations, including Senior Laboratory (carpenter and plumber)	250 00
New equipment for use of Prosthetic Technician	1,500 00
Typewriters for nurses' course (appropriation)	400 00
Two small desks	100 00
	\$9,194 00

Respectfully submitted,

M. A. MORRISON,

W. M. McGUIRE,

H. R. ABBOTT,

Tuesday 23rd—9.00 a.m. to 12.30 p.m.

—2.00 p.m. to 6.10 p.m.

Wednesday 24th—9.00 a.m. to 12.45 p.m.

Thursday 25th—9.00 a.m. to 12.25 p.m.

—2.00 p.m. to 5.40 p.m.

—9.30 p.m. to 11.15 p.m.

Friday 26th—9.00 a.m. to 12.45 p.m.

—2.00 p.m. to 5.40 p.m.

Saturday 27th—9.00 a.m. to 12.00 m.

All the members were present, except representative from District No. 7.

On motion of Bruce and Cowen, the minutes of the last annual meeting were adopted as printed.

The minutes of the special meeting in September, 1921, were read and on motion of McLean and McGuire were adopted.

REPRESENTATIVE FROM DISTRICT No. 7.

A communication, addressed to the President, from the Secretary of the London Dental Society was read, stating that, after a canvas of District No. 7, the London Dental Society, being the only organization in the District, recommended Dr. S. M. Kennedy, of London, as successor to the late Dr. H. R. Abbott, as representative on the Board from District No. 7.

Moved by McGuire and Cowan: "That Dr. S. M. Kennedy, of London, be appointed as representative from District No. 7, as successor to the late Dr. H. R. Abbott."—Carried.

Dr. Kennedy later took his seat on the Board.

HOURS OF SESSION.

Moved by Bruce and Mason: "That the hours of session shall be from 9.00 a.m. to 12.00 noon and 2.00 p.m. to 5 p.m., with an evening session when necessary, and that Wednesday, Victoria Day, the hours shall be from 9.00 a.m. to 12.30 only.—Carried.

The President appointed Dr. Kennedy to replace Dr. Abbott on the different Committees.

EXAMINATION RESULTS.

The Board went into Committee of the Whole on the Examination results with Dr. McLean in the chair. The Committee rose and reported:—

(1) That the recommendations of the Faculty Council in all the examinations be accepted.

(2) **Nurses' Class.**

That the following had passed the examinations and were entitled to the certificate. (See annual announcement, 1922-23).

(3) **M. D. S.**

That Dr. Shantz, having satisfactorily completed the required examinations, be granted the title of M.D.S.

(4) **Senior Class**

(a) That the clinical Prosthetic marks be averaged with the marks in the Prosthetic paper.

- (b) That the following be passed and granted their L. D. S. (See annual announcement, 1922-23.)
 - (c) That the following be required to complete further examinations. (See annual announcement, 1922-23.)
 - (d) That, where a Senior student is down on a Term examination where no practical work is involved, he be granted a Supplemental Term Examination on a date to be fixed by the Dean and Secretary, not earlier than June 25th.
 - (e) That Miller Magrath's certificate be withheld until the first of September, and the payment of his indebtedness to the College.
 - (f) That C. J. K. Ryan report in September and complete his clinical work, and that he be notified that, unless his conduct and general attitude towards his work be greatly improved, he will not be graduated.
- (5) **Junior Class.**
- (a) That G. J. Cameron, on account of illness, be granted aegrotat standing in the subjects on which he did not write.
 - (b) That the following be passed. (See annual announcement, 1922-23.)
 - (c) That the following take further examinations. (See annual announcement, 1922-23.)
 - (d) Re Murray Sykes: That his examination results be withheld until he has paid all outstanding accounts and made written statement that he will in future undertake to honestly meet his obligations.
- (6) **Sophomore Class.**
- (a) That the following be passed. (See annual announcement, 1922-23.)
 - (b) That the following take further examinations. (See annual announcement, 1922-23.)
- (7) **Freshman Class.**
- (a) That those who entered the class after Christmas be granted the subject of Physical Training.
 - (b) That as H. Kerr took the work of the Freshman Class up to Christmas, 1920, and dropped out before the lectures on Ethics were given to the class, and entered the class January, 1921, after the lectures on Ethics had been completed, he be granted this subject, but be required to write a supplemental on Physics.
 - (c) That the following be passed. (See annual announcement, 1922-23.)
 - (d) That the following take further examinations. (See annual announcement, 1922-23.)
 - (e) That P. B. McLaughlin, who had paid the fees for the session

and was not in attendance after Christmas, be refunded one-half the fee.

(8) **Pre-Dental Class.**

(a) That the following be passed. (See annual announcement, 1922-23.)

(b) That the following take further examinations. (See annual announcement, 1922-23.)

(9) That the Secretary be authorized to make arrangements for Supplemental Examinations, other than in the Province of Ontario, if, in his judgment, it would be a convenience to the students concerned.

On motion of McLean and Bruce, the report of the Committee of the Whole on the Examination results was adopted.

NURSES' EXAMINATIONS.

Moved by Bruce and McLean: "That, where there are two or more examiners on a nurses' examination paper, the fee payable be divided between the examiners, but not less than \$5.00 be paid to each." Carried.

Moved by McLean and McGuire: "That the arrangement of the subjects for the nurses' examination be referred to the nurse staff, with power to act." Carried.

PETITION FOR SUPPLEMENTAL EXAMINATION.

A petition was presented from a member of the Senior Class, who was required to write a further paper on Preventive Dentistry, asking if the examination might be held in the near future.

Moved by McGuire and Bruce: "That no action be taken."—Carried.

PRESIDENT'S REPORT.

The President presented his report as follows:—

Peterboro, May, 1922.

To the Members of the Board of Directors,

Of the Royal College of Dental Surgeons.

Gentlemen:—Your President begs leave to report as follows:—During the year with our exceptionally large classes, we are pleased to say that the best of harmony has prevailed in the School, the Faculty, the Student Body, and the relation of the one to the other has been all that could be desired, and a delightful atmosphere exists in all departments.

I was obliged to make a ruling with regard to our entrance requirements to the study of Dentistry. It involved the raising of the standard of Matriculation, and was done at the request of the University authorities, and also to protect ourselves from being flooded with a larger number of students than we could accommodate, and to keep Dentistry abreast of the other professions. A copy of the new regulations will be laid before you.

On account of the death of a member of the Anatomy staff, I approved the appointment of Dr. W. Sparks, who was recommended by Dr. Robinson and agreed to by Dr. Webster and Dr. Seccombe.

Early in the year we sent out from the office a circular letter to all municipalities of 5,000 and under asking for a Dental Survey in order that we could more intelligently advise our Graduates regarding locations. We also sent letters to all the Boards of Education in the Province advising them that we could supply trained men to do School Clinic work.

As the Carnegie Foundation was making a survey of the Dental Colleges of Canada, I gave my permission for any of our staff who was called upon to assist in these surveys to be absent and devote the time necessary to such work, the Foundation paying the expenses of same. I gave my consent to a survey being made of our College; and also for the Board of Regents of the State of New York to make an inspection of the School. The Carnegie Foundation made their survey early in April. I consented to an expenditure of \$67.75 to wards their entertainment and a luncheon for the Faculty, to meet these gentlemen. The President of the Board gave consent to the suggestion that we entertain on their way home from the meeting of the American Institute of Dental Teachers (held in Montreal in January, 1922), whose who could spend a day in Toronto, and an amount (not to exceed \$300) was made available for this purpose. It was decided to entertain the delegates on Thursday, the 26th day of January, and invitations were sent to each College in membership in the Institution.

A committee of the Faculty was appointed to carry through the activities of the day, which included breakfast at the King Edward Hotel, drive around the city, visits to Public School clinics and Hospitals, luncheon and inspection of Hart House, with afternoon spent at the R.C.D.S., and tea at 5.30 at the King Edward Hotel. For those who remained during the evening, a dinner was arranged and attendance at hockey match.

The visiting delegates, about twenty-five in number, thus had an opportunity of inspecting our building and equipment, learning something of our teaching methods, and of personally meeting the members of the staff. The local committee in charge is to be complimented upon its work. The total expenditures were \$265.92. Your President and several members of the Board attended the dinner of the Graduating Class, which was a most pleasant function. I would respectfully submit that the time has arrived when the Board must establish a policy of a reduction in our annual budget, and I would also like to compliment the Board on the appointment of Dr. Mason to the Infirmary which has successfully carried on during the past session with largely increased classes. The appointment of Mr. Lucas has also justified itself as shown by the fact that in spite of a

material increase in Infirmary receipts, the expenditures for supplies have been very little more than the previous year.

I cannot close this report without referring to the very great loss this Board and the whole Dental profession has sustained in the death of our esteemed and valued confrere, Dr. H. R. Abbott. After a long and painful illness the grim reaper triumphed, and we laid him to rest two days before Christmas. His life was full of kindness and helpfulness to his fellows. His successor from No. 7 District will be appointed by you at this meeting.

I also wish to refer to the death of a former member of this Board and President during the years 1893 to 1897. I refer to the late Dr. Robt. J. Husband, whose death took place at his home in Burlington on 1st November, 1921. A final remembrance from this Board was sent and representatives of the College attended the funeral.

Respectfully submitted,

M. A. MORRISON,

President.

Moved by Bruce and Gowen: "That the President's report be adopted and entered on the Minutes."—Carried.

SECRETARY'S REPORT.

The Secretary presented his report as follows:—

To the Board of Directors,

R.C.D.S.:—

Gentlemen,—

Minutes.

The minutes of the last Board meeting were prepared, and 1,500 copies printed as soon as possible after adjournment of the Board and a copy mailed with the Annual Announcement to each Licentiate in Ontario.

Examinations.

Supplemental Examinations were held in September at which 103 candidates wrote 164 papers on 35 subjects. At the examinations during January, March and April 825 candidates wrote 5,571 final papers on 34 subjects. On the Term Examinations 826 candidates wrote 1,996 papers on 11 subjects or a total for the session of 7,731 papers on 80 subjects.

Dr. U. B. Shantz, of Kitchener, presented himself for the examinations for the tide of M. D. S.

In the Nurses' Examination 19 candidates wrote 133 papers on 7 subjects.

After consultation with the Dean and Executive Committee of the Faculty Council, it was considered unwise to definitely follow out the suggestion made at the last meeting to spread the examinations over

a longer period. The Junior Examinations were held during the first week in April, thus allowing the work in the Infirmary to be carried on continuously, the Seniors completing their work while the Juniors wrote and then the Junior working while the Seniors wrote.

Those examinations held previous to Easter, were written at the University. As the University buildings were not available after that time, and as no other hall could be obtained, of necessity, the remainder of the papers were written in our own building. The length of time between the examinations and the meeting of the Board has enabled the examiners in all the years to get in their returns so they may be tabulated for presentation to this meeting.

If in the proposed arrangement of curriculum and calendar for next session, there is not a similar time for reading the papers, it is suggested that two examiners in the same locality be appointed for each subject, to set a joint paper, each to read one-half of the answers, and in case of a paper being marked below a pass, to consult on the mark to be given. (Adopted.)

Dr. N. A. Powell has resigned as Examiner in Juriprudence and Ethics.

The arrangement of the subjects for the Nurses' examination appears rather peculiar and should be somewhat modified. (Referred to Nurses' Staff with power to act.)

Examination Books.

As there are only about 1,000 Examination Books in stock it will be necessary to obtain another supply before the next examinations are held. Your Secretary wishes instructions.

Dominion Dental Council Certifications.

During the past year the following holders of D.D.C. Certificates presented them, with the prescribed fee, for registration in Ontario and an L.D.S. diploma was issued:

W. R. Wilkes, St. John, N. B.

H. B. Wood, Toronto.

W. J. Alcombrack, Toronto.

A. McGregor Smith, Regina.

G. C. Caldwell, Esterhazy, Sask.

This makes a total of 11 D.D.C. Certificates registered in Ontario.

Dentistry Act and By-Laws.

Two years ago the Board authorized a new issue of the pamphlet containing the Act and By-laws. After the Board adjourned, some further changes were anticipated, and on the suggestion of the President, the publishing was deferred until the next meeting in 1921. At the latter meeting a committee was appointed to carefully consider the By-laws and report suggested changes to this meeting. A copy of the galley proof for each member is herewith submitted. Your Secretary should be instructed as to the number to have printed.

L.D.S. Diplomas.

If the number of graduates next spring equals the number in the

Junior class of the past session, there will be a shortage of L.D.S. Certificates.

Biennial Elections.

As the election of the Board of Directors will take place in the fall of 1922, the Board should give your Secretary such instructions as may be necessary and appoint scrutineers.

Licentiates Deceased.

W. R. Wilkes (D.D.C.), 1921, St. Catharines.

All of which is respectfully submitted,

W. E. WILLMOTT,
Secretary.

Moved by McLean and Bruce: That the report be adopted and entered in the Minutes. Carried.

EXAMINATION BOOKS.

Moved by Bruce and McGuire: That the Secretary procure by tender two years' supply of Examination Books, with ruled margin. Carried.

DENTISTRY ACT AND BYSLAW.

Moved by McGuire and McLean: That twenty-five hundred copies of the pamphlet, containing the Dentistry Act and By-laws, be printed and one copy be sent to each Licentiate in the Province of Ontario. Carried.

L.D.S. DIPLOMAS.

Moved by McGuire and Davidson: That the Secretary be instructed to procure, by tender, a two years' supply of L. D. S. diplomas, if he finds that there are not a sufficient number for the graduating class of 1923. Carried.

BIENNIAL ELECTION.

Moved by Davidson and Cowen: That the Secretary observe the same procedure in the fall of 1923 as on the previous occasions, and

that Mr. H. J. Bolitho and Dr. James Brebner be appointed scrutineers. Carried.

TREASURER'S REPORT.

The Treasurer presented his report as follows:
To the Board of Directors,

Royal College of Dental Surgeons,
Gentlemen:—

Your Treasurer sent out about 1,350 notices of Annual Fees on October 1st, 1922. Only 715 Licentiates having paid, 500 second notices and 133 drafts were sent out on December 1st, and on February 1st, 300 more drafts, 73 drafts were returned for various reasons.

At a former meeting your Treasurer was authorized to enter suit against any Licentiate in arrears. On March 1st 45 suits were entered. It is suggested that, after this, suit be entered only against those who are two or more years in arrears.

The following Licentates are in arrears for fees, and may not collect any professional fee through the courts, as provided by Section 24, Sub-section (2) of the Dentistry Act:

"For any services rendered in the practice of Dental Surgery while he is in default in respect of any annual fee, a member shall not be entitled to recover in any court."

W. A. Brethour, Toronto.

R. M. Carruth, Toronto.

C. A. Cooke, Toronto.

E. W. Eby, Blenheim.

F. W. Gordon, Kingston.

E. Henderson, Hamilton.

W. J. LaFlamme, Sudbury.

N. D. Liberty, South Porcupine.

J. C. McGowan, Hamilton.

W. H. McGuirl, Westport.

F. N. Regan, Toronto.

W. R. Rodger, Toronto.

J. M. Sharpe, Toronto.

H. E. Silk, Toronto.

N. W. Snider, Kenora.

A. D. Wood, Toronto.

Several Licentiates had paid in advance before the fee was raised and the Board decided at its last meeting that the increase should not be collected from these, though no resolution was placed on the Minutes. The auditor requests that the Treasurer be given such instruction by resolution.

The item in the Financial Statement, which is appended hereto, of \$1,963.39, paid to Fiddes & Hogarth, was for work done during session 1921-22, to cover which your Treasurer received \$2,000.00 from the School.

All of which is submitted,

W. E. WILLMOTT,

Treasurer.

Moved by Bruce and Davidson: "That the report be adopted and entered on the Minutes." Carried.

LICENTiate FEES PAID IN ADVANCE.

Moved by Davidson and Kennedy: "That those licentiates, who

had paid the annual licentiate fee in advance, previous to the raising of the fee, be not required to pay the difference." Carried.

APPRECIATION OF DR. H. R. ABBOTT.

Moved by Davidson and McGuire: "That this Board wishes to place on record its deep regret at the removal by death from its membership of Dr. H. R. Abbott, and to express its appreciation of his valuable services in connection with the Board and to the profession as a whole and wish to convey to his family their heartfelt sympathy in their bereavement and that a copy of this resolution be forwarded to his family." Carried.

DOMINION DENTAL COUNCIL.

Moved by Bruce and Davidson: "That Dr. W. M. McGuire be appointed the representative from this Board on the D.D.C. for the ensuing term and that Dr. A. D. A. Mason be appointed the alternative."

PETITIONS COMMITTEE.

The report of the Examinations' and Petitions' Committee of the Faculty Council was presented.

The Board went into Committee of the Whole with Dr. McGuire in the chair, to discuss the report.

The Committee rose and reported that the report had been adopted as follows:—

May, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Presented herewith is an abstract of the reports of the Petitions' Committee as adopted by Faculty Council.

Supplemental Exams.

Re. Students outside Ontario.—That supplemental examinations be held in September at points outside Ontario at same time as examinations held in Toronto, and this regulation to apply to all years and all candidates outside the Province.

Willmott Scholarship.

That Willmott Scholarship of \$150.00 be awarded by the Faculty Council to one of the following members of the class:—

Miss MacKenzie	Mr. Cummer	Mr. R. Dunlop
Mr. Yack	Mr. Dietrich	Mr. P. E. McDonald

The examination marks of these candidates range from 630 to 541, and it was decided to ask the Faculty to follow the regulation of the Board and award the Scholarship upon the basis named in the regulations.

The Faculty subsequently named Mr. R. Dunlop and the scholarship was so awarded.

Senior Students under Indentureship During College Course.

The committee decided that such students as have satisfactorily completed all required work to date be granted permission to sign indentures, provided the prospective preceptor be satisfactory to the committee, and that such preceptor personally supervise work of students and assume full responsibility for same;

That all applications of students be considered by the Committee and that the above regulation apply to all cases where such permission is granted. (To apply also to Seniors, Session 1922-23.)

Infirmary, Summer Session.

The College Infirmary will be open during the months of May, June and September, 1922.

All Junior Students are required to successfully complete during the summer, either one month in the College Infirmary or two months in the office of an approved Licentiate under indentures, before being admitted to the Senior Class, session 1922-23.

Junior Students who have not completed the Clinical requirements of the Junior Year will be permitted to complete their deficiency during the summer session, but such attendance will be in addition to that required in preceding paragraph.

No fee will be charged for clinical summer session.

Supplemental Laboratory Courses.

Laboratory courses, in all years, will be held during the month of September for students who are required by any department to take a supplemental laboratory course.

Students Taking Subjects Outside Year.

No special concessions will be granted to any student taking work outside of the year in which he is registered.

That all candidates taking the course in the regular way be granted exemption from subjects which they have taken elsewhere.

Conditioned Students Not in Attendance Last Session.

Applications were received from students carrying conditions who were not in attendance last session, and who were not notified to return for supplemental examinations in September, 1921. It was decided that all such candidates whose record justified consideration be permitted to proceed, but they be notified that under no condition will they be permitted to enter session 1922-23 carrying a condition.

The above ruling applies to the following:—

Woodley, John W.; Ferguson, H. R.; Brown, A. C.; Kelly, W. C.

Miscellaneous.

J. H. Dougall, Soph. 1920-21.—Candidate was required to remove conditions before opening of session, and as he did not do so, will not

be permitted to register 1921-22.

Howard G. Lloyd, Soph. 1920-21.—That owing to having transferred from McGill and not having taken Histology, candidate be permitted to take this subject during Junior Year.

J. O. Green, Senior, 1920-21.—That candidate be excused from laboratory course in Applied Physics because of illness. That on recommendation of the Professor, granted term standing in Jurisprudence and Ethics, and Surgery.

Edward Steeves, Soph. 1920-21.—That candidate be permitted to complete practical Anatomy in Junior Year, owing to this work not having been taken at Dalhousie.

R. A. Watson.—That candidate be passed in Freshman Physics upon recommendation of Prof. Anderson.

W. M. McCorkindale.—That having registered as Freshman, 1920-21, and having paid fees and attended part of session, candidate be permitted to enroll in Freshman class, 1921-22.

John A. Phillips.—That in view of surgical operation preventing completion of term standing, in Dental Anatomy, candidate be granted pass in this subject.

Shirley Locke, Fresh., 1920-21.—That, in view of C.A.D.C. service, candidate be permitted to write upon supplemental examinations, and be considered a sergeant in so far as his four-year course is concerned.

Frank L. Mills, B.A.Sc.—That candidate be permitted to continue his course, interrupted session, 1919-20, by illness, and be admitted to three-year course, session 1921-22.

That, on account of practical experience in dental laboratory, candidate be granted standing in first year Prosthetic technic.

E. H. Hewitt, Jas. C. Egan.—That candidates be suspended for one year on account of irregularities in examination hall, and permitted to write upon supplemental examination in September, 1922, and that other colleges be notified to this effect. Subsequently, on petition these candidates were permitted to write on April Examinations.

Arts' Group.—That upon successful completion of Second Year Anatomy, standing in Osteology be granted.

A. B. Mair.—That, as a sergeant candidate be permitted to carry conditions, he be granted first year Prosthetic Technic on recommendation of Professor, but must complete Dental Anatomy and Second Year Prosthetics.

W. H. McPhee.—That candidate attend session 1921-22 and remove all conditions of first and seconds years before enrolment in Junior Class.

W. N. Lamond, Junior, 1920-21.—That candidate be required to complete credit in Anatomy before proceeding with course.

E. L. Wright, Pre-Dental, 1920-21.—That standing in Chemistry be granted, and that Prof. Anderson be asked to re-read Physics paper

in view of misunderstanding regarding questions.

Milton Montgomery, Soph., 1920-21.—That standing be granted in Anatomy. That on account of service in France, candidate be treated as a Sergeant and permitted to complete first year Chemistry before entering Senior Year, if University of Toronto concurs.

J. R. Fowlie, Soph., 1920-21.—That, in view of War Service, candidate be passed in Physics and Chemistry, if University of Toronto concurs.

H. O. Canniff, **W. L. McMachen**, Juniors.—That candidates be granted standing in Osteology, as they have successfully completed credit in Anatomy.

R. M. Harmer, Transferred from University of Alberta, granted Second Year Chemistry. Required to take Histology, First Year Physiology, Dental Anatomy Carving.

That he be given standing until Christmas, that he be required to discontinue his course until he satisfies the requirement regarding supplemental examination in Physics, report of which was delayed by University of Alberta till December.

That candidate be permitted to write upon supplemental examination in Physics carried from University of Alberta, and also in Freshman Physiology examination, in April.

J. S. Wilkinson, transferred from University of Alberta. Required to take Histology, First Year Physiology, Dental Anatomy Carving.

W. D. Davidson, transferred from McGill University. Required to take Histology, First Year Physiology.

J. J. Jeffery, transferred from McGill University. Required to take Histology, First Year Physiology.

C. L. Rowland, transferred from McGill University. Required to take Histology, First Year Physiology.

E. C. Orris, transferred from Northwestern and Michigan, be registered without condition. That in view of the judgment of the students' Court of the University of Toronto, Mr. Orris be asked to drop out for one year at the close of this session.

R. P. Shepherd, transferred from Northwestern, required to take First Year Physiology.

Irving Abramson, transferred from Pennsylvania, required to take First Year Physiology, Physical Training to be arranged with Physical Director.

F. J. A. Daly, transferred from University of Alberta, be registered without condition.

W. S. Hamilton, transferred from University of Alberta, be registered without condition.

Ben. Shlain, transferred from University of Alberta, be registered without condition.

J. A. Sampson, transferred from University of Alberta, be registered without condition.

L. Westlake, transferred from University of Alberta, be registered without condition.

J. C. Ward, transferred from University of Alberta, be registered without condition.

G. C. Gibbons, transferred from St. Louis University, be registered without condition.

C. G. Gibbons, transferred from St. Louis University, be registered without condition.

R. J. Whitaker, Attended R.C.D.S. as sergeant first and second years, Northwestern for third year. Required to take Third Year Pharmacology. Excused from Metallurgy as included in Prosthetics at Northwestern.

H. S. Turner, Freshman, 1920-21.—That, in view of ill-health, candidate be permitted to register late on consent of President; that he complete his first year and be permitted to take Anatomy, Materia Medica and Pharmacology, and Physiology of the second year, with a view to making his Sophomore studies not so heavy.

Harold Coate, Junior, transferred from Ohio Dental College.—That candidate be enrolled in third year and be required to take all of the subjects of that year, including Bacteriology, and, in addition, Second Year Physiology. He will be excused from lecture or laboratory sessions that conflict with the course in Physiology.

That standing be granted in Metallurgy on credit from Ohio.

Reyburn R. McIntyre.—That petition to be excused from term credit in First Year Physics, be not granted. Granted permission to take special course given to Seniors.

T. H. O'Connor.—The University Matriculation Board notified the Superintendent that Mr. O'Connor's appeal on eight papers, Junior Matriculation, had been granted. In view of this and the candidate's war service, he be transferred from the Pre-Dental to the Freshman Class.

J. A. Spellman, Senior, 1920-21.—That permission be given to take Osteology with present class, and that the Examinations Committee will further deal with the case when the report is received from the department on term credit. Costs of hand-writing expert and solicitor to be paid by candidate.

J. C. Robertson, Freshman.—That report be obtained from departments on progress until Christmas, and, if satisfactory, candidate be granted standing till Christmas, and that second instalment of fees be remitted.

Junior Dental Hockey Team.—That members of the Junior Dental Hockey Team be granted one period in Physical Training per week for hockey practice and that this recommendation be forwarded to Dr. Barton.

W. C. Kelly, Junior.—That student be permitted to write upon final examination in Pharmacology with Junior Class, and, if success-

ful, credit also be given in *Materia Medica*.

G. L. McKibbon, Senior.—That candidate be granted standing in first year Chemistry, in view of physical disability received during war service.

J. A. Dietrich, E. C. Niebel, Seniors.—That candidates be excused from shop work in Dental Engineering.

James A. MacDonald, 1915 Class, not attending—

1. That candidate pay all fees in arrears;
2. That he be permitted to take Junior Orthodontia Practical Work beginning on Monday, March 27th, at 1.30 p.m.

3. That he be permitted to write upon Final Physiology paper in April, 1922.

4. That he be permitted to write, either in spring or fall, examinations in Jurisprudence, Ethics, History and Economics;

5. That upon successful completion of this work, he be permitted to enter the Senior Year, session, 1922-23.

N. R. Brown, Freshman.—That, as student has not completed 60 per cent. of Prosthetic or Dental Anatomy technic, he be not permitted to write upon final examinations in these subjects.

J. G. Mills, Junior.—That on account of illness at time of April examinations, student be permitted to write in the fall without fee; that Crown and Bridge work be completed at supplemental course in September and expense shared in usual way; that student be indentured for two months and return to College September 5th in order to do twelve operations in Infirmary required for Junior Clinical credits.

J. A. C. McDonald, Freshman.—That student be required to attend supplemental course in September in order to complete practical work.

George E. Westman.—That owing to nature of illness, aegrotat standing be granted in subjects upon which student was unable to write final examinations, if term credits satisfactory.

Gerald H. Braden, Pre-Dental.—That student be granted aegrotat standing in Physics; required to take Drawing examination in fall—no fee.

D. A. Watson, not in attendance.—That in view of amount of work candidate has to complete, it would be necessary for him to attend an entire session in order to complete his deficiencies before entering the Senior Year.

Hart House.—That students who obtained 75 per cent. or over in attendance at Hart House be considered as completing our requirements in physical training on account of our required attendance being 75 per cent. instead of 80 per cent., as required by Hart House.

Moved by McGuire and Kennedy: "That the report of the Committee of the Whole on the Petitions Committee report be adopted." Carried.

PAMPHLET OF INFORMATION.

Moved by Bruce and Davidson: "That the Superintendent, Secretary and Mason be a committee to compile a pamphlet calling attention to the important matters considered by the Board and any other information the committee deem advisable, and mail a copy to each licentiate practising in Ontario." Carried.

DISCIPLINE COMMITTEE.

The Discipline Committee presented its reports as follows:

May, 1922.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Discipline Committee beg to report on cases drawn to its attention in the past year, as follows:

(1) Welland and other border practitioners complain of the tactics of American advertising dentists.—The College solicitor's opinion was asked for and a copy sent to the complainants. The member from Welland, Mr. R. Cooper, was interviewed and promised to bring this matter before the Premier and Attorney-General to see if it might be possible to curtail such unfair activities. We are now awaiting this information. There is no doubt, whatever, of the justness of the complaint, but the remedy is extremely difficult to supply.

(2) The College solicitor handled a number of cases in court and succeeded in having Bishop and Hunt convicted and fined. In the case of Rex versus Silk, the action was dismissed because of the similarity of the appearance of the two brothers, and the possibility of mistaken identity.

(3) A number of other laboratory men suspected of illegally practising dentistry are under surveillance, and will be prosecuted when the necessary evidence has been procured.

(4) The widow of a dentist was interviewed regarding illegally running a practice, and was given a stated time to dispose of the practice. This has been complied with.

(5) Re Advertising.—A Kingston practitioner was written regarding nature of advertising. Nothing further was done pending future developments. Several Toronto practitioners were approached and warned that suspension of licenses would follow if certain types of advertising were persisted in.

(6) Complaints regarding illegal practice in Ottawa was referred to a representative from that district, who took up the matter with the Chief of Police. It is recommended that evidence be secured by outside agency.

(7) Complaint from Port Perry.—This man was written to and warned. Since then he has evidently ceased practice, according to information received from complainant.

(8) Complaint from Sudbury.—This case is in the hands of a Sudbury solicitor, who is now trying to get evidence.

(9) Re Kemp.—This case was complained of a year ago, when your Committee wrote complainant asking for further information. No answer to this letter was received. Another letter was sent in January, 1922, but we still lack the courtesy of a reply.

(10) Re Legal Advice re Advertising.—We submit the opinion of I. F. Hellmuth, K.C., regarding enforcement of Dental Act re advertising.

Recommendation.—That we suspend the licenses, as above advised.

(11) As the work in this Department has grown to such alarming proportions in the last year, we recommend—That the Board name, as chairman of this committee, one who is not in active practice, and who has the necessary time to devote to this phase of our responsibility.

Respectfully submitted,....

R. GORDON McLEAN.	E. E. BRUCE.
S. S. DAVIDSON,	R. H. COWEN.
A. D. A. MASON,	

Committee.

Moved by McLean and Mason: "That the report be adopted and entered on the Minutes."

Moved by McGuire and Bruce: "That the Discipline Committee be authorized to take the necessary steps to secure evidence and conviction in the case of those in illegal practice, and of those licentiates who are not conducting their practice ethically." Carried.

Dr. Bruce presented his resignation from the Discipline Committee to take effect October 1st, 1922.

Moved by Davidson and Cowen: "That Dr. Bruce's resignation be accepted." Carried.

Dr. McLean presented his resignation as chairman of the Discipline Committee, to take effect October 1st, 1922.

Moved by Cowen and Kennedy: "That Dr. McLean's resignation as chairman of the Discipline Committee be accepted, and that Dr. Willmott be appointed chairman of the Discipline Committee, to take effect October 1st, 1922." Carried.

PETITION FROM WELLAND PRACTITIONERS.

Dr. Cowen presented a petition from the dentists of Welland regarding the action of certain American graduates in endeavoring to obtain patients in the Canadian border towns.

Moved by McLean and Cowen: "That the Discipline Committee be authorized to arrange with Colonel W. A. Price, M.P.P., and R. A. Cooper, M.P.P., to confer with the Government regarding legislation in the Welland case." Carried.

NURSES' UNIFORM AND PIN.

The Committee on the Registration of the Nurses' Uniform pre-

sented its report as follows:

May, 1922.

To the Board of Directors,
R.C.D.S.

Gentlemen:—

After full consideration of this matter, it has been decided that the registration of the dental Nurses' cap with heliotrop band, would afford the desired protection to Dental Nurses graduating from the R. C. D. S. The Nurses' Pin might also be registered. The expensse in this connection would amount to approximately \$25.00.

In order to register a design at the Patent and Copyright Office it is necessary to deposit with the Minister a drawing and description in duplicate upon oiled linen paper, together with a declaration that same was not in use to applicant's knowledge, by any other person at the time of its adoption. Upon payment of fee (if design is accepted), it is registered for five years, and may be extended for another period of the same duration.

Respectfully submitted,

GERTRUDE SHIELDS,
W. E. WILLMOTT.
WALLACE SECCOMBE.

Committee.

Moved by McGuire and Cowen: "That the report be adopted and entered on the Minutes, and that the committee be authorized to proceed with the registration as suggested." Carried.

DEAN'S REPORT.

The Dean presented his report as follows:

May, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Dean desires to present some remarks on general Dental Education, and a few recommendations, as well as to support those coming from the Faculty Council.

One of the chief marks of the educated is stability, which is gained mostly from a study of the past. The less one knows of a subject the more easily one is stampeded and lead astray. A dental education which does not protect the graduate and the public from the wiles of the promoter or from the enthusiast in methods of practice is lacking in one of its main functions. What is true in matters of practice is doubly true in matters of education. Experiments in dental education, as in other departments, are often acted upon as if they had been proven. It is right and proper that new methods of teaching should be tried, but the whole machinery of an institution should not be modified to meet some idea developed overnight. An institution's regulations

from year to year are a mark of its foresight, of its comprehension, of its problems and of its stability.

This institution, as all others similarly situated in a democratic country, depends upon the good-will of the people for its continued progress and existence. It must not only meet with public good-will, but in a very special way meet with the approbation of the dental profession which knows most about it.

In some nearby countries, and in other callings, the general profession feel it their privilege to make critical remarks about modern methods of professional education. Lest, from these public criticisms, there should develop a similar tendency among us, this institution should leave no stone unturned to acquaint all of the profession with its ideals, its policies and its ambitions. No precipitous legislation or change of policy should be undertaken without careful thought and public good-will, especially is this true during periods of depression.

After some years of experience in dental education, permit me to make a cogent observation. There are very few graduates in dentistry who fail to make good in their calling who have an honest purpose at heart. Technical and professional skill are secondary to this trait of character. Hundreds of dentists have asked me to recommend an assistant to them. In all of these, the central question is this: Is he honest and reliable? While it is important that teachers should lay before their students much of technique and methods of procedure, it is infinitely of more importance that an ideal should be planted in the minds of the students. Let me quote from no less authority than Dr. C. N. Johnson, who describes the influence of Drs. Willmott, Teskey and Stuart upon their students in this manner:

"I have often thought that the chief benefit to a class was not the mere technical knowledge which a teacher imparts, but the spirit he instils into them, the inspiration he gives them towards the higher and better things of life, and the influence he exerts in his daily intercourse and in his example. A teacher sometimes makes the mistake of assuming that his only relationship to his students is represented by his ability to impart technical information, and that, when he has done this, his obligation is fulfilled. This is a false interpretation of the true function of a teacher, and it accounts for much of the inefficiency we see illustrated in our educational work."

Let us not forget the teacher who sets up an ideal to his classes though he may not be a wonder in technique. Ideals produce technique, but technique never produces ideals.

The general working of the School has been most satisfactory, even with the exceedingly large classes in the upper years. There has been a marked reduction in numbers of the earlier classes, however. The course of the Pre-Dental Year was carried through in accordance with the curriculum as laid down last year. For this coming

year there will be recommended for your consideration an increase in the time, and one or two additions. It will appear from the results of the examinations in this year that the students do not take their work seriously. Most of the Pre-Dental students are young, and have not yet gained sufficient self-reliance to go alone.

Curriculum of the Five-Year Course.

The Faculty Council is of the opinion that the course in dentistry should be five years of thirty teaching weeks each, with the addition of a preceptor period of not less than four weeks in College or eight weeks in a dentist's office, between the fourth and fifth sessions, and that the name of the sessions should be 1st, 2nd, 3rd, 4th and 5th. The first session may be taken in a Provincial or other acceptable University outside of Ontario. Ontario students must attend the School of Dentistry of the Royal College of Dental Surgeons.

Based upon these facts it was deemed advisable to make certain adjustments and additions to the curriculum to greater advantage of the increase in time. The general idea being to complete the basic subjects of dentistry early in the course and leave the final year as an hospital or practice year, giving opportunity for fifth year students to direct special attention along lines of greatest interest and advantage to them, and, at the same time, to select only such subjects for the first year as may be obtainable in Universities which prepare dental students to enter the second year in this College.

It is needless to go into all the factors which must be considered to prepare a curriculum of studies and a schedule of courses for a school so large as this one. Suffice it to say, that the staff has prepared the schedule which is presented for your consideration and endorsement, after mature thought, careful consideration, and consultation with the best dental educational authorities.

Based upon this schedule is also presented a time-table of lectures and laboratory courses so adjusted to the school building and staff available that all the subjects and hours prescribed in the schedule can be completed in the prescribed period. You will notice by the time-table that the Senior class will receive their lectures to whole class of 325 students at one time rather than to 162 separately. Since there is no lecture room in the College big enough to hold so large a class, the Superintendent has satisfied himself that a suitable room can be secured near by, the absence of this class makes the time-table for the remaining classes more easily arranged.

Under the curriculum presented by the Faculty Council, there will be a moving of some subjects to a place earlier in the course. Among these is General Anatomy, Materia Medica, Chemistry, Physics, Metallurgy, Pathology, Comparative Dental Anatomy. This means that during the year 1922-23 there will be duplication of courses which will increase the budget for the one year only. There will be some

changes in staff recommended in the department of Operative Dentistry.

Recommendations:

- (1) That you accept the principle of the five-year course in dentistry.
- (2) The designation of each year, as suggested.
- (3) That the curriculum schedule and time-table come into effect only as the students who are in attendance in a five-year course demand; students who entered a four-year course finish under its schedule and time-table.
- (4) That this schedule and time-table be printed in the Announcement.
- (5) As Dr. Mason was moved to the Clinical Department, leaving but one professor in the Operative Department, it is recommended that Dr. R. D. Thornton be made Associate Professor of Operative.

Nurses' Course.

The course for the Nurses has been carried out as prescribed, greater attention being given to Prosthetic Dentistry than in former years. It would seem from the experience of the past that not many nurses in private practice get an opportunity to do chair assisting until they have shown themselves competent in office routine and management, correspondence and laboratory help, as well as X-Ray. It would not be expected that nurses who have had but one term's experience are competent in all the departments they are taught. The chief objection urged against the Dental Nurse is that she is not willing to do the regular office cleaning. A nurse is not spic and span for office duty, who must do a charwoman's work, but, on the other hand, she is trained to look after the daily cleaning and care of a dental office.

Herewith is presented a schedule of the course in nursing, there are some re-adjustments, reductions and additions to the curriculum. Two lectures are added on the art of office furnishing and care. Three lectures are added in the department of Surgery and Anaesthesia, on First Aid, as well as two laboratory hours on soldering and casting. The lectures on Radiology are decreased while the laboratory work is increased.

Judging from the experience of the past it might be well not to accept more than fifteen, or, at the outside, twenty students in this department as was originally intended.

Also it might be wise to have a pamphlet prepared, which would give in detail such information as would make the profession acquainted with the services a nurse can render.

General Hospitals.

For many years the students of the Senior Year attended special

clinics at the General Hospital to be instructed in Exodontia, where such anaesthetics as chloroform and ether are administered. Owing to some difficulty of arrangement with the Public Health Dental Staff these clinics have been discontinued for the past two years. A committee of the Faculty was appointed to consider the establishing of a dental service in the General Hospital. No report of accomplishment has yet come to the Faculty. Clinics have been given in the Western Hospital in Medicine, Surgery and Exodontia.

In the light of modern notions of dental practice, this whole problem should be carefully studied from the angle of service to the public and the best methods of teaching dental students. It is almost universally accepted among advanced teachers of the healing art, that people who are suffering from dental disease are sick, and since a hospital is a place in which to treat the sick, there ought to be a dental service in every general hospital. This principle has always been recognized in England, because what we call Dental Infirmarys they call Dental Hospitals. The National Dental Association last year sent out notices to all the profession in America asking them to assist in having dental services established in General Hospitals. The Montreal General Hospitals has had such a service for many years, in fact, it is the clinical teaching department of McGill University. The Royal Victoria hospital desires McGill to develop a similar teaching department in that institution. There is no good reason why patients suffering from diseases of the mouth should not be treated in a General Hospital, and there is every reason why dental students should get a part of their education in a place where the idea of treating sick people is uppermost.

In view of the history of dentistry and the needs of the public and the scarcity of clinical material for dental teaching, this Board might well promote the establishment of dental services in General Hospitals, and, where thought desirable, establish a teaching service.

Books and Instruments.

After one year's trial of the compulsory purchase of books and instruments for the student, the staff would not like to go back to the former methods.

There was, as might have been expected, some difficulty in supplying so large an order in the time specified, but, on the whole, it was a great improvement over former methods of supply. The shortcomings of the past year have been corrected in the new arrangements.

Respectfully submittd,

A. E. WEBSTER,

Dean.

Moved by Kennedy and McLean: "That the report of the Dean be adopted and entered on the Minutes, and that the schedule of the curriculum for the five-year course and the nurses' course be published in the Announcement." Carried.

HOSPITAL DENTAL SERVICE.

Moved by Kennedy and Davidson: "That Seccombe, Webster, Mason and McLean be a committee on Hospital Dental Service, with power to act." Carried.

ALUMNI REUNION.

Moved by McGuire and Bruce: "That the thanks of the Board be tendered to the committee in charge of the Alumni Reunion and to the ladies who assisted." Carried.

INSURANCE.

Moved by McLean and Bruce: "That the Superintendent and Secretary be instructed to have made a survey of the building and equipment, and given the power to increase the insurance, if considered necessary." Carried.

WAR MEMORIAL.

May, 1922.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

Your Committee on War Memorial reports that it studied the question from many viewpoints and decided to ask Mr. Coates, instructor in Modelling, to prepare a sketch which is herewith presented. The Memorial tablet is to be in cast bronze, having the names in raised letters. If the style of Memorial meets with your approval, your Committee suggests that the Committee be continued with power to complete the tablet and have it set up in a suitable place in the College Building.

A. E. WEBSTER,
W. SECCOMBE,
W. E. WILLMOTT, Committee.

Moved by Cowen and McGuire: "That the report be adopted and entered on the minutes and that the Committee be given power to complete and erect a Memorial."—Carried.

PORTRAIT COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—The portrait of Dr. Teskey, authorized by you, has been completed and delivered to the College. Miss Marion Long is the artist.

The portrait of Dr. Stuart is about completed and will be delivered within a short time. The artist is Mr. Varley.

The photograph of Dr. Trotter has been completed and the photos of Drs. McGuire and Bonnycastle are still pending.

All of which is respectfully submitted,

A. D. A. MASON,
A. E. WEBSTER,
W. E. WILLMOTT, Committee

R. GORDON McLEAN,
W. SECCOMBE,

Moved by Kennedy and Bruce: "That the report of the Committee be adopted and entered on the minutes."—Carried.

WILLMOTT MEMORIAL COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—The Board having discontinued the Willmott Scholarship it is recommended that the Portrait Committee be empowered to procure a suitable oil portrait of the late Dean Willmott.

Respectfully submitted,

A. D. A. MASON,
M. A. MORRISON,

FACULTY COUNCIL REPORT.

The representative from the Faculty Council presented the report as follows:—

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—The Faculty Council respectfully present the following recommendations to the Board:—

(1) That the calendar for session 1922-23 be practically the same as for session 1921-22, except that the Faculty Council shall arrange the holidays.

(2) That the proposed five-year curriculum shall come into effect as it affects those taking a five-year course.

(3) That arrangements be made for securing suitable accommodation, so that lectures may be delivered to the entire Senior Class at one time next session.

(4) That the Board consider the advisability of arranging for the Physical Examination of the dental students and also that they consider the question of a Health Service for the students of the R. C. D. S.

(5) That, if the University authorities impose an additional fee for Physical Training at Hart House, this be added to the fees paid by the students to the R. C. D. S.

(6) That the M.D.S. be granted purely as an Honorary title and not after examination.

A. D. A. MASON,
Faculty Representative.

Moved by McGuire and Davidson: "That Section (6) be struck out and the remainder of the report be adopted, and the whole of

the report entered on the minutes."—Carried.

COLLEGE BOARD OF HEALTH.

Moved by Mason and McLean. "That a College Board of Health be formed of the following members of the Faculty: Drs. Clarkson, Graham, Maclaurin, and Robinson, and Dr. Barton, Physical Director at Hart House, to be under the general direction of the Faculty, to arrange for a physical examination of the students. An Honorarium of \$100.00 each shall be paid to the members of this Board. That special rates be arranged with the members of the Board for those students who require medical attention." Carried.

INSTITUTE OF DENTAL TEACHERS.

The report of the annual meeting of the Insitute of Dental Teachers was presented as follows.—

The American Institute of Dental Teachers held its regular annual meeting in Montreal in January, 1922. The attendance was the largest in the history of the Institute. The programme dealt with many aspects of Preventive Dentistry. The aim was to consider what should be taught in the subjects discussed. This aspect of the programme will shed new light on the practise of dentistry in the future.

Besides the regular meetings of the Institute, there are many other organizations which hold regular and special sessions before, during and after the meetings. Among these are the Dental Educational Council of America, the National Association of Dental Faculties, the University Dental Faculties Association and the American College of Dentists.

Montreal proved to be a very attractive place of meeting. The special entertainment was varied and excellent. The attendance from this school was the largest in its history and, no doubt, will be a factor in holding the enthusiasm of the staff at its present high standard.

Through your beneficence those attending the meeting in Montreal were entertained in Toronto on their return home. This day of sight-seeing and study of the R.C.D.S. will undoubtedly leave a lasting impression on many of their minds. Those who had this entertainment in charge are worthy of special commendation.

The next meeting will be held in Omaha.

The provision, made by the Board, for the attendance of the staff seems satisfactory.

All of which is respectfully submitted,

A. E. WEBSTER,

for those present.

Moved by McGuire and Cowen: "That the report be adopted and entered on the minutes."—Carried.

LIBRARIAN'S REPORT.

The Librarian presented his report, which was considered in Com-

mittee of the Whole with Dr. Davidson in the chair.

The Committee rose and reported: "That the Librarian's report had been adopted as amended as follows:—

May 23, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—Your Librarian has the honor to report that the Library is increasing in usefulness and in importance and that a larger number of books have been in circulation than any previous year, being 621.

During the year a large number of dental books has been purchased, a list of which is attached, and it is hoped to keep the Library in a first-class condition and make additions to it whenever possible.

The Museum has had some good specimens added to it and we will soon have a very interesting collection.

A Reading Room in connection with the Library, so that the student, when he has a spare hour, may go and enjoy a quiet time with a book from the shelves, is needed in the College Building, as at the present time there is no place for him to go and be by himself.

Your Librarian would strongly recommend such a room for the students and with an assistant in attendance, who could assist and advise any student on any subject which he would desire to study.

I would also recommend that the same sessional allowance be made as last year.

A very generous donation of Medical books and books on correlated subjects was presented to the R.C.D.S. Library by McAinsh & Company. These books have been indexed and placed upon the shelves and are filling a large place in the reading matter of the student. The McAinsh & Company wish to add to their list any and all publications which will add to the usefulness of our Library, as they may appear in print.

All of which is respectfully submitted,

C. A. KENNEDY, Librarian.

Moved by Davidson and Bruce: "That the report of the Committee of the whole be adopted." Carried.

Moved by Mason and McLean: "That the Secretary be instructed to convey to McAinsh & Co. the hearty thanks of this Board for their very generous donation of books to the College Library." Carried.

Moved by Kennedy and Cowen: "That the Librarian be authorized to have a new catalogue issued when necessary and a copy sent to each licentiate practising in the province, with a note stating that the books are available to licentiates, but that no book shall be kept longer than one week, with a penalty of five cents per day beyond that time."—Carried.

BUILDING AND GOVERNMENT COMMITTEE.

The Building and Government Committee presented its report as follows:

May 23, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen: Your Building and Government Committee met in the College Building on the 11th of January, 1922.

The President in the chair.

Action was taken on the following matters:—

(1) Request of Dental Index Bureau that the R. C. D. S. guarantee Volume II. of the Index to the extent of \$50.00 was adopted.

(2) Accounts were presented from the Prosthetic Department including time spent by Sgt. Byrne and certain equipment which was not authorized by the Committee.

It was decided to pay items for equipment, but in future requisitions must be obtained through the office, before incurring expenditures of any kind.

(3) An appropriation of \$328.00 was made for Dental Engineering

equipment.

(4) The Committee decided to take no action for permitting Mr. Rigsby to use the College premises for private business.

(5) The Committee decided to notify the Prosthetic Department that its appropriation was exhausted and no further expenditure must be made, previous to the Board meeting.

(6) Dr. Willmott reported the need for teaching models for the Freshman Prosthetic Department. The Committee decided that these should be made by Mr. Byrne, without delay.

(7) The Committee decided that the Prosthetic Laboratory waste trays be supplied for two hundred and sixty places for the sum of \$410.00.

(8) New blinds be supplied for the front and side of Building, where necessary.

(9) That clothes racks be supplied for the Board Room.

(10) That complete Senior students' kit be supplied Infirmary for teaching purposes and that asbestos covering be supplied for Infirmary Prosthetic Department.

(11) That a new room be built, by contract, for Anatomy vault, including equipment and necessary racks.

(12) That wooden partitions be built around the new Air Compressor to prevent the accumulation of dust.

(13) Surgical Department: That floor covering be supplied, along with necessary equipment, including couches, operating tables, etc.

(14) The Committee recommended that same penalty for late payment of second instalment of fees should be enforced as in the case of the first instalment, namely, \$5.00 for the first two days and \$1.00 per additional day up to the tenth day and that late registrants be required to obtain the consent of the President.

Respectfully submitted,

SUPERINTENDENT'S REPORT.

Superintendent's report was considered in Committee of the Whole, Dr. McLean in the chair.—The Committee rose and reported that the Superintendent's Report had been adopted as follows.

May, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

Registration, School of Dentistry, Session 1921-22.

Registration in the School Dentistry of the R. C. D. S., Session

1921-22, reached a total of 837 students. Of this number, 15 were women.

The following tabulation shows the classes in which these students were enrolled, and also indicates the provinces and countries from which they came:

	Pre-Dental.	Freshman.	Sophomore.	Junior A.	Junior B.	Senior.	Total (Province)	Total.	Per Cent.
Ontario	48	84	122	120	102	148	624	624	74

England					1		1	10	2
	54	110	169	160	164	180	837		

Students have been registered from 16 different provinces or countries, thus showing the cosmopolitan character of our student body.

74% of our students are from Ontario, 20% from the West, 4% from the East and 20% from outside Canada.

The limit of registration for the first year class, as fixed by the Board, namely, 160 students (of whom 100 may be from Ontario) was not reached last session, and we do not expect it to be reached the coming session.

Estimated Registration, School of Dentistry, Session 1922-23.

A careful estimate of the registration of students for next session, indicates an attendance of approximately 824 students as follows:

First Year	110
Second Year	100
Third Year	110
Fourth Year	180
Fifth Year	324

Total 824

Registration, Training School for Dental Nurses, Session 1921-22.

The registration of Dental Nurses in Training during the past session, has totalled 19.

Recommended that not more than 15 Dental Nurse students be accepted next session. (Adopted.)

Deferred Payment of College Fees to Returned Men, Session 1921-22.

The University of Toronto Alumni Association notified your Superintendent that Alumni loans would not be available to Dental students unless this College was prepared to defer payment of fees of returned soldiers, as was done last year.

The Veterans' Association of the R. C. D. S. was asked to appoint representatives who, with the Superintendent, interviewed the Honourable, the Minister of Education, requesting a grant to the College from the Ontario Government, sufficient to defer payment of fees of worthy returned men who were in need of financial assistance.

It was found that the amounts involved were as follows:—

Senior Class	17 students.....	\$3,150
Junior Class	104 students.....	18,430
Sophomore Class	19 students.....	3,500
Freshman Class	1 student.....	200

Totals 141 \$25,780

Individual loans varied from \$80.00 to \$200.00, the average being \$183.00.

The Honourable Mr. Grant subsequently informed your Superintendent that this amount would be included in the estimates of the Department of Education as a grant to the College.

Re-Payment of Loan of Fees.

Of the members of the Senior Class who graduated in May, 1921, twenty men obtained loans last session involving a total of \$2,915. and the notes covering these loans are now due.

Your Superintendent recommends that the Board establish a Trust, to be known as the "College Residence Trust," and that all notes covering loans to dental students be transferred to this Fund, the sums obtained to be deposited in the name of the Royal College of Dental Surgeons of Ontario, in a trust account, under the direction of the Board of Directors, and to be used for the sole purpose of pro-

viding a suitable College Residence. (Adopted.)

The Government grants (last session \$13,029, and this session \$25,780) totalling \$38,809, will, when repaid by students, go far toward placing the matter of a College Residence within the realm of possibility.

Responsibilities of the Board of Directors Toward the Public.

In addition to the responsibilities of the Board in maintaining entrance standards, carrying on the School of Dentistry, and maintaining proper standards to be attained by Licentiates of Dental Surgery, the Board has definite responsibility in the matter of assisting recent graduates to become so located in dental practice that their services may be of the greatest possible value to the community.

Having these matters in mind, your Superintendent took up with your President the desirability of making a survey of the Province. It was suggested that a circular letter be sent to School Boards in the Province of Ontario, urging the desirability of the organization of school dental clinics and offering the services of the College in securing suitable graduates to act as School Dental Officers. Also that letters be sent to municipalities under 5,000 population enclosing a questionnaire, for the purpose of learning the possibilities of dental practice and the public need for dental service, in the more rural districts of the Province.

Your President concurred in these suggestions and your Superintendent then took up the matter with the Honourable, the Minister of Education, who also fully concurred in the plan.

The Western Club of the R.C.D.S., composed of students from the Western Provinces, having learned of the above plan to be applied in the Province of Ontario, unanimously passed a resolution approving of the undertaking and requesting that the College include the Provinces of Manitoba, Saskatchewan and Alberta in the survey, that Western under-graduates might become familiar with locations in Western Canada where there is a special public demand for dental service.

The letters and questionnaire were sent out about the middle of February and attached to this report will be found copies of the same, along with the replies received.

Pre-Dental Students in Attendance at Western Universities, Session 1921-22.

We have received reports from the Western Universities stating that the following students were registered for Pre-Dental work during the past session (1921-22):—

University of British Columbia	6
University of Alberta	7
University of Manitoba	10
University of Saskatchewan	6

—
29

In addition, there were 23 Freshmen and 9 Sophomores registered in University of Alberta.

School of Hospital Dentistry, and R.C.D.S. Clinical Material.

During the past year efforts have been made to establish dental services in Toronto hospitals with a view to these services being linked up with the clinical facilities of the College available to Senior students.

Efforts have also been made to arrange for suitable equipment at a central point in the City of Toronto for the purpose of supplying dental service to the school children of the congested area of the city, through the members of our Senior Class, working under the personal supervision of graduate dentists of the Dental Service of the Board of Health. This plan meets the approval of Dr. Grant, the Dental Officer, and we have been assured by the Board of Education that an effort will be made to supply such facilities.

Upon the establishment of dental services in schools and hospitals, linked up for teaching purposes with our College Infirmary, the clinical facilities of the R.C.D.S. will be unsurpassed.

Matriculation.

The raising of matriculation standards commencing session 1923 for admittance to the new Five-Year Course, has been given careful consideration, both by this office and that of the Registrar of the University, and the following proposals are recommended as being essential to maintain the entrance requirements of Dentistry on a par with those of the other Faculties.

(See By-Law 5, page 50).

First Year of Five-Year Course.

Recommended that the arrangement made by the Superintendent with the Universities of the Western Provinces regarding students taking the First Year (Pre-Dental work), in the Arts Department be continued and also apply to any Provincial University, in Canada, and students who avail themselves of this opportunity, upon presentation of certificate showing the successful completion of English, French, Physics, Chemistry and Biology be admitted without condition to the Second Year of the R.C.D.S. Five-Year Course. In the case of Ontario Students Pre-Dental work must be taken at the R.C.D.S., as the curriculum of the Provincial University does not provide for Dental students otherwise than at this College. (Adopted.)

Moved by Kennedy and Bruce: "That the Superintendent's report be adopted and entered on the minutes."—Carried.

REPAID LOANS.

Moved by McLean and Bruce: "That, as notes for deferred payment of fees are paid, the proceeds shall be deposited in the Savings Bank in a Trust Account for the Royal College of Dental Surgeons."—Carried.

PROMISSORY NOTES.

Moved by Bruce and McGuire: "That, in future, no promissory notes be accepted in payment of College fees, except from those students who receive loans from the University Alumni Association."—Carried.

STUDENTS' INSTRUMENTS.

The Superintendent presented the tenders for the Students' Instrument Outfits for the coming session. After a thorough canvas of the situation, it was moved by Bruce and Cowen: "That the question of instruments, books, sterilizers and foot engines be referred to the following Committee, with power to act: Drs. Morrison, Cowen, McLean, Mason, Webster, Seccombe, Cummer, Ante and Babcock." Carried.

DENTAL SURVEY.

Moved by McGuire and Mason: "That the Superintendent be authorized to conduct a dental survey next spring, as was done during the past spring."—Carried.

MR. RIGSBY'S ACCOUNT.

Moved by Bruce and Davidson: "That Mr. Rigsby's account be paid and the Secretary notify him that, in future, the Board will not be responsible for payment for any work done, unless authorized by a written order from the Superintendent."—Carried.

COLLEGE RESIDENCE.

Moved by Mason and Bruce: "That the Building and Government Committee be given authority to approach the Ontario Government with a definite plan for a College residence."—Carried.

Moved by McGuire and Kennedy: "That Dr. S. Davidson be added to the Building Committee."—Carried.

DENTAL OFFICE INSPECTION.

Correspondence was presented to the meeting regarding the needs of dental office inspection.

Moved by McLean and McGuire: "That, whereas this Board has been informed that certain dentists in the Province are not conducting their practice with due regard to the safety of the public and consequently may have their licenses cancelled, this Board puts itself on record as being in favor of dental office inspection and that the Board co-operate with the Government in this regard for the protection of the public and will proceed with dental office inspection as its finances warrant."—Carried.

COMMUNICATION FROM NURSES' ALUMNAE.

A communication was presented from the Alumnae Association of Dental Nurses requesting that a graduate dental nurse be appointed to any position in the College which she may be qualified to fill.

Moved by McLean and Kennedy: "That the communication be received and concurred in."—Carried.

REFERRED TO FITTINGS COMMITTEE.

Moved by McLean and McGuire: "That the following matters be referred to the Fittings Committee, with power to act."—Carried.

(a) Faculty Room and Annex:

Partition to be removed, linoleum on the floor, suitably furnished as a study room.

(b) Anti-room off Lecture Room "B," to be fitted as cloak room for professors.

(c) More efficient lighting: Nurses' room, official notice board, Dr. Teskey's portrait.

(d) Paint outside of building, on tender.

(e) Rail to protect shrubs.

(f) Painting and plastering, not more than \$200.00.

(g) Provide X-ray unit for teaching purposes.

(h) Enamel sink in Operating Room.

(i) Linoleum on hall floor—Surgery Department.

(j) Repair floor in main hall and get estimate on replacing with "terrazza."

(k) Sod ground, Huron Street.

GOWNS AND HOODS.

Moved by McLean and McGuire: "That the Secretary procure eight gowns and hoods for use of the Board and urge the members of the Faculty to also provide themselves with gowns and hoods, and, if possible, a quantity rate be obtained."—Carried.

RESEARCH COMMITTEE REPORT.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—Your Committee on Research beg to report that the grant made to the Canadian Dental Research Foundation helped to make possible the publication of Bulletin on the Research work carried out by Dr. H. K. Box and by Dr. W. E. Cummer.

These Bulletins will be distributed to the profession in the early future and will prove a great addition to the Canadian Dental Science.

The Canadian Dental Research Foundation has practically doubled the amount of its subscription and increased interest is shown in this organization throughout Canada.

Members of the profession in Ontario are earnestly urged to send in generous subscriptions to this worthy project.

Respectfully submitted,

R. GORDON McLEAN, Chm.
A. D. A. MASON,
W. SECCOMBE,
A. E. WEBSTER,
H. CLARK,
F. J. CONBOY.

W. E. CUMMER,
H. K. BOX,
H. W. LANCASTER,
W. M. McLEAN,
G. R. ANDERSON,
E. A. GRANT, Committee.

Moved by Kennedy and McGuire: "That the report be adopted and entered on the minutes and that a grant of \$400.00 (same as last year) be made to the Committee."—Carried.

OVERDRAFT AT BANK.

Moved by McGuire and Davidson: "That the President and Secretary of the Board are hereby authorized to borrow from the Royal Bank of Canada from time to time as may be required, an amount, not to exceed the sum of \$85,000, such authority to cover a period for one year from this date."—Carried.

EXTENSION SERVICE AND POST-GRADUATE WORK.

The Committee presented its report as follows:—

May, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Extension Service.

Satisfactory progress has been made during the past year in providing lecturers and clinicians for local Dental Society meetings throughout the Province.

Your Committee arranged for the following members of the Faculty to take charge of meetings in the following places:

W. T. Amy, Ottawa.

J. W. Beatty, Galt.

W. T. Amy, London.

J. W. Beatty, Brantford.

W. E. CUMMER,

A. E. WEBSTER,

WALLACE SECCOMBE,

Committee.

Moved by McGuire and Kennedy: "That the report be adopted and entered on the minutes and that the fee be the same as last year."—Carried.

Moved by Bruce and Kennedy: "That the Dean and Mason be a Committee to prepare and publish, at least, two bulletins during the coming year to be sent to the profession in Ontario."—Carried.

Moved by McGuire and Kennedy: "That the Committee on Post Graduate work may, at its discretion, send more than two clinicians to any local centre."—Carried.

COMMITTEE ON EXAMINERS.

The Committee on Examiners presented a tentative report, which was accepted, and the Committee was instructed to present the re-

port to the Examinations Committee of the University of Toronto.

At a later session, the Committee presented the report, as agreed upon by the Joint Committee.”—(See Announcement.)

Moved by Kennedy and McLean: “That the report be adopted.”—Carried.

SPELLMAN'S CASE.

Moved by Bruce and Davidson: “That, unless Mr. Spellman settle with the College solicitor within thirty days, the Discipline Committee be authorized to proceed with the cancellation of his license under charge of obtaining it by fraud.”—Carried.

STAFF AND SALARIES.

The Committee on Staff and Salaries presented its report, which was adopted on motion of Bruce and Kennedy (not published, see list of staff in announcement).

Moved by Mason and McLean: “That Dr. R. D. Thornton be appointed Associate Professor in Operative Dentistry and Dr. W. E. Willmott, Associate Professor in Prosthetic Dentistry.” Carried.

Moved by Davidson and Kennedy: “That, in view of the general financial situation and of the smaller classes, the Board request the Faculty Council to make every effort towards curtailing of expenditures during the session 1922-23.”—Carried.

Moved by Mason and McGuire: “That the Secretary be instructed to notify Drs. Hoag, Campbell and Pye that, on account of the rearrangement of the curriculum and smaller classes, their services may not be required during the next session, and to convey to them the hearty thanks of the Board for their services in the past.”—Carried.

Moved by Mason and McLean: “That, as Drs. Bean, Flett and R. B. Stewart have resigned from the staff, the Secretary be instructed to convey to them the hearty thanks of the Board for their services while on the staff.”—Carried.

Moved by Cowen and Mason: “That Mr. Butt be employed in charge of X-ray work for seven hours a day for ten months at \$200.00 a month.”—Carried.

That provision be made in Budget for 30 lecture hours in addition to those given by Dr. Cummer. These hours to be allocated among the Associate Professors of the Prosthetic Department by the Department. Carried.

That Dr. E. A. Grant be assigned to Administrative Duties in the Department and shall, in co-operation with the head of the Department, call necessary staff meetings and see that the time-table and Curriculum is carried out, and that necessary equipment and supplies are available for staff and students as required. Carried.

DR. CUMMER'S REPORT.

Dr. Mason presented the report from Dr. Cummer regarding the

work and requirements of his Department.

Moved by Bruce and Davidson: "That Dr. Cummer's report be referred to the Faculty Council for consideration and report back to the Board."—Carried.

APPROPRIATION.

Moved by Kennedy and Bruce: "That \$6,000 be appropriated for equipment for session 1922-23, and the division of this amount between the different departments be referred to the Faculty Council."

UNIVERSITY SENATE.

Moved by McGuire and Kennedy: "That, when the bill, now before the Ontario Legislature, giving the Royal College of Dental Surgeons two representatives on the Senate of the University of Toronto, becomes law, Dr. A. E. Webster, Dean, be the other representative."—

COMMENCEMENT.

The Secretary reported for the Commencement Committee: "That arrangements had been made with the University of Toronto for a combined Convocation and Commencement to be held on the evening of May 26th. That Dr. A. W. Thornton of Montreal would give the address to the students; that the Rev. R. B. Cochrane, D.D., would offer prayer; that arrangements had also been made that Mr. Mouré preside at the organ.

Also, that the Nurses Graduating Exercises were arranged for the evening of May 25th; that Miss Knox, Principal of the Havergal Ladies' College, would address the Nurses; the Reverend Salem Bland, D.D., would offer prayer."

Moved by Mason and Kennedy: "That the report be adopted and entered on the minutes, and the Secretary be instructed to convey to those taking part in the Convocation Exercises the sincere thanks of the Board for their services."

Moved by McLean and McGuire: "That the Treasurer be instructed to send Dr. Thornton a cheque for \$50.00 for his expenses, and Mr. Mouré, \$15.00." Carried.

NURSES' COMMENCEMENT.

A request was presented from the President of the Nurses' Class asking permission to serve refreshments after their graduating exercises.

—Board met at 7.00 p.m.—Adjourned 10.00 p.m.

Friday, Oct. 6th—Board met at 9.00 a.m.—Adjourned 12.50 p.m.

All the members were present.

During the sessions the following business was transacted.

The Secretary read the call for the meeting as follows:

“Dr. W. E. Willmott,

Secretary, Board of Directors.

Dear Dr. Willmott:

You are hereby authorized to call a special meeting of the Board of Directors of the Royal College of Dental Surgeons, to be held on October 5th, at 2 p.m. and any following days necessary to complete business.

Yours very truly,

(Signed) M. A. MORRISON,

President.”

DISCIPLINE COMMITTEE.

Dr. McLean, Chairman, presented the report of the Discipline Committee as follows:

To the Board of Directors

Of the Royal College of Dental Surgeons.

Gentlemen:

(1) Your Committee beg to report that they have investigated the complaint received by the Board against E. C. Boyle, a licentiate of dental surgery for the Province of Ontario, which had been referred to them under the Statute governing the College, and on the 15th day of September, 1922, heard the evidence adduced in support thereof after due notice to the said E. C. Boyle, who appeared with counsel upon the hearing, but who refrained from giving any evidence in answer to the evidence adduced, all of which evidence, together with the exhibits, is submitted herewith.

Your Committee further beg to report that they find that the advertisement of the said E. C. Boyle as set out in the notes of evidence, appeared and was published in the Toronto Daily Star on the 2nd day of June, 1922.

(2) Your Committee beg to report that they have investigated the complaint received by the Board against R. M. McIntosh, a licentiate of dental surgery for the Province of Ontario, which had been referred to them under the Statute governing the College, and on the 15th day of September, 1922, heard the evidence adduced in support thereof after due notice to the said R. M. McIntosh, who was

not represented by counsel and who did not appear at the hearing. All the evidence together with the exhibit is submitted herewith.

Your Committee further beg to report that they find that the advertisements of the said R. M. McIntosh as set out in the notes of evidence were printed and distributed during the months of June and July, 1922.

(3) Your Committee beg to report that they have investigated the complaint received by the Board against W. A. McLaren, a licentiate of dental surgery for the Province of Ontario, which had been referred to them under the Statute governing the College, and on the 15th day of September, 1922, heard the evidence adduced in support thereof after due notice to the said W. A. McLaren, who appeared with counsel upon the hearing, but who refrained from giving any evidence in answer to the evidence adduced, all of which evidence, together with the exhibits, is submitted herewith.

Your Committee further beg to report that they find that the advertisement of the said W. A. McLaren as set out in the notes of evidence, appeared and was published in the Toronto Daily Star during June and July and other periods in 1922.

(4) Your Committee beg to report that they have investigated the complaint received by the Board against P. K. Grist, a licentiate of dental surgery for the Province of Ontario, which had been referred to them under the Statute governing the College, and on the 15th day of September, 1922, heard the evidence adduced in support thereof after due notice to the said P. K. Grist, who was not represented by counsel and who did not appear at the hearing. All the evidence together with the exhibit is submitted herewith.

Your Committee further beg to report that they find that the advertisements of the said P. K. Grist as set out in the notes of evidence were printed and distributed during the months of June and July, 1922.

Dated this 5th day of October, 1922.

R. GORDON McLEAN,
S. S. DAVIDSON,
R. H. COWEN,
A. D. A. MASON.

The Board went into Committee of the whole on the report of the Discipline Committee, with Dr. McGuire in the chair.

The Committee rose and reported:

(1) That the Board of Directors of the Royal College of Dental Surgeons of Ontario, having considered the report of the Committee which investigated the complaint against E. C. Boyle, the evidence submitted by the Committee together with the exhibits and the findings of the said Committee thereon are of opinion and declare—

- (a) That such advertisements constitute improper conduct in a professional respect;
- (b) That the Board, however, in view of the fact that this and some other concurrent investigations, are the first that have

been entered upon, do not see fit to make any order of suspension or cancellation.

- (c) The Board further puts itself on record that, if any member of the College in the future inserts similar or other objectionable advertisements, he cannot expect that his conduct will be allowed to pass unchallenged.

(2) That the Board of Directors of the Royal College of Dental Surgeons of Ontario, having considered the report of the Committee which investigated the complaint against R. M. McIntosh, the evidence submitted by the Committee together with the exhibits and the findings of the said Committee thereon are of opinion and declare—

- (a) That such advertisements constitute improper conduct in a professional respect;
- (b) That the Board, however, in view of the fact that this and some other concurrent investigations, are the first that have been entered upon, do not see fit to make any order of suspension or cancellation;
- (c) That the Board further puts itself on record that if any member of the College in the future inserts similar or other objectionable advertisements, he cannot expect that his conduct will be allowed to pass unchallenged.

(3) That the Board of Directors of the Royal College of Dental Surgeons of Ontario, having considered the report of the Committee which investigated the complaint against W. A. McLaren, the evidence submitted by the Committee together with the exhibits and the findings of the said Committee thereon are of opinion and declare—

- (a) That such advertisements constitute improper conduct in a professional respect;
- (b) That the Board, however, in view of the fact that this and some other concurrent investigations, are the first that have been entered upon, do not see fit to make any order of suspension or cancellation;
- (c) That the Board further puts itself on record that if any member of the College in the future inserts similar or other objectionable advertisements, he cannot expect that his conduct will be allowed to pass unchallenged.

(4) That the Board of Directors of the Royal College of Dental Surgeons of Ontario, having considered the report of the Committee which investigated the complaint against P. K. Grist, the evidence submitted by the Committee together with the exhibits and the findings of the said Committee thereon are of the opinion and declare

- (a) That such advertisements constitute improper conduct in a professional respect;
- (b) That the Board, however, in view of the fact that this and some other concurrent investigations, are the first that have been entered upon, do not see fit to make any order of suspension or cancellation;
- (c) The Board further puts itself on record that, if any member of the College in the future inserts similar or other objection-

able advertisements, he cannot expect that his conduct will be allowed to pass unchallenged.

Moved by McGuire and Cowen: "That the report be adopted and the Secretary instructed to send to each of the Licentiates concerned a copy of the findings of the Board." Carried unanimously.

Moved by Cowen and Kennedy: "That the resolution passed in May, 1922, appointing Dr. W. E. Willmott on Discipline Committee be and is hereby rescinded and that McLean, Cowen, Davidson and Mason be continued in office for the remainder of the present term ending at the next biennial meeting of the Board in May, 1923." Carried.

Moved by Davidson and Cowen: "That the Discipline Committee be hereby authorized to investigate any alleged infringement of the Act." Carried.

EXAMINER IN PHYSIOLOGY.

Moved by McLean and Mason: "That as Dr. Clarkson's name was inadvertently omitted from the list of examiners, he be appointed examiner in Physiology and Dr. Brodey be associate examiner, subject to approval of University of Toronto." Carried.

DR. F. C. HARWOOD.

A letter was read from Dr. Harwood, of Moose Jaw, regarding the M. D. S. diploma.

Moved by McGuire and Cowen: "That the Secretary be instructed to write him stating that after mature consideration the Board decided no action could be taken." Carried.

M. D. S. EXAMINATION.

Moved by Cowen and Bruce: I. "That the written examinations for M. D. S. be confined to four papers, namely:—

1. Operative Dentistry, Dental Pathology, Dental Therapeutics and Preventive Dentistry, with Dr. A. E. Webster, M.D.S., as examiner.
2. Medicine, Surgery and Bacteriology with Dr. C. N. Johnson, M.D.S. (Chicago), as examiner.
3. Exodontia, Anaesthetics and Analgesia, with Dr. M. A. Morrison, M.D.S., as examiner.
4. Prosthetic Dentistry, Crown and Bridge, and Orthodontia, with Dr. F. R. Watson, M.D.S., as examiner."

II. That Dr. A. D. A. Mason be the examiner in practical work.

III. That Dr. W. Secombe be the examiner for the thesis."

Carried.

TABLETS ON PORTRAITS.

Moved by Mason and Kennedy: "That the Portrait Committee be instructed to attach tablets to the portraits of Drs. Teskey and Stuart." Carried.

MICHIGAN STATE.

The Secretary presented communications from Secretary of the Michigan State Board regarding reciprocity.

Moved by Kennedy and Davidson: "That the Secretary be instructed to reply that the Michigan Board was under a misapprehension regarding our regulations, as their graduates were now allowed to sit for our examinations and many letters from intending applicants had been so answered." Carried.

PETITIONS.

The report of the Petitions Committee of the Faculty Council was presented by the Superintendent, and on motion of Davidson and Kennedy was concurred in.

REPORT OF EXAMINATIONS AND PETITIONS COMMITTEE.

October 5th, 1922.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The Examinations and Petitions Committee begs to forward the following recommendations on behalf of the Faculty Council.

Supplemental Examinations Results.

The results of the supplemental examinations were considered by the committee and Faculty Council, and all of the candidates were passed with the following exceptions:

H. R. Brown, Pre-Dental, 1921-22.—Examination results held in abeyance until candidate returns.

S. Berrin and N. D. Pearson, Pre-Dental, 1921-22—In view of severe illness at time of examinations granted aegrotat standing.

W. E. Hainer and E. L. Wright, Freshman, 1921-22—That owing to these two candidates being conditioned in two subjects and failing to remove same at the supplemental examinations, that they be not permitted to register until conditions are removed.

J. W. Woodley, Sophomore, 1921-22—Candidate wrote only two papers at supplemental examinations, and will be required to remove four other conditions before registering.

A. Liberman, Sophomore, 1921-22—In view of deficiency in Physical Training, be required to obtain 90 per cent. in this department this session.

G. A. Wright and R. L. Treleaven, Junior, 1921-22—These candidates be permitted to write upon supplemental examinations in spring of 1923, and upon successfully completing the same, be permitted to enroll for supplemental laboratory courses in which they are deficient.

J. A. Munn and G. L. Smith—Having successfully completed the examinations upon which they were required to write, be granted Licentiate of Dental Surgery.

Fifth Year Clinical Credits.

(a) For session 1922-23 Fifth-year men be permitted to indenture with an approved licentiate during College Infirmary hours, providing a minimum service of two hours per day be rendered during the term of such indentureship.

Upon submission of signed statement of Preceptor that satisfactory service has been rendered by student, the Clinical Department will give due credit for such service.

(b) That arrangements be made with Department of Health for assignment of Fifth-Year students for service assisting dental officers of the department in the schools and hospitals of Toronto.

M. L. Shapiro, Sophomore, 1921-22—That candidate be permitted to complete credits during the session 1922-23 and write examinations in the spring of 1923; that he be given credit for work already completed. Fee for supplemental Dissection course, \$10.00, work to be taken with regular class.

H. E. Gourlie, R. W. Matchett and I. Abramson, Sophomores, 1921-22—The committee sanctioned the tentative arrangement that these students be permitted to attend a supplemental technic course in Operative Dentistry, and that, if successful, be permitted to register in the Fourth year of the Five-year course.

H. E. Gourlie and R. W. Matchett having successfully completed the supplemental technic course, be granted their year.

Mr. Abramson did not attend the supplemental course.

Wm. McCorkindale—This candidate in attendance as Freshman, 1921-22, and not in attendance this year, petitions that owing to Anatomy being moved back from the Third to the Second Year, that he be permitted to attend this session for Anatomy only.

Petition granted and candidate permitted to write examination in spring, providing he attends both lectures and practical courses. Fee \$50.00 to apply on regular tuition when he returns.

L. R. Sawyer, Junior, 1921-22—The committee sanctioned tentative arrangement permitting candidate to take supplemental courses. Having successfully completed term credits, he be permitted to enter the Senior Year upon giving written assurance that he will give proper attention to duties during the present session.

RETURNED SOLDIER REGULATIONS.

Moved by McLean and Cowen: "That the regulations regarding returned soldiers be operative this year in the case of three students with special claims, subject to the approval of the University of Toronto." Carried.

ADVERTISING IN BORDER TOWNS.

Moved by Mason and Kennedy: "That Davidson and Seccombe be appointed a committee to interview the Minister of Education regarding approaching the authorities in the border states requesting their co-operation in the matter of American Dentists soliciting patients in Ontario border towns." Carried.

TELEPHONE IN ANATOMY DEPARTMENT.

A request was presented from the Anatomical Department that a telephone be installed in the Department.

Moved by McGuire and Davidson: "That the request be granted and a telephone be installed in the Anatomical Department for the session." Carried.

SUPERINTENDENT'S REPORT.

The Superintendent presented his report and the Board went into Committee of the whole with Dr. Kennedy in the chair.

The committee rose and reported that the Superintendent's report had been adopted as amended as follows: The report of the committee of the whole was adopted on motion of Kennedy and Davidson.

		\$330,000			\$1,255.15

This amount is divided as follows:—

\$250,000 on building

\$80,000 on contents.

The amount of insurance was determined after investigation by your Secretary and Superintendent and was placed by order of the President of the Board. The premium on our old basis of insurance (\$150,000 on building and \$11,000 on equipment) amounted to approximately \$600, for a three-year period. On the new basis, the premium amounts to \$1,255.15 for three years, an increase of approximately \$220.00 per annum.

The Fire Underwriters have accepted our valuation of building (less foundations) at \$250,000 and in case of fire the entire loss would be paid.

The insurance on contents has been extended to cover the equipment, clothing and property of the staff and Faculty.

In the case of contents, the co-insurance clause of 80 per cent. is in effect, which means that, if we are to receive 100 per cent. of loss in case of fire, the replacement value of contents (less any actual depreciation) must not exceed \$100,000.

It is recommended that a complete inventory of the entire contents of the building be now made, that we may have an official record of the exact contents and value of same in case of loss.

(b) Boiler Insurance.

Boiler insurance, amounting to \$10,000, covering our own property or loss or damage to property of others, (including legal liability on life, up to \$10,000) would cost \$71.90 per year.

At the present time, we do not carry boiler insurance, and it remains for the Board to decide if the same should be carried.

(c) Liability Insurance.

We have taken up with the Workmen's Compensation Board the question of Liability Insurance and find that regulation 43 (h) expressly excludes education, hospital and surgical work, medical work, veterinary work and dentistry, from the operation of Part 1 of the

Employees of this College are not therefore entitled to compensation in case of accident, and it is for the Board to say whether such insurance should be carried or not. The cost of employees and public liability insurance would be for general liability (including elevator) about \$110.00 per annum.

(2) Ontario Temperance Act and Dental Practitioners.

Members of the Ontario Board of License Commissioners have conferred informally with your Superintendent regarding the application of the provisions of the O.T.A. to practitioners of Dentistry. Within the past few days, the Commissioners have requested advice upon certain questions of policy and the whole correspondence is submitted herewith that the Board may determine the points in question.

(3) Letter to High Schools and Collegiates.

College Announcement and Circular Letter (copy of which is submitted herewith) were sent to the High Schools and Collegiate Institutes of Ontario and Western Provinces, notifying the principals that, commencing session 1922-23, Pre-Dental work must be taken at the Royal College of Dental Surgeons or in a Provincial University, in order to have such credits recognized in the Province of Ontario.

(4) Candidates Conditioned in Honour Matriculation, 1922.

A number of candidates who took Pre-Dental work at High School or University session 1921-22 having failed to obtain standing in the subjects required:

Recommended: That such candidates be permitted to complete credits within the present academic year, and, if successful, be admitted to the Second Year of the five-year course, session 1923-24.

(5) Graduates' Room.

The Academy of Dentistry, Toronto, has made application for the use of the Graduates' Room in the College Building.

It is the intention that this room be used during College hours as a writing and study room for students, that it may be possible for them to use the Library books for purposes of reference.

Should this plan be put into effect, it would be necessary to assign a clerk for duty in the Graduates' Room. This clerk would be available to the Secretary of the Board in connection with Licentiates' fees and other routine Board work.

Respectfully submitted,

WALLACE SECCOMBE,

Superintendent.

and laid on the table a sealed packet, said to contain the ballots cast
in the recent election and one copy of the Scrutineers' report as to
the election held October to December 1922, and the Scrutineers' re-
port as to the election in Districts Nos. 2, 6 and 7.

SECRETARY'S REPORT RE. ELECTION.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

In accordance with the provisions of the Dentistry Act and of the
By-Laws of the College an election of a Board of Directors for the
Royal College of Dental Surgeons of Ontario was held in October
—December, 1922.

On the first of October, nominations were called for by circular
letter addressed to each member, of the College resident in Ontario,
and to each member of the Faculty of the School of Dentistry.

Valid nominations were received as follows:—

District No. 1.—Dr. S. S. Davidson, Ottawa.

District No. 2.—Dr. H. Irvine, Lindsay; Dr. C. E. Wright, Trenton.

District No. 3.—Dr. R. G. McLean, Toronto.

District No. 4.—Dr. W. G. Thompson, Hamilton.

District No. 5.—Dr. W. M. McGuire, Simcoe.

District No. 6.—Dr. E. E. Bruce, Kincardine; Dr. R. H. Wing,
Guelph.

District No. 7.—Dr. S. M. Kennedy, London; Dr. J. A. Bothwell,
Stratford.

Faculty—Dr. A. D. A. Mason.

Thus the representatives from Districts Nos. 1, 3, 4, 5 and from the Faculty were elected by acclamation.

On the 22nd of November a notice, together with a ballot, was sent to each qualified voter in the Districts in which an election was necessary, explaining the manner of election. All the voting papers received were counted by the scrutineers James Brebner, LL.D., H. J. Bolitho, in the Board Room of the College on Thursday, December 14th, 1922. The report of the scrutineers submitted herewith shows the election of Dr. Irvine of Lindsay, Dr. Bruce of Kincardine and Dr. Kennedy of London.

The members elected for the ensuing term are, therefore:—

District No. 1.—S. S. Davidson, L.D.S., D.D.S., Ottawa, by
acclamation.

District No. 2.—H. Irvine, L.D.S., D.D.S., Lindsay, by election.

District No. 3.—R. G. McLean, L.D.S., D.D.S., Toronto, by
acclamation.

District No. 4.—W. G. Thompson, L.D.S., D.D.S., Hamilton, by
acclamation.

District No. 5.—W. M. McGuire, L.D.S., D.D.S., Simcoe, by
acclamation.

District No. 6.—E. E. Bruce, L.D.S., D.D.S., Kincardine, by election.

District No. 7.—S. M. Kennedy, L.D.S., D.D.S., London, by election.

Respectfully submitted,

W. E. WILLMOTT,

Secretary.

SCRUTINEERS' REPORT.

(District Representatives.)

To the Board of Directors,

Royal College of Dental Surgeons of Ontario:

Gentlemen:

According to your request to act as scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Sur-

geons of Ontario, we attended at the Board Room of the College this 14th day of December, 1922, at 2 o'clock in the afternoon.

After we had made the required declaration of secrecy, your Secretary handed to us 143 sealed envelopes, addressed to himself marked on the outside, "Royal College of Dental Surgeons of Ontario, voting paper," one of which contained no ballot, and one unmarked envelope.

These envelopes contained 144 voting papers in the form prescribed by the Dentistry Act, 50 from District No. 2, 36 from District No. 6, and 58 from District No. 7.

Of those from District No. 2, 28 were marked for Dr. Irvine and 22 for Dr. Wright, showing a majority of 6 for Dr. Irvine, one was rejected, not in a proper envelope. This was not included in the 50.

Of those from District No. 6, 24 were marked for Dr. Bruce, and 12 for Dr. Wing, showing a majority of 12 for Dr. Bruce. One was rejected, delivered too late, and was not included in the 36.

Of those from District No. 7, 12 were marked for Dr. Bothwell, and 46 for Dr. Kennedy, showing a majority of 24 for Dr. Kennedy.

From Districts Nos. 1, 3, 4, and 5 no voting papers were submitted to us.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

H. J. BOLITHO.

JAMES BREBNER.

Scrutineers.

ELECTION OF OFFICERS.

The Secretary called the roll and, all the members being present, a ballot was taken for the different officers, the following being declared elected:

President—Dr. A. D. A. Mason, Toronto.

Vice-President—Dr. E. E. Bruce, Kincardine.

Registrar—Dr. R. Gordon McLean, Toronto.

Moved by Davidson and Kennedy: "That Dr. W. E. Willmott be re-appointed Secretary-Treasurer." Carried.

MINUTES.

Moved by McGuire and Bruce: "That the Minutes of the meeting of the Board in May, 1922, be adopted as printed." Carried.

The Secretary read the Minutes of a special meeting held December 4th and 5th, 1922.

Moved by Bruce and Kennedy: "That the Minutes of the special meeting, December 4th and 5th, 1922, be approved." Carried.

HOURS OF SESSION.

Moved by McLean and Kennedy: "That the hours of session shall be from 9.00 a.m. to 1.00 p.m., and 2.00 p.m. to 5.00 p.m., and Thursday, 9.00 a.m. to 12.00 noon." Carried.

EXAMINATION RESULTS.

The Board went into committee of the whole on the results of the recent examinations with Dr. Thompson in the chair.

The committee rose and reported:

1. That the following students be passed and granted their L.D.S. (see Announcement for list).
2. That Blackburn, Kelley and Currie be given aegrotat standing and granted their L.D.S.
3. That the following rewrite Medicine: A. L. Baker, M. P. Heather, J. E. Jackson, C. E. Gibson, L. D. Kay, T. H. Young.
4. That J. D. McLachlan rewrite Anatomy.
5. That Miss Smith rewrite Orthodontia.
6. That H. Coate and J. D. Dormer complete term credits in Operative Dentistry.
7. That J. A. Gillies rewrite Orthodontia.
8. That M. C. Sykes complete Clinical requirements.
9. That L. R. Sawyer take the whole year over.
10. That the following members of the Nurses' Class be passed and granted diploma. (See Announcement for list.)
11. That Miss Jack be required to complete term credits in Operative Assistance.
12. That the results of the First, Second, Third and Fourth Years be referred to the Executive Committee of the Faculty Council with power to act.

Moved by Thompson and McLean: "That the report of the Committee of the whole on the Examination results be adopted." Carried.

FIFTH YEAR EXAMINATION.

A petition was presented from those students of the Fifth Year who were conditioned, requesting a supplemental examination in June.

Moved by McLean and Kennedy: "That this Board is willing to grant only to those candidates who have a war record a supplemental examination in June, if the University authorities are agreeable." Carried.

Moved by Davidson and Thompson: "That Messrs. Coate and Dormer, having been reported by the Operative Department as having satisfactorily completed their term credits, be passed and granted their L.D.S." Carried.

PARENTS TO BE NOTIFIED.

Moved by McLean and Bruce: "That, in the opinion of the Board, it is the duty of the Faculty Council to advise the parents or guardians of those students who, early in their course, show a lack of application or who are possibly not adapted to the practise of Dentistry." Carried.

PRESIDENT'S REPORT.

The Board went into Committee of the Whole on the President's report, with Dr. Davidson in the chair.

The Committee rose and reported that the President's report had been adopted as follows:

To the Board of Directors,

May 21, 1923.

Royal College of Dental Surgeons.

Gentlemen:

The work of the College during the year has been carried on with the greatest harmony, both in the Faculty and between the Faculty and the student body.

College Infirmary.

From reports received and from personal observations, your President is glad to report that there has been a decided improvement in the conduct of the Infirmary that has resulted, not only in greater efficiency and better teaching, but also in a substantial increase in the Infirmary receipts.

This latter, however, was also due to the increased number of patients which were treated because of the unusually large graduating class.

Discipline Committee.

The report of the Discipline Committee will be presented for your consideration. During the year I have been called upon to sign many orders for payment of accounts in this connection, and while there have been heavy expenditures, without definite results, I am hopeful that the preliminary work which has been done this year will show good results in the future. It is my judgment that the time has come for the Board to give more attention to this whole question of disciplining licentiates and take specific action against those who are flagrantly breaking the law.

Educational Campaign.

More or less linked up with this question of discipline is the educational campaign carried on in the press of the province during the past year. The question arose in connection with the suggestion of an advertising dentist that he was educating the public, and it was felt that the profession as a whole should do something in this direction. The daily press was chosen for this educational campaign, not only as the press is more widely read than any other medium, but also so that the newspapers would not feel that we were discriminating against them in forcing our members not to use the advertising columns of the press for publicity. To combat conditions in the Niagara Peninsula where American dentists were using the Ontario press for advertising, was also another purpose of this campaign.

It was felt that this matter should be carried on by a joint committee representing the Board of Governors of the Ontario Dental Association and the Board of Directors, R.C.D.S., and in view of the Ontario Dental Association agreeing to pay half the cost of the campaign, your President, on your behalf, and after correspondence with each member of the Board, agreed that the Board should co-operate. (See resolution following this report.)

Convocation, 1923.

After consultation with the Commencement Committee of the

Board, I agreed that a special Convocation should not be held this year, and that the degree of Doctor of Dental Surgery be conferred at the regular University Convocation.

Ontario Temperance Act.

Conferences have occurred between the Board of License Commissioners and representatives of the College regarding members of the profession who were reported as having obtained more liquor than provided under the regulations.

I am glad to report that the result has been a radical change in the situation, and that the last report of the Commissioners shows that comparatively few dentists are transgressing the regulations regarding the quantity of liquor that may be obtained in any one month.

Your attention is drawn to the fact that certain dentists in the city of Hamilton have been charged and found guilty of obtaining more liquor than the law permitted.

It is recommended that the Board consider seriously the advisability of suspending the license of any member of the profession who fails to observe the regulations of the License Commissioners.

Protection of Profession and Taxing Officer.

I would suggest that some means be devised to protect the profession from unwarranted law suits now being frequently brought against members. Dr. R. G. McLaughlin will bring the matter specifically before you and you will confer a favour on the whole dental body by giving it your attention. (See resolution following this report.)

Likewise, let me suggest a consulting taxing officer or officers to protect the public from unreasonable fees for dental service, and so uphold the dignity and honour of the profession.

Need for Economy.

In view of the fact that the registration of students will be very much restricted commencing next year, it will be necessary for the Board to exercise great care in the matter of expenditure; otherwise, a very serious financial situation will develop.

I would like to congratulate the Superintendent and the staff on the showing of this year's finances.

In retiring from the Board, I wish to express my appreciation of the very kind treatment I have received at the hands of the members of the Board during the last eight years, and also the staff and faculty in general. I am sure that my successor from No. 2 District will amply reward the confidence the electors have placed in him, and I wish for the Board the very greatest success in the years to come.

Respectfully submitted,

(Signed) M. A. MORRISON.

Moved by Davidson and Bruce: "That the report of the Committee of the whole on the President's report be adopted." Carried.

EDUCATIONAL CAMPAIGN.

Moved by McLean and Bruce: "That Webster, Seccombe and McLean be a committee to carry on the Educational Campaign in co-

operation with a committee from the Ontario Dental Association, the expenses of this Board not to exceed \$1,000.00." Carried.

PROTECTION OF THE PROFESSION.

Dr. R. G. McLaughlin appeared before the Board on behalf of the Advisory Committee of the Ontario Dental Association asking the Board to endorse the work of that committee and to appoint a further representative on the committee.

Moved by McLean and Bruce: "That the Board endorse the work of the Advisory Committee of the Ontario Dental Association and appoint Dr. W. G. Thompson an additional member of the committee; also that the committee be requested to obtain by a questionnaire the opinion of the profession on a scheme for the protection of the members of the profession and report at the next meeting of the Board; that the Treasurer of the Board be authorized to pay any expense incurred in connection with this questionnaire." Carried.

SECRETARY'S REPORT.

Toronto, May 15, 1923.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The minutes of the last meeting of the Board were prepared and 1,550 copies printed as soon as possible after the adjournment of the Board. A pamphlet containing the Dentistry Act and By-laws, and a folder calling attention to the items of importance in the minutes and in the Announcement was mailed with a copy of the proceedings to each Licentiate in practice in Ontario.

Examinations.

Supplemental examinations were held in September at which 99 candidates wrote 160 papers on 33 subjects. At the examinations held during January, April and May, 722 candidates wrote 7,701 papers on 54 subjects, or a total for the session of 7,860 papers on 87 subjects.

In the nurses' examinations, 12 candidates wrote on 7 subjects.

The Fourth Year examinations were held during the first week in April, thus permitting the Infirmary to be carried on continuously.

As the accommodation for holding examinations at the University is limited, and as other examinations are being held at the same time, it was with considerably difficulty that arrangements were made to have both sections of the Fifth Year write at the same time. This necessitated using six laboratories in the College, but the satisfaction to the class more than outweighed any inconvenience. It was quite impossible to obtain any accommodation for the other classes in the University Building, so all the examinations of the First, Second, and Third Years were held in the College laboratories, beginning May 1st.

The arrangement made with the other provincial universities whereby our students would have the opportunity to write supplementals nearer their home was very satisfactory.

In September, 5 candidates wrote 9 papers in Winnipeg, one wrote in Vancouver, and one in Saskatoon. In May one wrote two papers in Winnipeg. I would recommend that this be accepted as the policy of the Board in the future. (Adopted.)

Examiners.

The arrangement made at the last meeting for two examiners for each subject in the Fifth Year has greatly facilitated getting the returns in time to have them properly tabulated.

One paper is set on History, Ethics and Jurisprudence. Dr. McLaughlin, one of the examiners and Professor of Ethics and Jurisprudence, considers this an unfortunate grouping, as a person who would make an acceptable examiner in Ethics and Jurisprudence might not know anything about History, and vice versa. He considers the subjects of sufficient importance to have a separate paper for each. (See resolution following this report.)

L.D.S. Diploma.

As authorized at the last meeting, your Secretary procured 234 L.D.S. diplomas. A firm who has the stone from which the diplomas are printed asked \$4.00 each. Another firm asked \$170 for engraving new stone and \$2.20 each for the parchments, or about \$160.00 less than the former. In the latter case the stone belongs to the College and in the former to the firm.

Gowns and Hoods.

As instructed at last meeting, eight gowns and hoods were obtained on tender at a cost of \$236.00.

Old Ballots.

As the ballots of the 1920 election are still in the vault I would recommend that they be destroyed. (Adopted.)

(These were later destroyed in the presence of Dr. Seccombe.)

Moved by Irvine and Bruce: "That the Secretary's report be adopted and entered on the Minutes." Carried.

HISTORY, ETHICS AND JURISPRUDENCE.

Moved by McLean and Kennedy: "That the arrangement of the examination paper in History, Ethics and Jurisprudence be referred to the Faculty Council with a suggestion that the two subjects be written as one paper during one period." Carried.

TREASURER'S REPORT.

To the Board of Directors,

May 15, 1923.

Royal College of Dental Surgeons.

Gentlemen:

It has been extremely difficult to collect the Licentiate fees during the past year. On October 1st about 1,550 notice were mailed. In December a second notice was sent to 700. In February a third notice was sent to 150, and 140 drafts issued. In March 186 more drafts were issued. Of these 326, 232 were paid. Several Licentiates had left the Province and others could not be located. At present there are 4 paid in advance, and the following are in arrears:

L. Ballantyne.	F. S. McGrory.
Ira Bower.	A. C. McKenna.
J. H. Carrique.	J. L. McLean.
R. M. Carruth.	J. R. McLachlan.
W. H. Caverhill.	J. C. McLister.

Several Licentiates who have been in arrears for some year paid to get their names on the Dispensary list. These were settled on the same basis as on former occasions.

We were under great obligation to the authorities at the Government Dispensaries for notifying your Treasurer of changes in addresses. The list as it will be published in the proceedings will be as accurate as it is possible to secure, being checked up with the Dispensary list and with the dealers' lists.

A statement of the receipts and disbursements for the year as certified to by the auditor is appended here to (page 57.)

Respectfully submitted,

W. E. WILLMOTT, Treasurer.

Moved by Kennedy and Davidson: "That the Treasurer's report be adopted and entered on the Minutes." Carried.

COMMITTEES.

Moved by Bruce and Davidson: "That the Executive Committee be composed of Mason, Kennedy, McGuire, McLean and Thompson." Carried.

Moved by Kennedy and Irvine: "That the following be appointed by the Board as a Discipline Committee: McLean, McGuire, Davidson, Thompson and Mason."

The President appointed the Standing Committees on Examiners, Petitions, Accounts, Legislation. (See list of Committees, page 51.)

Moved by Davidson and Bruce: "That the President's nominations for the Standing Committees be accepted." Carried.

Other committees were appointed during the meeting of the Board. For a full list of committees see page 51.

COMMITTEE ON COMMENCEMENT.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

When the University of Toronto desired to hold a Convocation in June for the conferring of all degrees, your Committee decided to hold the Commencement Exercises of the Royal College of Dental Surgeons as usual. Reverend Trevor Davis, D.D., will deliver the address to the graduating class. Mrs. Plumtre had arranged to address the nurse graduates, but, unfortunately, has been taken ill and will be unable to be present, and no other arrangement has been made. Dr. Mouré has kindly consented to preside at the organ. Reverend C. A. Seager, D.D., will make the invocation and the closing prayer.

Two thousand invitations were printed, on tender, and distributed.

A. D. A. MASON, Chairman.

Moved by Kennedy and Irvine: "That the report be adopted and entered on the Minutes."

RE-UNION COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The annual Alumni Reunion was held in the College Building on the afternoon and evening of May 14th. After a buffet supper, a meeting was held at which addresses were given by the different members of the Board, Dr. Morrison occupying the chair.

The Board is under obligation to the Ladies' Committee for the perfect manner in which the arrangements were conducted.

Although a much smaller number was in attendance, the gathering was a great success.

W. E. WILLMOTT, Chairman.

Moved by Thompson and Irvine: "That the report be adopted and entered on the Minutes."

Moved by Thompson and Brue: "That the Secretary be instructed to convey to the Ladies' Committee the sincere thanks of the Board for their efforts in making the reunion such a success." Carried.

AMERICAN INSTITUTE OF DENTAL TEACHERS.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The American Institute of Dental Teachers held its annual meeting in Omaha, January 26, 27, 28, 29, 1923. The programme was varied and instructive as you will see when you receive the proceedings. The address of Sir Robert Falconer, delivered at Montreal, was frequently referred to as a mile post in Dental Education. The Royal College of Dental Surgeons was represented by Drs. Seccombe, Trelford, Bothwell and Webster, all of whom, as well as Dr. Cumto include the American Dental Faculties Association, the American University Faculties Association, the American Institute of Dental mer, were on the programme. A new organization is being formed Teachers and the Canadian Faculties Association. The new organization will be known as the American Association of Dental Schools.

A. E. WEBSTER,

For those present.

Moved by Irvine and Thompson: "That the report be adopted and entered on the Minutes." Carried.

REPORT OF ACCOUNTS' COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

1. The Accounts' Committee, having examined the accounts of the Board and the School of Dentistry for 1922-23, find that the expenditures of the different departments were properly applied and necessary to carry on the work of each department.

2. The different departments in nearly every case kept within its appropriation.

3. We recommend a continuance of the policy of last Session of making the total grant subject to division by the Faculty Council.

Of the appropriation of \$6,000.00 only \$5,612.88 was expended.

R. H. COWEN,

S. M. KENNEDY,

Committee.

Moved by Kennedy and Irvine: "That the report be adopted and entered on the Minutes." Carried.

RESEARCH COMMITTEE.

May 25, 1923.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

Your Committee on Research beg to report that the grant made to the Canadian Dental Research Foundation was of great assistance in carrying out their work.

A Bulletin by Dr. Cummer has been published and another by Dr. H. K. Box is in the printer's hands.

To show you the widespread interest created by the Bulletins, we give you the following facts:

1. Request by Longmans-Green for permission to use some of Dr. Box's work (as published by the Foundation) in a new textbook on Dental Surgery by Sir Francis Collyer of England.

2. Requests from several Dental Journals to publish work from the Bulletins.

3. Requests for Bulletins from:

(a) The Forsyth Dental Infirmary, Boston, Mass.

(b) Harlem Dental Society, New York, for 200.

(c) Dr. Edward Hall, Kansas City, for 200 copies of Dr. Box's Bulletins for Post Graduate Course.

(d) Teachers and students of Advanced Dental Problems in New York, Boston, New Glasgow, Moncton, Victoria, Edmonton, Buffalo, Brooklyn, St. Louis and Detroit.

The committee requests that the usual grant of \$400.00 be made.

R. GORDON McLEAN, Chairman. W. E. CUMMER.

A. D. A. MASON, H. K. BOX.

W. SECCOMBE. H. M. LANCASTER.

A. E. WEBSTER. G. R. ANDERSON.

H. CLARK. W. M. McGUIRE.

F. J. CONBOY. E. A. GRANT.

Committee.

Moved by McLean and Irvine: "That the report be adopted and entered on the Minutes." Carried.

STUDENTS' INSTRUMENTS.

Tenders for students' outfits were opened, the President of the Students' Parliament being present.

The tenders were referred to the Instrument Committee to consult with a representative from each year and report back.

At a later session, the committee presented their report, which was considered in Committee of the Whole with Dr. Irvine in the chair.

The committee rose and reported:

1. That the tenders for the First, Second, Third and Fourth Year instruments be awarded to the National Refining Company.

2. That the tender for the Fifth Year instruments be awarded to the S. S. White Company.

3. That the tender for automatic plugger be awarded to the National Refining Company.

4. That the tender for the foot engine be awarded to the S. S. White Company.

5. That the tender for the electric engine be referred to the Instrument Committee with power to act.

6. That the Instrument Committee call for and award tenders for right angles when it has been ascertained how many will be required.

7. That only the S. S. W. electric engines be permitted on the S. S. W. units in the Infirmary.

8. That, if any student wishes to use any other make of electric engine, proper outlets shall be provided.

9. That the President name a committee of three to consider the letter from the Ash-Temple Company and deal with it as they consider best.

10. That the Instrument Committee be instructed to have lists of instruments on which tenders are to be called ready for the dealers, not later than January 1st, 1924, and that, in the case of any special instruments for any Department, a sample shall be in the office not later than December 1st. The College shall provide not less than six copies of suggested sample so that each tenderer may secure one.

11. A request was received from the students asking that the College purchase sterilizers to be resold to the students. It was decided that this request should not be granted, but that the Instrument Committee be instructed to call for and award tenders for sterilizers, same as for other instruments.

12. That McAinsh & Co., be appointed to supply the students' textbooks for this year, providing the prices are satisfactory to the Instrument Committee.

Moved by Irvine and Bruce: "That the report be adopted and entered on the Minutes." Carried.

To carry out recommendation No. 9 the President named McGuire, Thompson and Mason as the committee.

SUPERINTENDENT'S REPORT.

The Board went into Committee of the Whole on the Superintendent's report, with Dr. Thompson in the chair.

The committee rose and reported that the Superintendents' report was adopted as amended as follows:

To the Board of Directors,

May 21, 1923.

Royal College of Dental Surgeons of Ontario.

Gentlemen:

Registration of Students, Session 1922-23.

Your Superintendent enrolled a total of 725 students in the dental course, and, in addition, 12 dental nurses, making in all 737, as follows:

First Year	45
Second Year	84
Third Year	105
Fourth Year	171
Fifth Year	320
Total	725
Dental Nurses	12
737	

It is estimated that the class of 45 students in the First Year this session will be augmented by from 10 to 15 candidates who will be entitled to enter the Second Year of the five-year course next session, because of having successfully completed pre-dental work at a Provincial University, or because of having removed Honour Matriculation conditions during the past year.

In addition to this group, we have received applications from some candidates who have been in attendance at High School during the past year, and who expect to complete Honour Matriculation in the required subjects this year, requesting that they be admitted to the Second Year of the five-year course session 1923-24, thus deferring the operation of the regulation for one year.

This is a matter that the Board should deal with definitely that there may be no uncertainty in our decisions upon this point. (See resolution following this report.)

Recapitulation of Registration by Classes.

Session.	Pro-Dent.	Fresh.	Sopho.	Junior.	Senior	Total.
1918-19		143	120	133	88	484
1919-20	18	325	188	143	130	804
1920-21	76	165	323	183	141	888
1921-22	54	110	169	324	180	837
	First	Second	Third	Fourth	Fifth	Total
1922-23	45	84	106	171	320	726
Estimated						
1923-24	58	58	84	106	170	476

From the foregoing it will be observed that our peak of attendance was reached session 1920-21, and that there has been a gradual falling off in numbers during the past two sessions.

Owing to the graduation of the large soldier class, which has been in attendance during the past four years, our attendance next session will drop back to the pre-war level of 1918-19, and, after a careful estimate, we believe that our total registration for session 1923-24 will be approximately 476, made up as indicated above.

We have been passing through a period of reconstruction from a war to a peace basis, and next year there will be a rather precipitate drop back to the pre-war level.

Total fees received during the past session were \$23,320, less than the previous year, and upon the basis of the foregoing registration, it will be necessary for us to face an additional reduction next session as compared with this year of, approximately, \$50,000, and unfortunately this will occasion a substantial reduction in our expenditures and faculty members.

Government Grant.

We are glad to report that the Government has again made a grant to this College of \$25,000, which has enabled us to defer payment of tuition fees of war veterans to this amount. We have followed the same routine as last year, obtaining from each student, whose fees were deferred, a promissory note, payable without interest one year after graduation, and thereafter bearing interest at 5 per cent per annum.

Promissory notes of previous years have been redeemed to this date amounting to \$856.50, and there remains unpaid a total of \$62,953.

Your Superintendent desires to again record the kindly attitude of the Honourable, the Minister of Education, and the Ontario Cabinet towards this College.

Reciprocal Arrangement Regarding Dental Licenses Between the Province of Ontario and Great Britain and between this Province and the State of New York.

(a) Great Britain.—Considerable correspondence has taken place between the General Medical Council and your Superintendent regarding reciprocity in dental licenses between the Province of Ontario and Great Britain.

The General Medical Council meets the last week in May and the matter will come up for consideration at that time.

(b) State of New York.—After some little correspondence your Superintendent received a letter from Dr. Downing, Assistant Commissioner of Education of the State of New York stating that Dr. Wm. D. Cutter, Secretary of the Board of Medical Examiners, acting as Dr. Downing's representative, was delegated to visit and report upon this College.

Dr. Cutter was here on Thursday, 10th of May, and while his visit was of short duration, he felt that he had sufficient data upon which to report conditions to the New York authorities, and expressed the view that a prompt ruling would be made regarding the status of R. C. D. S. in New York State.

Differentiation between: Graduate of the School of Dentistry of the Royal College of Dental Surgeons, Degree of Doctor of Dental Surgery, and Licentiate of Dental Surgery.

Your Superintendent believes that the time has now come to differentiate between candidates who present themselves for examination for

a license to practise Dentistry in Ontario without attendance at the School of Dentistry of the Royal College of Dental Surgeons, and those candidates who attend the school for one or more sessions, and who are proceeding to the degree.

In the development of graduate work at this College, and particularly in connection with British dentists or other graduates who may attend the R. C. D. S. for one session with a view to obtaining the Degree of Doctor of Dental Surgery, it would appear to be necessary to adopt two sets of regulations, the one applicable to the degree and the other to the license.

Recommended that graduates of other dental colleges who do not attend the R. C. D. S., but who merely sit for examination for L.D.S., may receive a certificate of license without the degree; while those who attend one or more sessions may, under certain conditions, receive the degree without the license, or both degree and license.

B. Requirements for License to Practise Dentistry in the Province of Ontario.

(Attendance at R.C.D.S. optional.)

Candidate.	Requirements.
I. Candidates who commenced their dental studies previous to September, 1921. (<i>Year of adoption of Pre-Dental Standard by R.C.D.S., 1921.</i>)	1. Evidence of matriculation and ethical standing. 2. Graduation from an approved Dental College on a basis of a four-year course. 3. Final R.C.D.S. written examinations in subjects of Second, Third, Fourth and Fifth Years. 4. Technic and clinical credits to satisfy R.C.D.S. clinical staff.
II. Candidates who commenced their dental studies September, 1921, or thereafter.	1. Evidence of matriculation and ethical standing. 2. Graduation from an approved Dental College on a basis of a five-year course (including one year Pre-Dental). 3. Final R.C.D.S. written examinations in subjects of Second, Third, Fourth and Fifth Years. 4. Technic and clinical credits to satisfy R.C.D.S. clinical staff.

C. Requirements for Both License and Degree.

(Attendance at R.C.D.S. for one or more years.)

Candidate.	Requirements.
I. Candidates who commenced dental studies previous to September, 1921. (<i>Year of adoption of Pre-Dental Standard by R.C.D.S., 1921.</i>)	1. Evidence of matriculation and ethical standing. 2. Satisfactory dental credentials; successful completion of approved four-year dental course, or such credits in said course as would admit candidate without condition to advanced standing in the R.C.D.S. 3. Attendance in at least final year of School of Dentistry, R.C.D.S. 4. Passing final R.C.D.S. examinations in the subjects of the Second, Third, Fourth and Fifth Years.

II. Candidates who commenced dental studies September, 1921, or thereafter.

1. Evidence of Matriculation and ethical standing.
2. Satisfactory dental credentials; successful completion of approved five-year dental course (including one year Pre-Dental), or such credits in said course as would admit candidate without condition to advanced standing in the R.C.D.S.
3. Attendance in at least final year of School of Dentistry, R.C.D.S.
4. Passing final R.C.D.S. examinations in the subjects of the Second, Third, Fourth and Fifth Years.

Library Catalogues.

Tenders have been obtained for the printing of a catalogue of library books which would be available, not only to undergraduates, but also to licentiates throughout the Province. Quotation for 1,500 catalogues is \$65.00, and for 2,500, \$88. This information is referred to the Board for decision, along with a recommendation that sufficient catalogues be published to supply with a copy all undergraduates and licentiates throughout the province.

Liability Insurance Covering Chemical Laboratory.

The London and Lancashire Guarantee and Accident Co. of Canada suggest the advisability of the College contracting for a policy covering accident or injury to students in connection with Chemical Laboratory course, and offer to issue such policy at a rate of \$1.00 for each student taking the course during the year, irrespective of the length of time of the course. This would give \$5,000 individual liability with a total liability of \$10,000 for any one accident. No action has been taken on this communication pending the meeting of the Board. (Referred back for report on all forms of accident.)

Convocation.

The University Senate appointed a Convocation Committee, of which your Superintendent was a member, for the purpose of arranging for the conferring of degrees in all the faculties of the University upon the same day.

Under this plan the College would continue to hold its own function taking the form of closing exercises, and the awarding of the title of Licentiate of Dental Surgery, while the degree of Doctor of Dental Surgery would be conferred at the regular University Convocation.

The graduating class was asked to declare its preference, and, by a large majority, declared in favor of the above plan being put into effect this year.

Your Superintendent conferred with the President of the Board, Dr. M. A. Morrison, who gave his consent to this arrangement, and the Commencement Committee of the Board was notified accordingly.

The Committee subsequently decided to combine the Commencement Exercises of the School of Dentistry and the Training School for Dental Nurses.

Recommended: That the calendar of the School of Dentistry for 1923-24 be so arranged that opening of the session coincides with that of the University with a view to our closing about the same time as the University and thus more nearly approximating the regular time of Convocation.

Ad Eundem Fee.

We have received intimation from the Registrar that it is the desire of the University that those students who enter the College with advanced standing should pay the regular ad eundem fee of \$10.00 as charged to students in other Departments of the University.

This matter should be dealt with at this meeting of the Board so that a definite statement may be made in the College Announcement that students may have due notice that such a fee will be required. (See resolution following this report.)

Enrolment of Dental Nurses—1923-24.

Recommended: That the enrolment of Dental Nurses be limited to ten for session 1923-24, and that the Faculty be empowered to so change the course as to make it more practical from the standpoint of laboratory and chairside assistance.

Bulletin to High Schools.

Widespread misunderstanding regarding entrance requirements of R.C.D.S. has arisen throughout the Province owing to Honour Matriculation standing in specified subjects having been accepted (1920 and 1921) for entrance to a four-year course. Subsequently all Ontario candidates have been required to take Pre-Dental subjects at R.C.D.S. but many pupils have assumed that Honour Matriculation is required for entrance to the five-year course.

Recommended: That a notice be sent to each High School and Collegiate Institute Principal stating the present entrance requirements of the five-year course, and stressing the fact that Physics and Chemistry are now obligatory subjects for dental matriculation and that notice also be given of raised standards in 1925.

University of Toronto, Alumni Association.

The Alumni Association has, from year to year, been sympathetic and generous toward the applications of Dental returned soldier students requiring financial assistance, and has given Dental applications the same consideration as applications from other faculties.

During the past two years the Board of Governors of the University has granted \$1,500 per year toward the cost of the administration of the fund, over one-quarter of which has been advanced to dental students, this amount being, approximately \$50,000.

The Alumni Association is particularly in need of funds this year, and a grant from the R.C.D.S. toward administration expenses of the Association would doubtless be much appreciated.

Recommended: That the Board authorize the School to make a grant of \$500 to the University of Toronto Alumni Association toward the extra expense involved in connection with administration of returned soldier loans.

Conference of Canadian Universities.

The conference of Canadian Universities held at the University of Manitoba, June, 1922, appointed a committee on Dental Education composed of Drs. Nolin, Montreal; Thornton, McGill; Ryan, Dalouhsie; Bulyea, Alberta, and Seccombe, Toronto.

Your Superintendent was appointed Chairman, and President Murray of Saskatchewan, has requested that we correspond with the other members of the committee and secure information about dental teaching in Canada, and prepare and submit a report to be presented at the next meeting of the conference to be held in Kingston, June 14th to 16th, 1923.

This annual conference of Canadian Universities includes a consideration of all University activities and departments, and is of great value to education in Canada. We trust the Board will concur in this College taking part in the proceedings and give consent to your Superintendent acting in the above capacity.

Building and Equipment.

Recommendations regarding building, equipment and College premises:—

1. Enlarging Senior Laboratory to include present Junior Operative Laboratory and necessary alterations on top floor to accommodate Operative Department.

2. Re-arrangement of Superintendent's office. (Referred to Fittings Committee.)

3. Additional shrubbery and vines for front and side of building.

Nurses' Cap and Pin.

Submitted herewith is a letter from A. E. Edwards relating to the registration of dental nurses' cap and pin. (Referred to Committee appointed in 1921.)

Future Developments in Dental Education in Ontario.

1. **Need for Dentists.**—At the present time and for some few years to come, there are and will be sufficient dentists to meet the public demand for dental service. This is true both in Canada and the United States.

2. Dental Standards.—Entrance requirements should be placed upon a parity with those of Medicine. This would be in accord with the decision of New York State to require two years' College work (Pre-Dental) commencing 1926. Buffalo has decided to adopt this standard beginning 1924.

3. Province of Ontario.—The Ontario equivalent of the New York requirements would be Honour Matriculation (preferably in the same subjects required by Medicine), followed by our five-year course, and it is recommended that notice of our adoption of this standard be given forthwith to come into effect in 1925.

4. Developments of Next Five Years.—The developments of the next five years should be mainly in the direction of graduate work of such character as will enable earlier graduates to obtain instruction covering the advances in the science and practice of dentistry of the past ten years.

5. Financial Assistance.—Completion of arrangements for such financial assistance as will enable the Royal College of Dental Surgeons to carry out the above programme.

6. That: (a) The Faculty Council be composed of all members of the teaching staff of all ranks.

(b) The Faculty be organized upon a departmental plan with the subjects so grouped as to more closely link up the basic sciences with the practice of dentistry, and that the head of each division be named by the Board.

(c) The Executive Committee of the Faculty Council shall be composed of the heads of divisions, the Dean, the Secretary of the Faculty Council and the representative of the Faculty Council on the Board of Directors. The Dean shall be chairman.

7. That subjects be grouped as follows:

Division 1.—Operative Dentistry, Orthodontia, Ceramics, Materia Medica and Pharmacology, Therapeutics, Oral Anatomy, Occlusion, Comparative Dental Anatomy.

Division 2.—Prosthetic Dentistry, Partial Dentures, Full Dentures, Crown and Bridge, Shop Work.

Division 3.—Clinical Dentistry and Radiography.

Division 4.—Embryology, Biology, Histology, Bacteriology, Pathology, Dental Pathology, Therapeutics (Periodontia), Medicine.

Division 5.—Physics, Chemistry, Metallurgy, Physiology, Physical Diagnosis, Hygiene, Preventive Dentistry, Oral Hygiene, Dietetics.

Division 6.—Anatomy, Osteology, Surgery, Oral Surgery, Exodontia, Anaesthesia, Modelling, Drawing.

Division 7.—Humanities: French, Economics and Office Management, English, Psychology, Ethics, Jurisprudence, History of Dentistry, Physical Training.

The above grouping is not to be considered an arbitrary one, but shall be subject to re-arrangement by Faculty Council if deemed necessary.

Respectfully submitted,

WALLACE SECCOMBE, Superintendent.

Moved by Thompson and Kennedy, "That the report of the committee of the whole on the Superintendent's report be adopted." Carried.

ADMITTANCE OF STUDENTS.

Moved by McLean and Bruce, "That the present regulations regarding matriculation for the School be carried out." Carried.

AD EUNDEM FEE.

Moved by Bruce and Davidson: "That notice of the ad eundem fee of the University of Toronto be included in the R.C.D.S. Announcement." Carried.

QUESTIONNAIRES.

Moved by McGuire and Irvine: "That Dr. H. K. Box be reimbursed to the amount of \$800.00 for amount paid by him in providing a substitute in his subject when he was unable to be present." Carried.

CALENDAR.

Moved by Davidson and Irvine, "That the Calendar, as suggested, be adopted." Carried. (See College Announcement.)

LIBRARIAN'S REPORT.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

Your Librarian has the honor to report that the students of the School of Dentistry have this year taken a greater interest in the library than ever before and that the circulation of books and journals for the year was 1,105.

During the year a considerable number of volumes was added by purchase.

The very generous donation of medical books and books on correlated subjects started last year by McAlinsh & Co., was repeated this year.

The museum has been added to by numerous specimens of dental and other curios.

A large number of journals, loose and bound, have been presented this year by practitioners.

In the Graduates' Room we are hanging framed photographs of the makers of Dentistry and prominent early Dentists of our own country, also old prints, photographs or drawings of a dental character.

A list of all contributors is attached hereto.

I would recommend that the same sessional allowance be made as last year.

All of which is respectfully submitted,

C. ANGUS KENNEDY,
Librarian and Curator of Museum.

DEAN'S REPORT.

The Board went into committee of the whole on the Dean's report with Dr. Irvine in the chair.

The committee rose and reported that the Dean's report had been adopted as amended as follows:—

To the Board of Directors,

May 21, 1923.

Royal College of Dental Surgeons,

Gentlemen:—

Registrations.

Your Dean begs leave to report that the year 1923 sees the largest class graduated since the organization of the School, and the smallest Freshman Class for many years. These extremes balance the attendance as a whole, but their divergence in numbers makes administration difficult. There will be a gradual increase in registration in the years to come as has been shown on every occasion when standards have been raised. At present there is a lack of dentists in both England and the United States. Those schools in the United States in which standards have been raised are gaining in registration. There will be no marked increase in Ontario until the last of the large classes has left our College halls.

Curriculum.

Your faculty prepared the new five-year curriculum in dentistry last year, in which you concurred. It was agreed that the new curriculum would become effective only as the pupils registered in the five-year course reached their subjects. In other words, those who entered upon a four-year course should carry through on the four-year curriculum. This has been carried out with one or two exceptions in which the time-table could not be arranged. Next year will see the finish of the four-year curriculum. Not all the dental schools on this continent have increased their standards as the Canadian schools have or as the University schools. An examination in Preventive was added to the Fourth Year. There are two plans of increasing standards followed. Our plan has been to add one year to the course in dentistry and demand a special matriculation. The other is to demand one year of College in which the science options are compulsory. In New York State and many other states which follow her lead, two years of college will be required in 1926. They argue that given a student of Second Year University standing in science, four years in dental college is all that is required to prepare a young man for the practice of dentistry. Quebec will demand the B.A. degree about the same time.

Status of Our Students.

Our graduates now register in Great Britain without examination. In many states of the Union they may sit for examination. In others notably New York, and those which accept her standards, our graduates are admitted to the third year only. This is rather anomalous since graduates of New York State schools or Pennsylvania University are not allowed to even sit for examination in England. If any further evidence of New York's stand being erroneous were required, it might be stated that more than a half dozen hospitals in the United States have asked for our graduates to man their dental departments. The fact is we have not been able to fill all the demands. Dental students in and about the University stand very high in the estimation of students and faculties alike. They take their places in all the activities of University life especially in athletics and oratory, having won especial distinction this year.

Discipline of the College.

Under this heading there is nothing to report. The committee having met but once to adjust an infraction of a rule neglected more by the staff than the students. No disciplinary regulations are necessary among gentlemen and especially if the teachers are keen and know how to teach.

Staff.

Buildings, equipment, curricula, announcements, standards and even traditions must all take second place to the staff. It is the soul of the teacher that makes the institution. Orators, pedagogues and

technicians all have their place, but without the central spark of honesty of purpose in life, they are useless on any teaching staff. The teachers of stunts are forgotten while the teachers of the principles of life alive forever.

You have been most fortunate in the selection of your staff, the crucial test of which is the good will of the student and graduate body, which is vouchersafe in a thousand ways every year.

The Senior Class.

The faculty, and especially the Infirmary staff, had no small problem to deal with when three hundred and twenty Senior students came under their care when the equipment which they were provided with was for one hundred and fifty. It is only under such circumstances the flexibility of a staff is exemplified. It proved the wisdom of having teachers trained in many departments. Each year as this great class moved forward the teachers were trained ahead of time in preparation for them, and when it came to the final year, there were a score of teachers, not only prepared, but willing to sacrifice time and effort to lecture, teach, demonstrate, clinic, read papers or do anything else to advance the cause of dental education; for this dentistry is indebted to them. Not only these trained teachers, but voluntary clinicians deserve the thanks of the profession for giving much time and effort to training the soldier class of 1923.

The thanks of the Board should be extended to Drs. Banting, Gallie, Hill, Amy, Chalmers, C. E. Sutton, Harold Clark, Covey, Dawson, Day, A. S. Elliott, R. G. McLean, C. E. Pearson, J. F. Ross, A. A. Stewart, J. N. Stewart (Hamilton), A. S. Thomson, Wm. J. Woods, Geo. Gow, for special services as honorary clinicians. Particular mention should be made to Drs. Amy, Chalmers and Sutton for having trained two groups of students in anaesthesia and exodontia.

Adjustment of the Staff to New Conditions.

Your Dean has no doubt but the members of the Board have looked upon the coming of this meeting with some anxiety because they know they have an expensive plant with a decreasing revenue. So far as the staff is concerned, it will not be so very difficult because the present situation was foreseen. In your wisdom, you employed teachers for two and three periods, thus giving them an opportunity to develop a private practice, and now when classes are smaller, their services as trained teachers are required for only one period. In one department alone there were five double time teachers, and next year these will all be on single time.

As must occur in every institution, there are several resignations from the staff. Your policy of always having someone ready to fill such a vacancy makes it possible for the courses involved to go forward without any loss of time. With the present staff, a vacancy can be filled in almost any department with an hour's notice. It sometimes occurs that a clinician cannot take his class, then another fills his place at once without demur.

For Those Interested in Dental Education in the R.C.D.S.

About a year ago the Dean sent a questionnaire suggested by Dr. Cummer, to each member of the Faculty with a view to getting together some specific information about its members. A great deal of personal and general information is now at hand which will help in the general conduct of the school. It was thought wise to compile some of the facts gathered so that the staff could have an idea of the general standing of the teaching force. It must be understood that all of the data is not absolutely accurate, because not all the staff answered the questionnaire. The data is made up from seventy members of the Faculty of 1921-22. Only those portions of the answers which were directly on the ability to teach dentistry are compiled.

Training in Teaching.

(a) **Professional teachers, courses and experience in teaching outside of dentistry.** Twenty-one members have taken a training in public school teaching and taught school, three have taken a High School teachers' course, and taught High School.

(b) **Experience in teaching other than dental subjects.** Five taught University work, one Pharmacy, one Bookkeeping, three Drawing and Modelling, three Surgery, three Medicine.

(c) **Degrees other than Dental held by Staff.** Three M.A., six B.A., two B.A.Sc., twelve M.D., one M.R.C.S., one R.C.A., and one Ph.D.

(d) Fifty-six hold the dental qualification.

(e) **Experience in Teaching Dentistry.** For the purpose of getting an idea of the value of dental teachers, they are placed in three groups, those from one to three years' experience, those from three to eight years, and those beyond eight years' experience. In the first group there are six; in the second there are thirty-six; in the third there are twenty-eight.

Interests in the Staff Outside Dental Teaching.

There are fifty-four who belong to one or more Dental Societies. There are twenty-six who belong to other professional societies. Twenty-two attended Post-Graduate classes recently, and nineteen were in special study groups. The staff subscribes for three and a half dental journals each, and two other journals. Nine have done some recognized research work, and twenty-one have contributed to current dental literature within two years.

Several members of the staff have, during the year, been invited to address many dental societies in various parts of this continent and abroad. Such recognition is to the general advantage of the profession.

Recommendations.

Recommended: 1. That resignations of Lancaster, McHenry, Eldon, Butt, Agnew, Thornton be accepted.

2. That the thanks of this Board be extended to the above for their services.

3. That the room No. 8 be prepared for fourth and fifth year Prosthetic Laboratory and that room 33 and Room C be prepared for fourth year operative.

That the Faculty Council be directed to appoint a committee to meet with your president and make such arrangement and nomenclature of the staff and subjects as they think meet, and report at the autumn meeting of the Board. (Arranged by the Board, see pages 31 and 50.

For several years the greater part of the executive work of the Faculty Council has been done by its executive committee. This standing committee is composed of the Dean, Superintendent, Secretary, representative of the Board and one member known as the head of a group of allied subjects. This committee's prerogative and work could be made more effective by having power to organize a little better.

During the past twenty or more years, many resignations from the staff have occurred, and many appointments have been made. In some cases full professors were appointed for very few lectures on only a part of a subject. This often occurred without the present teacher of the subject knowing anything about the new appointment. At the present time there are three professors of Pathology all appointed at different times and each with as much authority as the other. There are two professors of Periodontia without a head. These and many other anomalies are legacies of the past. There are too many separate and independent professors of parts of subjects.

The teaching of the subjects of Operative Dentistry, Periclasia, Radiology, Pathology and nursing could all be improved by a more effective organization.

Your Dean's opinion is that there should be a grouping of allied subjects under one administrative head, who spends a good deal of his time in the College building, whose duty should be to see that the courses are carried out, and sit on the Executive Committee of the Faculty Council.

Respectfully submitted,

A. E. WEBSTER, Dean.

Moved by Irvine and Bruce: "That the report of the Committee of the Whole on the Dean's report be adopted." Carried.

DISCIPLINE COMMITTEE REPORT.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

During the last year the duties of the Discipline Committee have been very heavy. The activities of the Committee can be classified as follows:

Illegal Practitioners—mostly laboratory men and others without Ontario licenses.

Advertising Practitioners.

Practitioners engaging unlicensed help to operate.

The Committee often finds it very difficult to get the co-operation of those that make the complaints, and we wish to make an appeal to them to help us get the necessary evidence. This is difficult and disagreeable work at the best, and to get results we must have co-operation from the members of the profession.

When it is known that certain laboratory men are breaking the Dental Act we think that the least the profession can do to help your committee would be to send their work to ethical laboratories of which there are plenty. It is recommended that a list of such ethical laboratories should be placed in the hands of the practitioners.

It is often very difficult to get evidence on certain men known to be practising without a license as they do it under the cover of legitimate laboratory work. One case we have in mind—we have spent \$150.00 without being able to get the necessary evidence. This particular man is doing laboratory work for several ethical dentists.

During the year we have handled seventeen cases—one-third have been convicted and fined, some have promised to reform, and others, we, so far, have not been able to secure the required evidence.

During the year four men were summoned to appear before the committee—for improper conduct in a professional respect—in regard to advertising.

We might say definitely that this committee recommends that we carry this matter of advertising to a definite conclusion with the aid of eminent legal counsel.

This committee has, so far, taken no action in regard to the infringement of the Ontario Temperance Act, but we would recommend that members of the profession, who persistently break this law, should have their license suspended or cancelled.

We would recommend that members of the profession, who persistently indulge in intoxicating liquors to such an extent that they are professionally incompetent, should have their license suspended or cancelled.

We would recommend that members of the profession, who per-tee is able to obtain the service of one, not in practice, to undertake the clerical work of this committee.

Respectfully submitted,

R. GORDAN McLEAN, Chairman.

Moved by McLean and Davidson: "That the report be adopted and entered on the Minutes." Carried.

Moved by McGuire and Thompson: "That the Secretary of the Board be requested to act as the Secretary for the Discipline Committee." Carried.

PORTRAIT COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:

The photographs of Drs. Davy and Bonnycastle, former presidents of the Board, have not yet been completed. The photograph of Dr. McGuire has been received and framed. The oil portrait of the late Dean has not yet been started, but will be undertaken at once.

A. D. A. MASON, Chairman.

Moved by Bruce and Thompson: "That the report be adopted and entered on the Minutes." Carried.

WAR MEMORIAL COMMITTEE.

May 21, 1923.

To the Board of Directors,
Royal College of Dental Surgeons of Ontario.

Gentlemen:

Your Committee on War Memorial begs leave to report as follows:

They consulted many artists and manufacturers of tablets. Marble, brass, wood and bronze were all considered with the final conclusion that cast bronze was the most desirable material.

Recommended:

1. That a memorial tablet of cast bronze be placed on one of the large pillars in the main hall.

2. That upon this tablet shall be inscribed the names of all the graduates and undergraduates of the School who died in the service of their country in connection with the Great War.

Two designs and two sizes and three prices are submitted for your consideration.

(a) A design submitted by William Rogers Company, 25" by 30", with the College crest, \$250.

(b) The same design enlarged to 24" by 38" at \$350.

(c) A design by Patterson & Heward, 34" by 38" at \$500.

Your committee inclines towards the tablet of Patterson & Heward at \$500.

The committee has been informed that the Military Dental Association has funds on hand amounting to about \$110, which they would be willing to contribute to this purpose.

All of which is respectfully submitted.

A. E. WEBSTER.

WALLACE SECCOMBE.

W. E. WILLMOTT.

Moved by Irvine and Bruce: "That the report be adopted and entered on the Minutes, and that the design of Patterson & Heward at \$500.00 be accepted and the committee be instructed to proceed with the erection of the same." Carried.

REPRESENTATIVE ON UNIVERSITY SENATE.

The committee on this matter reported progress.

THE EXTENSION SERVICE AND POST-GRADUATE COMMITTEE

May 21, 1923.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

Extension Service.

During the past year your committee sanctioned numerous requests of local dental societies for clinicians and lecturers to give dental instruction in local centres.

The following members of the faculty took charge of meetings in the places indicated:

Trelford, W. G., Periodontia	London
Trelford, W. G. Periodontia	Kitchener
Trelford, W. G., Periodontia	Peterboro
Seccombe, W., Preventive Dentistry	Peterboro
Seccombe, W., Preventive Dentistry	London
Seccombe, W., Preventive Dentistry	Kitchener
Bothwell, J. A., Full Denture Prosthesis	Ottawa
Bothwell, J. A., Full Denture Prosthesis	London
Ante, I. M., Crown and Bridge	Peterboro
Cummer, W. E., Partial Denture Prosthesis	Simcoe
Cummer, W. E., Partial Denture Prosthesis	Peterboro
Webster, A. E., Children's Teeth	Preston
Chalmers, W. L., Exodontia	Brantford
Chalmers, W. L., Exodontia	Ottawa
Risdon, F. E., Oral Surgery	Peterboro

The same financial arrangements were made as last year, and each clinician was paid his expenses (exclusive of transportation), and was given an honorarium of \$25 for each of these meetings.

Drs. Webster, Cummer and Seccombe did not receive honoraria, they being on full time service at the College.

The total expenditure as authorized by the committee as above amounted to \$243.50.

Recommendation: (a) That in connection with the Extension Service local societies be encouraged to hold sessions extending two days or more, that a more intensive study may be made of the subject in hand, and that in cases where this is done the teacher be given an honorarium of \$25 a day.

(b) That groups of Dentists for extension service, number not less than 15 for one day service.

Preparation for Teaching.

During the past year the appropriation of the Board of \$200 was not used by the committee for the purpose of paying the expenses of the members of the staff delegated by the committee. Your committee requests that this amount be again apportioned for this purpose as a notice has been received of a special course in Full Denture Prosthesis at the University of Minnesota by Dr. House during

the coming year, and it would be an advantage to have one of the faculty members attend the same.

Post Graduate Course, 1922.

The Post Graduate Course last session was attended by thirty-five graduates and, while the numbers were not large, a very successful course was held.

The total receipts were \$358, and the expenses \$496 as follows:

Post Graduate Instruction, 1923.

In view of the meeting of the American Dental Association being held this year in the city of Cleveland from September 10th to 14th, inclusive, your committee recommends that our Post Graduate course be held this year commencing Monday, 17th of September, and continuing until Saturday noon, the 22nd, thus giving one-half day, Monday morning, for registration and organization, and five full days for teaching.

Your committee recommends the following courses:

Course A, 2½ days—Preventive Dentistry and Physical Diagnosis.

Course B, 2½ days—Pathology and Periclasia.

Course C, 2½ days—Operative Dentistry and Dental Diagnosis.

Course D, 2½ days—Anaesthesia and Oral Surgery.

Course E, 2½ days—Crown and Bridge Work.
 Course F, 2½ days—Partial Denture Prosthesis.
 Course G, 5 days—Full Denture Prosthesis.

Time Table.

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
9-12 a.m. Registration.	9.30-12 A,C,E, or G.	9.30-12 Same	9.30-12 B,D,F, or G.	9.30-12 Same	9.30-12 Same
2-4.30 A,C,E, or G.	2-4.30 Same	2-4.30 Same	2-4.30 B,D,F, or G.	2-4.30 Same	2-4.30 Same

Your committee considered the advisability of holding the course at the time of Ontario Dental Association, but does not recommend this plan.

Your committee recommends that the faculty members of the R.C.D.S. be admitted without fee, and that the teachers, exclusive of full time professors, receive remuneration at a flat rate of \$6.00 per hour for lectures and demonstrations. Post Graduate Course tuition fee for licentiates of Ontario not in arrears shall be \$10.00, and to all others, \$25.00

Announcement of Courses.

The committee would be glad to receive direction from the Board as to what steps should be taken to make adequate announcement to the profession as to both Extension and Post Graduate Work

Bulletins.

Recommended: That, in place of appropriating funds for R.C.D.S. Bulletins, the Board make more generous grants to Canadian Dental Research Foundation upon the understanding that suitable Bulletins of the Departments of the R.C.D.S. be published by the Foundation, and made available to the whole of Canada, and thus foster Post Graduate Work upon a national basis.

Respectfully submitted.

A. E. WEBSTER,

W. E. CUMMER,

WALLACE SECCOMBE,

Committee.

Moved by Kennedy and Thompore: "That the report be adopted and entered on the Minutes." Carried.

COURSE FOR DENTAL TEACHERS.

Moved by Irvine and Davidson: "That this Board authorize the Prosthetic Department to undertake a free Post Graduate course on Partial Denture work in Dental teachers from August 6th to 8th." Carried.

Moved by Irvine and Kennedy: "That a grant of \$150.00 be made to the Prosthetic Department to send a member or members of the Department to the course for Dental teachers in Full Denture Work, to be held in Minneapolis on July 21st to August 4th." Carried.

EXAMINERS.

The Committee of Exminers presented a tentative report, which was accepted, and the committee instructed to consult with the Examinations Committee of the University of Toronto.

At a later session, the committee presented the report as agreed upon by the Joint Committee. (See Announcement.)

Moved by Kennedy and McLean: "That the report be adopted and entered on the Minutes." Carried.

ONTARIO TEMPERANCE ACT.

A letter was presented from the Board of License Commissioners reporting that eight dentists had secured more liquor during the month of April than the regulations allowed.

Moved by Davidson and Kennedy: "That the Board of License Commissioners be respectfully requested to cut off from the list of dentists, who may obtain liquor from the Dispensaries, those who violate the regulations." Carried.

The Ontario Board of License Commissioners notified the Board of Directors that a Toronto dentist had obtained liquor through a druggist and a Government Dispensary to the amount of approximately 20 quarts during the month of January, 20 quarts during February, and 17 quarts during the month of March, and that the Commissioners had laid an information and that the dentist was subpoenaed to appear in the Toronto Police Court on the morning of Tuesday, the 29th day of May, 1923.

Moved by Bruce and Davidson: "That in the opinion of this Board no dentist in practice could possibly use the above quantity of liquor in the practice of Dentistry, under any circumstances, during this period of time."

"That a copy of this resolution be forwarded to the presiding magistrate."

"That the Secretary of the Board be requested to attend the court and be prepared to give sworn testimony regarding the action of the Board in this matter." Carried.

Moved by McLean and Thompson: "That the thanks of the Board of Directors be conveyed to the Board of License Commissioners for their continued courtesy in notifying the Secretary of this Board from week to week of the changes in addresses of Licentiates in Ontario." Carried.

ROYAL BANK OF CANADA.

Moved by Thompson and Irvine: "That the President and Secretary of the Board are hereby authorized to borrow from the Royal Bank of Canada from time to time as may be required an amount not to exceed \$75,000, such authorization to cover a period of one year from this date." Carried.

Moved by Thompson and Irvine: "That the Secretary notify the Spadina Branch of the Royal Bank of Canada that the President-elect of the Board is Dr. A. D. A. Mason, Toronto, and that his signature shall be accepted in place of that of Dr. M. A. Morrison." Carried.

(PATHOLOGICAL LANTERN SLIDES.

The Superintendent presented a statement from Professor Anderson regarding lantern slides which he had made for the Pathological Department.

Moved by McGuire and Irvine: "That the Superintendent be authorized to pay Professor Anderson's account." Carried.

PHYSICAL TRAINING.

Moved by Bruce and Davidson: "That the students of the Royal College of Dental Surgeons of the First and Second Years be required to take Physical Training at Hart House."

"That these students be medically examined by the Director of the University Health Service."

"That, in lieu of the honorarium to the Health Board of the R.C. D.S., the sum of \$1.00 for the Physical Examination of each student be paid to the University of Toronto."

"That the women students be examined by the University Medical Adviser for women."

"That students who fail to complete satisfactorily the course in Physical Training shall be conditioned in that Department and shall be required to take this work subsequently during the course and to pay a supplemental fee of \$10.00 in addition to the prescribed Physical Training fee." Carried.

REPORT OF BULLETIN COMMITTEE.

To the Board of Directors,

May 19, 1923.

Royal College of Dental Surgeons.

Gentlemen:—

Your Committee on publication of Bulletins begs leave to report as follows:—

There have been prepared several bulletins suitable for distribution either separately or collectively. We herewith present a set for your consideration and direction as to what should be done.

In the report of your Committee on Post-Graduate and Extension Work is a recommendation which covers the publication of bulletins, and governs, to some considerable extent, the policy to be followed by this committee.

All of which is respectfully submitted.

A. E. WEBSTER,

A. D. A. MASON.

Moved by Davidson and Thompson, "That the report be adopted and entered on the Minutes." Carried.

REPORT OF HOSPITALS COMMITTEE.

Toronto, May 21, 1923.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

The Toronto Hospitals Commission gave notice to the Toronto hospitals, that it was the intention of the Department of Public Health

to withdraw the dental clinics from the hospitals about the 1st February, 1923, and suggesting that these departments should be continued as part of the regular hospital organization.

Your Committee discussed with the city hospitals concerned the advisability of organizing dental services through the appointment of dentists who would visit the hospitals periodically, assist in the clinic and be available for consultation and advice. It was urged by your committee that this service should be related to the School of Dentistry of the R.C.D.S. and made available to our Senior students for teaching purposes, and that the head of the service should be accorded the same status in the hospital as the heads of other services and given a place on the Advisory Board.

The Women's College Hospital and the Toronto General Hospital have both acquiesced in these suggestions, as has also Grace Hospital.

The service at Grace Hospital has been organized with Dr. W. B. Amy as head of the service, assisted by Drs. Girvin and Richardson. This service has been doing very efficient work.

Your Committee is glad to report that substantial progress is being made in the development of dental services in the hospitals of Toronto, and that the Toronto General Hospital has signified its intention to organize a dental service.

The Women's College Hospital has also adopted the principal of a dental service and hopes to complete its organization during the present summer.

Respectfully submitted

WALLACE SECCOMBE,
R. GORDON McLEAN,
A. E. WEBSTER,
A. D. A. MASON.

Moved by Kennedy and Irvine: "That the report be adopted and entered on the Minutes." Carried.

PETITIONS COMMITTEE.

May 21st, 1923.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

The Petitions Committee of the Faculty Council, composed of the following members: Drs. Webster, Willmott, Thornton, Mason, Seccombe, Profs. Anderson and Lancaster, held numerous meetings during the year and made recommendations to the Faculty, with a view to tentatively dealing with students' petitions previous to the meeting of the Board. The following rulings are recommended to the Board for approval.

Fifth Year Clinical Credits.

That for session 1922-23 Fifth Year students be permitted to indenture with an approved licentiate during College Infirmary hours,

providing a minimum service of two hours per day be rendered during the term of such indentureship.

Upon submission of signed statement of preceptor that satisfactory service has been rendered by student, the Clinical Department will give due credit for such service.

Christmas Vacation.

That the College Building be closed from Thursday noon, 21st December, 1922, until Wednesday morning, 3rd January, 1923, regular work in all classes to re-commence on Wednesday morning at 8.30; the second instalment of fees (\$100.00) to be paid by each student in person, and received by a representative of the Royal Bank in the R.C.D.S. Fee Office, fees to be payable as follows: Wednesday, January 3rd, 10.30 a.m. to 2.30 p.m.; Thursday, January 4th, 10.30 a.m. to 2.30 p.m.

Examinations.

R. E. Gourlie, R. W. Matchett, I. Abramson, Sophomores, 1921-22.—That these students be permitted to attend a supplemental technic course in Operative Dentistry, and that, if successful, be permitted to register in the Fourth Year of the Five-Year course.

(Messrs. Gourlie and Matchett having taken course and satisfied the department, were granted their year.)

G. A. Wight, Junior B, 1921-22.—That candidate be permitted to write upon supplemental examinations in the spring of 1923, and upon successful completion, be permitted to enroll for a supplemental Operative Laboratory course in the fall of 1923.

M. L. Shapiro, Sophomore, 1921-22.—That candidate be permitted to complete credits of Sophomore Year during session 1922-23 and write examinations in spring of 1923; dissection course to be taken with regular class, at fee of \$10.00.

A. W. Dyer, Sophomore, 1921-22.—That student be given credit for mark obtained in Chemistry paper in April, 1922.

G. A. Kerster, Sophomore, 1920-21.—That candidate be required to take year over and complete First Year credits of the Four-year course; that he be not required to write upon Second Year final papers in which he now has credit.

L. R. Sawyer, Junior B, 1921-22.—That candidate be permitted to take supplemental courses. After successfully completing term credits, he be permitted to enter the Senior Year upon giving written assurance that he will give proper attention to duties during the present session.

B. Perrin, N. D. Pearson, Pre-Dental, 1921-22.—That these two candidates having submitted authentic evidence of severe illness at the time of the September examinations, be granted aegrotat standing in subjects which they were unable to complete.

Wm. McCorkindale, Freshman, 1921-22.—That, on account of Anatomy being moved back from the Third to the Second Year, candidate, who is not in regular attendance this session, be permitted to take

the Anatomy course (lectures and practical) and write on the examination in spring, fee \$50.00 to apply on regular tuition when he returns to College next session.

W. S. Hainer, E. L. Wright, Freshmen, 1921-22.—That owing to these two candidates failing to remove two conditions at the supplemental examinations, they be not permitted to register until conditions are removed.

S. W. Kemp, Senior, 1922-23.—That in view of First and Fourth Year Physics not having been given while candidate was in attendance, exemption be granted from these subjects.

R. L. Treleaven, Junior, 1921-22.—That candidate be permitted to write upon supplemental examinations in the spring of 1923, and upon successful completion, be permitted to enroll for laboratory courses in which he is conditioned in the fall of 1923.

Chas. S. Dawe, Fifth Year A, 1922-23.—That candidate be granted standing in Osteology in view of having passed Anatomy.

W. M. Moyer, Fifth Year.—That pass in Physics be accepted as including term credit.

C. I. Cobourn, Third Year.—That candidate be permitted to write Anatomy paper along with the Second Year Class.

Third Year Class.—That arrangements be made for holding Third Year Chemistry examination in April.

J. F. M. Kennedy, Fifth Year.—That owing to inability to write on Orthodontia term examination on account of illness, the Department arranged to give oral quiz.

T. H. Belden, Chas. G. Hewitt, Second Year.—That being unable to write on examinations in January on account of illness, the following concessions, as recommended by departments, be made:

Chemistry (term): granted aegrotat standing; Ethics (final), permitted to write in fall without fees; Dental Anatomy (term), oral quiz.

G. H. Sugden, Second Year.—That owing to inability to write on examinations in January, on account of illness, the following concessions, as recommended by departments, be made:

Ethics (final) permitted to write in fall without fee; Dental Anatomy (term): granted oral quiz; Histology (term): permitted to write with other section of class on May 5th. Consideration of Chemistry credits deferred until receipt of statement of course in Chemistry covered at Queen's University.

G. W. Sugden, Second Year.—That student be permitted to write on examination papers, but required to complete all laboratory courses in the fall.

F. L. Mills, B.A.Sc., Fourth Year.—That permission be granted to proceed with his course on condition that he satisfy each department in term standing. (Mr. Mills was absent owing to death of his father and arranging disposal of dental practice.)

M. O. Good, Third Year.—That as Operative Dentistry Department reported that student had not satisfactorily completed his course, he

be not permitted to write on paper in spring, but required to take supplemental laboratory course and write on paper in fall.

A. B. Sutherland, Second Year.—That student be required to repeat course in dissection and not permitted to write on Anatomy and Osteology.

A. B. Sutherland, Second Year; Ed. Linfoot, Third Year.—That owing to illness, excused on account of absence, and permitted to complete term and final credits in fall providing that be possible within time limit of supplemental courses.

H. B. Brown, N. R. Brown, Second Year.—That in view of these students not having satisfactorily completed sufficient work in the Dental Anatomy Department, they be not permitted to write upon that paper in the spring, but be required to repeat the Dental Anatomy course next session.

H. R. Brown, Second Year.—That on account of student being deficient in Prosthetic Technic, he be not permitted to write upon the paper in Second Year Prosthetic Dentistry in May.

Consideration of Petitions Deferred Until Examination Results Complete.

A. Liberman, Fourth Year.—That as student was deficient in attendance in Physical Training, session 1921-22, required to obtain at least 90 per cent. this session.

D. Strebig, Mgr. Varsity O.R.F.U. Rugby Team, re. A. Campbell III., J. Finmark IV., B. Sidenberg III., G. Staughton V.—That petition regarding consideration of granting consideration to members of Rugby team be held in abeyance until the end of the session.

J. B. Wilkes, Second Year.—That petition regarding consideration of standing in Histology, Dental Anatomy and Prosthetics be held in abeyance until the end of the session. (Candidate injured in playing Rugby.)

N. R. Brown, Second Year.—That owing to illness from March 12th to 27th, petitions for consideration in term credits.

C. J. Greene, Fourth Year.—That consideration of credit in Prosthetic examination written on April 11th be deferred until the examination results are complete.

Requests for Registration.

In addition to the above, the committee recommended the following action regarding three petitions referred to the committee by the Board.

W. B. M. Gordon, not in attendance.—That candidate who holds license to practice dentistry in British Columbia and has been working in Christie Street Hospital, Toronto, be required to meet regulations.

T. Earl Walker, not in attendance.—That candidate be permitted to complete course in two years on basis of old four-year course, having obtained standing in the Sophomore Year at time of enlistment.

A. W. Irwin, not in attendance.—That candidate be required to meet the regulations.

Respectfully submitted,

W. M. McGUIRE,
S. M. KENNEDY,
E. E. BRUCE,

Committee.

REPORT FROM THE FACULTY COUNCIL.

1. That the Board be requested to make the same appropriation for capital expenditures and equipment as last year.

2. That the principle of the arrangement to establish a curriculum proceeding to the degree of B.Sc. Dent. be approved.

That the principle of an arrangement with Western University for advanced standing in Medicine be approved. That in each case the Faculty Council be requested to work out the details.

3. That an examination in Osteology be added to the Second Year.

4. Whereas it is the opinion of this Faculty Council that it is not conducive to a successful practice to smoke during office hours, smoking be prohibited on the college premises. Infraction of this rule may lead to suspension.

Moved by Bruce and Davidson, "That No. 1 be laid on the table and the remainder of the report adopted." Carried.

INFIRMARY GOWNS.

Moved by Bruce and Davidson: "That the whole question of Infirmary gowns be referred to the Faculty Executive with power to act." Carried.

RE-ORGANIZATION OF FACULTY.

Moved by McLean and Bruce, "That on account of the reduction of one-third in the number of students who will be in attendance session 1923-24, and the consequent decrease in revenue of approximately \$50,000, the faculty and staff be re-organized; that after this re-organization each member of the faculty and staff be immediately notified of the result of the changes."

"That a copy of this resolution be sent to each member of the faculty and staff." Carried.

Moved by Bruce and Kennedy, "That in order to co-ordinate all the academic and administrative duties under one head, the offices of the Superintendent and Dean be combined in one office, that of "Dean." Carried.

Moved by Thompson and Davidson, "That Dr. W. Seccombe be appointed to the office of Dean." Carried.

Moved by Thompson and Davidson: "That Dr. A. E. Webster be appointed Honorary Dean." Carried.

**MINUTES OF SPECIAL MEETING OF THE BOARD OF
DIRECTORS OF THE ROYAL COLLEGE OF DENTAL
SURGEONS, HELD MARCH 18TH AND 19TH, 1924.**

The Board met on Tuesday, March 18th, at 2 p.m.—adjourned 6.10 p.m.
The Board met on Tuesday, March 18th, at 7.15 p.m.—adjourned 9.20 p.m.

The Board met on Wednesday, March 19th, at 9.30 a.m.—adjourned 12.30 p.m.

All the members were present except Dr. Davidson, who was in California.

During the sessions the following business was transacted:

The Secretary read the call for the meeting as follows:

240 College St., Toronto, Mar. 10th, 1924.

“Dear Doctor:—

“The President has instructed me to call a special meeting of the Board of Directors to be held in the Board Room of the College on Tuesday, March 18th, at 2 p.m. to consider the letter recently sent to the profession by Dr. McDonagh, and any other matters of business which may be deemed necessary.

“Yours very truly,

“(Signed) W. E. WILLMOTT,

“Secretary of the Board.”

DR. McDONAGH'S LETTER.

2 Bloor St. East,

Suite 35,

Dear Doctor:—

Toronto, March 3rd, 1924.

Doubtless you saw in *The Globe* and other Saturday papers a very graphic account of the supposed to be wonderful discovery by Dr. Box, vouched for and heralded by Dr. Forbes Godfrey, the Minister of Health of the Ontario Cabinet. I feel sure that Dr. Godfrey would not have made the statements he did had he been familiar with dental literature of the last six or seven years. A later edition of the *Star* gives a more sane and a more nearly truthful statement by Dr. Box. Notwithstanding this fact and principally on account of Dr. Godfrey's claims the majority of the laymen believe that Dr. Box has made some wonderful discovery which will permit any dentist to cure so-called “pyorrhea” by a new method, which as you know is pure nonsense.

Dr. Box has made some slides which prove the assertions of Dr. Stillman in regard to selected cases of “traumatic occlusion” and he should be credited for that work, consequently blatant advertisements are unfortunate. Personally, I believe Dr. Box is the victim of conditions which exist in the dental profession to-day. As you probably know the Dental College is not federated with the University of Toronto but is merely working in affiliation with it. It does not suit Dr. Seccombe and his political friends to have it federated with the University, consequently, and this you may not know, the College and equipment have been transferred to the Ontario Government,

or perhaps we might say the Province of Ontario, for the paltry sum of less than \$150,000 notwithstanding the fact that the building and equipment are worth at least half a million. Now along the same procedure there is a proposition on foot to have the Province give \$35,000 a year to the college for teaching purposes, which will make the college more securely an Ontario Government Institution, governed and controlled by provincial politicians. Why, the very first act that the Government did when they got the college deeded to them was to give a license to a man who had some good political friends but who had not passed the required examinations.

I believe it is time that the dentists know what the politicians are doing with what was termed their college. The present proposed coup by Drs. Godfrey, Seccombe & Co. to my mind, and I believe you will agree with me, would be more disastrous to the dignity of the dental profession than the crude proceedings of the board of last spring, the unheard of treatment of experienced teachers, both medical and dental, members of the faculty of the college. If you want your college a political plaything it is your privilege to let things go on as they are going.

Fraternally yours,

(Signed) ANDREW J. McDONAGH.

DR. BOX.

Dr. Box made a statement regarding his research work.

The Board considered this and the letter written to the profession by Dr. McDonagh at considerable length and formulated the following statement.

REPLY TO DR. McDONAGH.

To the Members of the

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

Dr. Andrew J. McDonagh, of Toronto, issued to some of the members of the dental profession of Ontario a circular letter under date of March 3rd, 1924, containing a number of statements which the Board feels called upon to absolutely deny and repudiate.

As you are aware, the dental profession in Ontario is organized upon an entirely democratic basis, the Province being divided into seven electoral districts, each district electing one member to the Board every two years. The Faculty also elects one member. Under these circumstances, the Board can never be considered an autocratic body out of touch with, and failing to reflect, the views of the public and dental profession generally.

Both Dr. McDonagh and Dr. Box were invited to attend the Board meeting. Dr. McDonagh did not attend. Dr. Box was present and made a statement regarding his work, and affirmed that it was as a patient that the Honorable Dr. Godfrey became familiar with his research findings and in no other way.

Dr. McDonagh complains about changes in the Act Respecting Dentistry made by the Ontario Legislature four years ago. At the meeting of the Ontario Legislature at which the \$100,000 grant was

made, the Dentistry Act was amended by the addition of the following:

1. The College real estate shall not be sold, mortgaged, leased or disposed of except with the consent of the Minister of Education;
2. The Minister of Education for the Province of Ontario shall be, ex-officio, a member of the Board of Directors.

All members of the profession were made acquainted with this fact through the printed Minutes of the Board and also by printed copy of the Act which was forwarded to each member.

Statement One:—"The supposed to be wonderful discovery by Dr. Box."

The Facts:—Dr. McDonagh has not had an opportunity to examine or investigate the recent findings of Dr. Harold K. Box's research upon which the Honorable Dr. Godfrey, Minister of Health, Province of Ontario, made an announcement and therefore cannot know the nature of the discovery.

The findings of Dr. Box have been reported to the Board of Directors and are endorsed by the Board. The Board finds that Dr. Box has discovered a new disease condition and its relation to so-called Pyorrhea. This clears up the obscurity regarding the inception of the processes involved in Pyorrhea and shows the nature of the disease itself and the regions in which these processes are initiated. Knowing the regions in which the disease starts, a much earlier and more scientific diagnosis is possible. These findings will enable improved methods of treatment to be applied earlier and more effectively. This constitutes a great step forward in preventive medicine and preventive dentistry.

It is hoped that Dr. Box's work will result in the entire dental profession being able to render much better service to the people of the province. Dr. Box's findings are not a matter of opinion but are based upon scientific research and evidence, and it is his desire that his complete work be made available to the profession at as early a date as possible.

Statement Two:—That "the College and equipment have been transferred to the . . . Province of Ontario"; "College deeded to them."

The Fact:—This question has never been broached to the Ontario Government and is an absolute untruth.

Statement Three:—"The very first act that the Government did when they got the college deeded to them was to give a license to a man who had some good political friends but who had not passed the required examinations."

The Facts:—This incident doubtless refers to the case of Capt. Rollitt, a dentist of the Province of Quebec of many years standing, and who served in the Canadian Army Dental Corps at Camp Borden during the war. Capt. Rollitt's family moved to Barrie at that time. Following his discharge from military service, he requested the Drury Government to grant him a license to practise dentistry in Ontario.

The matter was referred to the College and it was decided that, in view of Capt. Rollitt's war service he be granted a permit to practise in the town of Barrie only, but was not granted a license to practise dentistry elsewhere in the Province of Ontario. Dr. Rollitt has since returned to the Province of Quebec.

Statement Four:—The consideration for the transfer to the Government was: "for the paltry sum of less than \$150,000, notwithstanding the fact that the building and equipment are worth at least half a million."

The Facts:—This evidently refers to grants made to the College by the Drury Government. As a matter of fact, grants were made totalling \$163,809, extending over a four-year period. These grants were in every case related directly to the war veterans in attendance at the Dental College. The first grant in 1920 was for \$100,000 toward partial payment of the building of a wing to accommodate a freshman class of 320, most of whom were returned soldiers. Of this number, 117 were sent to the College by the Dominion Government through the Department of Soldiers' Civil Re-establishment, and the D.S.C.R. paid their first year's tuition fees. Additional grants were made in 1921, 1922 and 1923, aggregating \$63,809. These grants were for the sole purpose of deferring the payment of tuition fees of war veterans who found themselves in financial difficulty, and unable to proceed with the course upon which they had been launched by the D.S.C.R. The Dental College in deferring payment of tuition fees acted in co-operation with the Alumni Federation of the University of Toronto, deferring fees of students recommended by the Alumni, as did also the other faculties of the University. Not a dollar of the \$163,809 has been used to meet current expenditures, but was expended entirely as above mentioned.

Statement Five:—"The present proposed coup by Drs. Godfrey, Seccombe & Co."

The Facts:—This language is not only undignified and unprofessional, but is bordering upon the slanderous. The Honorable Dr. Godfrey had no communication of any kind with Dr. Seccombe or any member of the Dental Board or Dental Faculty other than with Dr. Box himself, regarding Dr. Box's research findings, previous to his public announcement of the same. There has been no political influence or interference of any kind in the affairs of the College, and though the Minister of Education is ex-officio a member of the Board, (as he is of the Board of Upper Canada College), at no time has he attended a meeting of the Board.

Statement Six:—"The crude proceedings of the Board of last spring, the unheard of treatment of experienced teachers both medical and dental, members of the Faculty of the College."

The Facts:—The personnel of the Faculty of the Dental College was reduced in May last from 74 to 61 and a general re-arrangement of duties was effected. The graduation of the large soldier class of 320 and the consequent reduced registration of students from 725 to

485 entailed a depreciation in the receipts for the current year of tuition fees alone of \$48,000. That the hands of the Board might be free in facing this serious problem, the resignation of every member of the faculty was called for. No personal or other unworthy consideration entered into the selection of the new faculty. Those who were not re-appointed were assured of the regret of the Board that the finances were such that it was impossible for them to be re-appointed. Each man was written a letter of explanation and thanks for past services. All of the full time members of the faculty were re-appointed without change of salary and all other members re-appointed were paid at the same rate of salary as previously.

In the case of Dr. McDonagh, the Board had a difficult situation to face because of the fact that he and Dr. Box were teaching the same subject and their teaching was at variance. The Board selected the teaching of Dr. Box and the latter was re-appointed.

Regarding the relations of the College with the University of Toronto, this is not a new question, but has been under discussion for the past nineteen years.

Committees were appointed to confer with the University in 1905, 1907 and again in 1918. The University of Toronto has found it impossible heretofore, on account of financial reasons, to assume the added financial responsibility of establishing a faculty of Dentistry. However, that the matter might be further discussed with the University, a committee has been appointed by the Board to prepare a complete statement of the whole question, learn the present views of the University and report to the next meeting of the Board. No final action will be taken in this matter until the whole dental profession has had an opportunity of expressing its views in regard to University relations.

While the majority of the faculty must necessarily be dentists, there are in addition nine members of other faculties of the University teaching academic and medical subjects, and also four physicians who are on hospital staffs.

Upon successful completion of their course, dental students are admitted as graduates of the University of Toronto and the dental degree is conferred at the regular University Convocation.

Statements have appeared in the press regarding the relations of dental students to other students of the University. These are most cordial and intimate. Hart House is the centre of undergraduate activities in the University. Every dental student is a member of the House and is compelled by the College to join at time of registration. This is not the case in regard to all of the federated colleges. Members of the Dental College, both graduate and undergraduate, hold positions on the various committees of Hart House and also upon the Athletic Directorate of the University. Dental students are encouraged to take part in all the undergraduate activities of the University and they are members of practically all of the championship teams of the University. When events are reported in the daily press, members of the dental profession who are not in touch with College activities

are frequently unaware of the fact that the dental student body is well represented on the University teams as they play under University colours. The captains of the 'Varsity Intercollegiate Rugby teams for the past two years have been dental students and there were several dental students on both the Senior Hockey and Rugby teams.

Dental students had the high honour of winning the shield emblematic of the debating championship of the University in 1922-23, defeating Osgoode Hall in the final debate. One of those selected to represent the University in the 'Varsity-Oxford debate was a dental student.

The dental student body is represented by six members on the Students' Administrative Council. Dentistry is also represented on the Students' court of the University.

The Board regrets the necessity for the issuing of this statement. Dr. McDonagh acted hastily and without knowledge of the facts.

The Board wishes to publicly express to the Honorable Dr. Godfrey on behalf of the dental profession its regret that he should have been accused in such an unwarranted manner by a member of the dental profession. The Board also desires to express its thanks and appreciation to Dr. Godfrey for his interest in dental science and in the closer linking up in a scientific way of the professions of medicine and dentistry in the Province of Ontario.

Signed on behalf of the Board,

A. D. A. MASON,
President.

W. E. WILLMOTT,
Secretary.

PUBLISHING DR. BOX'S WORK.

Moved by Irvine and Thompson: "That an appropriation of \$500.00 be made towards publishing Dr. Box's work." Carried.

COMMITTEE ON UNIVERSITY RELATIONS.

Moved by Thompson and McGuire: "That McLean, Mason, Kennedy (London), Seecombe, Webster and Trotter be a Committee to consider the relation of the Royal College of Dental Surgeons to the University of Toronto and to report at the regular meeting of the Board in May. If they deem it wise, they are authorized to consult the profession." Carried.

REUNION

The Reunion Committee presented a tentative report of the proposed gathering on the afternoon and evening of May 26th, which was adopted on motion of Thompson and Kennedy.

LICENTIATE FEES.

The Treasurer reported that a large number of drafts, sent out for the collection of the annual licentiate fee, had been returned.

On motion of MiGuire and Thompson, the Treasurer was authorized to collect unpaid fees through the court.

CALENDAR FOR 1924-25.

On motion of Kennedy and Bruce, the calendar for Session 1924-25, as presented by the Dean, was adopted. (See Annual Announcement).

COMMENCEMENT.

The Commencement Committee presented a tentative report and it was suggested by the Board that President Falconer be asked to give the graduating address.

REPORT OF THE EXECUTIVE COMMITTEE OF THE FACULTY COUNCIL.

The Dean presented a synopsis of the proceedings of the Executive Committee of the Faculty Council.

The Board went into Committee of the Whole, with Dr. McGuire in the chair to consider the report.

The Committee rose and reported that the report of the Executive Committee had been adopted, as amended.

To the Board of Directors, Toronto, March 18, 1924.
Royal College of Dental Surgeons.

Gentlemen:

The Executive Committee of the Faculty Council has held fourteen meetings since the last meeting of the Board, and the members have worked together in the greatest harmony in the solution of the problems of the school.

It was decided that the principle be followed of referring all actions of the Executive Committee to the Faculty for approval. To expedite this plan the minutes of the Executive meetings have been mimeographed and a copy mailed to every member of the Faculty. At each meeting of the Faculty, the minutes of the Executive Committee were considered, an opportunity was given for correction or amendment, and they were then approved.

Personnel of Faculty, Session 1923-24.

A complete list of the members of the Faculty this session will be found in the Auditors' Report (page). In a few cases appointments to duties were made by the Executive and the complete list is now submitted for the approval of the Board.

It will be noticed that in the case of French and English, the lecturers were changed to University teachers, Dr. E. J. Pratt, Associate Professor in English, Victoria College, and Mr. Herbert S. McKellar, B.A., Assistant Professor in French, University of Toronto, being appointed.

In the case of Bio-Chemistry, Dr. Andrew Hunter of the University is continuing the work of Professor Lancaster who accepted an important position with the Federal Department of Health. Dr. Macallum was appointed as Instructor in Chemistry. Dr. Oskar Klotz, Professor of Pathology of the University of Toronto, was asked to give a short course in Pathology to the fifth year. Mr. W. J. T. Wright, B.A.Sc., of the University, was appointed as demonstrator in Physics.

Dr. T. A. Robinson, Professor of Anatomy, resigned to accept a position on the staff of St. Michael's Hospital. Dr. Jas. C. Watt of the Department of Anatomy of the University of Toronto, was appointed to carry on his duties.

Dr. Ante retained his lecture periods but resigned as Instructor in Dentistry. Dr. W. C. Smith also resigned as Instructor, but both of these members have served as Honorary Clinicians.

Student from West China Union University.

Dr. J. E. Thompson of Chengtu, China, asked if it would be possible for one of the graduates in Dentistry from the West China Union University, Dr. Whang, to attend a session at the R.C.D.S. as a graduate student without fee. This suggestion is recommended to the Board for favorable consideration, it being the intention of Dr. Whang to prepare himself for dental teaching in China.

Dental Research.

The Faculty Executive discussed the subject of Dental Research and expressed the view that all dental research work within the University should be carried on through the co-operation of the Faculty of the School of Dentistry. The Dean was requested to convey this suggestion to the President of the University.

Instrument Lists.

The official instrument lists as adopted by the Faculty Council, for all years, have been set in type and a copy forwarded to each tenderer with samples of instruments where required. The date upon which tenders are to be opened has been fixed, upon the recommendation of the dental dealers, as Monday, April 14th, 1924, and it remains for the Board to designate what body will award the tenders. (The following were appointed, President, Dean, Honorary Dean and President of Students' parliament).

L.D.S. Requirements.

As advance notice was not given regarding the requirements for L.D.S. examination as adopted by the Board in May, 1923, students who transferred from other Colleges this session were required to write only the examinations of the year in which they registered, and not those of the earlier years.

Graduate Studies (Committee: Webster, Seccombe, Cummer).

The Executive Committee reports as follows upon Graduate Studies:

- A. Dental Practitioners' Course,
- B. Graduate College Studies, and
- C. Extension Lecture Service.

A. Post Graduate Course, 1923.

Dental Practitioners' Course, 1924.

A successful Post Graduate course was held in the College Building from September 17th to 22nd, 1923, there being in attendance 53 dental practitioners as follows: 19 from Toronto, 22 from elsewhere in Ontario, 10 from the United States, 1 from British

Columbia, and 1 from Australia. Ten members of the Faculty were present and one member of the Board of Directors. The eleven last mentioned were charged no fee.

Following gives list of dentists in attendance:

Instruction was given in seven branches of Dentistry by various members of the Faculty. Three courses ran concurrently from 2 p.m. Monday, September 17th, until 4.30 Wednesday, September 19th, in which the attendance was as follows:

Preventive Dentistry and Physical Diagnosis—6,
Operative and Dentistry and Dental Diagnosis—9,
Crown and Bridge Work—15.

Three other courses were held from 9.30 a.m., Thursday, September

20th, until 12 noon Saturday, September 22nd, the attendance being as follows:

Pathology and Periclasia—16,
Anaesthesia and Oral Surgery—19,
Partial Denture Prosthesis—8.

In Full Denture Prosthesis, which extended over the whole five days, six dentists took the course.

The total receipts amounted to \$610.00 and the disbursements to \$489.00.

Dr. John O. McCall of Buffalo gave two lectures upon invitation of Dr. Harold K. Box.

Dental Practitioners' Course, 1924.

It is recommended that the 1924 course be known as: "Dental Practitioners' Course," and that the same subjects be covered as last year with the addition of Orthodontia.

It is also recommended that with the exception of Full Denture Prosthesis, the time table be so arranged as to distribute the several courses throughout the whole period, rather than having them run concurrently.

Dates of course: Monday, 15th September to Saturday, 20th September, 1924.

The above plan would enable the registrants to take more work than would otherwise be possible.

The suggested time table is based upon the following schedule of subjects and hours:

SUBJECT.	HOURS.
Anaesthesia and Oral Surgery	12
Crown and Bridge	10
Partial Denture	7½
Operative Dentistry	7½
Pathology and Periclasia	7½
Preventive Dentistry	7½
Orthodontia	5
Full Denture	37

It is recommended that the following time table be adopted:

HOUR	MONDAY	TUES	WED.	THUR.	FRIDAY	SATUR.
A. M. 8.30	Registration	C. & B.	C. & B.	C. & B.	C. & B.	C. & B.
10.00-10.30	Opening Lecture	"	"	"	"	"
10.30-11.30	Anes. and Oral S.	Anes. & Oral S.	Anes. & Oral S.	Anes. & Oral S.	Anes. & Oral S.	Anes. & Oral S.
11.30-12.30	Anes. Clinic	An.Clinic	An.Clinic	An.Clinic	An.Clinic	An.Clinic
P. M. 1.30-2.30	Orthodontia	Ortho.	Ortho.	Ortho.	Ortho.	
2.30-4.00	Preventive	Prevent.	Prevent.	Prevent.	Prevent.	
4.00-5.30	Operative	Oper.	Oper.	Oper.	Oper.	
7.30-9.00	Path & Peri.	Path. & Peri.	Path. & Peri.	Path. & Peri.	Path. & Peri.	
9.00-10.30	Partial Denture	Part. Dent.	Part. Dent.	Part. Dent.	Part. Dent.	

It is recommended that a printed application form be prepared and forwarded to each Licentiate in Ontario along with explanatory letter and copy of time-table.

It is also recommended that necessary arrangements be made with dental depots to supply necessary kits in Crown and Bridge, Prosthetic, or other branch where practical work is undertaken by registrants.

B. Graduate College Studies.

Circular letters were issued to the Licentiates of the Province, dated 1st September, 1923, and 2nd January, 1924, outlining the policy and programme of the College regarding Graduate work.

Four weeks of studies were arranged as follows:

- 11 to 16 February—General Practice and Clinical Dentistry.
- 11 to 16 February—Orthodontia.
- 25 Feb. to 1 Mar.—Full Dentures.
- 10 to 15 March—Crown and Bridge.
- 10 to 15 March—Partial Denture.
- 24 to 29 March—Dental Pathology and Periodontia.
- 24 to 29 March—Oral Surgery and Anaesthesia.

Fifth Year students were given the privilege of attending these courses along with graduates.

The attendance of graduates was not large, but those present expressed their keen appreciation.

The Fifth Year students also formally declared their wishes that these special courses be continued and that they be permitted to attend.

C. Extension Lecture Service.

This service has been taken advantage of by the following local Societies this year:

Kingston, Hamilton, Lindsay, Ottawa, St. Catharines, Preston, London, Kitchener, Brantford, Port Arthur, Bay of Quinte, Oshawa, Peterboro, Brighton.

The Treasurer of the Board will report upon the details of expenditures in this connection.

Respectfully submitted,

WALLACE SECCOMBE, Dean,

Moved by McGuire and McLean: "That the report of the Committee of the Whole be adopted." Carried.

DISCIPLINE COMMITTEE.

The Discipline Committee reported that certain advertisements had been submitted to Counsel and it was his opinion that the College would be justified in proceeding against these advertisers and that the committee was preparing to follow the advice of Counsel.

The Committee also reported that Dr. Norman K. Douglas of Owen Sound had been convicted of an indictable offence.

Moved by McGuire and Irvine: "That, in accordance with Section 27, sub-section 1 of the Dentistry Act, the certificate of license of Dr. Norman K. Douglas of Owen Sound be and is hereby cancelled."

The Committee also reported that several other cases were under consideration.

DEAN'S REPORT.

The Dean's report was presented as follows:—

March 18, 1924.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

Registration of Students, 1923-24.

The estimated registration for this session was 476, whereas there were actually 488 students registered in September, 1923. Two additional students were registered for the second semester, one having discontinued at Christmas of a previous session, and the other, by permission of our Faculty Executive, was accepted from McGill. During the session four students have discontinued their year, so that the registration stands as follows, including eleven young women taking the course for dental nurses:

First Year	58
Second Year	57 (1 woman)
Third Year	80 (4 women)
Fourth Year	105
Fifth Year	186 (1 woman)
	486
Dental Nurses	11
Total	497

There are 15 more students in the fifth year than in last year's fourth year. This is accounted for by six graduate dentists attending the final year, five students transferred from McGill and one from Northwestern, and a number of students in attendance at R. C. D. S. previously, returning to complete their course. Two graduates are from Australia, one from Melbourne University, and the other from Sydney University. There are two dentists from Japan and one from China. A graduate from Northwestern is also taking the final year.

Twelve dental nurses were registered in September, but one was obliged to discontinue the course owing to ill-health.

Children's Clinic at College.

The College this year is making a contribution to public dental service and at the same time supplying opportunity to Infirmary students for training in Dentistry for children, through the establishment of a children's clinic. School children are received in the College Infirmary from 9 to 10.30 a.m. daily, without fee, providing they present proper credentials from the School Dentist or School Nurse. The only cases received are those whose parents are too poor to pay for regular dental service, and when the regular School Dentist is not available to do the work.

Lectures to First, Second and Third Years.

The Faculty Executive decided that the Dean deliver two lectures to each of the First, Second and Third Years upon the relation of

Dentistry to Medicine and Public Health, of the College to the University, and outlining the organization of the Dental profession, the Dominion Dental Council, Canadian Dental Research Foundation, Canadian Dental Hygiene Council and similar bodies. The Executive recommended also that the lectures include an outline of the relation of the subjects of the earlier years of the course to the Fourth and Fifth Years, and to the practice of Dentistry.

The students showed keen interest in the discussion of these questions, and it is hoped that students of the earlier years will now take a more intelligent interest in their work in the full knowledge that it is fundamental to the more advanced work to follow.

Letters to Graduates of '22 and '23.

Letters were sent to graduates of classes '22 and '23 to show the sustained interest of the College in its graduates, and also to receive constructive suggestions as to improvements in the Course.

Over forty letters have been received in reply and most all of these contained suggestions which will be most valuable as a guide to the Faculty in considering recommendations to be made to the Board at its next meeting.

Respectfully submitted,

WALLACE SECCOMBE, Dean.

Moved by Bruce and Kennedy: "That the Dean's report be adopted and placed on the minutes." Carried.

CARNEGIE FOUNDATION.

Moved by McGuire and Irvine: "That, if in the opinion of the President it seems advisable, he be authorized to appoint a representative of the College to interview the Carnegie Foundation." Carried.

CLASS PICTURES.

Moved by Kennedy and Bruce: "That, owing to the accumulation of class groups and to the lack of space for properly hanging them, beginning with the class of '23, a reduced copy only be hung in the College." Carried.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO, HELD IN THE BOARD ROOM OF THE COLLEGE ON FRIDAY, APRIL 25TH, 1924, AT 7.00 O'CLOCK.

Present:—Drs. Mason, McLean, Thompson and McGuire.

The Secretary read the call of the meeting as follows:—

240 College St., Toronto.

Dear Dr.:—

April 22nd, 1924.

"The President of the Board of Directors of the Royal College of Dental Surgeons has instructed me to call a special meeting of the Board for Friday evening, April 25th, at 7 o'clock in the Board Room of the College in order to pass a resolution instructing the Discipline Committee to proceed against certain advertisers."

Yours very truly,

W. E. WILLMOTT,

Secretary, R.C.D.S.

The Secretary presented a number of letters from Toronto dentists complaining of the unprofessional advertising of certain Licentiates.

Moved by McGuire and Thompson: "That the Discipline Committee be instructed to make enquiry into the alleged improper conduct in a professional respect with regard to the advertising in the daily press of (names in original motion but not published)." Carried.

Adjourned at 7.45 p.m.

The Board met on Friday, May 30th, at 9 a.m., adjourned at 12.00 noon.

The Board met on Friday, May 30th, at 2 p.m., adjourned at 7.00 p.m.

All the members of the Board were present during the sessions and the following business was transacted:

MINUTES.

Minutes of the Regular Meeting of the Board of May, 1923, were taken as read.

Minutes of the Special Meetings held on March 18th, and 19th, 1924, and on April 25th, 1924, were read and approved.

EXAMINATION RESULTS.

The Dean presented the examination results of all five years. The Board went into committee of the whole with Dr. McGuire in the chair to consider these. The committee rose and reported:

I. Fifth Year.

- (a) That the following students be passed and granted their L.D.S. (see annual announcement for list).
- (b) That C. T. McGahey and G. I. Neale be given aegrotat standing and granted their L.D.S.
- (c) That, on account of his war service of three years and ten months in France, during which time he was severely wounded, shell-shocked and spent six months in the Hospital, H. S.

(d) That O. T. Legge and L. R. Sawyer be required to continue their clinical work until they complete the necessary amount.

(e) That G. A. Wright be required to re-write Orthodontia.

- (a) That, on account of W. E. Hainer of the Third Year being required to take Anatomy of the Second Year in addition to the Third Year work, he be written up one mark in Anatomy and passed.
- (b) That, in every case where any student has made less than 50 %, he be required to re-write the subject.

That the following be passed and granted their diploma.
(See Annual Announcement for list.)

GENERAL MEETING OF LICENTIATES.

The President later reported that the Board of Governors considered it would be in the best interests of all concerned not to hold such a meeting.

DR. McDONAGH.

DEAN'S REPORT.

The committee rose and reported that the Dean's report had been adopted, as amended, as follows:

Session 1923-24.

20

manner and there has been the greatest harmony prevailing in the faculty. I desire to take this opportunity of expressing my thanks to the entire faculty and student body for their loyal support during the past year.

As evidence of the progress that students have made with their studies, the following record of percentage of students required to take supplemental examinations in each of the classes is interesting:

Class.	1922-23.			1923-24.		
	No. in Class.	No. of Failures.	% of Failures.	No. in Class.	No. of Failures.	% of Failures.
First Year	45	14	31	59	10	17
Second Year	84	32	39	57	6	10
Third Year	105	29	28	81	6	7
Fourth Year ..	171	18	10	106	10	11
Fifth Year	320	8	2	184	3	1.6

This result is most gratifying and the students are to be congratulated upon their splendid showing.

The applications for final examination and declarations of the fifth year students are all in order with the exception of one student who will not be of the full age of twenty-one years until 9th February, 1925.

The examination results of the graduating class are submitted for your consideration. As the number in this class is 187 as compared with 320 of last year, it has given the students a better opportunity for work in the Infirmary. However, even with this reduction, our entire Infirmary equipment has been utilized to the fullest possible extent. There are over fifty men in the graduating class who have seen military service, and there is still a considerable number in the fourth year. Members of the fifth year were permitted to attend the special courses given for practitioners in February and March, and the President of the class expressed appreciation for this privilege and for various other special features arranged during the session for the class. The graduating class has co-operated with the Faculty in the most cordial way, and was always willing to assist with any plans which were considered advisable.

Estimated Registration 1924-25.

As 187 students are in the graduating class, and it is expected the number of new students will not likely exceed 60 in the first year and possibly five additional in the fifth year, the estimated registration for next session is as follows:

First Year	60
Second Year	58
Third Year	57
Fourth year	80
Fifth year	110
Total	365

This reduction in registration will mean a reduction in fees and Infirmary receipts of about \$30,000.

Matriculation Standard.

It is recommended that the question of the announcement of matriculation standards in Dentistry for future years be left in abeyance until the September meeting of the Board, following which a special announcement might be sent to the High School principals in this regard.

Study of Dental Education by the Carnegie Foundation for the Advancement of Teaching.

Dr. William J. Gies was appointed by the Carnegie Foundation over two years ago to make a study and report upon Dental Education in the United States and Canada, with a view to assisting in standardizing dental education in these countries. From that time to the present, this office has been in frequent correspondence with Dr. Gies in relation to the R.C.D.S. and the situation in Canada generally.

Representatives of the Foundation visited this College on April 3rd, 1922, for the purpose of making an inspection. Following this inspection, many reports were required giving detailed information, involving many hours of time in their preparation. Dr. Gies expected that the Carnegie Foundation would publish his report during the summer of 1923, but owing to the task assuming larger proportions than originally anticipated and encountering unavoidable delays, the report will not be published until this summer.

Owing to smaller classes and to the increased cost of teaching dental students, particularly in the scientific subjects, it was deemed advisable to approach the Carnegie Foundation with a view to financial assistance for the Royal College of Dental Surgeons of Ontario.

A statement was prepared covering the past history, the present status, future plans and financial needs of the College. The incorporation of the profession in Ontario, the duties and privileges of the Board, the amendments to the Act when the Government grant was made in 1920, were all reported in detail to the Foundation. The affiliation with the University in 1888, the cordial relations existing since that time, and the new appointments made to the Dental staff, session 1923-24, of six members of other faculties of the University (in addition to those already on our Faculty) were mentioned in the report. This report was accompanied by a letter from Sir Robert Falconer, President of the University, stating the close relations now existing between the University and the Dental College. The plans for the future, outlined in the report, included the continuance of undergraduate classes as in the past, the establishment of advanced courses for practitioners and the development of research facilities for the study of vital dental problems affecting public health. To carry out these plans would require considerable financial assistance in addition to the usual sources of revenue.

Numerous conferences have been held with representatives of the Carnegie Foundation in New York, and we have been given every encouragement to believe that the Carnegie Foundation is interested and ready to assist this College.

At one of the conferences, the question of the willingness of the Ontario Government to make further grants to dental education was discussed, and it was suggested by an officer of the Carnegie Foundation that it would greatly strengthen our position if the Ontario Government would agree to make a grant similar to that being applied for from the Carnegie Foundation.

The Foundation has announced that grants to dental education will not be further considered until after the publication of Dr. Gies' report.

Government Assistance.

On December 5th, 1923, a committee composed of Sir Robert Falconer, Canon Cody, the President of the Board of Directors of the Royal College of Dental Surgeons, the Dean, Dr. C. H. Clark, M.P.P., Dr. R. Berry, M.P.P., and Prof. G. R. Anderson, approached the Honorable G. Howard Ferguson, the Prime Minister, requesting an annual grant to dental education of \$35,000, such grant to be made upon the understanding that the Carnegie Foundation would make a similar grant.

Subsequently, the Prime Minister notified the College that he felt it was incumbent upon the government to refrain, even with the knowledge that they were delaying development along some lines, from assuming further capital obligations where it was at all possible, and was therefore unable at the present to accede to our request.

Sixty-two returned men in attendance in the fourth and fifth years made application for the deferred payment of their fees, in whole or in part, until after graduation. The amount involved was \$11,900, and it was hoped that the Government would make a grant to enable us to assist the returned soldiers. However, as the course was almost over before definite information was received, and the students had continued in anticipation of receiving assistance, it was decided to arrange financial assistance at the Royal Bank and notify graduates of previous years, whose promissory notes we held covering deferred fees, of the position of the returned men in attendance this session and appeal to them to make every possible effort to meet their notes. Over \$3,500 has been received as the result of this request, and many others anticipate redeeming their notes within a short time.

Fire Insurance on Contents and Building.

A complete inventory was taken this year of the contents of the building, including both fittings and equipment, and it is submitted herewith for your approval. The total amount is \$150,000 at replacement value.

We have received a letter from the insurance agents stating that our insurance being subject to the 80% co-insurance clause, we should carry \$100,000 on contents. At the present time our insurance on contents is \$80,000.

Liability Insurance.

A Guarantee and Accident Insurance Company suggests the issuance of a policy covering the liability of the College for injuries to

the public in or about the building, steps or sidewalks, also to the students, and in addition liability in case of injuries to the professors, teachers, janitors, cleaners, etc. The annual premium is \$128.12, or a three-year premium of \$345.93. Limit of insurance \$5,000 in case of one person injured, total liability for any one accident, \$10,000. This is a matter that is referred to the Board for its consideration.

Dental Nurses' Class.

There does not appear to be a very great demand for Dental Nurses upon the part of the dental profession, and it is a matter for serious consideration as to whether or not this class should be discontinued for a year or further reduced in number for session 1924-25.

Practitioners' Post-Graduate Course, 1924.

As no appropriation has been made for publicity in connection with announcement for Practitioners' Course, September, 1924, it is suggested that this matter receive the consideration of the Board that the Faculty Executive may have the necessary authority to give due publicity to this course in British and Australian journals, as well as journals of the United States.

The suggestion has been made by a member of our faculty that all dental teachers be admitted without tuition fee to this course. Heretofore, we have confined this privilege to members of our own Board and Faculty.

British Registration.

We have been in correspondence with the Registrar of the General Medical Council intermittently for over a year in reference to recognition of certificates and degrees between the Royal College of Dental Surgeons, the University of Toronto and the General Medical Council. Submitted herewith is the correspondence for the perusal of the Board. The time appears to have come when some definite action should be taken regarding the policy of this Board in the matter of reciprocity between Ontario and Great Britain.

This matter might be left in abeyance until after the anticipated survey by the Carnegie Foundation of dental education in Great Britain. In the meantime, however, it might be possible to arrange for the recognition of the University of Toronto degree by the General Medical Council without involving the question of registration for the license.

Drs. Switzer and Hoskin.

As Drs. Switzer and Hoskin are devoting their entire time to College work, it is recommended that they be granted standing as Associate Professors in Clinical Dentistry.

Respectfully submitted,

WALLACE SECCOMBE,

Dean.

Moved by Thompson and Irvine: "That the report of the committee of the whole on the Dean's report be adopted." Carried.

GOVERNMENT AND CARNEGIE FOUNDATION.

Moved by Davidson, seconded by Bruce: "That Drs. Mason, McGuire and Seccombe be appointed a committee to continue negotiations with the Government and with the Carnegie Foundation." Carried.

INSURANCE.

Moved by McGuire and Kennedy: "That the Dean be instructed to increase the amount of insurance as suggested in his report." Carried.

NURSES' CLASS.

Moved by McLean and Davidson: "That the nurses' class for session 1924-25 be limited to six members." Carried.

FACULTY LETTER.

Moved by McGuire, seconded by Davidson: "That a "Faculty Letter be published under the direction of the Executive Committee of the Faculty, and a copy sent quarterly to each member of the profession in Ontario at a cost, not to exceed \$200.00 for the year." Carried.

REPORT FROM THE FACULTY COUNCIL.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:

The Faculty Council submits the following:

1. "That all students who fail to obtain 50% on all clinical and laboratory courses return the following year to complete their credits."
2. "That the Board be requested to place on the records a resolution requiring all the examiners setting written papers to consult with the instructor in the subject regarding the paper."
3. "That the Fifth Year Prosthetic paper be in three sections: Full Denture, Partial Denture and Crown and Bridge—and that the students be required to answer two out of three questions in each section."
4. "That the Dominion Dental Council be requested to prepare a synopsis of the different subjects of the examination as a guide both to the examiners and to the teachers of the subjects in the Canadian Colleges."
5. "That the Board be requested to provide a stenographer for the use of the members of the staff as soon as the finances will permit."
6. "That supplemental Laboratory Courses be held immediately following the close of the session instead of in September."
7. "That students who fail in more than two subjects in the September supplementals, be required to repeat the whole year."
8. "That students, who fail on not more than two subjects, may attend the lecture and laboratory courses in these subjects with the regular class during the next session, without fee."
9. "That in view of the report on the Study of Dental Education by the Carnegie Foundation not yet having been published, and pending action by the Ontario Government in relation to financial

assistance to dental education, recommendations to the Board regarding budget and personnel of the staff for session 1924-25 be not prepared at the present time, but that it be recommended that a special meeting of the Board be held in September, 1924, for the purpose of dealing with this matter."

10. "At a special meeting of the Faculty Council the following resolution was unanimously adopted:

"Whereas this Faculty notes the fact that there has arisen some discussion among its members as to the manner in which the affairs of the College have been conducted, and further feels that such changes as have been made in the reorganization of the Faculty have been for the betterment of the work of the College, therefore be it resolved that this Faculty has every confidence in the Board and officials of this College.' "

A. D. A. MASON,

Representative.

Moved by McLean and Kennedy: "That the recommendations of the Faculty Council be approved, and a letter be sent to each member of the staff calling attention to the fact that the following recommendation, forwarded from the Faculty Council, had been adopted by the Board (see Number 9 above), and that, in view of this decision, sessional appointments will not be made until the September meeting of the Board. The Board expects to obtain such financial assistance as will enable it to maintain the present staff intact. This, however, is contingent upon such financial assistance being obtained." Carried.

PRESIDENT'S REPORT.

The Board went into committee of the whole with Dr. Irvine in the chair to consider the President's report.

The committee rose and reported that the President's report had been adopted as follows:

To the Board of Directors,

May 28, 1924.

Royal College of Dental Surgeons.

Gentlemen:

Auditors' Report on Capital Expenditure.

In addition to the usual annual report this year, I have requested the auditors to prepare a special report for a period of sixteen years to April 30th, 1924, upon capital expenditures, and this is submitted for your perusal.

The report shows that during the last sixteen years, upon land and buildings, \$375,836.36 has been expended, and for fittings and equipment \$116,934.59, making a total of \$492,770.95 spent on capital account.

From the sale of the old building, \$100,000.00 was received and the grant from the Ontario Government of \$100,000.00 was also applied on this account. The bank advances and overdraft on April 30th, 1924, showed a total of \$41,798.66. These amounts total to \$241,798.66, and deducted from the total capital expenditure show a balance of \$250,972.29.

Therefore, this balance, being the amount expended from the annual surpluses of the College for land, buildings, fittings and equipment during the period mentioned, equals a net average yearly expenditure on capital account of \$15,686.00.

L.D.S. Requirements for Students Transferred to Fifth Year.

As several students had transferred from other Colleges to the fifth year in the R.C.D.S. without having had notice of the requirements for L.D.S. examination, as adopted by the Board in May, 1923, it was recommended by the Faculty Executive that for this session, these students be required to take only the examination of the final year.

I therefore communicated with each member of the Board and received his concurrence to this recommendation.

Appointments to Staff.

At the Executive Committee on June 20th, 1923, the standing of Dr. Ingram was considered, and it was decided that he be appointed Associate Professor of Operative Dentistry, subject to the approval of Dr. Webster, which was cordially granted.

Dr. T. A. Robinson, Professor of Anatomy, sent in his resignation in August, 1923, stating that his acceptance of a position on the staff of St. Michael's Hospital would prevent his continuance of duties at the College. At the request of the Faculty Executive, the Dean wrote a letter expressing appreciation of Dr. Robinson's past services and regret that he found it necessary to resign.

Dr. Jas. C. Watt, Associate Professor of Anatomy in the University was appointed as Professor in this subject.

Dr. Andrew Hunter, Professor of Bio-chemistry, University of Toronto, was appointed Professor of Biological Chemistry.

Dr. Oskar Klotz, Professor of Pathology, University of Toronto, was appointed Lecturer on Tumors of the Mouth.

Dr. I. H. Ante desired to be relieved of his Infirmary duties, and Dr. F. L. Cole, who was on the staff the previous session, was appointed in his place.

Dr. W. C. Smith also resigned as Clinician in the Infirmary, but agreed to act as honorary clinician. His name was therefore added to the list of honorary clinicians. Dr. J. M. Sheldon, on the staff last session, was appointed to fill this vacancy.

Letters of appreciation were sent to Drs. Ante and Smith.

Prof. Herbert S. McKellar, B.A., Assistant Professor in French, University of Toronto, was appointed as lecturer in French to the first year.

Reduction of Clerks in the Infirmary.

After the commencement of the session, it was found that owing to the reduced number of fifth year students, one clerk instead of two would be able to act as cashier in the Infirmary and also look after the charts. In the Senior Laboratory, owing to a new system installed, only one clerk was required instead of two. In the best interests of efficiency in these departments, it was decided to move Miss

Park, who has been employed at the College over five years, to the Infirmary, and release two clerks from the Infirmary office. One nurse was also released from duty.

Special Lectures to First, Second and Third Years.

At the request of the Executive Committee, the Dean gave a number of special lectures to the first, second and third years, which were much appreciated by the students. These dealt with the relation of the subjects of the earlier years of the curriculum to those of the more advanced years and to the practice of dentistry; the responsibility of students toward their work; the system of examinations and credits at R.C.D.S.; removal of conditions; the relation of the College to the University of Toronto, to the Government and to the profession; the organization of the Dominion Dental Council and of the dental profession generally; and the relationship between the professions of medicine and dentistry and of dentistry's part in problems of public health.

Respectfully submitted,

A. D. A. MASON,

Moved by Irvine and Davidson: "That the report of the committee of the whole on the President's report be adopted." Carried.

SECRETARY'S REPORT.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

Minutes.

The minutes of the last meeting of the Board were prepared and 1,800 copies printed as expeditiously as possible after the adjournment of the Board. These were mailed with the College announcement to all the licentiates in Ontario.

Examinations.

Supplemental examinations were held in September at which 79 candidates wrote 142 papers on 31 subjects. At the annual examinations, 483 candidates wrote 5,542 papers on 52 subjects, and the nurses' class of 11, wrote 88 papers on 8 subjects. Thus, under the direction of your presiding examiner, 593 candidates wrote 5,772 papers on 60 subjects during the year.

The examinations of the fifth and fourth years were held during April, when accommodation could be obtained at the University, but, on account of the lack of facilities at the University after May 1st, the first, second and third years wrote in nine laboratories in this building.

In September, one candidate wrote in Fredericton, N.B., and one in Winnipeg.

Dr. Covey has resigned as examiner in Dental Anatomy.

Elections.

As the regular biennial elections for the members of the Board of Directors will be held during the fall, it will be necessary for you to give your Secretary the necessary instructions and also to appoint the scrutineers.

L.D.S. Diplomas.

As the supply of L.D.S. diplomas on hand is not sufficient, it will be necessary to place an order for more.

Changes in Residence Lists.

During the year there have been 170 changes in address in the printed list of licentiates; 127 names have been changed from one list to the other; 38 have moved from the province and 11 have died, leaving nominally 1,661 on the roll in Ontario, to which will be added the graduates of this year who locate in the province.

Licentiates Who Have Died.

1868—T. J. Jones.	1890—C. M. French.
1869—G. S. Caesar.	1890—C. S. McLean.
1869—R. M. Revell.	1899—F. C Frank.
1878—D. Watson.	1905—E. A. Hill.
1884—C. V. Snelgrove.	1909—R. E. Stewart.
1887—H. L. Billings.	1914—G. C. McKinley.
1889—E. Cunningham.	1920—H. R. Garbutt.

Respectfully submitted,

W. E. MILLMOTT, Secretary.

Moved by Davidson and Kennedy: "That the Secretary's report be adopted and entered on the minutes." Carried.

DR. COVEY.

Moved by Bruce and McLean: "That Dr. Covey's resignation as examiner in Dental Anatomy be accepted and the Secretary be instructed to convey to him the appreciation of the members of the Board for his services in the past." Carried.

ELECTIONS.

Moved by Davidson and Irvine: "That the Secretary be instructed to carry on the biennial elections in the same manner as in 1922." Carried.

Moved by Bruce and McGuire: "That Dr. James Brebner, Registrar of the University of Toronto, and H. J. Bolitho, Fee Clerk, University of Toronto, be appointed scrutineers for the election in December." Carried.

L.D.S. DIPLOMAS.

Moved by Kennedy and Bruce: "That the Secretary be authorized to procure on tender a sufficient number of L.D.S. diplomas for two years." Carried.

TREASURER'S REPORT.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The principal duty of your Treasurer is to collect the annual fee from the licentiates. During the past year this has been more difficult than any year since your present Treasurer was appointed.

In October, about 1,680 notices were sent out. About 800 having

paid, a second notice was mailed in December. In February, 425 drafts were made of which 320 were paid and the remainder returned. Several of the latter were subsequently paid, but there are now 30 in arrears, as follows:

J. A. C. Arbuckle.	E. S. Hardie.	J. M. Reveler.
G. F. Atkinson.	I. L. Himelstein.	E. D. Rivers.
D. H. Beaton.	J. E. Holmes.	S. W. Sproule.
J. O. Brisebois.	J. H. Hockin.	R. L. Stephenson.
E. M. Crough.	G. P. Howard.	J. C. Sweet.
D. R. Davies.	A. W. Jones.	J. C. Sweet.
A. F. Dales.	W. C. Kennedy.	G. R. Thompson.
T. E. Dean.	C. W. Lyons.	G. M. Trewin.
G. H. Griss.	J. F. Morton.	
	E. F. McGregor.	R. E. Wyatt.

Following your instructions, suit was entered in the Division Court against 22 who were in arrears for two or more years. On former occasions this has been done through a solicitor, but this year your Treasurer attended to it, thus saving \$110 in lawyer's fees. Of the 22 sued, nine paid the fee and costs; one was withdrawn, having been paid the day after suit was entered; one had left the province; one could not be located; two no report. An execution was issued on the following and the Court reported they "have no goods":

W. A. Brethour.	W. W. McPhee.	F. W. Gordon.
R. M. Carruth.	S. C. Rutledge.	F. N. Regan.
S. M. Edwards.	F. H. Sefton.	

As in the previous year we are again under great obligation to the authorities at the Government Dispensaries for keeping this office notified each week of changes in address.

Respectfully submitted,

W. E. WILLMOTT,

Treasurer.

Moved by McLean and Davidson: "That the Treasurer's report be adopted and entered on the minutes."

PETITIONS COMMITTEE.

The Executive Committee of the Faculty Council presented the following rulings made on petitions received during the session which were approved of by the Faculty and, on motion of Thompson and Irvine, the action of the Faculty was approved.

W. G. Harron—

Mr. Harron, of the fourth year, who was obliged to discontinue the course in the fourth year on account of illness during the session 1922-23, and is now resuming the course, was granted permission to attend lectures and write the examinations in Jurisprudence and Ethics and History of the fifth year.

H. W. O'Brien—

Mr. O'Brien, who is completing certain subjects of the fourth year, was permitted to write on fifth year History, Preventive Dent-

istry, Jurisprudence and Ethics, provided he attended lectures in these subjects.

J. B. Greer—

Mr. Greer was attending his first year at McGill, and just became aware (January 1, 1924), that, in order to qualify to practise Dentistry in Ontario, he must meet the Pre-Dental standard. He asked that the time spent at McGill, from October to January, be accepted and that he now be allowed to transfer to the first year in the R.C.D.S. This was granted under the condition that he complete all the credits of the first year before entering the second year. On recommendation of the department, Mr. Greer's credit for Biology at McGill was accepted for first year Biology in the R.C.D.S.

COMMENCEMENT COMMITTEE.

The Commencement Committee reported that arrangements had been completed for the holding of the annual commencement in Convocation Hall on Friday evening, May 30, 1924, and that Sir Robert Falconer, President of the University of Toronto, would deliver the address; Rev. G. C. Pidgeon, D.D., would offer prayer and Dr. F. A. Mouré would preside at the organ; that invitations, similar to last year had been printed and distributed.

Moved by McGuire and Kennedy: "That the report be adopted and entered on the minutes." Carried.

REUNION COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

At the last meeting of the Board of Directors, it was suggested that the Reunion be discontinued for May, 1924, but, at the request of the Board of Governors of the Ontario Dental Association, your president instructed the committee to make arrangements for such a gathering. This was held on the evening of May 26, 1924, at which about 650 graduates and friends were present. A buffet supper was served by the T. Eaton Company, which was followed by the unveiling of the War Memorial Tablet by the Honorable Mr. Justice Logie, C.B. This service was in charge of Major, the Rev. Canon C. W. Hedley, M.A.

The oil portrait of the late Dean Willmott was unveiled by Dr. C. N. Johnson.

The school orchestra assisted at the proceedings which were followed by moving pictures and dancing.

W. E. WILLMOTT,

W. SECCOMBE,

W. T. HOLMES,

Committee.

Moved by Irvine, seconded by Kennedy: "That the report be adopted and entered on the minutes and that the thanks of the Board be extended to the members of the committee and those assisting." Carried.

Moved by Kennedy and Davidson: "That the Secretary be instructed, if practicable, to prepare a pamphlet containing the report of the Reunion, including the addresses of General Logie and Dr. Johnson, and send a copy to each licentiate in Ontario." Carried.

Moved by Davidson and McLean: "That the following grants be made in connection with the Reunion: Canon Hedley, \$15.00; Orchestra, \$25.00; Janitor's staff (each), \$3.00; Frank Coons, \$10.00." Carried.

OVERDRAFT.

Moved by Davidson and McLean: "That the president and secretary of the Board are hereby authorized to borrow from the Royal Bank of Canada from time to time as may be required, an amount not exceeding \$75,000. Such authorization to remain in force until the annual meeting in 1925."

M.D.S.

A letter was presented from Dr. N. W. Haynes, Edmonton, stating that he wished to write on the M.D.S. examination in 1925, and asking if arrangements could be made whereby he might write this examination in Edmonton.

Moved by Bruce and Thompson: "That the request be granted and the Presiding Examiner be authorized to make arrangements with the University authorities in Edmonton to conduct this examination."

Carried.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION.

Moved by McGuire and Kennedy: "That Dr. W. G. Thompson be the representative from the Board on the Executive Committee of the Dentists' Legal Protective Association of Ontario." Carried.

LIBRARIAN'S REPORT.

To the Board of Directors,

May 30, 1924.

Royal College of Dental Surgeons.

Gentlemen:

Your librarian has the honor to report that the library is being used by the students more and more each year, the number of books in all subjects that have been taken out during the past session being 800. The museum also has received some very interesting specimens during the year, and we are looking forward to mounting these in a better manner so they may be viewed more easily.

The list of contributors of periodicals, books and museum specimens is:

Periodicals—Drs. Harold Clark, W. E. Willmott, E. A. Grant and C. A. Kennedy.

Books—McAinsh & Co., Dr. W. E. Willmott and Dr. W. Seccombe.

Huseum—Drs. B. R. Gardiner, P. A. Beattie, W. H. Pritchard, B. Dixon, J. L. Walsh, R. M. Graham, A. B. Macdonald, F. P. Kenny, E. V. Humphreys.

I would recommend that the usual grant be given to the Library.

Respectfully submitted,

C. A. KENNEDY,

Librarian.

Moved by Irvine and Thompson: "That the Librarian's report be adopted and entered on the minutes, but the amount of the appropriation be left until the special meeting in September." Carried.

EXAMINERS.

The Committee on Examiners presented a tentative report, which was accepted, and the committee instructed to consult with the Examinations Committee of the University of Toronto.

At a later session, the committee presented the report as agreed upon by the Joint Committee. (See Announcement.)

Moved by Kennedy and McLean: "That the report be adopted and entered on the minutes." Carried.

UNIVERSITY RELATIONS.

To the Board of Directors,

Royal College of Dental Surgeons:

Gentlemen:

Your Committee on University Relations reports that four meetings have been held, two of which were in conference with the University authorities; that satisfactory progress has been made and that a fuller report will be made at the meeting in September.

R. GORDON McLEAN,

Chairman.

Moved by McLean and Davidson: "That the report be adopted and entered on the minutes." Carried.

DISCIPLINE COMMITTEE.

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The duties of the Discipline Committee have been much heavier this year than previously.

The committee has decided that the Dentistry Act must be enforced where men have made no effort to meet the demands of the profession in the matters of ethics.

Our solicitors have written ten licentiates against whom complaints have been received. In a number of instances, the warning has been sufficient, but a few have paid no attention.

The committee is relying upon the advice of the counsel in regard to the matter of advertising.

Charges against several laboratory men for practising without a license have been investigated and three cases are now in the hands of the solicitors.

Respectfully submitted,

R. G. McLEAN,

W. M. McGUIRE,

S. S. DAVIDSON,

W. G. THOMPSON,

A. D. A. MASON,

Committee.

Moved by McLean, seconded by Davidson: "That the report of the Discipline Committee be adopted and entered on the minutes." Carried.

PORTRAIT COMMITTEE

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:

Your committee on portraits met and awarded the oil painting of the late Dean Willmott to Miss Marion Long at a fee of \$350.00.

This was unveiled by Dr. C. N. Johnson at the College function held on Monday evening, May 26, 1924, and was much appreciated by those present

Respectfully submitted,

A. D. A. MASON,
Chairman of Committee.

Moved by Davidson, seconded by Thompson: "That the report be adopted and entered on the minutes." Carried.

ACCOUNTS' COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:

The Committee on Accounts report that they have examined the accounts of the School of Dentistry for 1923-24 and found that the expenditures of the different departments were properly applied and necessary to carry on the work of each department.

H. IRVINE,
S. M. KENNEDY,

Committee.

Moved by Kennedy and Irvine: "That the report be adopted and entered on the minutes." Carried.

AMERICAN ASSOCIATION OF DENTAL TEACHERS.

The annual meeting of this Association was held in Chicago on March 4th, 5th, 6th and 7th, 1924.

The Dean made arrangements for a special car and for hotel accommodations in a suite of rooms for the thirteen members of the staff who attended. A very profitable, as well as very enjoyable time was experienced by those present.

A. D. A. MASON,
for those attending.

BOARD MEETINGS.

Moved by Davidson, seconded by Thompson: "That a special meeting of the Board be held at 2 p.m. on Thursday, the 4th of September, 1924." Carried.

Moved by Irvine, seconded by Kennedy: "That the first meeting of the newly-elected Board be held in the Board Room of the College at 2 p.m. on Tuesday, May 26, 1925."

WAR MEMORIAL.

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

At the last anual meeting of the Board your committee was authorized to give the order for a Memorial Tablet to Patterson & Heward, according to the design and figure submitted to the Board. This was done, and the tablet was unveiled by the Honorable Mr. Justice Logie at the reunion gathering in the College on May 26th, 1924.

A. E. WEBSTER,
Chairman of Committee.

Moved by Kennedy, seconded by Bruce: "That the report be adopted and entered on the minutes." Carried.

MINUTES OF A SPECIAL MEETING OF THE BOARD, HELD ON MONDAY, JUNE 23RD, 1924.

Present:—Drs. Mason, McLean, McGuire and Thompson.

The Secretary read the call for the meeting as follows:—

240 College St., June 19th, 1924.

Dear Sir:—The President has instructed me to call a special meeting of the Board to be held in the Board Room, on Monday, June 23rd, 1924, at 7 p.m. (Standard Time), for the purpose of instructing the Discipline Committee.

Yours very truly,

W. E. WILLMOTT,
Secretary, R.C.D.S.

The Discipline Committee reported, That inquiry had been made in the cases of certain Licentiates (names are in original report), and that in each case evidence had been secured that the advertisements were inserted by the dentist himself.

Moved by McGuire and Thompson, "That the Discipline Committee be instructed to proceed with the investigation into the alleged improper conduct in a professional respect of certain Licentiates (names are in original motion), in regard to advertising in the daily press."

Carried.

Adjourned at 9.00 p.m.

FINANCIAL STATEMENT.

May 23rd, 1924.

To the President,

Royal College of Dental Surgeons of Ontario,
Toronto, Ontario.

Dear Sir:—We have completed our audit of the accounts and vouchers of the Board of Directors and the School of Dentistry for the year ending April 30th, 1924, and submit herewith our report, complete in the following statements and schedules:—

Balance Sheet. April 30th, 1924.

Receipts and Disbursements, Board of Directors.

Receipts and Disbursements, School of Dentistry.

Details of Expenditures made by School of Dentistry on account of Board of Directors.

Receipts and Disbursements, ex-Service Men's Special Loan Account.

Statement of Capital Expenditure for the sixteen-year period to April 30th, 1924.

The last mentioned statement has been prepared pursuant to your instructions. From this schedule it will be seen that in addition to the expenditure on land and buildings, the amount of \$116,934.59 was expended on fittings and equipment. It is estimated that the value of the equipment moved from the old building, was approximately \$35,000.00, and these two items would represent a total expenditure on fittings and equipment of \$151,934.59. During the present session, an inventory was prepared for insurance purposes, and we are advised that this shows a replacement value of \$153,271.35. As no provision for depreciation was considered in arriving at this amount, the value of the fittings and equipment has been carried in the Balance Sheet at the amount of \$100,000.00, being the same valuation as appeared at the end of the previous fiscal year. With the exception of the expenditures made during the 1908-09 session which was previous to our appointment as auditors, we certify that a proper distribution has been made of these expenditures over this period.

The number of licentiates on the membership roll on April 30th, 1924 was 1,661, a net increase of 185 over last year.

Respectfully submitted,

Thorne, Mulholland, Howson & McPherson.

The Discipline Committee presented the following report:—

IN THE MATTER of the Dentistry Act, Province of Ontario.

AND IN THE MATTER of the enquiry by the Discipline Committee of the Board of Directors of the Royal College of Dental Surgeons, of Ontario, in the case of Dr. E. C. Boyle, 254 Yonge Street, Toronto.

The Discipline Committee reports to the Board as follows:—

Your Committee met at the hour of 3.00 p.m. on Tuesday, the 15th of July, 1924, in the Board Room of the Royal College of Dental Surgeons, Toronto, to investigate allegations and complaints that Dr. E. C. Boyle of Toronto had been guilty of improper conduct in a professional respect by inserting the following advertisement in the issue of the 16th of May of the "Toronto Daily Star", a daily newspaper published in the City of Toronto:—

(Copy of Advertisement.)

The evidence given was taken in shorthand and as extended is submitted herewith.

Mr. I. F. Hellmuth, K.C., and Mr. G. C. Price of Toronto, appeared as Counsel for the Discipline Committee and Mr. Gordon Waldron of Toronto, appeared as Counsel for Dr. Boyle.

After considering the evidence of the witnesses the committee find as follows:—

(1) That the advertisement of the 16th of May, as it appeared in the issue of the "Toronto Daily Star" on that date, and, as above set out was inserted by Dr. E. C. Boyle and had his sanction and approval.

(2) That such advertisement constitutes improper conduct in a professional respect, and, consequently, that Dr. E. C. Boyle is guilty of improper conduct in a professional respect.

All of which is respectfully submitted,

R. GORDON McLEAN,

Chairman of Committee.

W. G. THOMPSON,

W. M. McGUIRE

Re. Dr. E. C. Boyle, Toronto.

Hearing before the Discipline Committee, Tuesday, 15th day of July, 1924.

The Board have carefully perused the report and finding of the Discipline Committee with the evidence and exhibits attached thereto, the finding being that Dr. E. C. Boyle, a licentiate of the Royal College of Dental Surgeons of Ontario, was guilty of improper conduct in a professional respect, as set out in said finding and report.

The evidence taken on oath was read to the Board, as well as the exhibits referred to in the said evidence, and it was moved by Dr. S. M. Kennedy and seconded by Dr. H. Irvine, and unanimously resolved that the report of the Discipline Committee be adopted and that the Board act upon the said report of the Committee and make the following order:—

(1) That the certificate of license to practise dentistry in Ontario of Dr. E. C. Boyle of Toronto be suspended until such time as the Board shall receive satisfactory assurances from Dr. E. C. Boyle that he will cease from and not repeat the improper conduct of which he has been found guilty.

(2) That the costs of the enquiry before the Discipline Committee be paid by Dr. E. C. Boyle after taxation.

(3) This Order to go into effect and become operative ten days after service thereof upon the said Dr. E. C. Boyle.

Re. Dr. B. G. Davidson.

The Discipline Committee reported as follows:—

IN THE MATTER of the Dentistry Act, Province of Ontario.

AND IN THE MATTER of the enquiry by the Discipline Committee of the Board of Directors of the Royal College of Dental Surgeons, of Ontario, in the case of Dr. B. G. Davidson, 54½ James Street North, Hamilton.

The Discipline Committee reports to the Board as follows:—

Your Committee met at the hour of 10.00 a.m. on Tuesday, the 2nd of September, 1924, at the Court House in the City of Hamilton, to investigate allegations and complaints that Dr. B. G. Davidson of Hamilton had been guilty of improper conduct in a professional respect by inserting the following advertisement in the issue of the 27th of May, of the "Hamilton Spectator," a daily newspaper published in the City of Hamilton:—

(Copy of Advertisement.)

The evidence given was taken in shorthand and as extended is submitted herewith:

Mr. G. C. Price of Toronto appeared as Counsel for the Discipline Committee, and Mr. Jos. A. Sweet of Hamilton, appeared as Counsel for Dr. Davidson.

Dr. Davidson, as the stenographic report shows, went into the

witness box and gave evidence. He admitted inserting the advertisement, but claimed that he had instructed the Hamilton Spectator to insert an advertisement similar to that in the Hamilton Herald, published on or about the same date and had not perused the advertisement as it appeared in the Spectator, and did not know that it contained a ten day offer. On cross-examination by Counsel for the Committee, and by the Chairman and members of the Committee, Dr. Davidson did not give his evidence frankly, proved an evasive and an unsatisfactory witness, and after considering the evidence of the witnesses and the arguments of Counsel the Committee find as follows:—

(1) That the advertisement of the 27th of May, as it appeared in the issue of the "Hamilton Spectator" on that date, and, as above set out, was inserted by Dr. B. G. Davidson and had his sanction and approval.

(2) That such advertisement constitutes improper conduct in a professional respect, and, consequently, that Dr. B. G. Davidson is guilty of improper conduct in a professional respect.

All of which is respectfully submitted,

Re. Dr. B. G. Davidson, Hamilton.

Hearing before the Discipline Committee, Tuesday, 2nd day of September, 1924.

The Board have carefully perused the report and finding of the Discipline Committee with the evidence and exhibits attached thereto, the finding being that Dr. B. G. Davidson, a licentiate of the Royal College of Dental Surgeons of Ontario, was guilty of improper conduct in a professional respect, as set out in said finding and report.

The evidence taken on oath was read to the Board, as well as the exhibits referred to in the said evidence, and it was moved by Dr. S. M. Kennedy and seconded by Dr. E. E. Bruce, and unanimously resolved, that the report of the Discipline Committee be adopted and that the Board act upon the said report of the Committee and make the following order:—

(1) That the certificate of license to practise dentistry in Ontario of Dr. B. G. Davidson of Hamilton be suspended until such time as the Board shall receive satisfactory assurances from Dr. B. G. Davidson that he will cease from and not repeat the improper conduct of which he has been found guilty.

(2) That the costs of the enquiry before the Discipline Committee be paid by Dr. B. G. Davidson after taxation.

(3) This Order to go into effect and become operative ten days after service thereof upon the said Dr. B. G. Davidson.

UNIVERSITY RELATIONS.

Dr. McLean presented a verbal report of the work of this Committee to date and the following resolution was carried.

Moved by McLean and McGuire: "That the Senate of the University of Toronto be requested to name a committee to confer with the committee appointed by the Board of Directors of the Royal College of Dental Surgeons to consider the question of Dental Education in the Province of Ontario, with a view to closer relationship with the University of Toronto, and that the Board of Governors of the University of Toronto be notified of the above action."

COMMUNICATION FROM COMMITTEE OF DENTISTS.

A communication was presented from a committee of dentists regarding certain actions taken by the Board, and making several suggestions for future guidance. The Board went into Committee of the Whole, with Dr. McGuire in the Chair, to consider this communication.

The Committee rose and reported: "That, having considered the communication, it is recommended that the Board appoint a committee to confer with the writers of the communication and present the views of the Board on the different matters discussed."

On motion of McGuire and Thompson, the report of the Committee of the Whole was adopted and Drs. McLean and Mason were appointed as the committee.

BUDGET.

The Dean presented a report from the Executive Committee of the Faculty Council concerning the staff and budget, which was adopted on motion of Kennedy and Bruce.

ABBOTT MEMORIAL LIBRARY.

The Dean reported that he had received a communication from the executors of the sister of the late Dr. Harry Abbott, informing him that, by her will, she had left to the College a sum of \$15,000.00, the income from which was to be devoted to the "Dr. Harry Abbott Memorial Library" in the Royal College of Dental Surgeons.

Moved by McGuire and Thompson: "That a sketch of the late Dr. Abbott and a cut of his portrait be incorporated in the pamphlet containing Dr. Johnson's address at the unveiling of the portrait of the late Dean Willmott." Carried.

TO INTERVIEW GOVERNMENT.

It was decided that the President and the Dean should arrange a date with the Premier to present the claims of the Dental College for support, and that each member of the Board be notified of the time and be present, if possible. It was also decided that the Dean, Secretary, Professor Anderson, Dr. R. N. Berry, M.P.P., and Dr. H. A. Clark, M.P.P., be added to the deputation.

GRADUATE STUDY WEEKS

Moved by Irvine and Kennedy: "That the Faculty be authorized to arrange for graduate study weeks during the coming session, similar to those of last winter." Carried.

AUDITORS.

In reply to a request concerning the possibility of reducing the auditors' fees, a communication was presented from the auditors regarding the matter. On motion of McGuire and Kennedy, the Dean and Treasurer were appointed a committee to confer with the auditor, with power to act.

SALARIES.

On motion of Davidson and Thompson, the rate per hour of two members of the Infirmary staff was raised from \$2.00 to \$2.50.

MINUTES OF SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS, HELD IN THE BOARD ROOM OF THE COLLEGE BUILDING, ON OCTOBER 21st, 1924.

The Board met at 2.00 p.m. and adjourned at 5.30 p.m.

All members present.

The call of the meeting was read as follows:—

Dear Dr.:—

"Confirming telephone conversation of October 16th and by order of the President, the Board of Directors of the Royal College of Dental Surgeons will meet in the Board Room of the College on Tuesday, October 21st, at 10 o'clock, to give a definite answer to Dr. Spaulding's committee."

THANKS TO DR. McINTOSH.

Moved by Thompson and McLean: "That the Secretary be instructed to write Dr. W. A. McIntosh of Simcoe thanking him for two mounted skulls, which he presented to the Museum." Carried.

F. E. RYAN'S DEATH.

Moved by McGuire and Kennedy: "That the Secretary be instructed to convey to Mrs. Ryan, widow of the late Dr. Ryan, Dean of the Dental Department of Dalhousie University, Halifax, N.S., the sincere sympathy of the members of the Board with her in her recent bereavement." Carried.

COMPLAINT RE. DR. L. PERLMAN, WINDSOR.

Written complaint dated October 24th, 1924, signed by four members of the profession, having been received by the Secretary and placed before the Board, it was moved by Kennedy and seconded by Irvine, and unanimously adopted that the Discipline Committee be and is hereby instructed to hold an investigation, pursuant to the said complaint, into the alleged improper conduct in a professional respect, of the licentiate, Dr. L. Perlman, 24 Wyandotte Street East, Windsor, Ontario, in regard to advertising in the months of Septem-

ber and October, 1924, in the Border City Star, a newspaper published in the City of Windsor, in the Province of Ontario.

FACULTY SALARIES.

The Dean presented a summary of the Faculty Salaries for 1923-24 and 1924-25 which was adopted.

EDUCATIONAL CONFERENCE.

Moved by Davidson and McLean: "That the Dean be authorized to attend the informal conference on Dental Education called by Dr. Gies to meet at the University of Minnesota during the last week of October, 1924." Carried.

CONCILIATION COMMITTEE.

The report of the Conciliation Committee was presented.

Moved by Davidson and Bruce: "That the report be received and a copy sent to each member of the profession in Ontario, accompanied by a note from the President of the Board and a letter from the Committee, if they so desired." Carried unanimously.

(As a copy of the report was sent to every Licentiate in Ontario it is not included here.)

The meeting adjourned.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO, HELD IN THE BOARD ROOM OF THE COLLEGE BUILDING, ON THURSDAY, JANUARY 8TH, 1925.

The Board met from 10.00 a.m. to 12.30 p.m. and from 2.00 p.m. to 4.30 p.m.

All the members were present.

DISCIPLINE COMMITTEE.

The Discipline Committee made a verbal report on several cases.

Moved by McLean and Thompson: "That the Committee be instructed to follow advice of Counsel regarding the prosecution of Drs. Boyle and Davidson for practising after their licenses had been suspended for non-professional conduct while their appeal was before the Court." Carried.

Moved by McGuire and Irvine: "That Dr. P. K. Grist of Toronto, having been convicted in the Toronto Police Court for breaches of the Ontario Temperance Act, be warned that in case of another conviction the Board will be compelled to take action." Carried.

UNIVERSITY RELATIONS.

The Committee on University Relations presented a report containing the conditions under which the School of Dentistry should become a faculty of the University of Toronto. This report was considered at length and certain changes made, making the conditions as follows:—

PROPOSED PLAN.

In the following statement:—

"The University" shall mean the University of Toronto;

"The Board" shall mean the Board of Directors of the Royal College of Dental Surgeons of Ontario.

"R.C.D.S." shall mean the Royal College of Dental Surgeons of Ontario.

1. That a Faculty of Dentistry be established by the University of Toronto.
2. That the teaching staff of the School of Dentistry be appointed to positions of like rank in the proposed Faculty, subject to such adjustments as may be deemed necessary.
3. That so far as possible instruction shall be conducted in the lecture rooms and laboratories of the Dental Building as at present.
4. That the Council of the Faculty of Dentistry shall include in its active membership, but not for purposes of teaching, three representatives of the Board, to be nominated by the Board.
5. That one member of the Board shall be elected by and from the Faculty of Dentistry.
6. That the representation of the Faculty on the Senate of the University shall consist of not less than four and not more than five members.
7. That the representation of the graduates in Dentistry upon the Senate shall be not less than two members.
8. That so long as the regulations and curriculum maintained by the Faculty of Dentistry of the University of Toronto are not less than the minimum requirements of the Board, the Faculty shall be the only body engaged in the teaching of Dentistry in Ontario, recognized by the Board, unless and until the Government of Ontario directs otherwise.
9. That the University and the Board shall co-operate in the examinations for the degree of Doctor of Dental Surgery and for the title Licentiate of Dental Surgery.
10. That whatever arrangements are made respecting co-operation in the examination of candidates, the Board shall retain its present rights and powers in respect to examination for license to practise dentistry within the Province of Ontario.
11. That the University shall transmit annually to the Board a list of those candidates who have met the conditions prescribed for the degree of Doctor of Dental Surgery as a preliminary to the issuance of the License, and the examination record of such other candidates as at the request of the Board have been examined by the Faculty.
12. That the University, as a part of the regular tuition fee, shall receive for and transmit to the Board annually the sum of \$10 for each student registered as in attendance in the Faculty of Dentistry, which for each candidate shall be credited by the Board toward the license fee.
13. That the fee for candidates other than Faculty students, for license to practise shall be payable to the Board.
14. That in consideration of the R.C.D.S. transferring to the University in trust for dental education the entire land, building and equipment of the School of Dentistry, free from encumbrance and valued at \$475,000, the University agrees to assume liabilities amounting to approximately \$55,000, (The Joint Committee on June 8th changed this to "the amount of the overdraft on 30th June, 1925, not exceeding \$76,000") and further agrees to provide free of charge suitable quarters for the meetings of the Board and for its Executive purposes.
15. That in consideration of the transfer of assets of \$475,000 of the R.C.D.S. to the University, the University agrees to the retention by the Board of an equity of \$50,000, so that it may adequately perform the functions required of it by The Act Respecting Dentistry. This amount may be paid in cash to the Board by the University, at any time, without notice, but until such principal sum of \$50,000 is paid the University shall pay to the Board, annually, the sum of \$2,500 as interest.
16. That in consideration of the University maintaining adequate and satisfactory library facilities, in the dental building for housing the "Harry R. Abbott Memorial Library," the Board agrees to allow the privileges of the library to all undergraduates in Dentistry under such regulations as the Board may from time to time adopt; the ownership of such Library to remain vested in the R.C.D.S.
17. That the Government of the Province agrees to make such changes in The Act Respecting Dentistry as will give effect to the agreement which may be brought about as the result of conferences between the Government, the University of Toronto and the Royal College of Dental Surgeons of Ontario.

Moved by McLean and Bruce: "That the report of the Committee on University Relations, as amended, be received and referred back to the Committee to consult with the University authorities and with the Ontario Government, and that if the report is acceptable to these bodies, a vote of the Dental Profession be taken on the question." Carried.

Moved by Bruce and Kennedy: "That the following be a committee to meet the authorities of the University of Toronto and the

Ontario Government:—Mason, Thompson, McLean, McGuire, Secombe, and Willmott, and that this committee shall also have power to arrange all the details of the vote of the profession." Carried.

LATE DR. ABBOTT.

Moved by Thompson and McGuire: "That the Dean be requested to write a sketch of the life of the late Dr. Abbott, to be incorporated in the pamphlet to be sent to the profession as ordered at the May meeting of the Board." Carried.

DEFERRED FEES.

Moved by Thompson and McGuire: "That the Dean be authorized to defer the payment of fees to war veterans in the Fifth Year to the amount of \$2,300.00, and that this be the last session at which any payment of fees will be deferred." Carried.

CHANGES IN THE DENTISTRY ACT.

The Secretary was instructed to secure copies of the Dental Acts of the Provinces of Canada and of as many of the States as possible for the use of the committee in considering changes in the Dentistry Act of Ontario.

MINUTES OF REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO MAY 26th TO 29th, 1925.

The Board held the following sessions and adjourned to the call of the Chair:

Tuesday, May 26th, 2.30 p.m. to 5.30 p.m.

Wednesday, May 27th, 9.30 a.m. to 12 noon.

" May 27th, 2.30 p.m. to 5.00 p.m.

Thursday, May 28th, 9.30 a.m. to 12.30 p.m.

" May 28th, 2.30 p.m. to 5.30 p.m.

Friday May 29th, 10.00 a.m. to 1.00 p.m.

During the sessions all the members were present and the following business was transacted:—

This being the organization meeting, the Secretary took the chair and laid on the table a sealed packet, said to contain the ballots cast in the recent election and a copy of the Secretary's report as to the election held October to December, 1924, and the Scrutineers' report as to the election in District No. 2.

SECRETARY'S REPORT RE. ELECTION.

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

In accordance with the provisions of the Dentistry Act and of the By-Laws of the College an election of a Board of Directors for the Royal College of Dental Surgeons of Ontario was held in October to December, 1924.

On the first of October, nominations were called for by circular letter addressed to each member of the College resident in Ontario and to each member of the Faculty of the School of Dentistry.

Valid nominations were received as follows:—

District No. 1—Dr. S. S. Davidson, Ottawa.
District No. 2—H. Irvine, L.D.S., D.D.S., Lindsay.
District No. 3—Dr. R. G. McLean, Toronto.
District No. 4—Dr. W. G. Thompson, Hamilton.
District No. 5—Dr. W. M. McGuire, Simcoe.
District No. 6—Dr. E. E. Bruce, Kincardine.
District; No. 7—Dr. S. M. Kennedy, London.
Faculty—Dr. A. D. A. Mason.

Thus the representatives from Districts Nos. 1, 3, 4, 5, 6 and 7 and from the Faculty were elected by acclamation.

On the 22nd of November a notice, together with a ballot, was sent to each qualified voter in the District in which an election was necessary, explaining the manner of election. All the voting papers received were counted by the scrutineers, James Brebner, LL.D., and H. J. Bolitho, in the Board Room of the College on Thursday, December 11, 1924. The report of the scrutineers submitted herewith shows the election of Dr. Irvine of Lindsay.

The members elected for the ensuing term are, therefore:—

District No. 1—S. S. Davidson, L.D.S., D.D.S., Ottawa, by acclamation.
District No. 2—H. Irvine, L.D.S., D.D.S., Lindsay, by election.
District No. 3—R. G. McLean, L.D.S., D.D.S., Toronto, by acclamation.
District No. 4—W. G. Thompson, L.D.S., D.D.S., Hamilton, by acclamation.
District No. 5—W. M. McGuire, L.D.S., D.D.S., Simcoe, by acclamation.
District No. 6—E. E. Bruce, L.D.S., D.D.S., Kincardine, by acclamation.
District No. 7—S. M. Kennedy, L.D.S., D.D.S., London, by acclamation.
Faculty—A. D. A. Mason, L.D.S., D.D.S., Toronto, by acclamation.

SCRUTINEERS' REPORT.

(District Representative.)

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

According to your request to act as scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 11th day of December, 1924, at 2 o'clock in the afternoon.

After we had made the required declaration of secrecy, your Secretary handed to us 78 sealed envelopes, addressed to himself marked on the outside, "Royal College of Dental Surgeons of Ontario, voting paper."

These envelopes contained 78 voting papers in the form prescribed by the Dentistry Act, from District No. 2.

Of these, 54 were marked for Dr. Irvine and 24 for Dr. Wright, showing a majority of 30 for Dr. Irvine.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

(Signed) H. J. BOLITHO,
JAMES BREBNER,

December 11, 1925.

Scrutineers.

ELECTION OF OFFICERS.

The Secretary called the roll and, all the members being present, a ballot was taken for the different officers, the following being declared elected:—

President—Dr. E. E. Bruce, Kincardine.

Vice-President—Dr. R. Gordon McLean, Toronto.

Registrar—Dr. S. S. Davidson, Ottawa.

Moved by Davidson and Kennedy: "That Dr. W. E. Willmott be re-appointed Secretary-Treasurer." Carried.

MINUTES.

Moved by McGuire and McLean: "That the Minutes of the meeting of the Board in May, 1924, be adopted as printed." Carried.

Moved by Kennedy and Irvine: "That the Minutes of the special meetings of September 23, 1924, October 21, 1924, and January 8, 1925, be approved." Carried.

HOURS OF SESSION.

Moved by McLean and Kennedy: "That the hours of session shall be from 9.30 a.m. to 12.30 noon, and 2.30 p.m. to 5.30 p.m." Carried.

EXAMINATION RESULTS.

The Dean presented the tabulated results of the recent examinations in all the years and of the nurses' class with recommendations from the Faculty Council.

The Board went into committee of the whole with Dr. Kennedy in the chair to consider these reports.

The committee rose and reported:—

(1) Nurses' Class—All who wrote were passed.

(2) First, Second, Third and Fourth Years adopted as recommended by the Faculty Council.

(3) Fifth Year—

(a) That the following be passed (see list in annual announcement).

(b) That the report of the Faculty Council regarding conditions be adopted. (See page 17.)

(c) That having considered the confidential report of the Faculty Council regarding certain alleged irregularities on the part of G. A. Kerster and H. W. O'Brien, Kerster be included in the list of successful candidates and that O'Brien be suspended indefinitely.

- (4) That Dr. Duncan J. Ferguson having complied with the requirements and having passed the prescribed examinations, be awarded the title of M.D.S.
- (5) That when Dr. N. W. Haynes satisfactorily completes the required practical work he be awarded the title of M.D.S.

Moved by Kennedy and McLean: "That the report of the committee of the whole on the examination results be adopted." Carried.

PETITIONS.

Petitions were presented from Messrs. M. J. Mecklosky, D. Barkoff, J. Finmark and N. T. Robinson.

Moved by Irvine and Thompson: "That petitions be received, placed on file, and no action be taken." Carried.

NORMAN K. DOUGLAS.

Dr. Norman K. Douglas, whose license was cancelled, addressed the Board, requesting that he be reinstated and that the license be renewed.

Moved by Irvine and Davidson: "That Dr. N. K. Douglas of Owen Sound be reinstated in good standing upon the receipt from him of an undertaking to conduct himself and his practice in an ethical manner." Carried.

REPORT OF THE FACULTY COUNCIL.

The Dean presented the report of the Faculty Council.

The Board went into committee of the whole with Dr. McGuire in the chair.

The committee rose and reported: "That the report of the Faculty Council had been adopted, as amended, as follows:—

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

The Executive Committee of the Faculty Council has held 28 meetings since the last meeting of the Board, and the Faculty Council 5 meetings, all of which were well attended.

Graduate Studies.

The smaller undergraduate classes enrolled at the College at the present time enables the Faculty to give greater attention to the development of graduate studies. This portion of the report is presented in two divisions, as follows:—

A. Dental Practitioners' Course.

B. Extension Lecture Service.

The associate clinicians and demonstrators during the week were: Dr. F. L. Cole, Dr. W. L. Chalmers, Dr. W. B Amy and Dr. F. S. Jarman.

The members of the class held a luncheon, at which a resolution of appreciation of the work of the College was adopted. The members referred not only to the value of the research work being carried on in the College, but also to the unselfish spirit in which the members of the faculty gave their instruction. The registrants collected from among their own number the sum of \$50.00, which was presented to the College, to be devoted toward the purchase of a microscope for the Clinical Department.

The fees of registrants amounted to \$1,120, as follows:—

Students Deficient in Attendance and Clinical Credits.

Certain Fourth and Fifth Year students were reported as seriously deficient in attendance at lectures, and after careful consideration of their attendance records, the decisions of the Faculty were as follows:—

Fifth Year:

Robinson, N. T.

Kerr, H. R.

McPhee, W. H.

That these students be required to register for session 1925-26, and attend lectures and classes until Christmas, when special examinations will be held.

Byrnes, B. J.—In view of the fact that this student has had only one supplemental examination, and that an oral, throughout his course, he be permitted to write on all the examinations in the fall, providing his Infirmary credits are complete.

Brown, Reuben.—In view of the fact that this student has had no supplemental examinations throughout his course, he be permitted to write on all the examinations in the fall, providing his Infirmary credits are complete.

The following students who are deficient in Clinical Dentistry are required to attend the regular session 1925-26 until Christmas, when they will be required to write upon special examinations, and the marks obtained will be considered along with those of the annual examination:—

Mecklosky, A. J.

Barkoff, D.

The following students who are deficient in lecture attendance and also Clinical Dentistry are required to repeat the fifth year:—

Bain, A. M.

O'Brien, H. W.

Zola, Boris.

The following students are required to continue in Infirmary until they satisfy the Clinical Department:—

Abramson, I. (completed May 29th)

Finmark, J. (completed June 12th).

Fourth Year:

Israelson, I.

Smith, J. A.

That these students who are deficient in lecture attendance be permitted to write the examinations in the fall, providing their Infirmary and Laboratory credits are complete.

Indentureship Outside Ontario.

It was decided that students be permitted to indenture with dentists outside of the province, and that this be accepted in lieu of attendance in the Infirmary, providing preceptor be satisfactory, and that he be a regular legal and ethical practitioner.

G. A. Kerster and H. W. O'Brien, Fifth Year.

Attached hereto is a report of the Faculty Executive regarding these two students.

Attendance at Lectures, Laboratory, Clinic and Infirmary.

Recommended that 90% attendance be required unless excused by the department concerned.

Supplemental Practical Courses.

Supplemental Practical Courses have proven so unsatisfactory in the past that it is recommended that they be discontinued, and that any student below the pass standard at the close of the session be required to repeat the year.

All of which is respectfully submitted,

WALLACE SECCOMBE,

Dean.

On behalf of the Faculty Council.

Moved by McGuire and Davidson: "That the report of the Committee of the Whole on the report from the Faculty Council be adopted." Carried.

EXTENSION SERVICES.

Moved by Davidson and McGuire: "That a committee, consisting of Dr. W. E. Willmott, representing the Board, Dr. W. Seccombe, representing the Faculty, and Dr. F. J. Conboy, as Director of Dental Services for Ontario and representing the Ontario Dental Association, be appointed to manage the lectures and Extension Service; that when any meeting has been arranged, notification of the same shall be sent by the Secretary of the Board to all members in the vicinity as to the time, place and clinicians or lecturers; that the remuneration, be appointed to manage the Lecture and Extension Service; that and hotel expenses be paid by the meeting attended; that the Board place the sum of \$500.00 at the disposal of this committee for the current year." Carried.

PRESIDENT'S REPORT.

The retiring President presented his report for the year.
To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

When the election of the Board of Directors was announced last December, it was a genuine pleasure to learn that the confidence of the profession was indicated by every member being re-elected. It was gratifying to realize that the endeavor of the members of the Board to fairly represent their constituencies in the best interests of Dentistry was appreciated, and I take this opportunity of congratulating you upon your re-election.

Personnel of the Faculty, Session 1924-25.

A list of the members of the Faculty for this session will be found in the auditor's report. There were very few changes or additions from the previous session.

Dr. H. G. Robb was added to the staff of instructors in Anaesthesia and Exodontia. Dr. M. A. Cox, medical practitioner, was appointed as instructor in the Chemistry and Preventive Laboratory. Several medical men were appointed in the Osteology and Anatomy Department to take the places of those who had resigned. Dr. W. E. L. Sparks, previously a member of the Faculty in session 1922-23, was re-appointed as demonstrator in these subjects, as well as Drs. W. H.

Holmes, C. S. MacDougall and A. E. Montgomery. The latter two came on alternate days when these subjects were taught.

Professional Ethics.

The past year has been an epoch-making period in the history of Dentistry in Ontario. In several ways the status of dentistry has been assured and advanced, and Dentistry has been legally recognized as a learned profession. The Board is to be congratulated upon the outcome of the recent cases, and you will receive a complete report from the Discipline Committee upon their activities.

Relations With University.

The negotiations for closer relations with the University which have continued intermittently since 1905 were given stimulus through several circumstances last year. In a general way, while Dentistry has advanced splendidly in the past, the time seemed to have come when more public recognition and academic prestige might be gained by becoming a Faculty of the Provincial University. After the very favorable vote of the profession, the Board no doubt will approve of surrendering the exercise of its teaching function to the University, and it is expected that the successful consummation of this project will be brought about during the coming summer, when a Faculty of Dentistry will be established by the University of Toronto.

The responsibilities and duties of the Board will be less onerous with the transference of the School of Dentistry to the University. This will give the Board the opportunity of concentrating its attention on the furtherance of the interests of the graduate members of the Royal College of Dental Surgeons, and the advancement of dental science.

Respectfully submitted,

A. D. A. MASON,

President.

Moved by Mason and McLean: "That the President's report be adopted and entered on the Minutes." Carried.

UNIVERSITY RELATIONS

Moved by McLean and Thompson: "That, in view of the result of the recent ballot on the question of the School of Dentistry becoming a faculty of the University of Toronto showing a vote of 858 in favor and 12 opposed, the Board proceed to complete the arrangements with the University with the plan as submitted to the profession as a basis of agreement with one change, viz., Section 14, changing the words 'amounting to approximately \$55,000' to 'the amount of the overdraft on June 30, 1925.' The agreement to take effect the beginning of the University year, July 1, 1925." Carried.

(At a meeting of the joint committee on June 8th, a limit of \$76,000.00 was placed on the overdraft.)

Moved by Mason and Irvine: "That the following be a committee with full power to transact in the name of the Board any business necessary for the consummation of the above agreement and, when completed, the President and Secretary are hereby authorized to sign

the necessary papers on behalf of the Board of Directors of the Royal College of Dental Surgeons: Drs. R. G. McLean, A. D. A. Mason, W. G. Thompson, W. M. McGuire, S. M. Kennedy, W. Seccombe and W. E. Willmott." Carried.

TREASURER'S REPORT.

The Treasurer presented his annual report, as follows:—
To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

The increasing number of graduates and the greater tendency to move from place to place very largely increases the work of your Treasurer.

During the first week of October, 1,770 notices were sent to graduates supposed to be in Ontario. A number were returned marked "not known". Several of these have since been located, but some still cannot be reached. In December, 900 second notices were sent out, and in February, 485 drafts were sent through the Bank. Of these, 402 were paid. In March, 53 suits were entered after a written notice had been sent to each defaulter calling his attention to the order of the Board. Of these, 29 were paid, 2 stayed, 1 withdrawn, 1 left the Province, 3 were no good, and 17 not yet reported.

Fines have been received:—

Sturgis of Hamilton	\$50.00
Tremblay of Ottawa	75.00
Barlow of Belleville	10.00

The audited statement of Receipts and Disbursements is submitted herewith (see page 31.)

The following are in arrears in their annual fee, some of which are among the 17 not yet settled in court:—

J. A. C. Arbuckle, Ottawa.	W. R. Junkin, Toronto.
Ira Bower, Ottawa.	W. C. Kelly, Windsor.
D. F. Brownlee, Sudbury.	V. C. Long, Toronto.
R. M. Carruth, Toronto.	G. M. McElhinney, Ottawa.
G. Dodge, Hamilton.	J. M. McIntyre, Ottawa.
J. H. Helps, Finch.	W. W. McPhee, Orillia.
J. E. Holmes, Ottawa.	E. J. O'Leary, Ottawa.
G. P. Howard, Toronto.	M. L. Pratt, Manitock.

All of which is respectfully submitted.

W. E. WILLMOTT,

Treasurer.

Moved by McGuire and Mason: "That the Treasurer's report be received and entered on the Minutes." Carried.

SECRETARY'S REPORT.

The Secretary presented his report, as follows:—
To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:

Minutes.

As soon as possible after last meeting, copies of the Minutes were printed and one sent to each licentiate in Ontario, and, on request, to several outside Ontario.

Examinations.

Supplemental examinations were held in September, 1924, at which 24 candidates wrote 48 papers on 20 subjects.

The examinations of the Fourth Year were held early in April in order to allow these students to be free for the Infirmary before the Fifth Year students left. These were held in the University Building. Again it was necessary, on account of lack of accommodation in the University Buildings, to hold the examinations of the other years in our own building. During the session there were 24 Term examinations, at which 1,664 candidates wrote 1,667 papers, and 28 Final examinations, at which 1,815 candidates wrote 1,818 papers, making a total of 3,485 papers on 52 subjects.

M.D.S.

Two candidates made application to write for M.D.S.—Dr. D. J. Ferguson of Saskatoon, graduate of 1919, and Dr. N. W. Haynes of Edmonton, graduate of 1920. In the case of the latter, permission was given at a former meeting of the Board for him to write in Edmonton. The authorities of the University of Edmonton very kindly arranged for Dr. Haynes to write under their supervision. On instructions from the President of the Board, arrangements were made with Dr. J. B. Carmichael of Edmonton to conduct the examination in practical work.

It will be necessary to instruct your Treasurer as to remuneration to be paid in connection with the examinations.

Dominion Dental Council.

One Dominion Dental Council certificate was registered in Ontario—Mrs. A. C. M. MacCallum, formerly Miss Arrabelle Catherine Macdonald Mackenzie of the Province of Nova Scotia.

L.D.S.

According to instructions, 198 L.D.S. diplomas were ordered and received from Alexander & Cable.

Copies of Dental Acts.

Copies of the Dental Acts of most of the States and Provinces were obtained and a digest of fifteen of the most important is herewith presented.

University Relations.

As instructed, a circular letter containing the basis of agreement between the Royal College of Dental Surgeons and the University of Toronto and the Ontario Government whereby the School of Dentistry would become a Faculty of the University of Toronto, and a ballot was sent to every graduate of the R.C.D.S. whose address could be obtained. The vote shows 858 for and 12 against the project. A summary of the vote is:—

In Practice—	Ballots Sent.	Not Delivered.	For.	Against.
Graduates—				
In Ontario	1,681	0	614	9
Outside	561	39	186	0
Not Graduates—

Outside	14	0	2	0
	2,509	55	858	12
Marked but not signed.....	0	0	6	1
Signed but not marked.....	4	0	0	0

Changes in the Register.

Since the list of graduates was published last June there have been 240 changes of address. 119 changes from one list to the other.

Norman K. Douglas.

An application has been received from Norman K. Douglas of Owen Sound for reinstatement.

Ballots.

The ballots of the elections of 1922 and 1924 are still in the vault, and some disposition should be made of them.

Licentiates Who Have Died. (Reported since June 1, 1924.)

1869 J. W. Coyne	1903 G. A. Fraser
1874 Walter Phelps	1905 F. W. Gordon

1897 R. C. McClure	1923 N. B. Forrester
1897 T. E. Dean	1924 J. T. Conrod
1902 J. A. Garland	

All of which is respectfully submitted.

W. E. WILLMOTT,
Secretary.

Moved by Thompson and Davidson: "That the Secretary's report be received and entered on the Minutes." Carried.

BALLOTS.

Moved by Kennedy and Mason: "That the ballots of the election of 1922 and 1924 be destroyed by the President and Secretary." Carried. (This was done on May 29th.)

SECRETARY'S SALARY.

Moved by McGuire and Thompson: "That the Secretary's salary for the year beginning May 1, 1925, be \$2,500." Carried.

M.D.S.

Moved by Irvine and Davidson: "That the Treasurer be instructed to pay the M.D.S. examiners \$10.00 each." Carried.

PETITIONS.

The Dean presented a summary of the important petitions which had been granted by the Faculty Council during the session, as follows:—

N. O. Doner, Second Year—

This student had been suffering from a very severe cold, and had been ordered by his physician to discontinue his course for the remainder of the term (March 6th). He asks that he may be permitted to take the full examination in September.

A report from each department concerned was obtained, and it was decided, that in view of these reports and also on account of the important work missed and which will be missed for the remainder of the term, he be allowed to complete his Second Year during session 1925-26, having the privilege of entering in January, 1926; also that he be permitted to write examinations on Dental Anatomy and Chemistry in September, 1925.

W. P. Devins, T. W. Richards, Second Year—

These two students of Second Year were members of the University Hockey Team, which went to Winnipeg to compete for the Allan Cup, and asked for consideration in connection with two examinations which were held during their absence.

It was decided that they be referred to the Prosthetic Department for a term credit in Prosthetic Dentistry, and to Dr. Hord for a final credit in Dental Anatomy.

H. H. McCaffrey, Second Year—

This student missed the term examination in Prosthetic Dentistry and final in Dental Anatomy owing to illness. It was decided to extend the same privilege to him as was extended to W. P. Devins and T. W. Richards.

K. H. McKay, Third Year—

Mr. McKay was ill during the term examinations in Pharmacology and Bio-Chemistry, and asked consideration. It was decided that he should be given the same privilege, on presentation of a physician's certificate, as was given to Mr. McCaffrey.

Miss H. Ashley, Dental Nurse—

Miss Ashley has been ill since 31st March, and it was decided to permit her to complete a month of service during the summer session and then be given special examinations.

Indentureship, Fourth Year—

Following students of Fourth Year were permitted to indenture with dentists outside Ontario:—

G. B. Thurston, with Dr. W. J. Turner of Edmonton.

W. B. Milburn, with Drs. White & Cameron, Swift Current, Sask.

W. E. Addinell, with Dr. Hamilton of Edmonton.

A. E. Phin, with Dr. A. E. Phin of Peekskill, N.Y.

A. M. Bain, Fifth Year—

Mr. Bain, who is not permitted to write on examinations, permitted to indenture for summer with Dr. Bregman of Toronto.

Absence from Term Examinations—

Petition was presented from two members of Third Year who were away from the city on the 16th of January with the University basketball team, asking for consideration regarding term examinations. It was moved by Kennedy and Woollatt and carried: "That, where any student misses his term examination on account of being on tour with some University team, the department concerned be permitted to give him a special test, which will be accepted in lieu of the term examination."

W. H. McPhee, G. A. Kerster, Fifth Year—

Petitions were presented regarding their course in Pharmacology, as they have yet no credit in this subject, owing to irregularity in their courses. It was decided that they should be required to take the laboratory work in Pharmacology, present their note-books for examination, and also pass an oral examination by the professor on the laboratory course.

J. H. Johnson, Fifth Year—

As Mr. Johnson was ill during the term examinations of the Fifth Year in January, it was decided that the departments concerned should arrange for term credits in Economics and Pathology.

S. J. D. Rowley, Fifth Year—

Mr. Rowley, a student of the Fifth Year, with a long war record ending with a very serious accident in the Air Force, is on a 40% disability pension; completed his matriculation after his discharge from the army; attended session 1920-21 at the R.C.D.S.; was granted a considerable sum of money by the Imperial Government to complete his course in Dentistry, provided that the course be taken at a foreign University; graduated from the Northwestern University in 1924 and returned to the R.C.D.S. for session 1924-25.

The regulations regarding examinations in the final year for graduates from other Colleges had been altered since Mr. Rowley attended his First Year, necessitating his writing all the final subjects in the Second, Third, Fourth and Fifth Years. He petitions to be permitted to take the examinations of the Fifth Year only, according to the regulations in force when he began his course in the R.C.D.S. in 1920.

It was decided that this petition be forwarded to the Secretary of the Board with the approval of the Faculty.

Moved by McLean and Kennedy: "That the report of the Faculty Council on petitions be adopted and entered on the Minutes." Carried.

REPORT OF THE DEAN

The Dean presented his report.

The Board went into committee of the whole, with Dr. Mason in the chair.

The committee rose and reported that the Dean's report had been adopted, as follow:—

To the Members of the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

The work of the past session has progressed favorably, and I desire to record my appreciation of the co-operation of all of the members of the Faculty toward one another and toward the officers of the College.

Registration, Session 1924-25.

We had in attendance for session 1924-25, 376 students, a decrease of 110 from last year's registration of 486. There were seven young women registered, two having enrolled in the first year. Four graduate dentists were members of the final year, one from South Africa, one from Australia and one from the United States, for the purpose of obtaining the degree, and another, graduate of Northwestern, who was previously in attendance at R.C.D.S., desired to obtain L.D.S., Ontario. Three students have transferred from University of Alberta into the fourth year, and one from McGill to the Fifth Year. The registration by classes was as follows:—

First Year	58
Second Year	64
Third Year	57
Fourth Year	83
Fifth Year	114
Total	376
Dental Nurses	10
	386

University of Toronto War Memorial Scholarship.

A Scholarship of the value of two hundred and fifty dollars has been established by the Alumni Federation of the University from the War Memorial Fund to be awarded to a student in the School of Dentistry of the Royal College of Dental Surgeons of Ontario.

The general basis on which the above scholarship may be awarded is as follows:—

(a) Candidates must have served, or must be near relatives of persons who served, in His Majesty's or Allied Forces during the Great War, 1914-1916.

(b) Standing in course of studies.

(c) Need of assistance.

(d) Such other general qualifications of merit as may commend themselves to the Committee.

Dental Index Bureau.

The Secretary-Treasurer of the Dental Index Bureau has requested a contribution of \$50 from this School to cover cost of new volumes of the Index to Dental Periodical Literature for the years 1876-1885, which we are pleased to recommend.

The indexing of periodical literature has now been completed, with the exception of twenty-nine years, and this work has progressed to a point which will enable the Bureau to publish the remaining volumes in rapid succession.

Students Applying for Deferred Payment of Fees.

The auditor has submitted for your consideration the report of the Ex-Service Men's Special Loan Account, showing loans to students in attendance this session of \$2,300.

The loans represent deferred payment of fees of the following students, all members of the Fifth Year:—

Coburn, C. I.	Lemay, W. J.
Finmark, J.	Lesco, S. J.
Fralick, D. A.	McLeod, N. A.
Groff, E. E.	McPhee, W. H.
Howard, G. B.	O'Connor, T. H.
Kerster, G. A.	
11 Applicants for \$200 each.....	\$2,200
McDonald, J. A. C.	
1 Applicant for \$100	100
	\$2,300

This is the last year that these funds will be available to returned soldiers, and as this account is not involved in the transfer of the School of Dentistry to the University of Toronto, we would recommend that the collection of the balance of these promissory notes, amounting in all to \$65,824, be transferred from the Dean's Office to that of the Secretary-Treasurer of the Board.

American Association of Dental Schools.

The meeting of the American Association of Dental Schools was held in Chicago, March 19th, 20th and 21st, 1925.

The chief point of consideration was that of the content and length of the dental course, when three papers were presented, as follows: 1-4 plan, by Dean Friezell, Pittsburgh; the 2-3 plan, as recommended by the Carnegie Foundation by Dean Banzaf, and the 5-year plan, as carried on in Toronto by your Dean.

These papers were followed by a very extended discussion, in which Dr. Downing of the New York State Department of Education stated that the 2-4 plan would be adopted in New York State and since that time, Harvard University and the Faculties of Dentistry of McGill and Montreal have decided to require two years pre-dental work, followed by four years in the dental faculty.

Following the reading of these papers there was prolonged discus-

sion, but the Association took no action as a body in regard to recommending any one plan.

The Wm. J. Gies Fellowship in Biochemistry.

A communication received from the Treasurer of this Fellowship was considered by the Faculty Council, requesting that this School make a contribution to this Fellowship in recognition of the work of Professor Gies in the interest of dental science, and especially the advancement of dental education.

Individual members of the Faculty have subscribed to the Fellowship, and it was the decision of the Faculty that the request of the Fellowship Committee be referred to this Board for consideration.

Respectfully submitted,

WALLACE SECCOMBE,

Dean.

Moved by Davidson and Mason: "That the report of the committee of the whole on the Dean's report be adopted and entered on the Minutes." Carried.

DEFERRED PAYMENT OF LOANS

Moved by Kennedy and Irvine: "That, in view of the University of Toronto and the Alumni Association having turned over to the Chartered Trust and Executor Company the collection of notes for Alumni Loans and deferred payment of fees, the Treasurer be instructed to interview the Company and, if possible, make a similar arrangement for the collection of the notes now held for deferred payment of R.C.D.S. fees." Carried.

COMMENCEMENT COMMITTEE

The Commencement Committee reported that all the arrangements had been completed for the holding of the annual Commencement in Convocation Hall on the evening of Friday, May 29th, and that Dr. J. B. Brebner, Registrar of the University of Toronto, would deliver the address.

Moved by Thompson and McGuire: "That the report be adopted and entered on the Minutes." Carried

ALUMNI REUNION

The committee reported that all arrangements were completed for the annual reunion of the graduates, held in the College Building on the afternoon and evening of Tuesday, May 26th; that a buffet supper was served, followed by a general meeting, at which the recent vote on the University question was announced, and Mr. I. F. Hellmuth, K.C., the Counsel for the College, spoke on the work of the Discipline Committee, with special reference to the recent case in the Appellate Division Court which was won by the College; that an orchestra was in attendance, and dancing followed the meeting. About 375 persons attended.

Moved by Mason and McLean: "That the report be adopted and entered on the Minutes." Carried.

ROYAL BANK

Moved by McGuire and Irvine: "That the President and Secretary of the Board be authorized to borrow from the Royal Bank of Canada from time to time as may be required an amount not exceeding \$75,000. Such authorization to remain in force until the annual meeting in 1926." Carried.

AUDITOR'S REPORT.

The report of the auditors and the financial statement of the School of Dentistry and of the Board of Directors was presented. (See page 30.)

Moved by Mason and Davidson: "That the report be adopted and entered on the Minutes." Carried.

REPRESENTATIVES TO THE FACULTY

Moved by Thompson and Mason: "That Drs. Kennedy, McLean and Irvine be nominated as representatives from this Board on the Faculty of Dentistry." Carried.

DISCIPLINE COMMITTEE

The Discipline Committee presented its report, as follows:—
To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:

Your Discipline Committee begs to report on cases drawn to its attention in the past year, as follows:—

1. In May, 1924, several complaints were received regarding improper advertising of a Windsor practitioner. He has been warned, and these complaints should now be investigated.
2. In July, 1924, a Toronto practitioner was warned by our Solicitor regarding complaints of improper advertising.
3. In September, 1924, two Toronto dentists, in partnership, were given warning by College Solicitor re improper advertising. Since then they have given no further cause for complaint.
4. W. W. Barlow of Belleville was fined for practising without a license.
5. In October, 1924, a Toronto practitioner was warned regarding complaint of improper advertising.
6. In November, 1924, H. H. Topping of Bridgeburg was fined for practising without a license.
7. In November, 1924, a Toronto practitioner, conducting a clinic, was written to by the Board's Solicitor, and after persisting for a time, finally ceased advertising in the manner complained of.
8. In March, 1925, Chas. Coulon, Toronto, was fined for practising without a license.
9. In March, 1925, a Windsor dentist was warned regarding improper advertising. So far as the Committee knows, the warning was effectual.
10. In March, 1925, investigation was made regarding complaint of a practitioner in Madoc.

11. In May, 1925, complaints regarding improper advertising on the part of a Toronto practitioner were looked into, and a report will be given later regarding this matter.
12. In May, 1925, a practitioner in Windsor was warned regarding complaints of improper advertising.
13. W. F. Sturgess, in the employ of Dr. B. G. Davidson, Hamilton, was fined for practising without a license.
14. In May, 1925, a Toronto practitioner was warned regarding improper advertising. The warning was effectual.
15. Tremblay of Ottawa was fined for practising without a license.

As you see, the work of the Committee has been very heavy during the past year. However, we are sure that the judgment of the Divisional Court in dismissing the appeal of Dr. B. G. Davidson of Hamilton and Dr. E. C. Boyle of Toronto in the matter of the suspension of their licenses because of improper conduct in the matter of advertising, will make your Committee's labors lighter in this sphere, in future.

We feel that the members of our profession are to be congratulated in that they, as a whole, have, in the past, conducted themselves in a manner befitting a profession, and so have received a vindication of the rights and privileges bestowed upon all other learned professions.

Respectfully submitted,

R. GORDON McLEAN,

Chairman.

Moved by McLean and Kennedy: "That the report of the Discipline Committee be adopted and entered on the Minutes." Carried.

Moved by Irvine and McGuire: "That the Discipline Committee be instructed to investigate complaints against Dr. Davidson of Hamilton, Dr. Perlman of Windsor, Drs. Silk, Regan and Norman of Toronto." Carried.

LEGISLATION COMMITTEE

Moved by Davidson and McGuire: "That Drs. Mason, McLéan, Thompson, Secombe and Willmott be appointed as the Legislation Committee." Carried.

DISTRICT BOUNDARIES

Moved by Kennedy and McLean: "That Drs. McGuire, Irvine, Davidson and Willmott be a committee to arrange the boundaries of the districts in the province to make them more nearly of an average dental population." Carried.

STANDING COMMITTEES

On motion of Davidson and Irvine, the following Standing Committees were appointed:

Executive—Mason, Kennedy, McGuire, McLean, Thompson.

Discipline—Thompson, McLean, McGuire, Mason.

Portrait—Mason, McLean, Webster, Secombe, Willmott.

UNIVERSITY RELATIONS. (Supplementary Statement.)

The Board of Governors of the University of Toronto at a meeting on June 11th, 1925, passed the following By-Laws:—

BY-LAW NO. 52 To Establish a Faculty of Dentistry.

WHEREAS under and by virtue of the University Act being Chapter 279 of the Revised Statutes of Ontario, 1914, the Board of Governors of the University of Toronto is empowered to establish such Faculties, Departments, Chairs and Courses of Instruction in the University as to the Board may seem meet:—

AND WHEREAS it has seemed to the Board desirable to establish a Faculty of Dentistry;

BE IT THEREFORE ENACTED by the Governors of the University of Toronto:

1. THAT a Faculty of Dentistry in the University of Toronto be, and the same is hereby established.

2. THAT the terms agreed upon by representatives of the University and of the Royal College of Dental Surgeons in connection with such Faculty, as set out in the Schedule attached (see page 9), be and they are hereby approved and assented to, effective 1st July, 1925.

In accordance with the above By-Law, the School of Dentistry of the Royal College of Dental Surgeons of Ontario became, on the first of July, 1925, the Faculty of Dentistry of the University of Toronto.

The Secretary read the call of the meeting:—

240 College St.

Toronto, Nov. 12th, 1925

Dear Dr,

I am instructed by the President to call a special meeting of the Board of Directors of the Royal College of Dental Surgeons for Monday, Nov. 23rd, 1925, at 11.00 o'clock in the forenoon, in the Faculty Room of the Faculty of Dentistry of the University of Toronto.

The business will be the consideration of the report of the Legislation Committee (a copy of which is enclosed) and any other business which may be deemed necessary.

Yours very truly,

W. E. WILLMOTT,
Sec'y. R.C.D.S.

CHANGES IN THE DENTISTRY ACT.

Dr. Mason presented the report of the Legislation Committee including the report of the District Boundaries Committee which was considered in Committee of the Whole with Dr. Mason in the chair.

The committee rose and reported "That the Legislation Committee be instructed to take the necessary steps to secure the following changes in the Dentistry Act of Ontario at the next sitting of the Legislature." (See new Act for changes.)—Carried.

Moved by Mason and Kennedy "That the report of the Committee of the whole on changes in the Dentistry Act be adopted." Carried.

Moved by McLean and Thompson "That the Legislation Committee be instructed to report at the next meeting as to necessary changes or additions to the By-laws."

DENTISTRY ACT TO BE PRINTED.

Moved by McLean and Irvine: "That the Secretary be instructed to have the Dentistry Act printed as amended, as soon as possible and a proof sent to each member of the Board." Carried.

TRANSFER OF PROPERTY.

Moved by Kennedy and Davidson: "That the officers of the Board be authorized to sign the deed of transfer of the property to the University of Toronto, the deed to contain the conditions as voted on by the profession." Carried.

EX-SERVICE MENS' LOAN ACCOUNT.

Moved by McGuire and Thompson "That the Royal Bank, Spadina and College branch, be requested to change the Special loan account to the 'Ex-service Mens' Loan Account' with W. E. Willmott as Treasurer." Carried.

ACCOUNTS.

A few accounts which had not been paid previous to the transfer of the School of Dentistry to the University were presented.

Moved by McGuire and Davidson "That these accounts be referred to the Faculty Executive for a report and that the Treasurer be given authority to act on the report." Carried.

EXTENSION SERVICE.

The Dean of the Faculty of Dentistry reported that the University of Toronto had made a grant of \$500.00 for extension work and that Dr. Conboy would organize the Province into Districts in co-operation with the Department of Public Health.

Moved by Mason and Davidson "That in view of the grants placed at the disposal of the Faculty of Dentistry by the University of Toronto, for Extension Service, the sum voted by this Board at a previous meeting (\$500.00) be placed at the disposal of the Faculty for the same purpose." Carried.

HARRY R. ABBOTT MEMORIAL LIBRARY.

Moved by Mason and Thompson: "That as a bequest has been left by the late Mrs. D. E. Tully of London, to establish a Library in memory of her brother, the late Dr. Harry R. Abbott, to be known as the "Harry R. Abbott Memorial Library"; let it be known that the 'Harry R. Abbott Memorial Library' shall be comprised of the following:—The books, magazines, pamphlets, pictures and museum specimens now in possession of the Board and housed in the Dental Building of the University of Toronto." Carried.

Moved by Mason and Thompson: "That this Board act in accordance with the resolution passed by the Faculty of Dentistry of the University of Toronto as follows:

"That the Board of Directors of the Royal College of Dental Surgeons be respectfully urged to co-operate with the Faculty in having one Library in the Dental Building (the books of which shall be labelled as to owner) under the direction of the Faculty Librarian and that Executive Committee of the Faculty of Dentistry be permitted to select the books to be purchased, the Board of the R.C.D.S. reserving the right to specify any books they may desire.'" Carried.

GRANT TO LIBRARY.

Moved by Davidson and Irvine: "That this Board make a grant of \$100.00 to the Faculty Council to be disbursed for Library purposes and \$50.00 to the Librarian for photo and frames." Carried.

EXAMINATION FEE.

Moved by McGuire and McLean "That the examination fee required from graduates of other Dental Colleges desiring to obtain a license in Ontario without attending at the Faculty of Dentistry of the University of Toronto be changed from \$200.00 to \$100.00." Carried.

SECRETARY'S OFFICE.

Moved by Irvine and Kennedy: "That the Superintendent of Buildings of the University of Toronto be requested to provide more convenient accommodation for the Secretary of the Board as soon as circumstances will permit." Carried.

DENTAL NURSES.

Moved by Davidson and Thompson: (a) "That the Board continue to award diplomas and graduation pins to the Dental Nurses who are certified by the Faculty of Dentistry as being qualified.

(b) That the present curriculum be continued for this session.

(c) That Junior matriculation be required for admission beginning session 1926-27." Carried.

MISS ASHLEY.

The Dean of the Faculty of Dentistry reported that Miss Ashley, a member of the Nurses' class of 1924-25 who had been prevented by illness from writing on the examination in May, 1925, had completed a month's attendance and had satisfactorily passed the prescribed examinations.

Moved by Kennedy and Mason "That the Secretary be instructed to issue a diploma to Miss Ashley." Carried.

RECIPROCITY OF LICENSES.

Moved by Thompson and Mason: "That the Secretary be instructed to communicate with the General Medical Council of Great Britain with a view to some degree of reciprocity of License." Carried.

REPRESENTATIVES FROM BOARD TO FACULTY.

Moved by Davidson and Thompson: "That when a representative of the Board attends a meeting of the Faculty of Dentistry of the University of Toronto, the Treasurer be authorized to pay him the same as for a meeting of a committee of the Board." Carried.

RE PRESCRIPTIONS.

The Legislation Committee was instructed to make inquiries and report as to the rights and advisability of Dentists having the right to prescribe Narcotic drugs.

DISCIPLINE COMMITTEE REPORT

The discipline committee reported that Drs. B. G. Davidson of Hamilton, and E. C. Boyle of Toronto, had signed a satisfactory undertaking regarding their future conduct and recommended that their suspension be raised and they be reinstated as members in good standing in the profession. On motion of McLean and Thompson the report was adopted.

ANNUAL MEETING.

Moved by Irvine and Thompson: "That the annual meeting of the Board be held on Wednesday, June 2nd, 1926 at 1.00 o'clock, standard time." Carried.

PRESIDENT'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Owing to the School of Dentistry now being a part of the University of Toronto, matters in connection with the Faculty heretofore mentioned in the President's report are removed from this and future reports. In this connection I may say that as far as I can learn the adjustment has taken place in a very commendable manner, and we hope that any minor defects may be adjusted in the near future to the entire satisfaction of the Faculty.

Two of the Committees of the Board have in the past year had much work, and are to be highly commended for the results they have attained. Reference is made to the Discipline and Legislation Committees. The Board is in a position to appreciate just what has been done by these committees, and the Profession as a whole must admit that we owe them a debt of gratitude for the results of their labors. Special mention of the names of Drs. McLean, Mason and Thompson would not be out of place as they bore the brunt of the work.

Your Secretary during the year has been efficient and most courteous to your President.

We have, since we last met, secured what a meeting of a section of the Board considered a most desirable room for our own, and hope that our decision in the matter meets with your approval.

A situation in respect to the Dental Nurses has arisen which should be considered at this meeting. Although being taught by the Faculty and of service in the Infirmary, and no fees coming to this Board, your President has felt that for this year we should be responsible for their graduation exercises and the expense connected therewith and has acted accordingly.

As we are entitled to a seat on the University senate, the name of your President was forwarded to the Registrar by our Secretary, pending a meeting of this Board, and it has been my privilege to be present at a number of meetings. Further action should be taken in this matter now.

E. E. BRUCE,
President.

June 2nd, 1926.

Moved by McGuire and Irvine: "That the President's Report be adopted and entered on the minutes."—Carried.

REPRESENTATIVE ON SENATE

Moved by Thompson and Kennedy: "That Dr. R. Gordon McLean be the representative from the Royal College of Dental Surgeons on the Senate of the University of Toronto for the remainder of this term."—Carried.

SECRETARY'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Secretary presents his report for the year as follows:

Minutes

The minutes of the last annual meeting and of the three special meetings were prepared as speedily as possible and printed, and a copy sent to each Licentiate practicing in Ontario and by request to others.

University of Toronto

The papers in connection with the transfer of the property of the University of Toronto were completed and signed by your President and Secretary in February. The plan as voted on by the Profession and accepted by both parties and the By-law passed by the Board of Governors of the University are included in the deed as registered.

Changes in the Act

During the past session of the Ontario Legislature the Premier introduced a bill to amend the Dentistry Act. Several amendments were necessary on account of the new relations with the University of Toronto. At the same time a few important changes as suggested by the Board were also made. The Act will be known as "The Dentistry Act 1926" (Bill 122).

By-Laws

It will be necessary to amend the By-laws of the Board to conform to the new act. The Legislation Committee of the Board has carefully considered the By-laws and a proof of the proposed changes and of the new Act have been mailed to each member of the Board.

Election of the Board of Directors

As the bi-ennial election of the Board will be held next fall, it will be necessary to give your Secretary instructions and also to appoint scrutineers.

Changes in Register

Since the last list of Licentiates was published there have been about 200 changes in address and 122 have been transferred from one list to the other.

M.D.S.

Dr. W. N. Haynes of Edmonton, completed the examination in practical Orthodontia and his M.D.S. diploma was mailed to him.

Records of Graduates

Some form of keeping records of graduates is necessary and a proof of a suggested card is submitted.

Application for License

Under the new condition a form of application for License became necessary. This was prepared and submitted to the President. Each member of the fifth year who desired to write for the L.D.S. has filed his application on the prescribed form. There are 79 which are herewith submitted.

Nurses' Commencement

Arrangements were completed for the graduation exercises of the Nurses' class on Thursday evening, June 3rd, in the Lecture room of the Dental Building, at which Miss Dyke of the Department of Public Health, Toronto, will address the class.

Early Minutes

The first minute book of the Board has become very brittle and in order that these invaluable records may not be lost, it is recommended that a typewritten copy should be made and the book carefully preserved.

Reciprocity with Great Britain

As instructed at the November meeting of the Board your Secretary wrote the General Medical Council of Great Britain regarding some degree of reciprocity. The correspondence is before you for

Nurses' Register

A communication has been received from the Dental Nurses Alumnae stating that in several instances dental assistants have been posing as graduates of the Nurses' Class and asking that a list of the graduates should be printed in the pamphlet in which the list of Licentiates appears.

Mail Matter

During the year there have been 4815 articles mailed from this office.

Informal Meeting of Four Members of the Board

At a meeting of four members of the Board in February several matters were referred to your Secretary.

School for Mechanical Dentistry

At a conference with Mr. Dennison, Solicitor to the Provincial Secretary, regarding an application which he had received for a license to carry on a school for Mechanical Dentistry, he asked if the Board considered such should not be granted. Your Secretary said there was no doubt such would be the judgment of the members of the Board. He then stated the license would not be granted.

Board Accommodations

Four tenders were procured for decorating the Board's proposed new quarters and after consultation with Dr. Mason, the Superintendent of the University was asked to proceed with the work. The account for this and other items will be placed before you for adjustment.

Board Room Chairs

After consulting several firms and individuals, the chairs have been repaired at a cost of \$90.00.

Alumni Reunion

The reunion was held at Hart House on the afternoon of May 17th, 475 sat down to dinner in the great Hall after which a reception was held in the quadrangle by Sir Robert and Lady Falconer, Dr. E. E. Bruce, President of the R.C.D.S.; Dr. J. C. Devitt, President of the Ontario Dental Society, and Dean and Mrs. Seccombe. This was followed by a very interesting programme in the Great Hall, provided by the Ontario Dental Association at which Dr. E. E. Bruce presided.

TREASURER'S REPORT

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Treasurer presents the following report for the year ending April 30th, 1926:—

Annual Fees

During the past year greater difficulty has been found in collecting the annual fee than for some years past, though more practitioners than usual paid after the first notice.

In October about 1850 notices were sent to Licentiates in Ontario. A number were returned "not known" of which a few have since been located. In December, 670 second notices were mailed and in February 551 drafts were sent through the Bank of which 400 were paid to the bank and a number paid direct. In many cases the Dentist could not be located. In April 26 suits were entered in the Division Court after a warning letter had been sent to each delinquent. The following are still in arrears:—

R. M. Carruth.....	Toronto.	J. A. McKinnon.....	Toronto.
P. T. Coupland.....	St. Mary's.	S. P. McPhee.....	Toronto.
C. A. Courville.....	Windsor.	M. L. Pratt.....	Manotick.
G. Dodge.....	Hamilton.	H. A. Reilly.....	Brockville.
E. J. Howe.....	St. Catharines.	S. C. Rutledge.....	Newmarket.
J. A. King.....	Elmira.	F. W. Smale.....	St. Catharines.
G. A. Macoun.....	Toronto.	G. M. Sutherland.....	Toronto.
J. C. Moore.....	Orillia.	G. A. Wight.....	Timmins.
J. M. McIntyre.....	Ottawa.	W. R. Winters.....	Ottawa.

Illegal Practitioners

The following have been fined for illegal practice and the amount of the fine which has been received:—

Coulon	\$170.00	Minot	\$60.00
Plain	70.00	Topping	25.00

The advisability of making some arrangement with the Council of Physicians and Surgeons whereby their prosecutor might undertake prosecutions for this Board might be considered.

Dentists' Legal Protective Association

At the annual meeting of the Dentists' Legal Protective Association in May, a resolution was adopted asking this Board to consider the advisability of slightly increasing the annual registration fee and making a grant to the Protective Association so that all Licentiates in Ontario might have the benefit of that organization.

Ex-Service Men's Loan Account

During the year 27 of those who had loans from this account paid their notes in full, 84 paid something on account and 93 have paid nothing. As arranged at the special meeting in November, the Chartered Trusts and Executor Co. have collected this and sent your Treasurer a check each month for the amount. There is at present \$12,396.39 in the account.

Faculty Accounts

At the November meeting some accounts from the Faculty were presented and were referred to the Faculty Executive for report and the Treasurer authorized to act on the report. The Executive reported that in its opinion these accounts should be paid by the Board, which has been done.

Auditor's Report

The accounts of your Treasurer have been audited by Thorne, Mulholland, Howson & McPherson, whose report is herewith submitted. (See page 20').

Respectfully submitted,

W. E. WILLMOTT,
Treasurer.

June 2nd, 1926.

EX-SERVICE MEN'S LOAN ACCOUNT

Moved by McLean and Kennedy: "That the Treasurer be instructed to purchase \$12,000.00 of Dominion of Canada 4½% Bonds, 1954 at 95 and interest, and further sums of \$3,000.00 as accumulated."—Carried.

Moved by McLean and Mason: "That the interest in the Ex-Service Men's Loan Account be transferred to the Board Account."—Carried.

DEAN'S REPORT

The Dean of the Faculty of Dentistry presented the following report which on motion of Mason and McGuire was received and ordered entered on the minutes.

Gentlemen:—

So much has happened in the Faculty of Dentistry during the past year owing to our new relation with the University that it seems hardly possible that such a comparatively brief period has elapsed since the transfer of the School of Dentistry to the University of Toronto.

Teaching of the following subjects has been transferred to the regular University departments: Biology and Comparative Dental Anatomy, Organic Chemistry, Inorganic Chemistry, Physiology, Pharmacy and Pharmacology.

Dr. Andrew Hunter of the University staff continues as head of the Department of Biochemistry, and Dr. Watt remains in active charge of the teaching of Anatomy.

In the Department of Surgery, Dr. Clarence Starr is the Professor, while Dr. Ryerson gives the lectures and clinics in Surgery, and Dr. Risdon the course in Oral Surgery.

As the teaching of Chemistry was taken over by the University Department, Dr. Cowling was made Professor of Applied Chemistry, Physics and Metallurgy, giving the dental applications following the regular courses and developing an excellent experimental course in Applied Science.

Mr. Rous, a graduate of the Faculty of Applied Science and Engineering, is assisting Dr. Cowling and acting as Secretary of the Faculty.

Dr. Willmott devotes one-half his time to teaching in the Department of Prosthesis, and one-half of his duties as Secretary of the Board of Directors of the Royal College of Dental Surgeons.

The principle has been adopted that in every subject, whether the work is given in the Dental Building or elsewhere, the Faculty of Dentistry has the right to determine what the course of study shall be. This will ensure the definite application of the sciences to Dentistry; and while giving a broader foundation, will develop better dental practitioners having a keen interest in further study and research.

A short course in Public Speaking given by Prof. W. H. Greaves of Victoria College, was instituted this session for fifth year students, and seemed to be much appreciated, especially by those who undertook the work in smaller groups.

The curriculum of the First Year conforms to that of First Year Medicine. French has been discontinued and lectures in Science and Civilization added. The object has been to permit the transfer of students from Medicine to Dentistry and from Dentistry to Medicine at the end of the First Year, provided they hold the necessary preliminary requirements.

Notice has been given that in addition to Pass Matriculation, Honour Matriculation in certain prescribed subjects will be required for entrance to Dentistry in 1927.

Eight dental practitioners served in the Faculty without remuneration, seven giving special clinics to the Fifth Year students and Dr. Ante his regular course of lectures in Crown and Bridge Prosthesis

to the various years. The others serving were as follows: Drs. A. S. Thomson, C. E. Pearson, W. B. Amy, C. E. Sutton and R. M. Box of Toronto and Drs. O. S. Slappison and J. N. Stewart of Hamilton.

The Faculty of Dentistry suffered a very severe loss in the passing of our much esteemed confrere, Dr. R. G. McLaughlin, who rendered such able service as Professor of Ethics and Dental Jurisprudence for many years.

Dr. Conboy has been appointed to combine the teachings of Applied Psychology, Ethics, Economics and Dental Jurisprudence in a Chair to be known as that of Dental Praxis.

A plan of co-operation has been developed with the Toronto Department of Health to conduct in the Dental Building a school children's clinic. This clinic will not only afford an opportunity for public service but will also prove of great value in supplying undergraduates with clinical facilities in children's dentistry.

The Dental Nurses' class this year has been in charge of a Supervisor, and has been made more practical, particularly in the direction of dental laboratory service. The dental nurses-in-training are registered as "occasional" students in the University, the diploma being awarded by the Board of the R.C.D.S. upon recommendation of the Faculty Council.

The annual Dental Practitioners course this year will be held from September 13th to 18th, (the week following the Canadian National Exhibition), and its scope will be somewhat similar to that of other years. The fee for the course for all registrants will be \$25 and members of the profession who desire one week of intensive study of the practical problems of practice, are urged to attend.

During the past session a Conference of Dental Teachers was held from the 1st to 6th March, when eight colleges were represented by twelve teachers in all. The conference was an entire success and it was decided to hold such a gathering annually about the end of the first semester. The 1927 Conference will extend over a two weeks' period.

Extra-Mural Lectures were given in numerous districts throughout the province, the local societies paying the travelling expenses of the teacher, and the Faculty and Board arranging the honoraria. It is hoped that the number of extra-mural lectures during the ensuing year will be greatly increased and will include the outlying districts of the province as well as the counties that have already taken advantage of this service.

Our Library is composed of the Dental Departmental Library of the University and the Harry R. Abbott Memorial Library, and is in charge of the Faculty Librarian. During the session 90 graduates in Dentistry have borrowed books from the Library, in many cases obtaining them by mail.

Members of the profession are urged to make contributions of any interesting specimens of a pathological or other nature, to the museum, and also contributions of dental magazines to the library.

There has been during the year a marked development in the Faculty Consultation Service. Members of the profession are invited to forward models, radiographs, clinical histories, designs for partial dentures, or other information concerning difficult cases in practice upon which they desire advice. Requests are referred to the department or departments concerned and advice given after conference with the clinical department. All such enquiries addressed to the Dean's office will receive careful attention.

Members of the profession are urged to forward suggestions concerning problems met with in practice and meriting special study, experimentation or research. It is hoped that one of the results of the transfer of the School of Dentistry to the University will be stimulation in Dental research. The facilities of the University are available to this Faculty and it is hoped that they may be utilized to the greatest possible degree.

WALLACE SECCOMBE, Dean.

DR. R. G. McLAUGHLIN.

Moved by Mason and McLean "That this Board wishes to place on record its sense of the great loss to the Faculty, to the Profession and to the Community by the passing of Dr. R. G. McLaughlin. As a member of the Faculty he was held in the highest esteem by his confreres. His insight and good judgment made him a very valuable member of the Staff and his presence and counsel will be greatly missed. As a member of the Profession he held the respect and esteem of his fellow practitioners in the highest sense." Carried.

EXTRA-MURAL LECTURES

Moved by Mason and Irvine: "That \$500.00 be placed at the disposal of the Faculty for extra-mural lectures."—Carried.

LIBRARIAN'S REPORT

To the Board of Directors,

Royal College of Dental Surgeons.

Gentlemen:—

Your Librarian has the honour to make the following report:—

The Library has been moved from its old place to the more commodious room previously used as a students' reading room and museum. This room has been fitted with tables and chairs, and made comfortable so as the student may make greater use of the room. Here they may study and do the writing of the many articles to be found in their course of reading.

Here also will be found the Museum with its many cases of specimens. To accommodate the increasing number of specimens three new wall cases have been installed so that a better view may be had of the anomalies.

During the year many books, periodicals and museum specimens have been donated, a list of contributors being attached hereto.

The Profession is taking an ever increasing interest in the Library as shown by the donation from the Ontario Dental Association of \$200.00, and from the Academy of Dentistry of Toronto of \$100.00 for the purpose of purchasing books, periodicals, museum specimens, paintings and old prints and the general work of your Librarian. Through these generous donations many volumes and some prints have been added to the collection.

The Library has been used so extensively by both graduates and undergraduates that an assistant Librarian has been appointed. She will give assistance to anyone looking up articles or subjects for study purposes and will also assist in indexing the text books and journals under the Dewey system, similar to the system of the Dental Index Bureau.

Your Librarian has carried out the instructions of the Board by having photographs of the Past Presidents framed and hung on the walls. Name plates are being prepared for the oil paintings in the central hall and will shortly be placed in position.

A number of paintings have also been placed on the walls of the building.

I would recommend an appropriation of \$500.00 of which \$300.00 would be at the disposal of the Faculty Council and \$200.00 at the disposal of the Librarian.

All of which is respectfully submitted.

C. A. KENNEDY,
Librarian and Curator.

DISCIPLINE COMMITTEE.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Discipline Committee presents its report on cases brought to its attention during the year as follows:—

I.—Illegal practitioners—

- (1) Chas. Conlon, Toronto, fined \$170.00 on two cases.
- (2) H. S. Plain, Toronto, fined \$70.00 on two cases.
- (3) A. L. Minott, Hamilton, fined \$60.00 on two cases.
- (4) H. H. Topping, Bridgeburg, fined \$25.00.

II.—Unprofessional conduct—

- (1) A Toronto Dentist who allowed a mechanical assistant to operate paid all the expenses of the investigation and gave a covenant not to offend again.
- (2) Four cases of unprofessional conduct were before the Committee and the offenders were warned. There has been no repetition.
- (3) Complaint against Dentist for distributing unethical advertising cards, still pending.

In all cases the fine has been paid the Treasurer.

Respectfully submitted,

W. G. THOMPSON, Chairman.

Moved by McLean and Kennedy: "That the report of the Discipline Committee be received and entered on the minutes."—Carried.

Moved by Mason and McLean: "That the Treasurer be authorized to reimburse the Hamilton Dental Society the sum of thirty-seven dollars spent on the Minott case."—Carried.

SCHOLARSHIPS, ETC.

Moved by Irvine and Kennedy: "That, it having been brought to the attention of the Board of Directors of the Royal College of Dental Surgeons that Fellowships, Scholarships, Etc., are being granted in other Faculties of the University, the Board puts itself on record as being favorable to these and would urge Associations and individuals to establish such."—Carried.

SPECIAL MEETING

Moved by Thompson and McGuire: "That a special meeting of the Board be held on Monday, September 27th, 1926, at 10.00 o'clock a.m."—Carried.

PROVINCIAL RECIPROCITY

A resolution of the Alberta Dental Association regarding the acceptance of graduates and students by one Province from another was presented.

Moved by McGuire and Mason: "That the Secretary be instructed to reply to the Alberta Dental Association that this Board is quite in accord with their view, but would suggest that no further action be taken until after the coming meeting of the Dominion Dental Council."—Carried.

DOMINION DENTAL COUNCIL

A resolution from the Alberta Dental Association urging that the Dominion Dental Council should have Dominion incorporation, was presented.

Moved by Thompson and Davidson: "That this Board approves of the resolution of the Alberta Dental Association and instructs its representative on the Dominion Dental Council to support any action with that in view."—Carried.

Moved by Davidson and Mason: "That the Secretary be instructed to notify the Dominion Dental Council that commencing September, 1927, the requirements for Dentistry in Ontario, in addition to Arts Matriculation, will include the following:—

(a) One year, which may be taken in a high school, completing prescribed course in Honour Matriculation.

(b) One year in attendance at a recognized University completing the prescribed course.

(c) Four years in Dentistry, making in all six years beyond Matriculation.

In the Province of Ontario, clauses (b) and (c) as above are taken in the Faculty of Dentistry in a combined five year course.—Carried.

BY-LAW No. 61

Moved by Mason and McGuire: "That leave be granted to introduce By-law No. 61 to amend By-laws Nos. 2, 3, 5, 6, 15, 25, 26, 27, 40, 43, 49 and 51, and to repeal By-laws Nos. 8 and 9, and to consolidate the By-laws."—Carried.

By-law read the first time.

Moved by Davidson and Kennedy: "That the Board go into committee of the whole on By-law No. 61 with Dr. Mason in the Chair."—Carried.

The committee rose and reported that By-law No. 61 had been approved by the committee.

Moved by Kennedy and Mason: "That By-law No. 61 be now read a third time and passed, that it be engrossed and signed by the President and Secretary, and that it be published in two consecutive issues of the Ontario Gazette as required by Statute."—Carried.

All the members were present. The Secretary read the call of the meeting as follows:—

Toronto, Sept. 20th, 1926.

“Dear Dr.—

According to the resolution passed at the last meeting of the Board of Directors of the Royal College of Dental Surgeons, a special meeting of the Board will be held in the Board Room on Monday, September 27th, at 10.00 a.m. to consider any business which may be necessary.

Yours very truly,

W. E. WILLMOTT,
Sec’y.”

HARRY R. ABBOTT MEMORIAL LIBRARY BEQUEST

The Secretary reported having received a check for \$1,000.00 from the Consolidated Trust Co. of London, on account of the bequest from the late Mrs. D. E. Tully for the “Harry R. Abbott Memorial Library.”

Moved by McLean and Thompson “That the Secretary be instructed to open a savings account in the Royal Bank under the name ‘Harry R. Abbott Memorial Library’ in which all monies accruing to this fund shall be deposited and shall be withdrawn only on the order of this Board in payment for books for the ‘Harry R. Abbott Memorial Library’, Checks to be signed by the President and Secretary.”—

Carried.

Moved by Irvine and McGuire “That from the ‘Harry R. Abbott Memorial Library Fund’ the sum of \$500.00 be paid to the Bursar of the University of Toronto for credit to the Library account to purchase books for the ‘Harry R. Abbott Memorial Library’ on order of the Faculty of Dentistry.”—Carried.

DISCIPLINE COMMITTEE

The Discipline Committee presented a report of progress which was accepted on motion of Thompson and Davidson.

Moved by Irvine and Kennedy “That the Discipline Committee be instructed to make inquiry into the alleged conduct of Dr. of Toronto if legally advised to proceed.”—Carried.

Moved by McGuire and Irvine “That the Discipline Committee be instructed to make inquiry regarding an advertisement of..... appearing in the London Advertiser of September 25th, 1926.”—

Carried.

Secretary a Member of the Committee

Moved by McGuire and Irvine “That the Secretary of the Board be appointed a member of the Discipline Committee.”—Carried.

DENTAL EXHIBIT AT TORONTO EXHIBITION

A communication was received from Dr. F. J. Conboy, Director of Dental Services for Ontario, regarding certain necessary expenses incurred in connection with the taking and developing of Dental films in the Dental exhibit at the Toronto Exhibition.

Moved by McGuire and Irvine “That the expenses in connection with the Dental Exhibit amounting to \$51.00 be paid.”—Carried.

DENTAL HEALTH DAY

Dr. F. J. Conboy, Director of Dental Services for Ontario presented an outline of the work of his Department leading up to Dental Health Day, October 20th, 1926, and asked the co-operation of the members of the Board.

Moved by Mason and Irvine "That this Board requests each member to arrange for one or more public meetings in his District and that the Board will be responsible for any reasonable expense in connection therewith."—Carried.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION

Moved by Mason and Thompson "That in view of the increase of the annual Licentiate fee, every practitioner in Ontario be made a member of the Dentists' Legal Protective Association and that this Board make a grant to the Association to cover its requirements from year to year."—Carried.

Moved by McGuire and Kennedy "That Thompson, Mason and McLean be appointed to meet with the Executive of the Protective Association to arrange any necessary details."—Carried.

DENTAL NURSES

Moved by Kennedy and Irvine "That beginning with the session 1927-28 the Dental Nurses be required to spend two months in a dental office before receiving their diplomas and it is recommended that this time be spent after attending college and passing the required examinations."—Carried.

REGISTRATION FEE

Moved by Mason and Kennedy "That the fee for registration to practice Dentistry in the Province of Ontario for all applicants presenting the required entrance and academic qualifications and passing the required examinations shall be \$50.00."—Carried.

District No. 7—W. M. McGuire, Simcoe.

District No. 8—W. G. Thompson, Hamilton.

Thus the representatives from Districts Nos. 2, 3, 4, 6, 7 and 8 were elected by acclamation.

On the 27th of November a notice, together with a ballot, was sent to each qualified voter in the District in which an election was necessary, explaining the manner of election. All the voting papers received were counted by the Scrutineers, James Brebner, LL.D., and H. J. Bolitho, in the Board Room of the College on Thursday, December 8th, 1926. The report of the Scrutineers submitted herewith shows the election of S. S. Davidson of Ottawa to District No. 1, and G. H. Holmes of Owen Sound to District No. 5.

The following communication certifies to the election from the Faculty of Dentistry of the University of Toronto:—

Toronto, Nov. 16th, 1926.

Dr. W. E. Willmott,
Secretary R.C.D.S.,
Toronto.

Dear Dr.—

I beg to inform you that at a meeting of the Faculty Council held last evening, and in conformity with the Dentistry Act, Dr. A. D. A. Mason was elected as the representative of the Faculty on the Board of Directors of the Royal College of Dental Surgeons.

Yours very truly,

Colin C. Rous,
Secretary.

The members elected for the ensuing term are, therefore:—

District No. 1—S. S. Davidson, L.D.S., D.D.S., Ottawa, by election.

District No. 2—H. Irvine, L.D.S., D.D.S., Lindsay, by acclamation.

District No. 3—J. A. Shannon, L.D.S., D.D.S., Sault Ste. Marie, by acclamation.

District No. 4—R. G. McLean, L.D.S., D.D.S., Toronto, by acclamation.
District No. 5—G. H. Holmes, L.D.S., D.D.S., Owen Sound, by election.
District No. 6—S. M. Kennedy, L.D.S., D.D.S., London, by acclamation.

District No. 7—W. M. McGuire, L.D.S., D.D.S., Simcoe, by acclamation.

District No. 8—W. G. Thompson, L.D.S., D.D.S., Hamilton, by acclamation.

Faculty—A. D. A. Mason, L.D.S., D.D.S., Toronto.

Toronto, May 30th, 1927.

W. E. Willmott,
Secretary R.C.D.S.

SCRUTINEER'S REPORT (District Representatives)

To the Board of Directors of the Royal College of
Dental Surgeons of Ontario.

Gentlemen:—

According to your request to act as scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 8th day of December, 1926, at 2.00 o'clock in the afternoon.

After we had made the required declaration of secrecy your Secretary handed to us 201 sealed envelopes addressed to himself, marked on the outside "Royal College of Dental Surgeons of Ontario, Voting Paper."

These envelopes contained 119 voting papers in the form prescribed by the Dentistry Act, from District No. 1. Of these 96 were marked for Dr. Davidson and 23 for Dr. Woodrow, showing a majority of 73 for Dr. Davidson.

Also 82 voting papers in the form prescribed by the Dentistry Act from District No. 5, of these 4 were not counted, two being received too late, one not being in an envelope properly marked and one from a voter removed and mailed from another District. 58 were marked for Dr. Holmes and 20 for Dr. Morris, showing a majority of 38 for Dr. Holmes.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

Signed—JAMES BREBNER,
H. J. BOLITHO,
Scrutineers.

Dec. 8th, 1926.

PRESIDENT'S REPORT

To the Board of Directors
Royal College of Dental Surgeons.

Gentlemen:—

The work of your President during the past year has not been onerous and from observation and reports, the college under the new arrangements is carrying on splendidly. Being a non-resident of Toronto, as many past Presidents have been, is somewhat of a handicap but our Secretary is so in touch with all School and Board matters that this efficiency on his part is a great aid. Some correspondence between your President and Secretary in my opinion should have the attention of the whole Board.

The revision of the Dentistry Act reflects credit on the Committee in charge of that work, as time has so far shown few weaknesses. Dr. Willmott will draw your attention to one feature of that.

The Discipline Committee have as in the past years been our burden bearers and have done their work efficiently and with telling effect.

From reports received by your President, the closer touch of the Faculty with the graduates is being increasingly appreciated and may we hope for increased visits of members of the Faculty to the Profession gathered in small groups at the various centers in our Province.

May I in retiring from the Board express my appreciation of all the kind treatment received from members of the Board and from the Profession generally and may I bespeak the same for my successor from District No. 5, and my wish for the Board is that success may crown their future efforts.

Respectfully submitted,

E. E. BRUCE.
President.

Moved by Thompson and Irwin "That the President's report be received and entered on the minutes."—Carried.

SECRETARY'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Secretary presents his report for the year 1926-27 as follows:

Minutes

The issuing of the minutes of the last annual meeting was delayed until after the special meeting in September and were then printed and a copy sent to each Licentiate practicing in Ontario and by request to some others.

Dentistry Act and By-Laws

A copy of the revised Dentistry Act and of the consolidated By-Laws was enclosed with the minutes.

A copy was also sent to the Secretary of the Dental Board in each Province in Canada and of each State in the United States.

An error in Sect. 26 of the Act giving a defendant six months in which to enter an appeal from the decision of the Board was rectified at the last session of the Legislature and "six" was changed to "one."

As Sect. 21 (3) regarding the penalty for nonpayment of the annual fee is not definite Mr. Hellmuth was consulted by the Discipline Committee and he is of the opinion that each individual case must be considered and passed upon by the Board.

Early Minutes

As ordered by the Board the minutes from the first minute book have been transcribed and are ready to be bound in the second minute book.

General Medical Council of Great Britain

The correspondence with the General Medical Council of Great Britain regarding reciprocity will be before you for action.

Examinations for Graduates of Other Colleges

At present the regulations regarding examination for L.D.S. for a graduate of another college require that he pass in all final subjects of the second, third, fourth and fifth years of the Faculty of Dentistry. This means 22 papers. As some of these examinations are held during the session as the subject is completed it makes it very difficult for an outsider unless special papers were to be prepared in these subjects. This should receive your consideration and a definite list of examinations named.

Examination Fee for Students Given Advanced Standing

Some regulation regarding the examination fee for those students who are given advanced standing in the Faculty of Dentistry of the University of Toronto should be stated.

Dominion Dental Council

W. J. Gillies of Saskatoon registered a Dominion Dental Council Certificate and an L.D.S. certificate was issued.

A notice was received from the Secretary of the Dominion Dental Council stating that the D.D.C. Certificate of Dr. Byron Robert Ross, a graduate of the R.C.D.S. had been cancelled for unethical practice in Moncton, N.B.

Changes in Residence Register

Since the last meeting of the Board there have been 150 changes in the residence list of graduates and 84 names have been added.

For some years the Board has been under obligation to Government Dispensaries for providing your Secretary with a weekly report of changes in residence of Dentists in Ontario. Under the new legislation it will be much more difficult to maintain a correct register.

Examinations

In compliance with the tenor of the request of the Board for a conference on the examination results, the Executive of the Faculty Council suggested a joint committee of the Board and Faculty to consider the returns of the Examiners and report to the two bodies.

The President appointed as this committee Drs. Mason, McLean and Thompson.

Industrial and Other Clinics

Some provision should be made in the By-Laws for those Licentiates who are engaged in Industrial or Medical Clinics, and who are now violating By-Law No. 12, Sect. 2, Sub-sect. (a) and (c).

Senate of the University of Toronto

An election was recently held for three representatives from the Graduates in Dentistry to the Senate. Four candidates were nominated and the following elected:—Dr. W. C. Trotter, Toronto; Dr. F. P. Moore, Hamilton; and Dr. M. Ross Thomas, London.

Out of an electorate of about 2500 there were 740 votes polled.

Nurses' Class

The graduation exercises of the Nurses' class has been arranged for Wednesday evening, June 1st, in the Faculty Building. Mrs. Plumtree has kindly consented to address the class.

Application for License

Fifty-nine applications on the prescribed form have been received from the members of the final class in the Faculty of Dentistry, University of Toronto for License.

Mail Matter

There have been mailed from this office since the last meeting of the Board 7717 including 1098 letters, and since December 15th 2678 articles have been received in the mail.

Licentiates Deceased

Since the last meeting of the Board the following Licentiates have been reported as having died:—

1873—J. L. Benson, Winnipeg.	1922—Miler Magrath, Sioux
1886—A. M. Clark, Woodstock.	Lookout.
1890—A. A. S. Burns, Montreal.	1923—C. C. Cragie, Regina,
1890—J. F. Simpson, Trenton.	Sask.
1893—H. E. Eaton, Toronto.	1923—A. L. Clark, Detroit.
1893—J. W. Meadows, London,	1925—J. A. C. McDonald, Thorn-
Eng.	hill.
1902—A. J. Brown, Mitchell.	

May 30th, 1927.

W. E. Willmott, Secretary.

Moved by Shannon and Holmes "That the Secretary's Report be considered in Committee of the whole with Dr. Mason in the chair."—Carried.

The committee rose and reported:—

- 1—That the Secretary's report be entered in the minutes.
- 2—Students given advanced standing in the Faculty of Dentistry and proceeding to a license in Ontario shall pay to the Treasurer of the Board \$10.00 for each year not in attendance at the Faculty of Dentistry.
- 3—That the Secretary be instructed to obtain legal advice as to the necessary changes in the By-Laws to cover Licentiates who are engaged in Industrial or other clinics.
- 4—That the Secretary write Mr. Donaldson of the Government Dispensaries expressing the appreciation of the Board for his kindness in notifying the Board of changes in the addresses of Licentiates.
- 5—That a graduate of another College who is eligible to write for the L.D.S. shall write on the following subjects of the curriculum of the Faculty of Dentistry:—

Fifth year—Pathology, Periodontology, Operative Dentistry, Prosthetic Dentistry, Clinical Dentistry, Surgery, Medicine, Orthodontia, Preventive Dentistry and Dental Praxis.

Fourth year—Dental Surgery and Anaesthesia, Applied Chemistry and Physics, Dental Praxis, Bacteriology and General Pathology.

Third year—Biochemistry, Physiology, Pharmacology, Bacteriology, Organic Chemistry.

Second year—Anatomy, Histology, Dental Anatomy, Mineralogy and Metallurgy.

Moved by Mason and McGuire "That the report of the Committee of the whole on the Secretary's Report be adopted."—Carried.

SENATE OF THE UNIVERSITY OF TORONTO

Moved by Thompson and McGuire "That Dr. R. Gordon McLean be the representative from this Board to the Senate of the University of Toronto."—Carried.

RECIPROCITY WITH OTHER BOARDS

Correspondence was presented from the Nova Scotia Board and from the General Medical Council of Great Britain regarding reciprocal relations.

Moved by Shannon and Thompson "That the question of reciprocal relations with other bodies be referred to a committee consisting of McLean, Mason, Seccombe and Willmott to consider and report to the Board."—Carried.

BALLOTS DESTROYED

Moved by Irvine and Davidson "That the ballots cast in the recent election for the Board of Directors be destroyed by the President and Secretary."—Carried.

(This was done by putting them in the furnace of the Dentistry building at 12.30 p.m. on Wednesday, June 1st.)

STENCILS FOR ADDRESSOGRAPH

Moved by McGuire and Thompson "That the Secretary be authorized to procure a set of stencils of the names and addresses of the Dentists in Ontario for use in the addressograph."—Carried.

EXECUTIVE COMMITTEE REPORT

The Executive Committee met at the King Edward Hotel on Monday, May 16th, 1927.

Dr. Mason in the chair and all the members were present, Kennedy, Thompson, McLean, McGuire.

The advertisements of Emerson Henderson in the Toronto papers were considered.

Moved by Kennedy and McGuire "That the Discipline Committee be instructed to investigate the conduct of E. H. Henderson in connection with advertisements appearing in the public press under his name up to and including May 13th, 1927."—Carried.

A. D. A. Mason, Chairman.

Moved by Mason and Irvine "That the report of the Executive Committee be adopted and entered on the minutes."—Carried.

DISCIPLINE COMMITTEE

The Discipline Committee presented its report which was referred to the Committee of the whole with Dr. Mason in the chair.

The Committee rose and reported the following recommendations:

A. That the report of the Discipline Committee be adopted and entered on the minutes as follows:—

Report

During the year the Discipline Committee has held eight meetings and the following matters have been dealt with:—

- 1—Several Licentiates met the committee regarding:—
 - (a) Two instances of show cases in front of the office. These have been removed.
 - (b) Two instances of distribution of cards or letters. Both promised there would be no repetition.
 - (c) Two practitioners in the same town who had been making unprofessional remarks regarding each other discussed the matter and mutually agreed as to future conduct.
 - (d) Unpaid fees—A number of delinquents were asked to meet the committee and explain why the fee had not been paid. Most of these settled but a few met the committee and explained their difficulties.
- 2—A sub-committee was appointed to investigate the question of border advertising. Satisfactory results have been obtained through the co-operation of the New York State Board. Further conferences may be necessary.
- 3—Several cases of Dentist's assistants working for patients were before the Committee and the Solicitor was instructed to obtain evidence and institute proceedings.
- 4—Three unlicensed practitioners were prosecuted and fined:—Tremblay, Ottawa; Leaver, Owen Sound; Minot, Hamilton.
- 5—Complaint from Kingston of unlicensed practitioner. The complaint was instructed to employ local assistance and prosecute, the Board to be responsible for reasonable expenses.
- 6—Mr. Hellmuth met the Committee by request and discussed a number of questions which will come before the Board in ordinary routine. The conference will be of great value to the committee for reference in the future.
- 7—Dr. E. H. Henderson was fined on May 17th for practicing without a license as his fee was not paid.
- 8—Under instructions from the Executive Committee the case of E. H. Henderson charged with unprofessional conduct in regard to advertising was investigated. (See report of Executive, page 11). The investigation was held on May 28th, 1927, and your committee reports:—
 - (a) That the advertisement appearing on the 13th day of May in the daily Mail and Empire of the City of Toronto, on that date, was inserted by Dr. E. H. Henderson and had his sanction and approval.
 - (b) That such advertisement constitutes improper conduct in a professional respect and consequently that Dr. E. H. Henderson is guilty of improper conduct in a professional respect.
 - (c) That Dr. Henderson signed an undertaking not to advertise further, other than by what is known as a legal card.

W. G. THOMPSON, Chairman,
R. GORDON McLEAN,
A. D. A. MASON,
W. M. McGUIRE,
W. E. WILLMOTT,
Committee.

- B. That in consideration of Dr. Henderson having signed the undertaking not to advertise further, other than what is known as a legal card, no further action be taken against him by way of

suspension or cancellation of his certificate and that he be re-instated in good standing in his profession.

- C. That in view of the prompt action of Dr. Henderson in executing the undertaking, no costs of the Discipline Committee proceedings be assessed against him.
- D. That in view of the fact that Dr. Henderson was out of practice and no notice of the annual fee had been sent him and in view of the fact that he paid the fee within three days of notice having been sent him, the fine adjudged against him on the 17th inst. be remitted to him.
- E. That the Board hereby confirms and validates the action of the Executive Committee in its meeting on Monday, May 16th, 1927, whereby it instructed the Discipline Committee to investigate the information and complaints it had received with regard to the advertisement of Dr. Henderson in the daily press up to and including May 13th, 1927.
- F. That the Committee be authorized to continue negotiations regarding border conditions.
- G. That the Committee be instructed to institute an educational campaign in regard to ethical practice.
- H. That the Committee be instructed to discuss with the Prosthetic Laboratory men the ethics of their association.
- I. That as this is the first year under the new Act, no penalty for late payment of the Fee be imposed this year, but that next year in each case the penalty be added.

Moved by Mason and Shannon "That the report of the committee of the whole on the Discipline Committee report be adopted."—Carried.

LEGISLATION COMMITTEE

To the Board of Directors of the
Royal College of Dental Surgeons of Ontario.

Gentlemen:—

One meeting of this committee has been held during the year in the City of Hamilton.

This was a conference between the Director of Education of the State of New York, the Secretary of the Licensing Board of New York and your Committee.

A working agreement, whereby Dentists practicing unethically in either New York or Ontario may be stopped, was entered upon and we feel that Dentists registered in New York and who advertise in Ontario can be controlled as well as our own registrants.

Your Committee recommends that a conference be arranged between the proper authorities of New York, Michigan and this Board, for the purpose of making an agreement with the State authorities of Michigan.

A. D. A. MASON,
W. G. THOMPSON,
R. G. McLEAN,
W. SECCOMBE,
W. E. WILLMOTT,
Committee.

Moved by Mason and Thompson "That the report of the Legislation Committee be adopted and entered in the minutes."—Carried.

LIBRARIAN'S REPORT

May 27, 1927.

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your librarian has the honor to report that the library has been very active during the past year, and that 125 volumes have been added to its shelves. These additions have included books other than dental, such as books of medical subjects, biographies, histories, travel and the liberal arts. These have been very much used both by the students and the graduates.

There is being prepared a catalogue of all the books and journals in the library, and one of these will be sent to every dentist in Canada, so that the library will be available to all who may wish to read any of the books on our shelves. This ought to be a great stimulus to further reading among our graduate members.

During the year a start has been made to index all the books under Dr. Black's modification of the Dewey system similar to the method used by the Dental Index Bureau.

Along with the books of the Harry R. Abbott Memorial Library are a large number which have been added by the appropriation from the University of Toronto. These are all marked as to ownership but go to make a very workable dental library.

A number of pictures of dental subjects have been bought and framed and will be hung around the library and halls of the College building.

A list of the books purchased is added to this report (not published).

Our assistant librarian, Miss Anderson, is giving all her time to the library and is ready to give assistance to any wishing to refer to any dental subject.

During the year 500 books were taken out by students and 260 by graduates.

The following have made donations of books, periodicals and specimens for the museum:

Periodicals:—Drs. R. G. McLean, C. E. Pearson, E. L. Gausby, W. E. Cummer, W. G. L. Spaulding, A. E. Webster, C. A. Kenndey, S. M. Richardson, W. Seccombe, J. F. Ross.

Books:—Drs. R. G. McLean, C. A. Corrigan, W. E. Cummer, J. S. Graham.

Museum Specimens:—Drs. Mason, Toronto; J. L. Sutton, Lindsay; V. H. Lyon, Ottawa; Mr. D. T. McAinsh, Toronto; Drs. D. McPhee, Arnprior; J. O. Shaugnessy, Toronto; W. Seccombe, Toronto; K. McDowell, Renfrew; H. D. Morris, Orillia; H. B. McKay, Ingersoll; R. P. Bishop, Kingston; N. K. Douglas, Owen Sound; H. A. Hoskin, Toronto; J. F. Ross, Toronto; G. Frawley, Toronto; R. L. Revell, Woodstock; W. A. McLean, St. Catharines; Brunswick-Balke Collender Co., Toronto.

I would recommend that an increased appropriation be allotted to the library.

Respectfully submitted,

C. A. KENNEDY,
Librarian.

Moved by Kennedy and Davidson "That the Librarian's report be received and entered in the minutes."—Carried.

FACULTY OF DENTISTRY

The Dean of the Faculty presented a statement covering questions of special interest to the Board. The report was considered in committee of the whole with McGuire in the chair.

The Committee rose and reported:—

1—That the report of the Dean as follows be entered in the minutes.

To the Board of Directors of the

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

The Faculty of Dentistry has now completed two academic years within the University, and while many problems remain, marked progress has been made in correlating the work of the Faculty with the University departments.

During the year the Faculty Council held a special meeting to express to Sir Robert Falconer the thanks and appreciation of the Faculty for the interest shown by the President and other officers of the University in the development of the Faculty and for their kindly attitude toward the members of the dental staff.

At the 1927 annual conference of Canadian Universities held in London, a resolution was unanimously adopted favoring the higher standards in dental education and expressing approval of the 1-5 and its equivalent, the 2-4 plan.

The Extra-Mural Lectures given under the joint auspices of the Board of the R.C.D.S. and the University of Toronto have been greatly appreciated by local societies during the past year and we should be glad to receive from the Board suggestions regarding the maximum number of lectures to be given before a local society during any one year and also regarding the best method of meeting the travelling expenses of the teachers.

We should appreciate the Board increasing its grant for Extra-Mural Lectures that we may further develop this service to the local societies of Northern Ontario and the more remote districts of the province.

It has been suggested that the Annual Dental Practitioners' Course should be extended beyond a week, but it is questionable whether the average general practitioner would desire to be absent from his office for a longer period of time. The alternative would be to hold the course for one week and arrange groups proceeding simultaneously, permitting registrants to select the subjects they prefer. The Faculty would be glad to receive your suggestions regarding these alternative proposals.

I submit herewith the reports of the examinations for dental nurses and fifth year dental students. It is particularly gratifying to note that, with one exception, every member of these classes passed without condition. Mr. Kohli is recommended to be awarded the degree of Doctor of Dental Surgery (aegrotat) but owing to his illness, it will be for the Board to say whether he should be required to obtain further credits in clinical dentistry.

During the year, two new degrees have been established in Dentistry, namely, Bachelor of Science in Dentistry—B.Sc.(Dent.), and Master of Science in Dentistry—M.Sc.(Dent.), and we are hopeful that provision may be made for the appointment of a number of research Fellows for the ensuing year and that dental research will be greatly stimulated. In addition to the Faculty research Fellows, the Ontario Dental Association and the Ash-Temple Company have generously offered fellowships of \$250. each to be awarded to hospital interns under conditions to be determined, which will permit the interns to proceed to the degree of Bachelor of Science in Dentistry.

We hope to further develop our graduate service next year and are forwarding a copy of the library catalogue to the dentists of Canada along with the Faculty Calendar and forms for Consultation Service.

Next year the regulation requiring dental nurses to spend two months in office practice subsequent to their college course will be effective, and it is hoped that this will further add to the training of dental nurses in preparations for their employment by practitioners.

WALLACE SECCOMBE,
Dean,
Faculty of Dentistry
University of Toronto.

- 2—That the extra mural services be available to local Dental Societies only.
- 3—That the fee be \$1.00 for each member in attendance, with a maximum of \$20.00.
- 4—That the service be limited to three meetings to any one Society.
- 5—That it be recommended that the Practitioners' Course in September be completed in one week.
- 6—That it be recommended that the subject of Clinical Dentistry and Diagnosis be added to the Course.

Moved by McGuire and Holmes "That the report of the Committee of the whole on the Dean's report be adopted."—Carried.

PORTRAIT COMMITTEE

The Portrait Committee recommended "That oil portraits of the Deans of the School of Dentistry of the R.C.D.S. be procured and that of Dr. Webster be obtained during the current year."

A. D. A. Mason, Chairman.

Moved by Mason and McGuire "That the report of the Portrait Committee be adopted."—Carried.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION

The report of the Dentists' Legal Protective Association and the financial statement were presented and on motion of Holmes and Kennedy was ordered to be placed on file.

REPRESENTATIVES TO FACULTY COUNCIL

Moved by McGuire and Mason "That McLean, Irvine and Kennedy be the representatives from the Board to the Faculty Council of the Faculty of Dentistry of the University of Toronto."—Carried.

DOMINION DENTAL COUNCIL

Moved by McGuire and Kennedy "That Dr. A. D. A. Mason be the representative from this Board to the Dominion Dental Council."—Carried.

MR. J. PETERSON

A communication was presented from Mr. J. Peterson of St. Clements, regarding obtaining a license in Ontario.

Moved by Kennedy and Shannon "That the communication of Mr. Peterson be referred to the member of that district to investigate and report to the Executive Committee for action."—Carried.

BOARD ROOM FURNITURE

Moved by McGuire and Holmes "That the Secretary be instructed to procure another suitable chair for the Board Room."—Carried.

THANKS TO THE FACULTY EXECUTIVE

Moved by Holmes and Shannon "That the hearty thanks of this Board be extended to the Faculty Executive for their courtesy in entertaining the Board at luncheon on Monday."—Carried.

TREASURER'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

Your Treasurer presents his report for 1926-27 as follows:—

Licentiate Fees

Notice of the Licentiate fee being due on January first was mailed to each Licentiate in Ontario and attention was also called to the changes in the Act respecting this fee.

On January 21st a second notice was sent by registered mail to 835 who had not paid. During February 170 personal letters were sent to those still in arrears. 52 of these were requested to meet the Discipline Committee and explain the delay. Five of these met the committee; most of the others having paid in the meantime. There are still 17 not paid as follows:—

J. B. Aiken, Kapuskasing.
J. A. Beattie, Stratford.
A. W. Boyd, Kirkland Lake.
R. T. Broadworth, Toronto.
R. M. Carruth, Toronto.
G. Dodge, Hamilton.
W. S. Elliott, Kapuskasing.
A. S. Fauman, Toronto.
J. H. Hocken, Rodney.

J. A. King, Elmira.
G. A. Macoun, Toronto.
J. C. Moore, Orillia.
G. J. Musgrove, Niagara Falls.
S. P. McPhee, Cardinal.
W. W. McPhee, Orillia.
B. Schaffer, Toronto.
D. I. Siegel, Toronto.

Harry R. Abbott Memorial Library Fund

In June \$1,000.00 was received from the Consolidated Trust Co., of London, for the "Harry R. Abbott Memorial Library Fund." Of this \$500.00 was transferred to the University of Toronto in July and \$200.00 in March. Sundry other expenditures leave a balance of \$79.44. (See page 22).

Ex-Service Men's Loan Account

Since the last meeting of the Board 119 of the 177 students whose notes were still held, paid \$9,087.85; of these 21 paid in full, \$3,397.48.

One graduate whose note was for \$300.00 died, and after consultation with the General Manager of the Trust Co., it was decided to mark it off the books.

\$629.98 interest for 1925-26 was transferred to the Board account. \$19,000.00 Government Bonds have been purchased for \$18,183.64 including tax and stamps.

There is now in the bank \$3,416.56 from which will be transferred to the Board account \$1,432.79 interest which includes \$600.53 paid on notes.

Fines

The following fines have been paid for illegal practice:

Tremblay, Ottawa	\$100.00
Leaver, Owen Sound	50.00
Minot, Hamilton	100.00

also a Toronto Dentist paid the expenses amounting to \$100.00 incurred in investigating charges against his assistant.

Extra-Mural Service

At the last meeting of the Board \$500.00 was granted to the Faculty for extra-mural service. Before this was paid over the arrangement whereby the local society paid the expenses of the speaker, was altered. It was thought that if each society were to pay .50c per member present with a minimum of \$7.50, and a maximum of \$20.00, it would not be such a burden on the outlying districts. In view of this it was considered that \$400.00 should be paid to this fund and \$100.00 retained for expenses. As this plan was inaugurated somewhat late in the session there is a deficit of \$5.05.

Auditor's Reports

The Auditor's report for the Board account, for the Ex-Service Men's Loan account, and for the "Harry R. Abbott Memorial Library" Fund are herewith submitted.

W. E. WILLMOTT,
Treasurer.

Moved by Thompson and Holmes "That the Treasurer's report be adopted and entered on the minutes."—Carried.

Moved by Thompson and McGuire "That the President be associated with the Treasurer in purchasing and holding securities."—Carried.

Moved by Davidson and Irvine "That as J. A. C. MacDonald died leaving no assets, his note for \$300.00 in the Ex-Service Men's Account be written off."—Carried.

Moved by Kennedy and Holmes "That McLean, Mason, Seccombe and Willmott be a committee to prepare a statement regarding the possible financial obligations of the Board and the necessity of having a surplus built up."—Carried.

FINANCIAL STATEMENT

To the President, May 30th, 1927.
Royal College of Dental Surgeons of Ontario,
Toronto, Ontario.

Dear Sir:

We have completed our audit of the books and vouchers of the Royal College of Dental Surgeons of Ontario, for the year ending April 30th, 1927, and submit herewith our report, complete in the following statements and schedules:

Balance Sheet.

Receipts and Disbursements, General.

Receipts and Disbursements, Ex-Service Men's Loan Account.

Concerning the Ex-Service Men's Loans Receivable, we understand that J. A. C. McDonald, whose ledger account shows a balance due of \$300.00, is now deceased. In such cases, if the Board of Directors does not intend to press the claim further against the debtor's estate, we request that instructions be given in the Minutes that such account be written off.

During this period \$400.00 was paid to the University of Toronto for Extension Lecture Service, for which no detailed account was submitted showing how the money was used.

Additions to the value of \$142.75 have been made to the Office Furniture and Fixtures during the year under review. No reserve for depreciation has been provided.

With regard to the Licentiate Fees Unpaid, shown on the Balance Sheet at \$92.00, only those fees, which in the opinion of the Secretary-Treasurer are likely to be collected, have been included. The fees omitted are due from a few past licentiates, of whom all trace has been lost.

Ownership of the Harry R. Abbott Memorial Library is vested in the Board. It was felt impracticable to place a value on this asset for Balance Sheet purposes. A statement of receipts and disbursements of the Library Fund is being rendered under separate report.

Respectfully submitted,

THORNE, MULHOLLAND, HOWSON & McPHERSON,
Chartered Accountants,
Auditors.

PRESIDENT'S ADDRESS

To the Board of Directors
Royal College of Dental Surgeons.
Gentlemen:—

Three years have passed since this Board relinquished its function as a teaching body to the University of Toronto and we should be in a position now to express an opinion as to the success of this change. When we look back and remember the many conferences of your committee (of which I had the honor of being chairman) with the Board of Governors, I am constrained to emphasize the fact that the Dental profession is greatly indebted to the President of the University, Sir Robert Falconer and the Chairman of the Board of Governors, Rev. Dr. Cody, for their unfailing interest and fair consideration. Since the transfer the President's interest in the new Faculty has never lessened, and that combined with the executive ability and constructive energy of Dean Secombe, has gone far towards the full realization of all the advantages that were claimed by the most ardent supporters of closer University relationship.

Since the last meeting of the Board its activities have been, through its committees, mostly matters of discipline and illegal practice. While we as a profession in Ontario have every reason to be proud of the protection we afford the public in the matter of misleading and fraudulent advertising we regret that the public is menaced by a rapidly increasing number of illegal practitioners, unskilled and unscrupulous. We think the time has about arrived when the Board should employ a full time official to look after the detail work in all disciplinary and illegal practitioners' cases, to inspect dental offices and for other necessary duties.

This year the grant made to the extra-mural lectures and clinics throughout the Province was practically double amount of last year. Many letters of appreciation of this rapidly developing service have been received from every District. As the Board's funds improve and a healthy reserve is accumulated this service should be increased in order that members in all parts of the Province should have the opportunity of obtaining the necessary knowledge of modern dental practice.

Dental research has received a much needed stimulus in the Faculty of Dentistry and the Board's grant to the Research Foundation will assist in making it possible to distribute the results of this work to the profession.

Your President has had the honor of election to the Executive Committee of the Faculty of Dentistry for the past two years. The weekly meetings of this committee has impressed him greatly with the fact that all the members are seriously interested and are giving their best to develop efficiency in teaching methods and endeavoring to graduate students who would be a credit to the University, to the Province and to their chosen profession. The graduate of to-morrow must have a background of Medicine, particularly in regard to degenerative diseases together with a broadened field of service in his own profession.

Respectfully submitted,

R. GORDON McLEAN,
President.

May 28th, 1928.

Moved by McGuire and Thompson "That the President's report be received and entered on the minutes."—Carried.

FULL TIME APPOINTEE

Moved by Davidson and Holmes "That a committee consisting of Mason, Kennedy, McGuire, Thompson and Holmes be appointed to enquire into and report on the expediency of a full time appointee and what duties might be assigned to him."—Carried.

SECRETARY'S REPORT

To the Board of Directors

Royal College of Dental Surgeons.

Gentlemen:—

Your Secretary presents his report for the year 1927-28 as follows:—

Minutes

As soon as possible after the last meeting the minutes were prepared and 1850 copies printed. A copy was mailed to each Licentiate in practice in the Province and by request to some in other parts.

Application for License

Applications on the prescribed form have been received from fifty-eight members of the final class in the Faculty of Dentistry of the University of Toronto. Two others have also been received but the

required fee for one year not in attendance at this Faculty has not been paid.

Examination Fee

The University pays to the Board \$10.00 each year for every student who pays the tuition fee. This amounts to the regular license fee of \$50.00 by the time the student has completed his fifth year. In case a student is required to repeat a year and pays his fees to the University the Board receives an additional fee of \$10.00. A request has come to your Secretary for a refund of this amount and is referred to you for consideration.

Dominion Dental Council

One Dominion Dental Council Certificate has been registered by Dr. Earl R. Kay of Kirkland Lake.

Changes in the Register

Since the last meeting of the Board there have been 190 changes in the residence list and fifty-nine names have been added, making a total on the register of 3221.

Nurses' Class

No provision was made at the last meeting for any graduation function for the Nurses' class. Although the members are required to spend two months in an office before receiving their diplomas, on consultation with the President and Dr. Mason, it was thought best to arrange for some such gathering.

This will be held in the Arts and Letters Club Rooms on Tuesday evening, May 29th. Rev. W. Harold Young will be the speaker. The exercises will be followed by an informal dance and refreshments.

Mail Matter

During the year 3146 articles have been received by mail and 7285 sent out.

Industrial Clinics

As requested at the last meeting your Secretary consulted Mr. Hellmuth regarding making provision in the By-laws for Dentists employed in clinics and not using their own name. His opinion was that it would not be necessary nor wise to make any such provision at the present time.

Election of the Board

As the biennial election for members of the Board will take place next fall your Secretary should be given the necessary instructions.

Licentiates Deceased

During the past year the following Licentiates have died:—

1875—R. M. Fisher, Wiarton.	1901—J. A. C. Hoggan, Richmond, Va.
1890—A. A. S. Burns, Montreal.	
1895—W. C. Brown, Prescott.	1911—E. A. Higley, Chatham.
1895—W. W. Thornton, Toronto.	1911—M. Schwartz, Detroit, Mich.
1897—H. E. Silk, Toronto.	1913—M. W. Rutherford, Toronto.

1899—J. S. Somers, Toronto.	1923—A. L. Clark, Detroit, Mich.
1900—G. M. Hermiston, Toronto.	

Respectfully submitted,

W. E. WILLMOTT,
Secretary.

May 28th, 1928.

Moved by McGuire and Shannon "That the Secretary's report be received and entered on the minutes."—Carried.

ELECTION OF BOARD

Moved by Shannon and McGuire "That the Secretary be instructed to carry on the election in the fall of 1928 in the same manner as that of 1926 and that James Brebner, LL.D., Registrar and H. J. Bolitho, Fee Clerk of the University of Toronto be the scrutineers."—Carried.

REFUND OF FEES

THANKS TO THE FACULTY EXECUTIVE

Moved by Shannon and Kennedy "That the Secretary be instructed to convey to the members of the Faculty Executive the sincere thanks of the members of the Board for their courtesy in entertaining the Board at luncheon on Monday last."—Carried.

DISCIPLINE COMMITTEE

The Board went into committee of the whole on the report of the Discipline Committee, with Dr. McGuire in the Chair.

The Committee rose and reported:

(a) That the report of the Discipline committee as follows had been adopted:—

To the Board of Directors

Royal College of Dental Surgeons.

Gentlemen:—

Your Discipline Committee reports that three meetings were held as well as several informal discussions when the chairman happened to be in the city. The following matters have been dealt with:—

1—Several Licentiates met the committee on:—

- (a) One improper publicity in newspaper articles.
- (b) Two for distributing cards or circulars.
- (c) One for allowing his wife to work for patients.
- (d) One where Dr. A had moved into premises formerly occupied Dr. B and when patients inquired for Dr. B, Dr. A would give evasive answers as to his whereabouts and would endeavor to induce them to allow him to work for them. Dr. A was reprimanded by the Committee.

2—Two graduates prosecuted and fined for practicing while their licentiate fee was not paid.

3—Three assistants in Dentists' offices were prosecuted and fined for operating for patients.

4—Two mechanical laboratory men were prosecuted and fined for working for patients.

5—Two Licentiates were before the Committee for unprofessional advertising and both promised not to offend again. Later another advertisement of one of them was brought to the attention of the Executive Committee. At a meeting of the Executive Committee

on Dec. 10th, the Discipline Committee was instructed to investigate the conduct of this licentiate. Just previous to the meeting of the Discipline Committee he gave a covenant not to offend again and to pay the expenses to date \$75.00.

- 6—The Executive Committee also instructed the Discipline Committee to investigate the advertisement of the "Border Cities' Dental X-ray Laboratory". Through the action of the committee the laboratory has ceased to function.
- 7—Some complaints regarding illegal practitioners have been received from remote sections. The complainants were advised to secure local assistance and prosecute the offenders and the Board would be responsible for any reasonable expense.
- 8—Following complaints regarding certain electric signs the Solicitor was asked his opinion which will be laid before you together with a memorandum from the General Medical Council of Great Britain.
- 9—The sub-committee which was instructed at the last meeting of the Board to conduct further negotiations regarding border conditions, met the members of the Michigan State Board in Detroit on Oct. 24th. Your Committee was very cordially received and the whole problem was thoroughly discussed. While the Michigan authorities are anxious to put a stop to unprofessional advertising, their hands seem to be tied on account of certain legislative enactments to which it seems impossible to obtain amendments. Arrangements are pending providing for a representative from this Board to sit in with the National Association of Licensing Boards of the United States.

(b) The Committee would suggest:—

- 1—That an approved list of mechanical laboratories should be prepared.
- 2—That where a Licentiate allows an unlicensed person to operate for patients his license should be suspended or cancelled.
- 3—That the action of the Dominion Dental Council in cancelling the certificate of Dr. B. R. Ross of New Brunswick, for unprofessional conduct, be recorded for future action.

Moved by McGuire and Holmes "That the report of the Committee of the Whole on the report of the Discipline Committee be adopted."—Carried.

UNLICENSED ASSISTANTS

Moved by Mason and Holmes "That the Discipline Committee be instructed to investigate the case of Dr. Nash and Renton of Kingston for allowing an unlicensed person to operate for patients in their office."—Carried.

CHANGE IN BY-LAWS

Moved by Shannon and McGuire "That the Discipline Committee be instructed to report on suggested changes in the By-laws."—Carried.

PETITIONS

The Secretary presented a number of petitions.

Moved by Kennedy and Holmes "That the Board go into Committee of the Whole with Dr. Mason in the Chair, to consider the petitions."—Carried.

The Committee rose and presented the following report:—
Dr. N. B. Fox, Hancock, Mich.:—

Matriculated in July 1887; obtained third class teacher's certificate in 1888; attended sessions 1894-95; 1895-96; 1896-97, and graduated from Detroit College of Medicine, Dental Department, June, 1897; been practicing in Michigan since. Wishes to know

what would be required to obtain license to practice in Ontario. Decision—that the regulations as in force shall apply.

Mr. J. Peterson, St. Clements:—

Has license issued by North West Territories 1904; been practicing there since. What would be required to practice in Ontario. Regret the regulations will not permit of any concessions.

Dr. D. M. Flett, Philadelphia, Pa.:—

Graduated R.C.D.S. 1919; not permitted to write on Penn. State Board Examinations. Wishes arrangements made with the State Board to allow R.C.D.S. graduates to write their examination. Secretary instructed to write the Penn. State Board that the R.C.D.S. has never refused to allow a graduate of any United States Dental College who had the necessary preliminary standing, the privilege of writing for an Ontario License under the same conditions as pertain to Ontario students, and ask why the Faculty of Dentistry of the University of Toronto is not considered as a reputable Dental School.

Dr. E. Dubeau, Montreal,

M. J. O'Brien, Kingston, R.I.:—

What required of a Quebec graduate to practice in Ontario. Cannot say due to uncertainty of amicable arrangements with Quebec Board.

E. Donaghey, Belfast, Ireland:—

Registered with General Medical Council of Great Britain, wishes to register in Ontario. As the petitioner was registered under the Act of 1921 as a dentist in practice at the time and had not graduated from any dental school, no action could be taken.

Dr. Carl Kennedy, London:—

Graduated from Chicago College in June, 1927, intends attending Faculty of Dentistry of the University of Toronto session 1928-29, wishes to sign indentures with Ontario Licentiate and work in his office during the coming summer. Request could not be granted as the regulations provide for indentures only between sessions after attending a session at the Faculty of Dentistry, University of Toronto.

Moved by Mason and Shannon "That the report of the Committee of the Whole on petitions be adopted."—Carried.

PORTRAIT COMMITTEE

To the Board of Directors

Royal College of Dental Surgeons.

Gentlemen:—

Your Committee has had the portrait of Dean Webster completed. Mr. Wylie was the artist and the picture is now in the possession of the Librarian ready to be unveiled.

Dr. Charles E. Pearson has completed a bust of the late Dean Willmott which has been cast in plaster and which is now ready to be unveiled.

Your Committee would recommend:—

That the portrait of Dean Seccombe be procured, as this will complete the Deans of the Royal College of Dental Surgeons.

Also that an appropriation of \$50.00 be made to cover the expense of casting Dean Willmott's bust in plaster.

All of which is respectfully submitted,

A. D. A. MASON,

Toronto, May 29th, 1928.

Chairman.

Moved by Mason and Davidson "That the report be adopted and entered on the minutes; that the portrait of Dr. Webster and the bust of Dr. Willmott be unveiled at the meeting of the Ontario Dental Society and that the President, Mason, Willmott and Conboy be a Committee to make the necessary arrangements."—Carried.

DR. C. E. PEARSON

Moved by Holmes and Shannon "That this Board wishes herewith to express its hearty appreciation of the courtesy of Dr. C. E. Pearson in making and presenting to the Board a bust of the late Dean Willmott."—Carried.

REPORT OF THE DEAN, FACULTY OF DENTISTRY UNIVERSITY OF TORONTO

To the Board of Directors

Royal College of Dental Surgeons.

Gentlemen:—

On behalf of the Faculty of Dentistry I desire to thank the members of the Board of the R.C.D.S. for their continued co-operation in dental education. Throughout the University there has been shown the greatest interest in the progress of the Faculty and while we have received help from every department concerned, we venture to hope that the Faculty of Dentistry has itself made its contribution to the life of the University.

During the past year we have continued to stress the value of Graduate Service. While it is essential that the undergraduate course be maintained at the highest point of quality, of equal importance from the standpoint of public health is the amount of service the Faculty may be able to make available to the members of the profession. As opportunities may present we hope the members of this Board will convey to the practitioners of the Province, our cordial invitation to visit the Dental building when they are in Toronto and when possible arrange to spend a few days or weeks brushing up in any subject they may desire. It is desirable that those contemplating a visit with a view to studying a particular subject should write in advance that suitable arrangements may be made. The Dental building is not intended for undergraduates alone and graduates will always be welcome and find every department ready to give desired assistance.

There has been a marked increase during the year in the number of graduates who have availed themselves of the Library and Consultation Service of the Faculty and these services will continue to be of special value to those who find it inconvenient to make a personal visit.

Further extension of the Extramural Lecture plan has been made possible through the increased grant of the Board of the R.C.D.S. for this purpose and we hope you may make the same generous provision as last year, namely \$1,000.00. This will enable this service to be continued without curtailment, the usual amount of \$500.00 being included in the University budget for Extramural Lectures. In addition to the above, \$500.00 is provided by the University for clinics to graduates throughout the Western Provinces and Dr. Switzer gave a series of thirteen clinics, spending two days in each center during the months of April and May, 1928. We expect similar provision to be made for the coming year.

The development of graduate work in the Faculty has been made possible because of the smaller classes resulting from higher undergraduate standards. The undergraduate class standard has been reduced to sixty. The Faculty is now organized on this basis and the classes will consequently be limited to this number. There are ap-

proximately sixty in all the classes excepting that of the first year, in which the number is twenty-four. Smaller classes have not only made possible the development of graduate work but will ultimately lead to a selection of those students possessing higher matriculation standing for admittance to first year Dentistry. To encourage higher scholarship and at the same time to honor the memory of the late Dean Willmott, we hope this Board may favorably consider an annual grant of \$250.00 for a scholarship to be called "The Willmott Scholarship."

WALLACE SECCOMBE,
Dean.

Moved by Thompson and Kennedy "That the Dean's report be received and entered on the minutes and that a scholarship of \$250.00 be established to be known as "The J. B. Willmott" scholarship and that Seccombe, Mason and McLean be a committee with power to arrange the details."—Carried.

EXECUTIVE COMMITTEE REPORT

To the Board of Directors
Royal College of Dental Surgeons.

Gentlemen:—

Your Executive Committee held two meetings, Nov. 30th and Dec. 10th, at which the following business was transacted:—

- 1—Dr. Conboy, Director of Dental Service for the Province submitted a memorandum on "Public Dental Education and Dental Clinics for the Poor" which he intended to present to the Minister of Health. This was considered at both meetings and some minor changes suggested.
- 2—The Discipline Committee was instructed to investigate the case of Dr. L. L. Crowley of Sandwich for unprofessional advertising in the Sandwich Courier.
- 3—The Discipline Committee was instructed to investigate the advertisement of the "Border Cities' Dental X-Ray Laboratory."
- 4—The Discipline Committee was instructed to investigate the conduct of Dr. G. Fraser of Madoc for allowing an unlicensed man to work for patients in his office.
- 5—A report was received from Dr. Cowan, Secretary of the Dominion Dental Council that the D.D.C. Certificate of Dr. B. R. Ross of Fredericton, N.B., had been cancelled for unprofessional conduct.

R. GORDON McLEAN,
Chairman.

Toronto, May 29th, 1928.

Moved by Shannon and Holmes "That the report of the Executive Committee be received and adopted and entered on the minutes and the Secretary be instructed to consult out Solicitor as to the powers of the Board in disciplining a graduate who has been guilty of unprofessional conduct outside Ontario."—Carried.

TREASURER'S REPORT

To the Board of Directors
Royal College of Dental Surgeons.

Gentlemen:—

Your Treasurer presents his report for 1927-28 as follows:

Licentiate Fees

Notice of the Licentiate fee being due on the first of January, 1928, was mailed to each Licentiate practicing in Ontario as far as his address could be obtained, about the middle of December. On the 20th of January about 800 second notices were sent by registered mail and in February about 200 personal letters followed later by

about 75 second personal notes. On the first of May 37 suits were entered in the Division Court. The collection of this fee this past year has been very unsatisfactory and your Treasurer would welcome any suggestions in this regard. When the books were closed in April there were 40 Licentiates in arrears.

Harry R. Abbott Memorial Library

During the year a check for \$500.00 was received from the Consolidated Trust Co. of London and deposited to this fund from which \$200.00 was transferred to the University of Toronto Library and \$33.35 paid on order of the Librarian for books ordered direct. There is now in this fund a balance of \$350.00.

In 1926-27 the Ontario Dental Society made a grant of \$200.00 to the Library of which only \$44.00 was spent, leaving a balance credit to the Library of \$156.00.

Ex-Service Men's Loan Account

During the year 14 have paid their loans in full, \$1,237.35 and 61 have paid on account \$3,547.70, leaving still due \$36,980.28. Interest for 1927-28, \$1,432.79 has been transferred to the R.C.D.S. account. Government bonds of \$24,000.00 are on hand.

Extra-mural Service

Thirty-two lecturers have visited forty-six centers during the year. The expenses amounted to \$764.75 and the receipts to \$620.00. The deficit of \$44.75 over the estimated \$100.00 is due to the three trips to the northern parts of the Province. From expressions received and heard from all parts of the Province but especially from the more remote districts this service is very greatly appreciated.

Fines

One Licentiate who had not paid his annual fee and five mechanical men, Machen, Suttin and Pearson of Toronto, and Campbell and Beattie of Kingston were fined for illegal practice.

Auditors' Statement

Submitted herewith are the Auditors' statements:—

- a. Balance sheet showing assets and liabilities.
- b. Receipts and disbursements of Board account.
- c. Receipts and disbursements of Ex-service Mens' Loan Account.
- d. "Harry R. Abbott Memorial Library" fund.

Respectfully submitted,

W. E. WILLMOTT,
Treasurer.

Toronto, May 28th, 1928.

REPORT OF COMMITTEE ON FINANCIAL STATEMENT

Your Committee to whom was referred the question of preparing a statement regarding the possible financial obligations of the Board met and after a careful and full discussion of the whole matter it was considered to be unnecessary, at the present time, to prepare such a statement.

Toronto, May 28th, 1928.

R. GORDON McLEAN,
Chairman.

Moved by Thompson and Holmes "That the report of the Committee on Financial statement be adopted."—Carried.

QUESTIONNAIRE

A questionnaire on matters of office routine and methods of practice and other information which had been forwarded by the Executive Committee of the Faculty was discussed at considerable length.

Moved by Thompson and Kennedy "That the Questionnaire be referred to a Committee of Mason, Holmes, Shannon, McGuire, Willmott

and Conboy to incorporate certain additions and changes and to mail to the graduates named by the Committee with a covering letter and with return postage.”—Carried.

INSURANCE

Moved by Holmes and Shannon “That the President, Secretary and Librarian be instructed to have the property of the R.C.D.S. in the Dental building valuated and covered by the necessary fire insurance.”—Carried.

MERTON CORPORATION

A representative of the Merton Corporation explained the purport of a publication, “Baby’s Health and Record” which the corporation issues and requested the sanction of the Board for articles on the teeth to be included in the booklet.

Moved by Shannon and Holmes “That this Board considers it unwise to give official sanction to this type of publicity and if any society wishes to publish an educational article we would request that a copy of the material be submitted to the Board together with any reference in the booklet to such article.”—Carried.

LIBRARIAN'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons of Ontario,
Gentlemen:—

Your Librarian has the honor to report that the Library is being used to an increasing degree by the Profession. Requests have been received from Dentists from the far west to the far east and also by a large number of members of the Medical Profession.

Several donations have been made to the Library of old books and a large number of anomalies and odd specimens to the Museum. A collection of ivory showing injuries from bullet wounds and from fractures and showing the physiological repair, was presented by Mr. Wood of Buffalo, N.Y.

For the coming year I would recommend an appropriation of \$300.00, of which \$150.00 would be at the disposal of the Faculty Council and \$150.00 at the disposal of the Librarian.

All of which is respectfully submitted,

C. A. KENNEDY,
Librarian and Curator

Moved by Kennedy and Holmes "That the report of the Librarian be received and adopted and entered on the minutes"—Carried.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION.

A detailed report of the work of the Protective Association for 1927-28 was presented. Moved by Shannon and Holmes "That the report of the Protective Association be received and that a short note, including the financial statement, be included in the minutes."

—Carried.

The report showed that the cases considered might be classed under two heads: (a) Those concerning financial arrangements between the dentist and his patient; in each case the Solicitor wrote the Licentiate as to his or his patient's rights in the case. (b) Those where the dentist was threatened with suit for various causes; the Solicitor attended to these and in only two instances did the case go to court and in each of these the verdict was in favor of the dentist. The Solicitor was also asked for an opinion on three questions of Dental Jurisprudence.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS

Held in the Board room, November 19th, 1928.

The Board met at 2.00 p.m. with all the members present. The following business was transacted:—

H. RIVKIN

A letter was presented from Mr. Rivkin requesting his L.D.S. and undertaking to establish an ethical practice and to report to anyone designated and at any time designated by the Board.

Moved by Thompson and Irvine "That Mr. Rivkin having satisfied the Faculty requirements and having been granted his D.D.S. be granted the L.D.S. and be required to report to the Secretary of the Board on March first next and every six months thereafter until further notice."—Carried.

SUPPLEMENTAL EXAMINATIONS

Moved by Davidson and Shannon "That in all cases of supplemental examinations in the fifth year, the Secretary be authorized to issue the L.D.S. when notified by the Registrar of the University of Toronto that the candidate has been granted the D.D.S."—Carried.

NEW TYPEWRITER

Moved by Kennedy and McGuire "That the Secretary be authorized to procure a new typewriter for the Board's use."—Carried.

FACULTY OF DENTISTRY

The Secretary was instructed to intimate to the Faculty of Dentistry the desire of the Board that the Faculty should make some organized effort to watch the moral and ethical conduct of the students.

A communication was received from the Faculty Council asking the Board to conduct an educational campaign towards improving the system of records and management of practice of the practitioners of Ontario and that a man be appointed to visit and consult with Dentists in these matters.

Moved by Shannon and Irvine "That the communication be referred to the committee on all time appointment and that a suggestion be made to the Faculty that the results might be partly accomplished in the meantime by utilizing the extramural services on this subject."—Carried.

INSURANCE

Moved by Thompson and Davidson "That all property belonging to the R.C.D.S. be insured as per inventory and the Secretary and Librarian be instructed to execute this as promptly as possible."—Carried.

QUESTIONNAIRES

Moved by Kennedy and Shannon "That Drs. Mason, Holmes and McGuire be a committee to meet with a committee from the Ontario Dental Society and from the Faculty to consider and report on the questionnaires which have been returned."—Carried.

WORKMEN'S COMPENSATION ACT

Several cases were mentioned where a Dentist had been called to attend to an injured workman and had later, on account of the wording of the Act, been unable to collect a fee.

Moved by Irvine and Shannon "That this matter be referred to the Legislation Committee with a view to having the Workmen's Compensation Act amended to cover Dental services."—Carried.

NEXT MEETING OF THE BOARD

Moved by Irvine and Kennedy "That the first meeting of the newly elected Board be held in the Board Room on Wednesday, May 29th, 1929, at 2.00 p.m. o'clock, daylight saving time."—Carried.

EXECUTIVE COMMITTEE

The Secretary presented the report of the Executive Committee as follows:—

The Committee met on Thursday, June 6th, at 2.00 p.m., in the King Edward Hotel.

Present Drs. Mason, McLean and Thompson..

This was an emergency meeting called by the President to take action regarding items appearing in the Toronto papers.

Moved by Thompson and McLean "That the Discipline Committee be instructed to investigate the case of Dr. F. W. Barbour of Toronto in regard to articles appearing in the Toronto Daily Star of June 4th and 5th, 1928."—Carried.

Moved by McLean and Thompson "That the Discipline Committee be instructed to investigate the case of Miss A. A. Aitkin a graduate nurse of the R.C.D.S. in regard to an article in Toronto Daily Star of June 6th, 1928."—Carried.

Moved by Holmes and Thompson "That the report of the Executive Committee be received and adopted and entered in the minutes."—Carried.

DISCIPLINE COMMITTEE

The minutes of the meetings of the Discipline Committee held on June 9th, Aug. 1st, Sept. 22nd and Oct. 15th were read.

Moved by Holmes and Kennedy "That the minutes of the meetings of the Discipline Committee be adopted and the Secretary be instructed to include a synopsis of the business for incorporation in the minutes of this meeting."—Carried.

See report of Committee at Annual Meeting page 13.

COMMITTEE ON FULL TIME APPOINTMENT

The committee to consider a full time appointment reported progress and asked leave to sit again.

Moved by Holmes and Mason "That the report be accepted and the committee be asked to report in full at the next meeting."—Carried.

SENATE OF UNIVERSITY OF TORONTO

The Secretary presented a letter from the Registrar of the University of Toronto notifying the Board that the term of the representative from the Board to the Senate had expired and asking that a representative for the ensuing term be appointed.

Moved by McGuire and Thompson "That Dr. R. Gordon McLean be the representative from this Board to the Senate of the University of Toronto for the ensuing term."—Carried.

J. B. WILLMOTT SCHOLARSHIP

The Faculty Council suggested that the amount of the award for the J. B. Willmott scholarship should be divided.

Moved by Davidson and Mason "That the suggestion of the Faculty regarding the James Branston Willmott Scholarship be accepted and that there be awarded two scholarships one of \$150.00 and one of \$100.00, respectively, to the student in the first year who had the highest and next highest standing in entrance requirements, character and capacity for leadership and participation in student activities to also be considered."—Carried.

STUDENTS' APPLICATIONS

Moved by Shannon and Kennedy "That the President, Secretary and Dean be a committee to revise the declaration for application for license to practice Dentistry in Ontario."—Carried.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

Dr. Mason presented the following report of the annual meeting of the National Association of Dental Examiners.
To the Board of Directors,

Royal College of Dental Surgeons:—

Gentlemen:—

Your committee, Dr. Seccombe and myself, attended the annual meeting of the National Association of Dental Examiners, at Minneapolis, on Saturday and Monday, August 18th and 20th.

The meeting was in session from 9.00 a.m. till 6.00 p.m. daily.

Our authority for attending this meeting was a letter from the president containing a copy of the following motion. Motion by Dr. Haigh.

“I make a motion that a committee be appointed to invite the different members of the Board of Canada to attend our next session, and see whether some plan may be worked out whereby they may become members of this body.”

At the meeting Dental Educational standards for entrance into the practice of the Dentistry in the different States of the Union were discussed, with the idea of trying to standardize the requirements necessary to practice Dentistry.

Discussions were carried on with a view to having uniformity in examinations, both as to the system of carrying on the same and as to uniform academic standards. The question of uniform interpretation of proper ethical conduct was also discussed with a view to having the same standards in all States.

Your Committee held personal informal meetings with many of the representatives of the Boards of the States bordering on Ontario, and many erroneous ideas held by some of members were rectified and made clear. Our feeling is that most of these States are very anxious to cooperate with the Ontario Board so that we may have more or less reciprocity between Boards on either side of the line.

We recommend that application be forwarded to the National Association of Dental Examiners for membership in that body. A resolution passed at the meeting in Minneapolis made it possible for Ontario to become a member of the Association.

A. D. A. Mason.

Moved by McGuire and Holmes “That the report be adopted and entered on the minutes and the expenses of the delegates be paid.”—Carried.

Moved by Mason and Irvine “That when the published proceedings of the meeting of the National Association of Dental Examiners are received, the Secretary be authorized to make application for membership and enclose the annual fee.”—Carried.

S. P. McPHEE AND G. B. HOWARD

The Secretary reported that a judgement summons had been issued for Dr. S. P. McPhee of Cardinal and that he had arranged with Mr. J. L. Reid, Solicitor of Prescott to represent the College when the case would come to court.

Judgement summons had also been issued or Dr. G. B. Howard of Waubauskene and the case would come to court at Coldwater on Tuesday, November 27th.

Moved by Thompson and Shannon “That the Secretary be instructed to represent the College at the court at Coldwater on Tuesday, November 27th or when Howard’s case would be reached.”—Carried.

DESCRIPTION CHART

Dr. Conboy presented a chart showing the various diseases of the teeth and adjacent parts and explained that it was intended to have a cut made of it and send a copy to any Dentist desiring one for office use and to anyone engaged in public Oral Hygiene work; That it would cost about \$1200.00 and that the Ontario Oral Hygiene Committee was assisting and asked the Board for a grant of \$600.00.

Moved by McGuire and Holmes "That a grant of \$500.00 be made towards the expenses of the chart as outlined by Dr. Conboy and the members of the Board consider the proposed cut as being too large and would recommend a smaller one for office use."—Carried.

INSTRUCTIONS TO DISCIPLINE COMMITTEE

Moved by Shannon and Irvine "That the Discipline Committee be instructed to investigate the cases of Sharpe, Regan and Rutledge."—Carried.

DRS. WINNETT AND ARMSRONG

Moved by Davidson and Holmes "That the Secretary be requested to convey the families of the late Drs. A. W. Winnett and J. A. Armstrong the sincere sympathy of the members of the Board in their recent bereavement."—Carried.

MINUTES OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO.

MAY 29th, 30th and 31st, 1929.

The Board held the following sessions and adjourned to the call of the chair:—

Wednesday, May 29th, 2.00 p.m. to 4.00 p.m.

Thursday, May 30th, 9.00 a.m. to 12.45 and 2.00 p.m. to 5.00 p.m.

Friday, May 31st, 9.30 a.m. to 12.30 p.m. and 2.00 p.m. to 4.00 p.m.

During the sessions all the members were present and the following business was transacted:—

Owing to the temporary absence of the Secretary, Dr. McLean took the chair and laid on the table a copy of the Secretary's report as to the election held October to December, 1928, the Scrutineers' report as to the election in District No. 5 and a sealed packet said to contain the ballots cast in the recent election.

SECRETARY'S REPORT RE ELECTION

To the Board of Directors,

Royal College of Dental Surgeons of Ontario.

Gentlemen:—

In accordance with the provisions of the Dentistry Act and of the By-Laws of the College an election of a Board of Directors for the Royal College of Dental Surgeons of Ontario was held in October to December, 1928.

On the first of October, nominations were called for by circular letter addressed to each member of the College in good standing resident in Ontario.

Valid nominations were received as follows:—

District No. 1.—S. S. Davidson, Ottawa.

District No. 2.—H. Irvine, Lindsay.

District No. 3.—J. A. Shannon, Sault Ste. Marie.

District No. 4.—R. Gordon McLean, Toronto.

District No. 5.—G. H. Holmes, Owen Sound; H. D. Morris, Orillia.

District No. 6.—S. M. Kennedy, London.

District No. 7.—W. M. McGuire, Simcoe.

District No. 8.—W. G. Thompson, Hamilton.

Thus the representatives from District Nos. 1, 2, 3, 4, 6, 7 and 8 were elected by acclamation.

On the 23rd of November a notice, together with a ballot, was sent to each qualified voter in the District in which an election was necessary, explaining the manner of election. All the voting papers received were counted by the Scrutineers, James Brebner, LL.D., and H. J. Bolitho, in the Board Room of the College on Thursday, December 12th, 1928. The report of the Scrutineers submitted herewith shows the election of G. H. Holmes of Owen Sound in District No. 5.

The following communication certifies to the election from the Faculty of Dentistry of the University of Toronto:—

Toronto, Dec. 4th, 1928.

Dr. W. E. Willmott,
Secretary R.C.D.S.,
Toronto.

Dear Dr.—

I beg to inform you that at a meeting of the Faculty Council held last evening, and in conformity with the Dentistry Act, Dr. A. D. A. Mason was elected as the representative of the Faculty on the Board of Directors of the Royal College of Dental Surgeons.

Yours very truly,

COLIN C. ROUS,
Secretary.

The members elected for the ensuing term are, therefore:—

District No. 1—S. S. Davidson, L.D.S., D.D.S., Ottawa, by acclamation.

Faculty—A. D. A. Mason, L.D.S., D.D.S., Toronto.

W. E. WILLMOTT,
Secretary R.C.D.S.

Toronto, May 29th, 1929.

SCRUTINEERS' REPORT

(District Representatives)

To the Board of Directors of the Royal College of
Dental Surgeons of Ontario.

Gentlemen:

According to your request to act as scrutineers at the biennial election of a Board of Directors of the Royal College of Dental Surgeons of Ontario, we attended at the Board Room of the College this 12th day of December, 1928, at 2.00 o'clock in the afternoon.

After we had made the required declaration of secrecy your Secretary handed to us 80 sealed envelopes addressed to himself, marked on the outside "Royal College of Dental Surgeons of Ontario, Voting Paper."

These envelopes contained 80 voting papers in the form prescribed by the Dentistry Act from District No. 5, of these 1 was not counted, being received too late.

53 were marked for Dr. Holmes and 26 for Dr. Morris, showing a majority of 27 for Dr. Holmes.

We hereby certify that the above statement regarding the voting papers handed to us by W. E. Willmott, Secretary of the Royal College of Dental Surgeons, and the disposition of them is correct.

JAMES BREBNER,
H. J. BOLITHO,

December 12, 1928.

PRESIDENT'S ADDRESS

To the Board of the
 Royal College of Dental Surgeons.

Gentlemen:—

In retiring from the Presidency of this Board, I want to extend my hearty thanks to its members all of whom have been sincere and untiring in their efforts during the past two years.

The work of the Discipline Committee has been steadily increasing due to the unfortunate advent of numerous laboratory men carrying on illegal practice. It is strange but true that members of the profession still send such men prosthetic work when they know that these men have been fined for illegal practice. The need of a full time officer of the Board impresses me more than ever and I feel that it is the best investment the profession can make. Surely 1750 professional men can afford to pay the salary and expenses of such an officer. When there are so many duties he could perform that would be of marked benefit to the profession individually and as a body.

The amounts spent on extra mural service are being gradually increased and the Board feels its responsibility in this and all matters where the Profession in Ontario and the advancement of Dental Science are vitally interested.

R. G. McLEAN,
 President.

SECRETARY'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.
Gentlemen:—

Your Secretary presents his report for the year 1928-29 as follows:—

Minutes

As soon as possible after the last meeting the minutes were prepared and 1900 copies printed. A copy was mailed to each Licentiate in practice in the Province and by request to some in other parts.

Application for License

Applications on the prescribed form have been received from forty-six members of the final class in the Faculty of Dentistry of the University of Toronto.

Dominion Dental Council

Four Dominion Dental Council certificates have been registered during the year—

Garnet D. Leslie, Winnipeg, Man.....	#370
L. B. Roop, Bear River, N. S.....	#716
W. J. Irvine, Fredericton, N. B.....	#336
D. N. Ross, Winnipeg, Man.....	#281

Changes in Register

Since the last meeting of the Board, there have been 97 changes in the residence list and sixty-two names have been added, making a total on the register, May 1st, 1929, of 3283.

Nurses' Graduation

The Committee in charge has arranged that the graduation function for the Nurses' class will be held in the Arts and Letters Club Room on Friday evening, May 31st, 1929. Miss Brown of the Red Cross will be the speaker. The exercises will be followed by an informal dance with refreshments.

Mail Matter

During the year 3624 articles have been received by mail and 16269 have been sent out.

Election of the Board

The bi-ennial election for members of the board was held in accordance with the act and by-laws in November and December 1928.

Insurance on the Library

Following instructions, Mr. Hellmuth was consulted and in his opinion the Harry R. Abbott Memorial Library was not covered by any University insurance.

The Committee, after careful consideration of the value, insured the library and museum with the Eagle Star and British Dominion Insurance Company for \$10,650., the premium being \$53.25.

L. D. S. Diplomas

As the stock of L. D. S. Diplomas was almost exhausted and in accordance with suggestion from the Board to make inquiries regarding a smaller diploma, Dr. Mason made arrangements with Thoreau MacDonald for a design and plate from which 250 copies have been printed.

Liquor Permits

After several inquiries had been received regarding the purchase of alcohol and liquor for use in the dental office, Dr. Mason and your

Secretary had an interview with Sir Henry Drayton, Chief Commissioner. The following letter was received in reply to the interview:—

“I am writing you in connection with the representations you have made as to the standing, and complaints you have received, regarding Dentists under the Liquor Control Act of Ontario.

As I understand it, the Members of your Profession are complaining that they have to buy two Permits, while the ordinary citizen needs only buy one. Let me point out that the Dentists' Permits give rights which the ordinary Permits do not give, but, in any event, the question of the two Permits depends upon the Statutes and not at all upon any question of administration by this Board.

The Dentist's Permit is supposed to be used by the holder for professional purposes. Under it, he may obtain alcohol for the purposes of cleaning his instruments, while the general permit enables no one to purchase alcohol. The Dentist is also entitled to purchase, and have on hand, liquor for restorative purposes; to be used by his patients. The possession of that Permit covers, and makes legal, the possession of liquor bought under it, in the Dentist's office.

Let us take the case of a Dentist whose office is not in his home. Should he buy liquor on his Dentist's permit and not on one of the general Permits, which allows him to have liquor in his home, under the Liquor Control Act of Ontario that liquor is in an illegal place and the having of it in his house would render the Dentist liable to prosecution.

The rights obtained under the Dentist's permit are entirely different in character to the rights obtained under the general Permit. In the one instance, purchases are merely for beverage purposes, while in the other instance they are not at all for beverage purposes. The Board has already ruled, for example, that the purchase of beer, something entirely for beverage purposes, could not be properly made under a Dentist's Permit, although in that case the office was in the home.

There is no intention whatever to unduly harass Dentists nor anybody else. Mr. W. S. Dingman, Director of Permits, has the general oversight over purchases under the Dentist's Permits. In the past, Mr. Dingman has never questioned purchases so made except in cases of apparent abuse and then he takes the matter up, in the first instance, with the Dentist in question.

We are pleased to have the expression of opinion of yourself and your colleague who accompanied you, that any dentist who purchases more than four reputed quarts of Spirits in a month for restorative purposes, would be a proper subject for inquiry as to the use made thereof, as you doubt reasonableness of any quantity in excess of that for restorative purposes, and we take it that you think a dentist's purchases as a rule will be well within that quantity.

In the administration of the Liquor Control Act of Ontario the whole idea of this Board is not to work up cases based upon technicalities, but to do its best to put down abuses.”

Yours faithfully,

H. L. Drayton,
Chief Commissioner.”

Registration of Nurse's Pin and Diploma

As instructed by the Board, the question of registration of nurses' pins was taken up with Mr. Edwards who manufactures the pins. After considerable correspondence he had the pin copyrighted at Ottawa and has agreed to transfer the copyright to the Board of Directors at any time upon payment of the registration fees which he paid.

In connection with the use of the letters "R.D.N.," Hon. Dr. Forbes Godfrey was communicated with and in his opinion it would be necessary to amend the "Nurses' Registration Act" in order to authorize Dental Nurses to use the designation "R.D.N."

Michigan Board of Examiners

A communication was received from one of our graduates stating that he had been unsuccessful in passing the Michigan Board as were several other Canadians. He stated he had personal conversation with several members of the Board and they stated that if a Michigan graduate wished to practice in Ontario, he would have to attend one year in Toronto besides paying four years tuition fee, also that they had tried to have reciprocity with Ontario and were turned down.

Upon consultation with the President, your Secretary wrote the Secretary of the Michigan Board quoting the above and specifying definitely what would be required of a graduate of Michigan who wished to practice in Ontario and suggesting a copy of the letter might be sent to each member of the Michigan Board. In reply, the Michigan Secretary stated that—

"If any member made such unwarranted statement he evidently was uninformed as to present conditions.

Regarding reciprocity, Michigan would be unable to seek reciprocity because the present Statute does not provide for it. When we have a meeting of the board I will be glad to refer to your letter so that members may be impressed with the information."

At his request, a copy of the letter was forwarded to each member of their Board.

Questionnaires

In August a Questionnaire covering a number of subjects relating to practice was sent each Licentiate in Ontario. Somewhat over 500 were returned and submitted to a committee, which is still considering them

DISCIPLINE COMMITTEE

The Discipline Committee presented the following report:—

The Discipline Committee held regular or emergency meetings on June 6th, August 1st, September 22nd, October 15th, November 19th, December 20th, 1928 and January 19th, February 6th, March 5th and April 6th, 1929.

On instructions from the Executive Committee the following three cases were investigated:—

- 1—Dr. F. W. Barbour in regard to articles appearing in the Toronto Star of June 4th and 5th, 1928 concerning claims for retention in Prosthetic restorations.

Dr. Barbour explained that he knew nothing about the publicity until he saw the articles in the press and very much regretted the occurrence and assured the Committee he would do what he could to prevent a recurrence. He also presented a letter from the Flexim Company stating that the article was published without his knowledge or influence.

The Committee assured Dr. Barbour that his explanation was accepted.

- 2—Miss A. A. Aitken, a graduate Dental nurse, in regard to an article in the Toronto Star of June 6th, 1928 containing her picture and the letters "R.D.N." and the word "Anaethetist."

The whole question was thoroughly discussed and Miss Aitken promised to abstain from the use of the objectional portion in the future.

- 3—Dr. F. N. Regan for unbecoming conduct. Dr. Regan explained that he had not been in practice for a year and a half and that he was endeavoring to meet the wishes of the Board.

Dr. Grant Fraser—Madoc

Dr. Grant Fraser of Madoc met the Committee regarding the employment of an unlicensed man in his office. He admitted that such was the case, but stated he had dismissed Mr. Wyper and had engaged a graduate. After a long conference, the Committee accepted Dr. Fraser's explanation and his promise to revise his advertisement in the local paper.

Signs and Advertising

The question of unprofessional signs and advertising has occupied a large portion of the time of the Committee. After a long discussion and on legal advice and with concurrence of the members of the Board, by mail, a copy of the following circular was sent to each Licentiate in Ontario:—

Important Notice

The Discipline Committee wishes to call your attention to a resolution adopted by the Board of Directors, as follows:

"That the Board views with disapproval the use or exhibition of any sign, other than a sign which in its character, position, size and wording is merely such as may reasonably be required to indicate to persons seeking them the exact location of, and entrance to, the premises at which the dental practice is carried on."

This resolution covers the use of large letters on notice boards; of such words as "Teeth," "Painless Extraction." or the like; of notices in regard to practices on premises other than those in which a practice is actually carried on; of show cases; of large lighted signs, especially if intermittent; and the display of

numerous exhibits or plates setting forth a practitioner's name and/or profession. The Board does not approve of a name appearing upon a window when a hanging sign is used; and a name should not appear upon more than two windows. A name or the word "Dentist" in large letters across a converted shop window is objectionable, as is also a window painted an arresting color. Any advertising for the purpose of obtaining patients renders a practitioner liable to be summoned to appear before the Board.

W. G. THOMPSON,
Chairman of Discipline Committee.

W. E. WILMOTT,
Secretary of Discipline Committee.

Toronto, August 6th, 1928

At a subsequent meeting it was decided after legal advice to send to each Licentiate in Ontario another notice, after being endorsed by the members of the Boards, as follows:—

Important Notice

The Discipline Committee of the Royal College of Dental Surgeons wishes to call your attention to the following announcement made last fall regarding unprofessional advertising in connection with Dental signs:—

"That the Board views with disapproval the use or exhibition of any sign, other than a sign which in its character, position, size and wording is merely such as may reasonably be required to indicate to persons seeking them the exact location of, and entrance to, the premises at which the dental practice is carried on."

From May 1st, 1929 the Committee will sanction those signs, only, in which the letters are not more than four inches in height, the whole sign not to be longer than will accommodate the name of the practitioner and shall contain only his name and profession. If the sign is illuminated the light shall be clear or white and not intermittent.

W. G. THOMPSON,
Chairman of Discipline Committee.

W. E. WILMOTT,
Secretary of Discipline Committee.

Toronto, April 29th, 1929.

Punch-A-Plug-Sales Company

The agent of the Punch-a-plug-Sales Company showed your Committee a circular, illuminated, opal sign 16" in diameter. The Committee accepted this as a sign which would not be considered unethical. The letters are to be in black and nothing more than the name and Dentist and number of the street, the light to be non intermittent.

Miscellaneous

Dr. G. R. Paterson of Toronto, who had a sign "Teeth \$15.00 set" met the Committee and gladly agreed to remove it.

The advertisement of Dr. C. F. Garland in a Northern paper was brought to his attention and was rectified.

Several complaints were received regarding border advertising by Michigan Dentists. It was pointed out to the complainants that no action could be taken and that the Michigan authorities were willing but unable to co-operate with the Ontario Board in eliminating this on account of certain State statutes.

On December 20th, 1928 a number of those with questionable signs in Toronto were invited to have dinner with the members of the Committee. Sixteen attended and after dinner about two hours was

spent in a friendly discussion of the whole question of unethical signs.

It has been brought to the attention of several practitioners that advertising as a specialist was considered unprofessional unless one's practice was limited to that branch of the profession.

Complaint was received of L. A. Moffatt's (London) personal cheque which had on it "Specialties, X Ray, Pyorrhoea, Painless Methods." After some correspondence he promised to change the cheque.

A case was reported from a Border City where a Licentiate had been some time in an advertising office in the U. S. and had come back to Ontario.

Recommended, that when a Licentiate returns to Ontario after a period of absence, the Secretary shall require a statement from him as to how he has been engaged during his absence and where. If he has been guilty of unprofessional conduct or employed in an unethical office, the Secretary shall refuse to accept his Licentiate fee and refer the case to the Discipline Committee.

In the case referred to above the fee was paid before the Licentiate left Ontario and he was away for a short time only.

A Licentiate in Toronto was reported by the University Police as having taken an overcoat belonging to another member of an evening class; that he had been arrested and after some time the charge had been withdrawn, but he was forbidden any further University classes.

The offender met your Committee and, after a thorough investigation, it was the opinion of the Committee that he was not guilty of theft. The Secretary was instructed to see Mr. Dunlop and explain the case and have him reinstated if possible, which was done.

Illegal Practice

Several cases of illegal practice in centers outside Toronto were reported. The informant was asked for the name of a reputable lawyer in the community. He was requested to get into communication with the Dentist and arrange to have some one get some work done by the offender and prosecute him. Nothing further has been heard of any of these cases.

The following have been fined for illegal practice:—Wyper of Madoc, \$50.00; Coulan, Toronto, \$100.00; Minot, Hamilton, \$100.00.

S. C. Rutledge, Toronto and A. J. Wyckoff, London, were fined for practicing while Licentiate fee remained unpaid.

Application for L. D. S.

A new form of application for License was approved by the Solicitor, containing two new clauses.

1. That in case I shall practice Dentistry in any place outside the Province of Ontario while still a member of the Royal College of Dental Surgeons of Ontario, I agree to abide by the orders, regulations and by-laws of the said College and to practice according to the ethical standards of the profession in Ontario.

2. That I agree that should any complaint be made against me to the Board of Directors of the said College in regard to my conduct in the carrying on of my profession, the trial of such complaint shall be held in the City of Toronto.

Respectfully Submitted,

W. G. THOMPSON, Chairman,
Discipline Committee.

Moved by Kennedy and Shannon "That the report of the Discipline Committee be adopted and entered on the minutes."—Carried.

FACULTY OF DENTISTRY

Dean Seccombe discussed with the Board a number of subjects, out of which grew the following resolutions:—

Moved by McLean and Kennedy "That this Board believes that the proposed survey of Dental Education by Dr. Charters would be a great advantage to the Dental profession and would agree to help financially in such an undertaking."—Carried.

Moved by Holmes and Shannon "That the Board expresses its appreciation of the efforts of the Faculty of Dentistry of the University of Toronto to serve the graduates in Dentistry by its extra-mural and laboratory services."—Carried.

Moved by McGuire and Holmes "That the Board concurs in the recommendation of the Faculty Council that where students sign indentures between sessions the perceptors shall be members of the recognized Dental Association and that the local member of the Board be asked to concur in Ontario applications."—Carried.

DENTISTS' LEGAL PROTECTIVE ASSOCIATION

Moved by McGuire and Mason "That Dr. W. G. Thompson be the representative from this Board on the Executive Committee of the Dentists' Legal Protective Association."—Carried.

PROGRESS COMMITTEE

The Progress Committee presented an interim report, which, on motion of McGuire and Mason, was ordered to be placed on file.

LEGISLATION COMMITTEE

The Legislation Committee presented the following report:—

On account of some complaints regarding the relation of the Dentists to the Workmen's Compensation Board, your Committee was instructed to investigate.

The Secretary of your Board interviewed the Chairman of the Compensation Board, who advised that any change in the regulation or in the interpretation thereof, should have to come from the Attorney General. Your President wrote a letter to the Attorney General, who referred it to the Compensation Board. As the Chairman was out of the City, the Vice-Chairman replied, explaining the procedure of the Board, which is that, in any case of accident where treatment by a Dentist is necessary, the claimant is given a form for the Dentist to fill out and the Dentist's fee is added to the compensation granted the claimant, who, apparently, is supposed to hand this over to the Dentist. The correspondence is before you for action.

Moved by McLean and Mason "That the report be referred back to the Committee for further consideration."—Carried.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

Moved by McGuire and McLean "That Thompson and Mason be appointed as delegates from this Board to the next meeting of the National Association of Dental Examiners, to be held in Washington."—Carried.

SAFETY DEPOSIT BOX

Moved by Thompson and Kennedy "That Mason's name be substituted for McLeans in connection with entrance to the safety deposit box in the Royal Bank, corner of College and Spadina."—Carried.

LIBRARIAN'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons of Ontario.

Gentlemen:

Your Librarian has the honor to report that the library is being used more and more each year by the profession. Requests have been received from Dentists from Halifax to Vancouver, and from graduates and students of other faculties.

We have received several very interesting specimens during the past year.

This year we had an exhibition of books and specimens from the library and museum at the Ontario Dental Convention, which created a great deal of interest.

All of which is respectfully submitted.

C. A. KENNEDY,
Librarian and Curator.

TREASURER'S REPORT

The Treasurer presented the following report:—
To the Board of Directors

Royal College of Dental Surgeons.
Gentlemen:—

Your Treasurer presents his report for 1928-29 as follows:

Licentiate Fees

Notice of the Licentiate fee being due on the first of January, 1929, was mailed to each Licentiate practicing in Ontario as far as his address could be obtained, about the middle of December. On the 23rd of January 854 second notices were sent by registered mail and in February about 175 personal letters followed later by 126 drafts of which 46 were returned. On the first of May 18 suits were entered in the Division Court. When the books were closed in April there were 25 Licentiates in arrears compared with 40 last year.

Harry R. Abbott Memorial Library

During the year a check for \$750.00 was received from the Consolidated Trust Co. of London and deposited to this fund from which \$1000.00 was transferred to the University of Toronto Library and there is now in this fund a balance of \$106.80.

Ex-Service Men's Loan Account

During the year 13 have paid their loans in full \$1280.35 and 57 have paid on account \$3381.77, leaving still due \$32318.16. Interest for 1928-29, \$1597.52, has been transferred to the R.C.D.S. account Government bonds of \$29,000.00 are on hand. The following have paid in full during the year 1928-29:—

Brown, A. C.	Lemay, W. J.	Toole, J. E.
Dudgeon, C.	Paul, W. A. M.	Torrance, R. A.
Guthridge, J.	Simms, F. C.	Ward, W. C.
Knapp, G.	Skilling, H. R.	Whitelock, W. L.
	Thornley, G. A.	

Extra-Mural Service

Twenty lecturers have visited fifty-five centers during the year. The expense amounted to \$1065.33 and the receipts to \$627.00. The deficit is due to the four trips to the northern parts of the Province. From expression received and heard from all parts of the Province, but especially from the more remote districts, this service is very greatly appreciated.

Fines

Two licentiates who had not paid their annual fee and three mechanical men, Wyper of Madoc, Coulan of Toronto and Minot of Hamilton, were fined for illegal practice.

Auditors' Statement

Submitted herewith are the Auditors' statements:—

- Balance sheet showing assets and liabilities.
- Receipts and disbursements of Board account.
- Receipts and disbursements of Ex-service Men's Loan Account.
- "Harry R. Abbott Memorial" fund.

Respectfully submitted,

W. E. WILLMOTT, Treasurer.

Toronto, May 29th, 1929.

Moved by Kennedy and McLean "That the report of the Treasurer be adopted and entered in the minutes."—Carried.

On motion of Thompson and McGuire the financial statements as presented by the Auditor were accepted.

HARRY R. ABBOTT MEMORIAL FUND

Moved by McLean and Thompson "That Kennedy be asked to interview the Consolidated Trust Company of London regarding the investments and possible income from the Harry R. Abbott Memorial Fund."—Carried.

J. B. WILLMOTT SCHOLARSHIP

The Senate of the University took favorable action upon the recommendation of the Faculty and awarded the James Branston Willmott Scholarship this year to Messrs. J. E. Braund and A. N. VanLoon (equal), members of the First Year.

PETITIONS

S. C. Rutledge—for a refund of the fine paid for practicing while licentiate fee not paid.

Moved by McLean and Mason "That no action be taken."—Carried.

Dr. Hildege Lamarre—graduated from Laval University, also a licentiate of the Province of Quebec—wishes to practice in Ontario.

Moved by Irvine and Kennedy "That Dr. Lamarre be required to fulfill same conditions in order to practice in Ontario as a graduate of Ontario would be required to fulfill to obtain a license in Quebec."—Carried.

James A. McDonald—A petition on behalf of J. A. McDonald was presented by Dr. J. A. Kennedy, of Detroit, asking that Mr. McDonald be granted his L. D. S.

Moved by McGuire and Holmes "That it is impossible to grant the petition and that Mr. McDonald be required to meet requirements as specified in the former action of the Board."—Carried.

Several instances of graduates of other colleges desiring to write full examination for L. D. S. at an examination where only a portion of the papers is provided by the Faculty was mentioned by the Secretary.

Moved by McGuire and Holmes "That in these circumstances a candidate may be permitted to write provided he will pay the expense of the additional papers, as well as the examination fee."—Carried.

ORAL HYGIENE COMMITTEE

The Oral Hygiene Committee of the Ontario Dental Association requested financial assistance in connection with the Dental Educational Clinic which is arranged by the Dental Division of the Ontario Department of Health at the Canadian National Exhibition.

Moved by Irvine and Holmes, "That the Board make a grant of \$300.00 to the Oral Hygiene Committee."—Carried.

Secretary read the authority from the President for the meeting:—
Dr. W. E. Willmott, Ottawa, June 25th, 1929
Secretary, R.C.D.S.

In accordance with the request of the Discipline Committee for a special meeting of the Board, I hereby authorize you to call such a meeting to consider the report of the Discipline Committee and for any other necessary business, on Monday, July 8th, at 7.00 p.m. (daylight saving) at the Hamilton Club.

(signed) S. S. DAVIDSON,
President, R.C.D.S.

The Discipline Committee reported that Dr. Charles Okun had been convicted on or about May 7th of fraud.

Moved by McGuire and Holmes "That the Discipline Committee be instructed to investigate the case of Dr. Okun."—Carried.

A letter was presented from Dr. F. J. Conboy, Secretary of the Progress Committee, asking the Board to consider three questions.

(1) The organization of courses of instruction by Dental Dealers. The dealers were anxious to cooperate with the Profession. The Committee suggested that the Board should approach the dealers and arrange, if possible, that before any course is announced the nature of the course should be submitted to the Board or a committee thereof, for approval or otherwise.

Office Assistance.

(2) Assisting dentists in connection with the planning of their offices and their economic systems.

Moved by McLean and Holmes "That this question be laid over till the next meeting."—Carried.

(3) Suggesting that the Progress Committee be made a permanent committee.

LABORATORY TECHNICIANS

The question of instructing and registering Laboratory Technicians was considered at some length.

Moved by McGuire and Holmes "That Mason, McLean and Thompson be a committee to consider the question of the Laboratory Technicians and report at the next meeting."—Carried.

Adjourned at 10.30 p.m.

MINUTES OF A SPECIAL MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO,

Held in the Board Room, October 14th, 1929.

The Board met at 2 p.m. with all the members present.

The Secretary read the authority for the meeting from the President:—

Dr. W. E. Willmott,
Secretary, R.C.D.S.,
Toronto.

Ottawa, October 5th, 1929.

Dear Dr.:

Will you kindly call a special meeting of the Board for Monday, October 14th, 1929, at two o'clock p.m. in the Board Room to receive and act on the report of the Discipline Committee and for any other necessary business.

Yours very truly,

(signed) S. S. DAVIDSON,
President R.C.D.S.

STUDENTS' LOANS

Communications from the Chartered Trust and Executor Company were received regarding certain loans. The Secretary was instructed to write the Company not to press the matter, but to let it stand in the meanwhile.

Moved by Holmes and McGuire "That Nelson Evans, a student of the Fifth Year in the Faculty of Dentistry, University of Toronto, who is the son of a war veteran, be granted loan of \$300 at 6% to be secured by an Insurance Policy of \$1000 and a note endorsed by his father."—Carried.

DISCIPLINE COMMITTEE

Dr. Charles Okun

The Discipline Committee reported as follows:—

To the Board of Directors,
Royal College of Dental Surgeons.

Persuant to instructions given the Discipline Committee at a meeting of the Board held on July 8th, 1929, the Committee met on October 1st, 1929, and investigated the case of Dr. Charles Okun.

Dr. Okun was convicted on June 7th, 1929, for a breach of the Bankruptcy Act, Sect. 191 (0) and was fined \$1000 or to be imprisoned until such fine is paid, not exceeding five years and in addition to serve a term of 60 days in jail.

(signed) W. E. WILLMOTT,
Secretary of Committee.

Moved by McGuire and Thompson "That the report of the Discipline Committee be received and that Dr. Charles Okun's license be suspended for three months from August 1st, 1929."—Carried.

J. A. Marshall

A communication from the Registrar of the University of Toronto stated that J. A. Marshall had successfully passed the supplemental examinations and had been granted his D.D.S.

On motion of Mason and Thompson Mr. Marshall's L.D.S. was granted.

R. G. Ellis

Mr. Ellis, a graduate of the Faculty of Dentistry, University of Adelaide, in Australia, had attended session 1928-29, had passed the examinations of the Fifth Year and been granted the D.D.S., wished to obtain the Ontario L.D.S.

He had written on all the required subjects of Second, Third and Fourth Years except Applied Physics and Metallurgy. A report from the Faculty Council showed that he had passed in the subjects written on.

Moved by Thompson and McLean "That Dr. Ellis be passed in Applied Physics and Metallurgy and be granted the L.D.S."—Carried.

Dr. Mason and the Secretary were instructed to revise the list of subjects required to be written on by graduate applicants for license, to conform to present curriculum of the Faculty of Dentistry of the University of Toronto.

REGISTRATION FEE

Moved by Holmes and Mason "That where graduates from other approved Dental Colleges desire the L.D.S. of Ontario, they be required to pay all the expenses of the prescribed examination and a registration fee of \$50.00."—Carried.

EXTENSION OF LIBRARY

The Dean explained the necessity for enlarged library facilities and stated that the proposed extension would cost \$2800, and that there was \$2000 available for the purpose, provided a similar amount was available for the purchase of books. Of this later amount, \$1000 was required as there was already on hand \$1000. The Treasurer reported that there was \$700 in the Harry R. Abbott Fund and that in a communication from the Consolidated Trust Company it was stated there was \$470 on hand in London.

Moved by Thompson and Kennedy "That the Treasurer be authorized to pay over to the Bursar of the University of Toronto the cash on hand in the Harry R. Abbott Fund—to advance the necessary extra amount from the Board Fund to be paid from the Harry R. Abbott Fund when available. Also that the Board make a grant of \$500 towards the proposed changes."—Carried.

"THE BOOSTER"

A letter from Dr. Conboy stated that the columns of the "Booster" were always open for any items from the Board. The Chairman of Discipline Committee and Secretary were authorized to accept Dr. Conboy's offer when they consider wise.

MRS. TULLEY ESTATE

A letter from Brickenden, McMillan and Ferguson, London, was received notifying the College of an appointment for an audit of Mrs. Tulley's estate on October 19th and enclosing a financial statement as far as the College was concerned.

It was not considered necessary that the Board should be represented at this audit but Dr. Kennedy was asked to consult the firm on certain matters in the financial statement.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

Dr. Mason presented the following report of the representatives from this Board to the annual meeting of the National Association of Dental Examiners, which was received and ordered to be placed on the minutes on motion of Mason and Thompson.

To the Board of Directors of the
Royal College of Dental Surgeons.

Gentlemen:

Your representatives attended the meetings of October 5 and 7, held at the Mayflower Hotel, Washington, D.C.

One point explained was the fact that Ontario did not represent Canada, and that Canada did not mean Ontario.

The requirements for entering the profession in Ontario, as asked in open meeting, was answered by stating that the Ontario Board required the same standard from all applicants.

Points of misunderstanding re the state of Pennsylvania were cleared up, and candidates have since been able to write on their state board.

California has required that our men take a year before writing on the state board. We would suggest that this matter be taken up at the earliest possible opportunity, and see whether a readjustment cannot be made.

One of your representatives was elected as chairman of the Committee of the National Association of Dental Examiners on Foreign Relations. Your representative is open to receive any instructions from this board.

All of which is respectfully submitted.

A. D. A. MASON,
W. G. THOMPSON,
Representatives.

MINUTES OF THE REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE ROYAL COLLEGE OF DENTAL SURGEONS OF ONTARIO

May 28th, 29th and 30th, 1930.

The Board held the following sessions and adjourned to the call of the chair:—

Wednesday, May 28th, 2.00 p.m. to 5.45 p.m.

Thursday, May 29th, 9.00 a.m. to 12.30 p.m. and 2.00 p.m. to 5 p.m.

Friday, May 30th, 9.00 a.m. to 12.30 p.m. and 2.00 p.m. to 4.00 p.m.

During the sessions all the members were present and the following business was transacted:—

MINUTES

The minutes of the Regular Meeting held May 29th-31st, 1929, were adopted as published on motion of Mason and Shannon.

The minutes of the Special Meeting held in Hamilton, July 8th, 1929, were read and adopted on motion of Kennedy and Thompson.

The minutes of the Special Meeting held on October 14th 1929, were read and adopted on motion of McLean and McGuire.

PRESIDENT'S ADDRESS

Dr. Kennedy took the chair and the President presented his report as follows:

To the Board of the
Roval College of Dental Surgeons.

Gentlemen:—

The duties of your President during the past year have not been very onerous.

The principal activities of the Board are carried on through its Committees and from the copies of the reports which you have received you will observe that the various Committees have been very active, especially the Discipline Committee. Through its untiring and unselfish efforts, efforts that have cost them many sacrifices in time and expense, our profession has been put on a higher plane of thought and action, and those recalcitrant members with which every profession is afflicted are rapidly becoming eliminated.

The Extra Mural Service has been widely distributed during the year and is becoming more and more appreciated by the members of the local associations. This is one of the grants made by the Board that is of great importance and of far reaching effects—none more so—and if the revenues of the Board would allow it, I am of the opinion that they would justify an increase.

The Report of the Dentists' Legal Protective Association is of great interest and should in some way be brought more prominently to the attention of the members of the profession, as only a comparatively few members are present at the Annual Meeting when the report is presented.

The Treasurer's report shows the finances of the Board to be in a satisfactory condition.

S. S. DAVIDSON,
President.

Moved by Mason and Shannon "That the President's address be adopted and entered in the minutes."—Carried.

The President resumed the chair.

Moved by Shannon and McLean "That in the opinion of the Board the minimum weekly remuneration for a graduate of the Nurses' class should be \$12.50 for the period of indentureship and \$15.00 after receiving her diploma."—Carried.

SECRETARY'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:

Your Secretary presents his report for 1929-30 as follows:—

Minutes

The minutes of the last meeting of the Board were prepared and 1900 copies printed as soon as possible after the adjournment of the Board. A copy was mailed to each Licentiate in practice in Ontario and to several others on request.

Application for License

Applications on the prescribed forms have been received from 54 members of the final class in the Faculty of Dentistry of the University of Toronto.

A number of inquiries have been received as to the requirements for graduates of other colleges to receive the L.D.S. of Ontario. It is suggested that the whole question be very carefully considered and some modification made in the existing regulations.

Examination fees have been paid by those not in attendance in Toronto for full five years.

Dominion Dental Council

During the year one Dominion Dental Council certificate has been registered—Dr. W. H. Godsoe of Nova Scotia.

Changes in the Register

Since the last meeting of the Board there have been 49 added to the register, making a total to April 30th, 1930, of 3,332.

During the year 14 Licentiates practising in Ontario, 1 out of practice and 1 practising in Manitoba have died, 46 retired and 13 re-entered practise or moved back to Ontario, from other places. Fewer have changed from one town to another than formerly, being about 60.

Nurses' Graduation

The Committee in charge has arranged that the graduation function for the Nurses' class will be held in the Arts and Letters Club Room on Friday evening, May 30th, 1930. Miss Munn of the Department of Health of the Ontario Government will be the speaker. The exercises will be followed by an informal dance with refreshments.

As the supply of diplomas was exhausted and more had to be obtained, the engravers suggested a smaller type, which was accepted and 100 printed.

Mail Matter

During the year 3,200 articles have been received by mail and 11,868 sent out.

Election of the Board

As the regular biennial election of the Board will be held in the Fall, it will be necessary to give your Secretary the required instructions.

W. A. Wyper

As arranged with the Faculty, Mr. Wyper has attended the session as a special student and has written on the papers required.

History

As your Secretary has had very little time available for the collection of historical data, little progress has been made.

Licentiates Who Have Died During the Year

- 1875—T. A. Howell, Paris, Oct. 8th, 1929.
1878—F. A. Eakins, Windsor, March 18th, 1930.

1911—F. N. Sangster, Forest, June 14th, 1929.
1912—W. P. Power, Port Elgin, Sept. 10th, 1929.
1916—L. E. Harriman, Toronto, March 7th, 1930.
1921—J. O. Olson, Winnipeg, January, 1930.

Respectfully submitted,
W. E. WILLMOTT, Secretary.

DEAN'S REPORT

The Dean of the Faculty of Dentistry, University of Toronto, presented the following report, which on motion of Irvine and Holmes was accepted and ordered to be printed in the minutes.

To the Board of Directors of the

Royal College of Dental Surgeons of Ontario:—

Examination Results

Submitted herewith are results of the examinations of the graduation class of 1930 for your consideration in determining the eligibility of these candidates to receive the Licentiate of Dental Surgery, Province of Ontario: and also the results of the Dental Nurses' examinations.

James Branston Willmott Scholarships

The plan adopted this year of dividing the James Branston Willmott Scholarship into two scholarships, the first of a value of \$150. and the second of a value of \$100. proved to be an entire success. These scholarships as they become better known, will undoubtedly be an important factor in influencing pupils of higher grade to enter upon the study of Dentistry.

The awards this year, as made by the Senate of the University upon the recommendation of the Faculty Council, were as follows:

First James Branston Willmott Scholarship: Gordon B. Shillington, Blenheim, Ont.

Second James Branston Willmott Scholarship: Lawson W. Leake, West Monkton, Ont.

Graduate Service

The Faculty is continuing its various services for graduates in Dentistry as in the past.

We are planning to hold five Dental Practitioners' Courses in the months of October, November, January, February and March and the Faculty would appreciate the co-operation of the Board of the Royal College of Dental Surgeons in bringing these courses to the attention of the profession.

We are also planning to hold Wednesday afternoon clinics beginning October 29th to which all members of the profession are invited.

Library Extension

As a result of pooling the funds of the Harry R. Abbott Memorial Library, the library grant of the University of Toronto, and the special

appropriation of \$2,000 from the Carnegie Corporation, we have been able to carry through a number of additions to the library room and equipment, enabling the Librarian to give much better service both to the graduate and undergraduate.

Animal Room

The members of the Board are invited to visit the animal room for biological experiments, on the roof of the building. This added facility will be of great value in the development of dental research in the Faculty.

Ceramics Laboratory

An interesting development during the past year has been that of a Ceramics Laboratory on the Infirmary floor in charge of Dr. F. M. Lott. We shall be glad if the members of the Board find opportunity to visit this laboratory.

Extra-mural Lectures

Submitted herewith is a tabulated list of extra-mural lectures held during the past year. The University of Toronto has included in the budget of the Faculty of Dentistry for the ensuing year \$500. for Extra-mural Lectures, and if this work is to be further extended it will be necessary for the Board to increase their appropriation for these lectures.

Curriculum Survey

The Carnegie Corporation has appropriated \$20,000 for a study and survey of dental curricula, and five Deans have been appointed to the Committee by the American Association of Dental Schools. I have had the honour of being appointed Chairman and we are very hopeful that this study, which is to extend over a two-year period, will result in greater co-operation among the dental schools and a degree of standardization that will overcome many of the present difficulties in dental education in America.

Registration

Registration of students in first year Dentistry for the past three years was 23, 24 and 30. It is proposed that first year classes in future be limited to the number estimated as being required to meet the public need for dental service five years hence. It is important, if we are to maintain our present standards and secure the better grade students, that members of the profession co-operate with the Faculty in recommending only the most worthy men of their communities to enter our profession.

Public Support of Dentistry

There are many evidences of a broadening interest in Dentistry as shown by the frequent editorial comments and increasing number of dental benefactions, both on this continent and in Europe.

It may not be generally known that we have in the past three years received upwards of \$12,000 from Toronto citizens, friends of Professor Graham, whose donations have made it possible for us to carry out important developments in the Department of Dental Pathology.

Respectfully submitted,

WALLACE SECCOMBE, Dean.

REPRESENTATIVES TO FACULTY COUNCIL

Moved by Thompson and Shannon "That Kennedy, Irvine and McLean be the representatives from this Board to the Faculty Council."

—Carried.

TREASURER'S REPORT

To the Board of Directors,
Royal College of Dental Surgeons.

Gentlemen:—

Your Treasurer presents his report for 1929-30 as follows:

Licentiate Fees

Notice of the Licentiate fee being due on the first of January, 1930, was mailed to each Licentiate practising in Ontario, as far as his address could be obtained, about the middle of December. During

the latter part of January about 800 second notices were sent, followed in February by about 170 personal letters, and after two weeks a number of further personal letters, followed by 108 drafts. When the books were closed there were 112 Licentiates in arrears (27) of these were paid by June 15th).

Library

The financial arrangements as outlined at the special meeting of the Board in October last for the enlargement of the library, were carried out and the alterations have been completed, providing ample space for the books of the Harry R. Abbott Memorial Library.

Extra Mural Service

The report of Extra Mural activities shows that 40 speakers visited 49 centers.

The expenditures amounted to \$1,171.45 and receipts to \$667—deficit of \$504.45.

Of the grant of \$1,500, \$1,000 was handed to the Bursar of the University, which sum was augmented by a grant from the University from which the honoraria to the speakers were paid.

The remaining \$500 did not quite cover the deficit in expenses.

Four hundred dollars have been paid in fines by illegal practitioners. (See Report of Discipline Committee, page 2).

Ex-Service Men's Loan

During the year 16 have paid their loans in full \$1,243.90 and 49 have paid on account \$2330.00, leaving still due \$28,744.26. Interest for 1929-30, \$2,004.81 has been transferred to the R.C.D.S. account. Government bonds of \$33,000.000 are on hand. The following have paid in full during the year 1929-30:—

Boyd, J. A.	Hamilton, W. S.	Ramage, C. C.
Brown, J. T.	Howard, G. B.	Sedgewick, J. W.
Coons, D. S.	Lequyer, L. J.	Snell, G. H.
Corben, S. H.	McLeod, C. D.	Staughton, J. O.
Hall, W. J.	McLeod, N. A.	Williams, J. M.
	Pullar, J. G.	

Auditors' Statement

Submitted herewith are the Auditors' statements:—(See page 21, etc.).

- (a) Balance sheet showing assets and liabilities.
- (b) Receipts and disbursements of Board account.
- (c) Receipts and disbursements of Ex-Service Men's Loan Account.
- (d) "Harry R. Abbott Memorial" fund.

Respectfully submitted,

W. E. WILLMOTT, Treasurer.

Moved by Mason and Irvine "That Treasurer's Report be adopted and entered in the minutes."—Carried.

Moved by McLean and Irvine "That the Trust Co. be asked to follow same procedure in regard to students' loan as does the Alumni Association."—Carried.

EXECUTIVE COMMITTEE'S REPORT

The Executive Committee met on April 2nd. Members present were Dr. Mason, McLean and Irvine.

The advertisements of Dr. H. V. Dewar of Toronto, which appeared in the "Bloor Watchman" on March 13th, 1930, were considered.

Moved by McLean and Irvine "That the Discipline Committee be instructed to inquire into the 'infamous, disgraceful or improper conduct in a professional respect' of Dr. H. V. Dewar in connection with his advertisement which appeared in the "Bloor Watchman" of March 13th, 1930."—Carried.

Moved by McLean and Irvine "That the Discipline Committee be instructed to inquire into the 'infamous, disgraceful or improper conduct in a professional respect' of Dr. R. H. Henderson in connection with his advertisement which appeared in the "Toronto Daily Star" of March 27th, 1930."—Carried.

The Executive Committee considered the question of a graduate (B.D.S.) of the University of New South Wales, who is in attendance at the Faculty of Dentistry of the University of Toronto to obtain the D.D.S..

According to regulations in New South Wales a D.D.S. cannot be registered unless the applicant has also a license to practice in the State in which the degree has been obtained. What would be required of this candidate (Mr. Maldon) to obtain the L.D.S.? Decided that in this instance if he is successful in obtaining the D.D.S. the L.D.S. be granted.

The Committee also considered the petition from W. W. Loucks of Cleveland, graduate of Western Reserve Dental School, to be matriculated on submitted credentials, which he intimated would be accepted by New York State.

As the credentials were not sufficiently definite for the University nor the R.C.D.S. to take action upon, it was decided that if he obtained matriculation in New York State, that would be accepted by R.C.D.S., and he would be required to comply with the other regulations before receiving his L.D.S.

The Dental Nurses Alumnae asked permission to present a prize to the pupil nurse with the highest proficiency as a Dental Nurse. The suggestion was gladly accepted and the Association thanked for their thoughtfulness.

A. D. A. MASON, Chairman.

Moved by Mason and Holmes "That the Report of the Executive Committee be adopted and entered in the minutes."—Carried.

DISCIPLINE COMMITTEE

The Discipline Committee presented the following report:

During the year the Committee held five meetings—June 24th, 1929; October 1st, 1929; December 9th, 1929; March 6th, 1930 and April 26th, 1930.

- 1—Dr. Chas. Okun, Windsor; complaint regarding newspaper item was investigated and the necessary action was taken.
- 2—Dr. J. C. Duff, recently moved to Kingston; complaint was received that window signs were too large. Dr. Duff expressed readiness to co-operate with Board and would alter the signs.
- 3—Dr. W. A. Brethour, Toronto; complaint of patient who could not get work done after paying a large deposit. Dr. Brethour notified to be present at next meeting of Committee. A registered letter so notifying him had been returned marked "left." Case pending.
- 4—Dr. S. H. Sutter, Stratford. Several complaints received regarding Dr. Sutter's advertisement in local paper. Committee requested him to discontinue the advertisement, which he did.
- 5—Dr. M. Pivnick, Toronto. Complaint was made regarding an advertisement in "Jewish Standard," March 28th, 1930. Dr. Pivnick met the Committee and expressed regret at the breach of ethics and said he would not offend again.
- 6—Complaint against Harry Buckley, Toronto, Mechanical Dentist. Before action could be taken he was sold out and his address is unknown.
- 7—Complaint from far North regarding illegal practitioner. Reply—if complainant would furnish name of a patient for whom the man operated, action would be taken. Nothing further heard.
- 8—Several inquiries regarding signs and professional cards in community programs, etc., were answered.
- 9—The following have been prosecuted and paid the prescribed fines:—

T. Collard of Peterboro	\$100
Sturgis of Hamilton	100
Minot of Hamilton	100
Faulkner of Toronto	50
Macher of Toronto	50

In connection with the latter, the Magistrate held that this was a first conviction, as the Act had been amended since the former conviction and our Solicitor let it go instead of refuting it.

10—A number of minor complaints were investigated and satisfactorily dealt with.

11—Dr. R. H. Henderson, Toronto. On instructions from the Executive Committee the case of Dr. R. H. Henderson, who had inserted an advertisement in the "Toronto Star" on March 27th, 1930, was investigated.

The Committee recommends that Dr. Henderson be informed that the Board decided to take a lenient view of his action, because of his endeavor to ascertain if his proposed newspaper advertisement was ethical or not, and also because of his promise to withdraw the article.

12—Dr. H. V. Dewar, Toronto. On instructions from the Executive Committee the case of Dr. H. V. Dewar, who had inserted an advertisement in the "Bloor Watchman" of March 1st, 1930, was investigated.

The Committee recommends that Dr. Dewar's license be suspended for one month from July 1st.

Submitted,

W. G. THOMPSON,
Chairman.

Moved by Thompson and Irvine "That the Board receives and adopts the report of the Discipline Committee and directs that Dr. H. V. Dewar's license be suspended for one month, beginning July 1st, 1930."

Moved in amendment by McLean and Mason "That Dr. Dewar's suspension be for two months instead of one."

The amendment was lost and the original motion was carried.

LEGISLATION COMMITTEE

The Legislation Committee reported progress.

HARRY R. ABBOTT MEMORIAL LIBRARY

A statement was presented from the Canada Trust Co. of London showing \$958 on hand to the credit of the Fund, and stating that the bequest was all invested and the interest would be paid on June 30th and December 31st of each year.

DENTAL SERVICE IN THE PROVINCE

Moved by Mason, seconded by McLean "That this Board of Directors of the Royal College of Dental Surgeons is of the opinion that such facilities should be provided as will make it possible for all the indigent in this Province and those living in districts remote from a resident dentist to secure dental treatment."

"That the responsibility for organizing and operating the necessary services rests upon the Ontario Government, and the local municipalities."

"That we commend the Ontario Department of Health for the start already made through the giving of grants to municipalities in organized Ontario, and the sending of travelling dentists into the unorganized parts of the Province."

"That we feel that the amount of the grant should as soon as possible, be increased, and that the work in Northern Ontario be extended."

"That we pledge the sympathetic support of the dentists to these undertakings, and feel it our duty to gratuitously give our services for the manning of dental departments in general hospitals."—Carried.

The Secretary was instructed to send a copy of this resolution to Dr F. J. Conboy, Director of Dental Service, of the Provincial Department of Health.

ONTARIO DENTAL ASSOCIATION

Moved by McLean and Holmes "That the Secretary be instructed to request a half hour on the program of the Ontario Dental Association Convention next year for the Board."—Carried.

DENTAL DEALERS

Regarding instruction by the Dealers, Dr. Mason reported that the Dealers were anxious to co-operate with the Board in this matter.

LABORATORY TECHNICIANS

Dr. Mason reported that the Committee to consider the question of the registration of Laboratory Technicians did not deem any action necessary at the present time.

On motion of Mason and Irvine the report was adopted.

REGULATIONS REGARDING LICENSE TO PRACTICE DENTISTRY IN ONTARIO

REGULATIONS, ETC.

Moved by Kennedy and McGuire "That Irvine, Mason, Holmes, McLean and Willmott be a Committee to revise the regulations regarding license to practise Dentistry in Ontario."—Carried.

Later in the meeting the Committee presented the following report which was unanimously adopted on motion of Irvine and Mason.

Anyone desirous of practising Dentistry in the Province of Ontario must procure a license from the Board of Directors of the Royal College of Dental Surgeons of Ontario.

- I. Candidates who have successfully completed the regular course as given in the Faculty of Dentistry, University of Toronto, may be granted the License without further examination upon payment of the required fee.
- II. Candidates who have obtained advanced standing in and have graduated from the Faculty of Dentistry, University of Toronto, may be granted the license upon payment of the required fee.
- III. Those who have graduated from other approved Dental Colleges are required:
 1. To have held before commencing their dental studies qualifications equivalent to those required of Ontario students at that time.
 2. To be recommended by the Dean of the College from which they graduated and by the Secretary of the Licensing authorities of the State or Province from which they come.
 3. To present credentials as follows:
 - (a) If dental course was commenced previous to September 1st, 1903, a graduation diploma granted upon the basis of a three year dental course.
 - (b) If dental course was commenced previous to September 1st, 1921 and after September 1st, 1903, a graduation diploma granted upon the basis of a four year dental course.
 - (c) If dental course was commenced after September 1st, 1921, a graduation diploma granted upon the basis of a five year dental course (including one pre-dental year), or its equivalent (two pre-dental years and a four year dental course).

4. To pass written examinations in the following subjects according to classification under section 3:

- (a) Diagnosis and Clinical Dentistry; Operative Dentistry; Prosthetic Dentistry; Preventive Dentistry; Medicine; Surgery.
- (b) The same examinations as in (a) and in addition: Anatomy, Dental Anatomy, Physiology, Bacteriology and Histology.
- (c) Anatomy, Histology, Dental Anatomy, Biochemistry, Physiology, Pharmacology, Organic Chemistry, Dental Surgery and Anaesthesia, Bacteriology and Pathology, Dental Pathology, Periodontology, Operative Dentistry, Prosthetic Dentistry, Clinical Dentistry, Surgery, Medicine, Orthodontia, Preventive Dentistry, Dental Praxis, (one paper on History of Dentistry and Dental Economics, and one paper on Ethics, Economics and Dental Jurisprudence).

5. To satisfy the Examiners in Clinical Dentistry including: Diagnosis, Operative Dentistry, Prosthetic Dentistry and Oral Surgery. Examinations, Oral and Practical to be taken in the presence of the Examiner.

6. To sign a covenant to practice ethically and to maintain the dignity and honour of the profession.

7. To pay the required fee of \$50 and necessary examination expenses.

IV. These regulations will apply only to candidates coming from Countries, Provinces or States which have reciprocal relations with Ontario.

Moved by Mason and Shannon "That these Regulations shall be applicable to any candidate from Australia who has received his D.D.S. from the University of Toronto, and the registration of which in Australia has been refused because he did not also have a license to practice in Ontario."—Carried.

BUST OF DR. C. N. JOHNSON

Moved by McLean and Irvine "That the Board make a grant of \$125 towards the expense of obtaining a bronze replica of the bust of Dr. C. N. Johnson, made by Dr. C. E. Pearson."—Carried.

BIENNIAL ELECTION

Moved by Kennedy and Thompson "That the Secretary be instructed to follow the procedure of previous years in connection with the biennial election, (October to December, 1930) for members of the Board from the different electoral districts and Faculty, and that Jas. Brebner, LL.D., and H. J. Bolitho be appointed Scrutineers."—Carried.

NEXT MEETING OF THE BOARD

Moved by Mason and McLean "That the Annual Meeting of the newly elected Board of Directors shall be held on June 3rd, 1931 at 2 o'clock p.m. (Toronto time)."—Carried.

NATIONAL ASSOCIATION OF DENTAL EXAMINERS

Moved by McLean and McGuire "That Drs. Mason and Thompson be appointed representatives from this Board to the next meeting of the National Association of Dental Examiners."—Carried.

REPORT ON QUESTIONNAIRE

The Committee in charge of the Questionnaire sent out a year ago reported that 386 replies had been received.

The replies to some of the questions could not be tabulated for publication, but the Committee recommend the following be included in the minutes of the meeting.
